practise. Due to vacations there was a break in studies. So the students requested extra classes for the upcoming portions.

- 4) The subject handlers informed that on the basis of series paper valuation the performance of the students in the class is average. They also observed that though students were told to stick to study plan in vacations, there was a break in study due to which students have not performed well.
- 5) It was decided that extra classes will be provided in the coming weeks for the upcoming portions so that students prepare well for second series exam.
- 6) The meeting ended at 12:45 pm.

The course committee will meet at least thrice in a semester, the first at the beginning of the semester, the second and the third after the first and second series tests respectively. The committee should monitor the conduct of the courses; adherence to the course plan and time schedule, completion of the syllabus, standards of internal tests, evaluation process and difficulties faces by the students and take suitable remedial actions at the appropriate time. At the end of the semester, the committee should meet without student representatives to review the conduct of the course and finalize the internal assessment marks and approve them.
