GEOTAGGED PHOTOS OF PRINCIPAL CHAMBER

The principal's room in a college is typically a space designed to serve multiple functions located in Swami Anantha Theertha Block .The principal's office is one of the larger rooms in the administrative area of the college. A prominent feature of the principal's room is a large desk, often positioned in a way that allows the principal to have a clear view of the door and the rest of the room. The desk is usually equipped with a comfortable chair for the principal to use while working. Along with the principal's desk, there are additional seating such as a sofa, armchairs, or guest chairs arranged in a conversational setup. This area is used for meetings with staff, students, parents, and visitors. The decor of the principal's office often reflects the professional atmosphere of the college. It includes awards, photographs related to the college's history, achievements.

The principal's room is equipped with communication tools such as a telephone, computer, printer, and other necessary office supplies to facilitate administrative tasks and correspondence. Given the nature of the principal's responsibilities, the office is designed to provide privacy and confidentiality for sensitive discussions and meetings.
