Minutes of the PTA General meeting (S5 class PTA)- 05-11-2022

The meeting commenced at 10 AM in the Meeting Hall. The meeting started with the prayer by Ms. Varsha M, AP CSE. Prof. Jacob Thomas, HOD ME delivered the welcome address.

The college Principal and PTA President Dr. Leena A.V addressed the parents. The Principal informed that Academic activities are running smoothly and said that the overall discipline in the college has improved a lot from earlier times. The Principal expressed concern over the dues in tuition fee and bus fee remittance of students and told that it is difficult to go ahead with various activities of the college. The Principal also informed that lot of renovation works have been completed in College and women's hostel and it is a huge investment from the side of the Management which cannot be met without revenue from the Fee. She also informed that remedial classes are being held to improve the results of the students and this is done with no extra remuneration for Faculty. The Principal also suggested encouraging students to stay in hostel permanently or during University exams. She informed that all have to pay fee in time for smooth running of classes and that after 15th November only those students having bus pass will be allowed to board the college bus.

The Principal discussed about the internship attended by students and said that students should be allowed to undergo internship program only if the company is genuine and the parents shall contact the class tutor/HOD before permitting students to attend internships.

Mr. Sukumaran P V (Parent of Ms. Akshaya S5 CE) expressed his concern over the variation in bus fees from Taliparamba and Chudala stops. Mr. Sukumaran had requested in reduction of fees last year and said that there was no response from college authorities. Also as per his opinion students who are paying fees should get seat including his daughter. Mr. Sukumaran suggested that a bus should be fixed for particular route and students should be compulsorily told to board from their stops only. Mr. Sukumaran also suggested that it is illegal to fill petrol from petrol pump with the students in the bus. This can lead to an untoward incident which may have dire consequences. He said the authorities should take care of this.

Mr. Sukumaran also suggested sending personal messages to parents of students who have not remitted the fees instead of posting messages in main group. Mr. Sukumaran also pointed the changing of University exam by KTU one day before the exam. Also he said that some content which was not taught in lab was asked in

external lab exam. Also students are not writing in record. Mr. Sukumaran suggested giving extra coaching to students for clearing supplementary subjects. He also stressed on the point that the college Office should be empowered to act strongly to ensure fee collection in time. He appreciated that the Academic activities are going well in the current semester and all the classes are good with no complaints from any students. He insisted that this should also reflect in the results.

The Principal responded to the queries raised by the parent. The Principal replied by stating that bus passes will be issued to students to avoid rush in the college bus from 15th Nov onwards. The Principal also informed that personal messages and legal notices were sent to parents repeatedly and no response was obtained. She informed that the other queries related to bus fee amount raised by Mr. Sukumaran will be addressed after discussion with the Management.

The PTA Executive member Mr. Manoharan (parent of Rajath, S5 CE) said that the students tend to deviate from studies and it should be assured that they study well. Mr. Manoharan said that he was expecting better results last semester. Mr. Manoharan informed that as an Executive member he has understood that college authorities are putting their best effort for the overall progress of the students.

The UG & PG Dean Dr. Susan Abraham informed the parents about internship program offered by Keltron Ltd. for all branches of students of the college.
