VIHAAN2020

The student induction programme "*Vihaan 2020*" was conducted in online mode (in the case of Covidpandemics) for the first year newly admitted students at Sree Narayana Guru college of Engineering & Technology, Kannur under APJ Abdul Kalam Technological University. The programme was held from 16th November 2020 to 27th November 2020 following the AICTE norms, for all the branches. The program structure includes sessions dealing with the pre-course requirements related to each subjects.

ABOUT THE INDUCTION PROGRAM

Transition from a school to university life is one of the most challenging event in a student's life. Induction program aims a smooth transition of student life from pre-university level to a professional college, preparing them to adapt with their new roles and ambience. The Program offers a beautiful combination of literary, personality development activities, human value sessions, career development and placements opportunities, sports, cultural events and many more.

OBJECTIVE

Induction program set out a strong foundation for the students for their four year long Engineering journey. The motive of the program is to inculcate the students with the culture of the institution, departmental facilities, library and laboratory facilities, placements and careers opportunities, teacher student relationship and to create strong bond among themselves to work as a team and explore the world of Engineering together.

DAY 1(16th NOVEMBER):FORENOON

SNGCET inducted its latest Engineering batch and organized an orientation program through online mode for the new entrants. The inaugural session was held on 16th of November via Google meet.

Dr. Leena AV, Dean UG & PG studies welcomed the gathering, Principal Dr. Suresh Paredh delivered the
