Kanayi Kanam, situated near Payyanur, is a picturesque water body that attracts numerous travelers and photographers, especially during the rainy seasons. However, the natural ecosystem of this area has been adversely affected by the accumulation of plastic bottles and covers. To address this issue, the NSS unit of SNGCET organized a cleaning drive at Kanayi Kanam on April 21, 2023, to clear away all plastic waste before the onset of the rainy season. Several students, alongside NSS volunteers, actively participated in this program.
