Grocery and Vegetables Distribution to Economically Weaker Localities of Mampoil

During the afternoon session of a residential camp on March 9th in Mampoil, students engaged in distributing food materials and vegetables to economically disadvantaged individuals of the area. Demonstrating a touching blend of compassion and community solidarity, a team of committed NSS volunteers recently initiated a campaign to aid the economically vulnerable residents of Mampoil. Acknowledging the urgent requirement for support, particularly amidst challenging economic conditions, these students assumed the responsibility to bring about a concrete positive change in the lives of those experiencing hardship
