VIHAAN 2023

The student induction programme "**VIHAAN 2023**" was conducted for the first year newly admitted students at Sree Narayana Guru college of Engineering & Technology Kannur under APJ Abdul Kalam Technological University. The programme was held from 8th September 2023 to 15th September 2023 following the AICTE norms, for all the branches. The program structure includes sessions dealing with familiarization with College, Dept, Branches, Mentoring of the students and universal human values, interaction with prominent Alumni, physical activities, creative arts, literary activities, proficiency modules in English, Mathematics, and Computer Programming, lectures and workshops by eminent people, extra-curricular activities etc.

ABOUT THE INDUCTION PROGRAM

Transition from a school to university life is one of the most challenging events in a student's life. Induction program aims a smooth transition of student life from pre - university level to a professional college, preparing them to adapt with their new roles and ambience. The program offers a beautiful combination of literary, personality development activities, human value sessions, career development and placements opportunities, sports, cultural events and many more.

OBJECTIVE

Induction program set out a strong foundation for the students for their four yearlong Engineering journeys. The motive of the program is to inculcate the students with the culture of the institution, departmental facilities, library and laboratory facilities, placements and careers opportunities, teacher student relationship and to create strong bond among themselves to work as a team and explore the world of Engineering together.
