#### GUEST TALK AND INTERACTIVESESSION ABOUT TOWN PLANNING

As part of the academic programme, a half day session was organized by Department of Civil Engineering on 2\$/09/2019. The talk was delivered by Mr. Rijesh N M. Session commenced at 9:30AM. Dr. Susan Abraham, Hod Civil engineering department welcomed the guest and students. Dr.Leen AV (Dean UG and PG studies) introduced the resource person.

The speaker shared his knowledge and experience in the field of Town planning.

The speaker commenced the session by introducing the various activities done by a town planner and activities done by Department of town planning, Kannur. He discussed about major functions of a town planner

Preparation of Spatial Plans at State, District and Local level (State Perspective Plan, District Development Plan, Master Plan, DTP Scheme), Statutory Approvals and concurrences for constructions and land developments as per KMBR 1999, KPBR – 2011 and Town Planning Schemes in force., Advise the LSGIs and Government on matters related to spatial planning and sustainable development of settlements, Drafting legislations and Government Policies on settlement planning and development, Nodal agency of the Centrally Sponsored Schemes of preparation of GIS based Master Plans under AMRUT, Technical Secretariat of the Art and Heritage Commission, Act as the Spatial Planning wing of the DPC.

Students were inspired by the talk. Session concluded with vote of thanks by Mr. Abin Damodar.

Workshop Report: Geospatial Technology and Its Applications

Date: November 2, 2019

Venue: Seminar Hall, SN College of Engineering and Technology. Time: 9:30 AM -3:30 PM

On the 2nd of November 2019, Sree Narayana Guru College of Engineering and Technology hosted a one-day workshop on Geospatial Technology and its applications at the Seminar Hall. This event was spearheaded by Dr. V.K. Janardanan, the institution's Principal, and Lt. Col. Praveen C, the Administrative Officer. The workshop aimed to introduce students to the vast world of geospatial technology and its multifaceted applications, with a special focus on its relevance within the civil engineering domain. The day began with a serene prayer led by Pavithra and Kavya, followed by a warm welcome by Abin Damodar from the Civil Department. Dr. V.K. Janardanan, the Principal, shared his insights in the presidential address, highlighting the importance of geospatial technology. The resource person for the day, Dr. Susan Abraham, Head of the Department, was introduced to the attendees. Felicitations came from Lt. Col. Praveen C, the Administrative Officer, and Mr. Aswin Krishna, CU Chairman. Akhil Surendran, a student from S5 Civil Engineering, extended his gratitude in the vote of thanks.

The morning session, which lasted from 10:30 AM to 1:00 PM, was dedicated to unraveling the fundamentals of Geospatial Technologies. Attendees were introduced to the basic concepts of Geographic Information Systems (GIS), Remote Sensing, and Global Positioning System (GPS). The session also shed light on practical applications of GIS in civil engineering and explored the diverse job opportunities within the Geospatial Technology sector. Additionally, the latest advancements in Geospatial Technologies were discussed.

After a lunch break from 1:00 PM to 1:45 PM, the post-lunch session commenced with an introduction to ArcGIS, a prominent GIS software. Live demonstrations captivated the audience as they witnessed spatial analysis with ArcGIS and learned about location-based augmented reality in construction management. The session culminated with a live demonstration on LiDAR data processing, providing attendees with practical insights into the subject. The day concluded with valuable feedback from the participants, offering a comprehensive perspective on the quality and impact of the workshop.

In sum, the workshop on Geospatial Technology and its applications proved to be an enlightening and informative experience for all participants. It provided a platform for students to gain valuable insights into the world of geospatial technology and its potential applications in the field of civil engineering. Live demonstrations offered hands-on experience, preparing students for a future where geospatial information and technology play a pivotal role in various industries. The success of the workshop was made possible by the active participation of students, the dedication of the organizing team, and the expertise of the resource person.

#### DEPARTMENT OF CIVIL ENGINEERING

#### WORKSHOP/INTERACTIVE SESSION

As part of the academic programme, a half day interactive session was organized by Department of Civil Engineering on 28-09-2019 at our campus for S3, S5 and M.Tech students.

The talk was delivered by Ar. Madhukumar, Chief Architect at MKumar Associates Kannur, who has headed many prestigious building projects in the Malabar area namely Harbour City, Shopping mall ,Thalasseri, Kannur, A.K.G. memorial Super Speciality Hospital, Talap, 'Santhwanam' - old age home, Azhikkode, Kannur, Tourism Department Art Gallery at Dharmasala, Kannur.

Session commenced at 1:30pm at the Seminar hall. Dr.Susan Abraham (HoD Civil Department) welcomed the guest and students. Mrs.Mary Soina George, Assistant Professor (Senior Grade), introduced the guest.

The speaker shared his knowledge and experience in the field of Architecture and, Construction. The speaker commenced the session by introducing the various activities involved in project design. He stated that design always begins with client requirement elicitation, where the consultant understands the dream and requirement of the client. Further, the consultant develops a rough design based on the available budget.

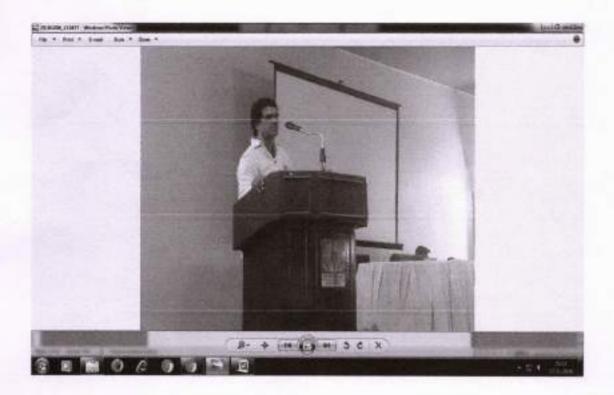

Once the rough design is approved by the client, the same will be developed into appropriate drawings. The Architect may require to visit the proposed site before beginning the design.

Then Engineer and Architect will do a constructability review to ensure the practical challenges in the construction.

Dr. LEENA A. V.

The speaker gave some interesting and important tips in layout of rooms while preparing the plan. To make best utilization of cross ventilation, he recommended providing important rooms such as bed rooms, multi purpose halls at corners of the building and rooms like bathroom/toilet etc. away from corner.

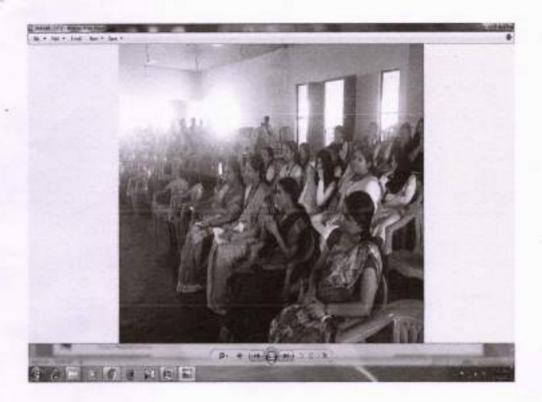

Scientific aspects of our traditional architecture of Vastu vidya was explained with practical examples.

ENGINEERING & TECHNOLOGY, PAYYANUR
KANNUR

He emphasized the need for hands on experience and site visits for Civil Engineering students. He urged students to make about 100 site visits by the time they complete B Tech course.

He concluded the session by acknowledging his mentor Prof.R.P.R. Nair.

Students were inspired by the speech. Session concluded with vote of thanks by Miss. Anjali K. Vijayan (S5) and with National Anthem.

#### Webinar Report: "GROW and Be a Star"

The Department of Civil Engineering organized a webinar on July 18, 20, titled "GROW and Be a Star." The distinguished speaker for the session was Dr. Surekha Nair, the Director of HR at Eurofins India Pvt Ltd (India and Middle East). Dr. Nair, with over two decades of experience in Human Resource Management, provided invaluable insights into the skills needed to succeed in interviews and the expectations of the corporate world.

Date of Webinar: July 18, 20

Organized by: Department of Civil Engineering

Speaker: Dr. Surekha Nair

Director, HR, Eurofins India Pvt Ltd (India and Middle East)

Topic: "GROW and Be a Star"

Webinar Highlights:

Insights into Human Resource Management: Dr. Surekha Nair's extensive experience in HR management added significant value to the session. Her insights covered the latest trends and expectations in the corporate world, making the webinar highly informative for both students and professionals.

Skills for Interview Success: The webinar offered an in-depth look at the skills and qualities that are highly sought after by recruiters during the interview process. Dr. Nair provided practical tips and guidance on how to effectively present oneself in interviews.

DY. LEENA A. V.
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENCINEERING & TECHNOLOGY, PAYYANUR
KAMMUR

Corporate Expectations: Dr. Nair highlighted the evolving expectations of the corporate world, especially in the context of today's dynamic job market. The discussion encompassed the importance of adaptability and continuous learning in a professional career.

Interactive Q&A Session: The webinar included an interactive Q&A session where participants had the opportunity to seek clarifications and delve deeper into the subject. Dr. Nair's responses to questions were insightful and enriching.

#### Benefits and Outcomes:

Participants gained a comprehensive understanding of the skills and qualities required to excel in job interviews and succeed in the corporate world.

Dr. Surekha Nair's real-world experiences and expertise served as a source of inspiration for attendees, motivating them to strive for excellence in their career paths.

The interactive nature of the webinar allowed for a dynamic exchange of ideas and knowledge.

#### Conclusion:

The "GROW and Be a Star" webinar organized by the Department of Civil Engineering was a resounding success, providing attendees with an opportunity to learn from an expert in the field of HR management. Dr. Surekha Nair's practical insights and guidance on succeeding in interviews and navigating the corporate world were invaluable.

The session has equipped participants with a competitive edge, preparing them to meet the expectations of the evolving corporate landscape. We extend our gratitude to Dr. Nair for sharing her expertise, and we look forward to more such informative and inspiring sessions in the future.

#### DEPARTMENT OF CIVIL ENGINEERING

Webinar Report: "Civil Service Post-B.Tech"

Date of Webinar: August 8, 2020

Organized by: Department of Civil Engineering

The Department of Civil Engineering hosted a live webinar on August 8, 2020, with the theme "Civil Service Post-B.Tech." The webinar aimed to provide valuable insights and guidance to B.Tech graduates interested in pursuing a career in civil services. The session featured two distinguished speakers: Mr. Alex Andrews George, Founder of ClearIAS.com, and Dr. Sreeju SS, an Indian Revenue Service (IRS) officer serving as Deputy Director at DG Systems & Data Management.

#### Webinar Highlights:

A Civil Service Success Story (Dr. Sreeju SS, IRS): Dr. Sreeju SS shared his inspiring journey and success story in civil services. He provided valuable insights into the challenges and opportunities he encountered as a civil servant. His personal experiences and achievements served as a source of motivation for the attendees.

Ways to Crack Civil Service and UPSC Examinations (Mr. Alex Andrews George): Mr. Alex Andrews George, an entrepreneur, author, mentor, and the founder of ClearIAS.com, delivered a comprehensive session on effective strategies for cracking the civil services and UPSC examinations. He shared tips, study techniques, and resources that can greatly benefit aspirants.

#### Benefits and Outcomes:

Attendees gained a deeper understanding of the civil service career path, including its challenges and rewards, through Dr. Sreeju SS's success story.

Mr. Alex Andrews George's session provided practical guidance and actionable steps for those aspiring to clear civil service and UPSC examinations.

The webinar served as a platform for attendees to interact with experienced professionals in the field, enabling them to seek personalized advice and clarifications.

#### Conclusion:

The "Civil Service Post-B.Tech" webinar organized by the Department of Civil Engineering was a significant opportunity for B.Tech graduates to explore the world of civil services and UPSC examinations. The event was graced by two distinguished speakers, Dr. Sreeju SS, IRS, and Mr. Alex Andrews George, who provided valuable insights and guidance to aspiring civil servants.

The session not only motivated attendees to pursue a career in civil services but also equipped them with practical strategies and resources for exam preparation. We extend our appreciation to the speakers for sharing their expertise, and we look forward to more such informative and inspiring sessions in the future.

Webinar Report: "Best Career Options in Post-COVID World -Scope and Opportunities in Engineering"

Date of Webinar: September 9, 2020

Organized by: Department of Civil Engineering

The expert trainer, MMR Vineeth Nair ,Lt Col C. Preveen led the training session, bringing with them valuable experience.

The Department of Civil Engineering organized a highly informative and engaging webinar on September 9, 2020, titled "Best Career Options in a Post-COVID World - Scope and Opportunities in Engineering." The distinguished speakers for this session were Mr. MMR Vineeth Nair, FIE, Director of Hebron Properties Pvt. Ltd., Bangalore, and Lt Col C. Preveen, an accomplished professional holding BSc, B.Tech, MS, MBA, MIETE, FIE, Chartered Engineer, Certified Trainer, and Mind Coach certifications.

#### Webinar Highlights:

Insights into Post-COVID Career Opportunities: The webinar provided valuable insights into the rapidly evolving post-COVID job market and the diverse career opportunities available in the field of engineering. Mr. MMR Vineeth Nair and Lt. Col. C. Preveen shared their perspectives on the scope of engineering professions in the current landscape.

Dr. LEENA A. V. PRINCIPAL

SREE NARRYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY, PAYYANUR Building a Future through Civil Engineering Skills: The speakers delved into the various aspects of civil engineering, emphasizing the critical role of skills and adaptability in shaping a successful career. They discussed the importance of staying updated with the latest trends and technologies in the field.

Expertise from Industry Leaders: The session benefited from the extensive industry experience of the speakers. Their diverse qualifications and accomplishments brought a well-rounded perspective to the discussion.

Interactive Q&A Session: The webinar included an interactive Q&A session that allowed participants to seek clarification on various career-related topics. Mr. MMR Vineeth Nair and Lt. Col. C. Preveen provided thoughtful responses and practical guidance.

#### **Benefits and Outcomes:**

Participants gained a comprehensive understanding of the current career landscape and the opportunities available to engineering graduates in a post-COVID world.

The insights shared by the speakers motivated attendees to explore new avenues and stay competitive in their career pursuits.

The interactive nature of the webinar provided a platform for attendees to engage with industry leaders and seek guidance tailored to their career aspirations.

#### Conclusion:

The webinar on "Best Career Options in a Post-COVID World - Scope and Opportunities in Engineering" was a remarkable initiative by the Department of Civil Engineering. The session, graced by Mr. MMR Vineeth Nair and Lt. Col. C. Preveen, provided students and professionals alike with valuable insights and perspectives on building successful careers in the field of engineering.

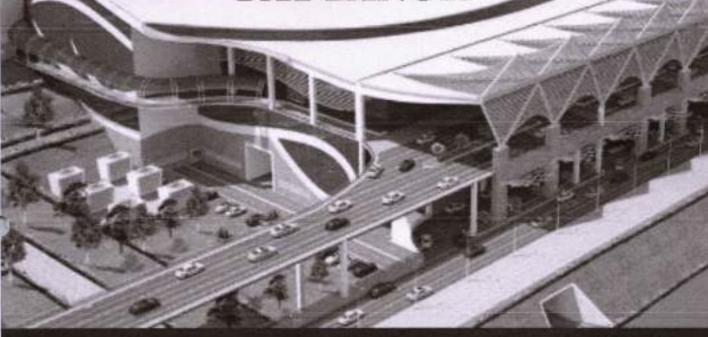

The event served as a source of motivation and guidance for attendees, enabling them to navigate the evolving career landscape with confidence. We extend our appreciation to the speakers for their expertise and to the organizing team for facilitating such an enriching session.

#### DEPARTMENT OF CIVIL ENGINEERING

### Kannur Airport Site Visit

As part of the academic programme, a site visit was conducted for final year students at kannur Airport construction site on 06/10/2018. The summary of the site visit and experiencing real working space and the environment of construction, we realized that working at construction site is much more different and also more difficult, because of the weather conditions and the risks exist. This site visit gave us a chance to experience and learn what cannot be gained during lectures or tutorials. One of the first things that we have learnt is understanding the importance of safety which is a basic of construction, because of all dangers exist on site. Furthermore we have learnt many things by identifying different types of construction materials and their uses, and also learning a lot about construction process and methods that are used in our state, plus by talking and asking questions from the construction team who were guiding us at the site. Finally, this site visit helped for better understanding what we are going to face in future as a Quantity Surveyor, and also giving us better understanding about slab casting and design which comes under Reinforced cement concrete-II to help me in our studying. Airport Construction work includes paving, drainage, fences, driveways, parking areas and similar work incidental to the construction of airfields, but excluding the construction of buildings.

Kannur Airport construction includes a 4,000 metres (4,400 yd) runway extension, a full-length taxiway, commissioning of a fuel farm, an aviation academy etc. and developing city side facilities. A cargo terminal and cargo complex which was initially in Phase-II has been shifted to Phase I and is under construction.

#### OBJECTIVES

Experiencing and learning more about construction site environment that will face after becoming a Quantity Surveyor and entering construction industry. Understanding about importance of safety and notes that should be taken before entering to a construction site for the

KANNUR

accidents that may happen there, such as wearing sa f et y m ea s u re s. More understanding about construction technology of buildings and different methods of constructing, plus explore and identify different types of building materials.

#### BIM WORKSHOP

A three day workshop conducted between 15th to 17th june 2023 as part of curriculum of S6 Civil Engineering Software Lab (CEL 334). The workshop was handled by staffs from CAD Centre Payyanur.

The workshop inaugurated by Principal Dr. Leena A V. Workshop includes lab session regarding BIM, REVIT, MS Project.

Classes about BIM, REVIT was given on 15th and 16th june. On the last day students were given by classes regarding MS Project.

Total 20 students were present in the workshop. Students were directed to do BIM regarding a multistoreyed building during the first two days, during the last day they prepared MS Project file regarding a construction work.

#### Report on Infrastructure Design Workshop

Date: 24th November 2023 Venue: Meeting hall, SNGCET

The Department of Civil Engineering in association with Research and Development Cell(R&D) of SNGCET and Civil Engineering Student Association( CESA) has conducted a workshop on Infrastructure Design on 24th November 2023. This informative workshop, held in association with the with Research and Development Cell(R&D) of SNGCET, aimed at meeting the societal need for qualified competence in planning, design, construction and maintenance of infrastructure systems which will contribute to long-term sustainable development.. The event was graced by Dr. Leena A V, the Principal of SNGCET, and featured by Mr. Pradeep Kumar, Director of HIMMA/AMMY'Z PROFESSIONAL ACADEMY, as the resource person. The workshop helped to promote the personal development of knowledge, skills and attitudes that are needed to start working as a professional engineer.

The session commenced with a warm welcome address by Dr. Susan Abraham, Dean UG & PG Studies. Ms.Rishna K Raman, Assistant professor CE Dept. briefed about Research and Development Cell (R&D) of SNGCET. She emphasized the importance of (R&D) in the campus. Ms.Shamya Sukumaran M , Assistant Professor , CE Dept. SNGCET addressed the students, shedding light on the significance of CESA and encourage them to share their thoughts and experiences related to the association. Dr.Leena A.V, Principal SNGCET, released the logo of Civil Engineering Student Association.Ms. Shahana Sherin, S7 CE Student of CE Dept., introduced the speaker, Mr. Pradeep Kumar. She highlighted his extensive experience in the field of wet infrastructure projects.

Mr. Pradeep Kumar took the stage to deliver the keynote address. With his profound knowledge and expertise, he shared valuable insights into the importance of infrastructure development. He gave students a clear idea regarding the design of water main structures.

Mrs.B Mary Sonia George, Head Of Civil Engineering Department, delivered the vote of thanks. She expressed gratitude to Dr. Leena A. V, The speaker Mr. Pradeep Kumar, the organizing committee, and all participants for their active involvement and enthusiasm. The session was highly informative ,leaving the attendees with a greater understanding of the Infrastructure development. This workshop undoubtedly contributed to the growth of the students at SNGCET.

Sub: Request for permission to start software incubation cell in our collage.

Respected Madam,

On behalf of the Department of Computer Science and Engineering I would like to kindly request to grant permission for starting software incubation cell in our collage. The detailed proposal is attached herewith. I am sure this incubation cell will bring good technical exposure amongst students inside and outside the campus and also bring accolades to the college.

Thanking you,

Veena KK

#### COMPUTER SCIENCE AND ENGINEERING DEPARTMENT

#### REPORT ON INAUGURAL CEREMONY OF SOFTWARE INCUBATION CELL

The inaugural ceremony on 20<sup>th</sup> January commenced at 11.30 AM with a warm welcome extended to all attendees by Ms. Veena KK, SIC lab coordinator. The event was graced by the presence of Sri. K P Pavithran(Secretary, SBSY), Sri. T K Rajendran (Vice President, SBSY), Dr Leena A V (Principal, SNGCET), Mr Sunder V (HoD CSE) who have been instrumental in supporting our institution's initiatives.

Mr Sunder V(HoD CSE) delivered an inspiring keynote address that emphasized the role of incubation cells in nurturing young entrepreneurs and driving economic growth. The keynote highlighted the importance of providing a conducive environment for innovation and shared valuable insights on how incubation cells can contribute to the startup ecosystem.

The ceremony also featured an address by Sri. K P Pavithran(Secretary, SBSY), who spoke about the vision behind establishing the Incubation Cell at SNGCET.Sri. T K Rajendran (Vice President, SBSY), underscored the institution's commitment to providing students with the necessary resources, mentorship, and opportunities to transform their innovative ideas into viable businesses.

The event showcased a virtual tour of the Incubation Cell's state-of-the-art facilities, highlighting the various resources available to students, including dedicated workspaces, mentorship programs, access to funding, and networking opportunities.

The inaugural ceremony of the Incubation Cell at SNGCET was a resounding success, reflecting our institution's commitment to nurturing the entrepreneurial spirit within our students. The event provided a platform for meaningful discussions, networking, and inspiration, setting the stage for the Incubation Cell to become a hub of innovation and creativity.

#### SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY

### COMPUTER SCIENCE AND ENGINEERING DEPARTMENT SOFTWARE INCUBATION CELL

#### ABOUT

Incubation Centre is a space within the campus for new age entrepreneurs and young minds to transform their innovative ideas into viable business propositions. Cell will ensure that incubates have access to technological assistance which will be generated through mentors with multidisciplinary expertise. It is expected that encouragement for young enthusiasts will be provided with creative pursuits with an inherent zeal to be entrepreneurs to take advantage of this novel initiative. It tend to draw on the resources and expertise of their staff, external consultants, existing entrepreneurs, peer-to-peer networks, and external enterprise support. They tend to operate using mixed revenue streams from rental income and fees or funds. These may be obtained from other private and public sources. It help young entrepreneurs to solve some of the problems commonly associated with running campus start-ups. Active participation in the incubation cell will be an added advantage for the students to nourish various courses in the curriculum.

#### NEED FOR INCUBATION CENTRE

For entrepreneurs, the start-up stage can be treacherous and exhausting. Business incubators are there to help with the growing pains by providing them with seed money office space, supplies, technologies, office spaces, offer professional services (such as marketing and accounting) and connect company founders with mentors, clients, and venture capital firms. This will set as a base for all the budding entrepreneur.

#### VISION

 To facilitate budding entrepreneurs by developing a platform to start an IT venture with minimum risks.

#### MISSION

 To encourage student entrepreneurs to bring out their technical talents by providing a platform for nurturing, encouraging and developing innovation and entrepreneurial skills within the campus.

#### LONG TERM OBJECTIVES

- To create jobs, wealth and business aligning with national priorities
- To promote new technology/knowledge/innovation based start-ups.
- To provide a platform for speedy commercialization of technologies developed by host institution or by any academic/technical/R&D institution

Dr. LEENA A, V.
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY, PAYYANUR
KANNUR

- To build a vibrant start-up ecosystem, by establishing a network between academia, financial institution, industries and other institutions.
- To provide cost effective, value added services to start-ups like mentoring, legal, technical, intellectual property related services.

#### SHORT TERM OBJECTIVES

- To encourage Entrepreneurship and innovation and incubation of ideas from the students.
- · To support the student projects that can be developed into start-ups.
- To conduct technical, business and innovative workshops, boot camps, hackathons in the campus.
- · To encourage students to participate entrepreneurial events outside the campus.
- To cater to the projects that solve problems and find solution to local needs (district and state) rather than global problems and needs.
- To facilitate the students to get internships through the companies which are under incubation

### SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY

# COMPUTER SCIENCE AND ENGINEERING DEPARTMENT SOFTWARE INCUBATION CELL

# Sree Sundareshwara Matrimony

#### 1. Introduction

#### 1.1 Purpose

The purpose of this document is to outline the requirements for the development of a matrimony website. It defines the features, functionalities, and constraints of the system to be developed.

#### 1.2 Scope

The matrimony website allows users to register, create profiles, search for other users based on various criteria, interact with other users through friend requests and chat, and manage their subscription. The website aims to provide a platform for individuals seeking matrimonial connections.

#### 2. System Description

The matrimony website will consist of the following modules:

- User Registration
- Profile Management
- Subscription and Access Control
- · Search Functionality
- Document Upload
- · Subscription Management
- Notification System
- · Admin Panel

#### 3. Functional Requirements

#### 3.1 User Registration

- Allow users to register with a unique username and password.
- Require mobile number verification during registration.

#### 3.2 Profile Management

- Redirect registered users to their profile page to input additional information.
- · Categorize profile into public and private sections, with private information requiring approval.
- Allow users to edit their details and upload profile and additional photos.
- Enable users to set profile picture visibility (public or only to registered users).

PRINCIPAL
SPEENARAVANAGURU COLLEGE OF
ENCINEERING & TECHNOLOGY, PAYYANUR

#### 3.3 Subscription and Access Control

- · Grant access to registered users with an active subscription.
- Allow subscribed users to access site functions.
- Provide an option for users to display their name and picture only to subscribed users or to all.

#### 3.4 Interaction Features

- Allow users to send friend requests, accept or reject requests, and manage a friend list.
- · Enable users to block other users and manage a blocked list.
- · Implement a chat feature with the option to communicate without displaying contacts.

#### 3.5 Search Functionality

Allow users to search for specific users by name or apply filters based on criteria like age group.

#### 3.6 Document Upload

Provide users with an option to upload documents such as birth certificates or religious papers (optional).

#### 3.7 Subscription Management

- · Offer subscription for a 3-month period with a fee.
- · Notify users before the subscription renewal date.
- · Block site access for users who fail to recharge after the renewal date.
- · Delete users from the database if they repeatedly fail to pay.

#### 3.8 Notification System

- · SMS for email or verification
- Email notifications to users for updates.

#### 4. Non-Functional Requirements

#### 4.1 Security

- · Implement secure user authentication and data encryption.
- Ensure user data privacy and protection.

#### 4.2 Performance

- Ensure fast loading times for profile pages and search results.
- Handle concurrent user interactions efficiently.

#### 4.3 Scalability

- Design the system to handle a growing user base.
- Ensure that performance remains consistent with increased usage.

#### 4.4 Reliability

- Minimize downtime and ensure system availability.
- Implement backup and recovery procedures to prevent data loss.

PRINCIPAL
PRINCI

#### 4.5 User Experience

- · Design an intuitive user interface for easy navigation and interaction.
- · Ensure compatibility across different devices and browsers.

#### 4.6 Compliance

Comply with relevant regulations regarding user data protection and privacy.

#### 4.7 Admin Panel

Provide administrators with tools to manage users, subscriptions, and site functionality efficiently.

#### 4.8 Technology Stack

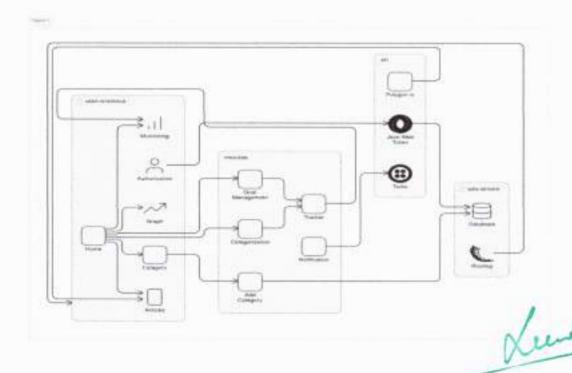

- · Utilize HTML, CSS, and JavaScript for front-end development.
- Use Python with Flask for backend development.
- Employ SQLite3 through SQLAlchemy for the database.

#### 5. Glossary

- · SRS: Software Requirements Specification
- · SMS: Short Message Service
- HTML: Hyper Text Markup Language
- CSS: Cascading Style Sheet

#### 6. Revision History

Version 1.0: Initial version of the SRS document.

# A Report On Poster Design Workshop "Become a Canva Expert" Venue: Project Lab

DATE: 18/09/2023

On 18th September 2023, a workshop on poster designing and becoming a Canva expert was conducted at the Project Lab of Sree Narayana Guru College of Engineering and Technology. The event aimed to equip participants with the skills necessary to create visually appealing posters using Canva, a popular graphic design platform. Ms. Anamika Sureshbabu, the lab instructor, spearheaded the workshop with Mr. Nishanth KP, the technical assistant, serving as one of the event coordinators.

The workshop commenced at 10:00 AM with an introduction by Ms. Anamika Sureshbabu, who outlined the objectives and structure of the session. Participants were introduced to the fundamentals of poster designing, including layout, typography, color theory, and visual hierarchy.

The workshop encouraged active participation, with attendees posing questions, seeking clarifications, and sharing insights. Ms. Anamika and Mr. Nishanth provided personalized guidance and feedback, fostering a collaborative learning environment.

The workshop concluded with a recap of key takeaways and resources for further learning. Participants expressed appreciation for the hands-on experience and the practical skills gained during the session. Ms. Anamika Sureshbabu, Mr. Nishanth KP, and the organizing team were commended for their efforts in facilitating a successful and enriching workshop.

11	Expected Outcomes	offering them insights into real-world space research and career prospects in the field.  3. Skill Enhancement: Enhance students' skills and creativity by encouraging participation in a variety of events like speeches, quizzes, drawing, poster making, collage creation, article writing, PPT presentations, video content creation, and photography, aligning with their curriculum.  4. Holistic Learning: Encourage interdisciplinary learning by allowing students to engage in different types of activities that cater to their diverse interests and talents, aligning with the holistic nature of the B. Tech curriculum.  5. Problem-Solving Abilities: Promote critical thinking and problem-solving abilities among students by challenging them with questions related to the Chandrayaan-3 mission in quizzes, articles, and presentations.  6. Communication Skills: Improve students' communication skills by encouraging them to express their ideas and knowledge through speeches, articles, and presentations, preparing them for future career opportunities where effective communication is essential.  7. Creative Expression: Foster creativity and artistic expression through drawing, collage, and poster-making events, enabling students to communicate complex ideas visually.  8. Technical Proficiency: Enhance technical proficiency by encouraging students to create PPT presentations, videos, and photography related to the Chandrayaan 3 mission, aligning with their B. Tech curriculum.  9. Teamwork and Collaboration: Promote teamwork and collaboration through group activities like collages, group presentations, and video content creation, helping students develop essential interpersonal skills. # REPORT ON "INSPIRED BY THE STARS :CELEBRATING CHANDRAYAAN-3 CHRONICLE"

"Inspired By The Stars: Celebrating Chandrayaan-3" Chronicle was organised by the department of computer science engineering association with the IIC cell, SNGCET, on 13° and 14th September 2023 in Inauguration and Valedictory function - meeting hall From 09:00am - 01:00pm This was conducted by Dr. Raji Sukumar A, Associate professor CS department and Ms.Bindhya.M.C., HOD H & S. The session was presided over by the Principal, Dr. Leena A V, Sri Rajendran T. K, Vice-President, Sree Bhakthi Samvardhini Yogam, Talap Dean UG and PG studies, Dr. Susan Abraham, Nodal officer of IEDC, Dr. Raji Sukumar A, Ms Vijina Vijayan Mr.Sunder.V,Hod C.S

The session was very informative and valuable which helped the students to get a clear idea About launching of Chandrayaan –III.. The intersection of computer programming and space exploration has given rise to a new era of precision and innovation. This report delves into the critical role of computer programming in moon missions, with a focus on Chandrayaan-3. Proficiency in coding has become the digital backbone of lunar exploration, impacting navigation, communication, data analysis, and decision-making. This report explores the significance of coding in lunar missions, highlighting technological advancements, challenges, and future prospects. The resource person created a friendly environment and made the session engaging, interesting and participative through interactions and a lot of educative videos like advertisements case studies etc.

Thul  $\alpha S \cdot B \omega \cdot \rho \cdot \rho$ 

The event was co-ordinated by \_\_\_\_\_ C.S. The session was attended by the S1 students of all the braches. The Guest of honour was presented with a memento by the Principal as a token of appreciation. The seminar concluded at 1.00 pm.

### REPORT ON "Moonbound Magic: Chandrayaan-3 Spectacle"

"Moonbound Magic: Chandrayaan-3 Spectacle" was organised by the department of computer science and engineering in association with the IIC cell, SNGCET, on 21th September 2023 in Inauguration and Valedictory function - meeting hall From 09:30am - 03:00pm This was conducted by the Guest of Honour and resource person, Dr. V K Janardhanan Former deputy project director GSLV project, VSSC, Trivandrum Former principal SNGCET. The session was presided over by the Principal, Dr. Leena A V, Sri Rajendran T. K, Vice- President, Sree Bhakthi Samvardhini Yogam, Talap Dean UG and PG studies, Dr. Susan Abraham, Nodal officer of IEDC, Dr. Raji Sukumar A, Mr. Shyaman V.P Asst. Professor H&S.

The session was very informative and valuable which helped the students to get a clear idea About launching of Chandrayaan –III. The intersection of computer programming and space exploration has given rise to a new era of precision and innovation. This report delves into the critical role of computer programming in moon missions, with a focus on Chandrayaan-3. Proficiency in coding has become the digital backbone of lunar exploration, impacting navigation, communication, data analysis, and decision-making. This report explores the significance of coding in lunar missions, highlighting technological advancements, challenges, and future prospects. The resource person created a friendly environment and made the session engaging, interesting and participative through interactions and a lot of educative videos like advertisements case studies etc.

The event was co-ordinated by Mr. Shyaman V.P Asst. Professor H&S. The session was attended by the S1 students of all the braches. The Guest of honour was presented with a memento by the Principal as a token of appreciation. The seminar concluded at 3.30 pm.

### I. TO BE FILLED BY THE EVENT COORDINATOR(S)

1	Event type conducted	IIC	
2	Event name	MOONBOUND MAGIC: Chandrayaan - 3 Spectacles	
3	Date and time of the event conducted	21-09-2023, Thursday 09:30am - 03:00pm	
4	Venue	Inauguration and Valedictory function - meeting hall	
5	Whether the event was interdepartmental? If yes, mention the department(s) associated with	No	
6	Mode of conduct [online \ offline]	Offline	
7	Is there any deviation from the proposal in the date, time and venue of the event? If yes, mention the reason for change		
8	Whether any professional body was associated with the event? If yes, name the body	No	
9	Any funds received from the professional body? Indicate the amount	No	
10	Participants / Target Audience	e S1 students	
11	Whether the event is conducted for bridging the gap in syllabus? If Yes, name the course with code and the semester and year it the subject is handled	Yes	
12	Objectives of the event	Educational Insight: Provide B. Tech students with a unique educational opportunity to gain in-depth knowledge about the Chandraayan-3 mission, its scientific significance, and its contribution to space exploration.  PACE LOG 2.

13	Expected Outcomes	<ul> <li>Interaction with Experts: Facilitate interaction and knowledge exchange between students and the eminent scientist who worked on the Chandrayaan-3 mission, offering them insights into real-world space research and career prospects in the field.</li> <li>Skill Enhancement: Enhance students' skills and creativity by encouraging participation in a variety of events like speeches, quizzes, drawing, poster making, collage creation, article writing, PPT presentations, video content creation, and photography, aligning with their curriculum.</li> <li>Holistic Learning: Encourage interdisciplinary learning by allowing students to engage in different types of activities that cater to their diverse interests and talents, aligning with the holistic nature of the B. Tech curriculum.</li> <li>Problem-Solving Abilities: Promote critical thinking and problem-solving abilities among students by challenging them with questions related to the Chandrayaan-3 mission in quizzes, articles, and presentations.</li> <li>Communication Skills: Improve students' communication skills by encouraging them to express their ideas and knowledge through speeches, articles, and presentations, preparing them for future career opportunities where effective communication is essential.</li> <li>Creative Expression: Foster creativity and artistic expression through drawing, collage, and poster-making events, enabling students to communicate complex ideas visually.</li> <li>Technical Proficiency: Enhance technical proficiency by encouraging students to create PPT presentations, videos, and photography related to the Chandrayaan 3 mission, aligning with their B. Tech curriculum.</li> <li>Teamwork and Collaboration: Promote teamwork and collaboration through group activities like collages, group presentations, and video content creation, helping students develop essential interpersonal skills.</li> </ul>

15	Connected PO / PSO	1 PROBLEM ANALYSIS 2. DESIGN MODEL 3. SOLUTION DEVELOPMENT
16	Justification for PO / PSO [may use separate sheet if necessary]	Enhancing problem analysis skills among participants in "The PROBLEM ANALYSIS: Bridge Course on Entrepreneurship and Innovation" is crucial as it forms the foundation for innovation and entrepreneurial success. By honing their ability to dissect and understand complex problems, participants can identify untappee market opportunities and develop creative solutions to address them. This skill enables entrepreneurs to anticipate and mitigate potential risks associated with their ventures, increasing the likelihood of success. Furthermore, effective problem analysis allows for the validation and refinement of business ideas, ensuring their alignment with market needs and preferences. Lastly fostering a culture of continuous problem analysis promotes adaptability and iteration, empowering entrepreneurs to evolve their ventures in response to changing market dynamics and customer feedback.  DESIGN MODEL: Enhancing the attainment of design mode skills among participants in "The Bridge Course of Entrepreneurship and Innovation" is essential for fostering innovation and product development. Proficiency in design modeling equips entrepreneurs with the ability to visualize an iterate on product concepts, leading to the creation of user-centris solutions. This skill enables entrepreneurs to effectively communicate their ideas to stakeholders, investors, and potential customers, facilitating buy-in and support for their ventures Additionally, mastery of design modeling enhances the feasibility assessment of product ideas, allowing entrepreneurs to identify an address potential challenges early in the development process Ultimately, a strong foundation in design modeling empower entrepreneurs to create compelling, market-ready products that meet the evolving needs of their target audience.  SOLUTION DEVELOPMENT  Enhancing the attainment of solution development skills among participants in "The Bridge Course on Entrepreneurship an Innovation" is crucial for turning innovative ideas into actionable business ventures. Proficien
		empowers entrepreneurs to bring value to customers, differentiat themselves in the marketplace, and drive growth for their ventures.

### A Report On TechGenesis 1.0 2023 VENUE: MEETING HALL, SNGCET

DATE: 16/11/2023

IEDC Panel TechGenesis 1.0 Inauguration

The Inauguration Function of TechGenesis 1.0 2023 was held on 16th November 2023. The event commenced with a formal inauguration ceremony. Dr. Leena Av (principal), with her insightful words, officially inaugurated the IEDC event, emphasizing the importance of innovation in today's dynamic world.

Following the inauguration, the Technical Session unfolded, providing a platform for students to know more about IEDC. Presentations were conducted by the members of IEDC.

The event culminated with a panel discussion by Mr. Jacob Thomas(head of project and consultancy SNGCET). Attendees gained valuable knowledge and perspectives that are instrumental in nurturing an entrepreneurial mindset.

13	Justification for PO / PSO [may use separate sheet if necessary]	Enhancing problem analysis skills among participants in "The PROBLEM ANALYSIS: Bridge Course on Entrepreneurship and Innovation" is crucial as it forms the foundation for innovation and entrepreneurial success. By honing their ability to dissect and understand complex problems, participants can identify untapped market opportunities and develop creative solutions to address them. This skill enables entrepreneurs to anticipate and mitigate potential risks associated with their ventures, increasing the	

likelihood of success. Furthermore, effective problem analysis allows for the validation and refinement of business ideas, ensuring their alignment with market needs and preferences. Lastly, fostering a culture of continuous problem analysis promotes adaptability and iteration, empowering entrepreneurs to evolve their ventures in response to changing market dynamics and customer feedback. DESIGN MODEL: Enhancing the attainment of design model skills among participants in "The Bridge Course Entrepreneurship and Innovation" is essential for fostering innovation and product development. Proficiency in design modeling equips entrepreneurs with the ability to visualize and iterate on product concepts, leading to the creation of user-centrid This skill enables entrepreneurs to effectively communicate their ideas to stakeholders, investors, and potential customers, facilitating buy-in and support for their ventures Additionally, mastery of design modeling enhances the feasibility assessment of product ideas, allowing entrepreneurs to identify and address potential challenges early in the development process Ultimately, a strong foundation in design modeling empowers entrepreneurs to create compelling, market-ready products that meet the evolving needs of their target audience. SOLUTION DEVELOPMENT Enhancing the attainment of solution development skills among participants in "The Bridge Course on Entrepreneurship and Innovation" is crucial for turning innovative ideas into actionable business ventures. Proficiency in solution development enables entrepreneurs to systematically transform concepts into tangible products or services that address identified market needs. This skill facilitates the creation of scalable and sustainable solutions enhancing the potential for long-term business success Furthermore, mastery of solution development methodologies allows entrepreneurs to iterate on their offerings based on feedback and market validation, ensuring continuous improvement and relevance. Ultimately, a robust capability in solution development empowers entrepreneurs to bring value to customers, differentiate themselves in the marketplace, and drive growth for their ventures. #### DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

Report on the Smart India Hackathon SNGCET 2023 held on 6<sup>th</sup> and 7<sup>th</sup> October, 2023 organized by the Department of Electronics and Communication Engineering in association with Innovation, Entrepreneurship and R&D Centre, SNGCET, Payyanur.

The Department Of Electronics and Communication Engineering, SGCET, Payyanur organized "Smart India Hackathon SNGCET 2023", in association with Innovation, Entrepreneurship and R&D Centre, SNGCET, under the guidance of Dr. Raji Sukumar, Associate Professor, CSE. This was an internal selection procedure which was conducted on 6th and 7th October, 2023 for submitting new innovative ideas. Smart India Hackathon 2023 is an initiative by the Ministry of Education that offers an incredible opportunity to make a significant impact on our nation. Smart India Hackathon (SIH) is a flagship event that brings together the brightest minds from across the country to address real-world challenges through innovation and technology. This is a nationwide endeavor, dedicated to nurturing innovation, problem-solving, and fostering a culture of excellence.

The welcome address was delivered by Ms. Meera M, Assistant Professor, ECE Department. The judging panel included Prof. Jacob Thomas, HOD, ME, Ms. Leena Narayanan, HOD, ECE, Ms. Saritha Sasindran, Assistant Professor, CE, Ms. Veena K. Assistant Professor, CSE and Ms. Aswathi Ravindran. Ms. Soshya V C, Assistant Professor of ECE proposed the vote of thanks.

There were 20 teams of six members each from all departments who presented their innovative ideas (50 ideas) as solutions to problem statements specified in SIH Website in various areas and domains. The ideas were evaluated and selected by the judges and suggestions were given by them to improve the ideas and also to add more details as per the requirements of the problem statement. Students were also made to discuss the problem statements and put forward ideas. Students were

given instructions to prepare presentation slides for uploading in the main website for registering for Smart India Hackathon 2023.

This program which was conducted in SNGCET was a great success and marked as a significant milestone, motivating the students to attend more competitions at the National level and bring out their technical talents.

#### POST EVENT ANALYSIS FORM

## WEBINAR ON "A PLATFORM FOR CAREER BUILDING: WHAT THEY WANT? WHAT WE CAN?"

Date: June 12, 2021

Venue: Virtual (Conducted via Online Platform)

Organizers: Sree Narayana Guru College of Engineering & Technology

Departments Involved: Department of Electronics and Communication Engineering (ECE) in association with the Department of Electrical and Electronics Engineering (EEE)

Resource Person: Dr. Surekha S Nair, Director-HR (India & Middle East), Eurofins India Pvt. Ltd.

Attendance: Approximately 100 participants

#### Introduction:

On June 12, 2021, Sree Narayana Guru College of Engineering & Technology organized a webinar titled "A Platform for Career Building: What They Want? What We Can?" The event aimed to provide insights into the contemporary requirements of the job market and how students can align themselves with these demands for a successful career trajectory. Dr. Surekha S Nair, Director-HR at Eurofins India Pvt. Ltd., graced the session as the esteemed resource person.

#### Session Overview:

V.A AMELLIA

The webinar commenced with an introduction by the organizing committee, highlighting the importance of understanding industry expectations in shaping one's career. Dr. Surekha S Nair then took the stage, delving into various aspects of career building and the dynamic nature of the professional landscape.

Key Highlights:

1. Industry Insights: Dr. Surekha provided valuable insights into the evolving demands of

different industries, emphasizing the significance of staying updated with the latest trends and

technologies.

2. Skills in Demand: The session shed light on the skills that are currently in high demand in

the job market, including technical competencies, soft skills, and adaptability to change.

3. Career Strategies: Practical strategies and tips were shared on how students can enhance

their employability quotient by acquiring relevant skills, networking, and showcasing their

strengths effectively.

4. Interactive Q&A: The session was highly interactive, with participants actively engaging in

discussions and seeking guidance on various career-related queries.

Key Takeaways:

Understanding the pulse of the industry is crucial for career success.

Continuous learning and upskilling are essential to stay competitive.

- Building a strong professional network can open doors to diverse opportunities.

- Effective communication and interpersonal skills are as important as technical expertise.

Conclusion:

The webinar on "A Platform for Career Building: What They Want? What We Can?" was a

resounding success, thanks to the insightful session delivered by Dr. Surekha S Nair. The

event provided students with a valuable platform to gain knowledge and guidance on

navigating the complexities of the job market and charting a fulfilling career path. The

collaboration between the Department of ECE and EEE in organizing this event underscores

the college's commitment to holistic student development.

Acknowledgment:

Sree Narayana Guru College of Engineering & Technology extends heartfelt gratitude to Dr.

Surekha S Nair for sharing her expertise and invaluable insights with the participants. Special

thanks to the organizing committee, faculty members, and all the participants for making the

webinar a memorable and enriching experience.

## SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY, PAYYANUR Promoted by Sree Bhakthi Samvardhini Yogam, (Affiliated to KTU, Recognised by AICTE)

#### VIHAAN2018

The student induction programme" Vihaan 2018" was conducted for the first year newly admitted students at Sree Narayana Guru college of Engineering & Technology , Kannur under APJ Abdul Kalam Technological University . The program was held from 23rd July2018 to 27th 2018 following the AICTE norms, for all the branches. The program structure includes sessions dealing with physical activities, human values and ethics, anti drug campaigns, soft skills, interactions with eminent of academic and industrial world, extra curricular and co-curricular activities etc.

#### ABOUT THE INDUCTION PROGRAM

Transition from a school to university life is one of the most challenging event in a student's life. Induction program aims a smooth transition of student life from pre-university level to a professional college, preparing them to adapt with their new roles and ambience. The Program offers a beautiful combination of literary, personality development activities, human value sessions, career development and placements opportunities, sports, cultural events and many more.

#### OBJECTIVE

Induction program set out a strong foundation for the students for their four year long Engineering journey. The motive of the program is to inculcate the students with the culture of the institution, departmental facilities, library and laboratory facilities, placements and careers opportunities, teacher student relationship and to create strong bond among themselves to work as a team and explore the world of engineering together.

## DAY1(23rd JULY):FORENOON

SNGCET inducted its latest Engineering batch and organized an orientation program for the new entrance. The inaugural session was held on 24th of july in seminar hall. Dr. Leena A V., Dean UG & PG studies welcomed the gathering, Principal Dr. Janardanan V. K delivered the Principal's Address, briefed

about the college and highlighted the achievements won by the students. She also mentioned about the various events including technical fest, conferences, seminars and other cultural and sport activities conducted in the college. The students were then briefed about the rules and regulations of the institute and university norms ,hostel and transportation facilities and the placements process at the college.

Program was officially inaugurated by lighting the lamp. Principal delivered the "ENGINEERS'S OATH" to the newly admitted students. HOD of all departments familiarized the students with Mission and Vision of the various departments. They enlightened the students with their valuable thoughts and described about the trends and opportunities in Engineering and asked the students to maintain a good conduct through out their college life and wished them to excel in their life.

Mr. Unnikrishnan O., HOD PED, delivered the vote of thanks in the program.

## DAY 1 (23rd JULY): AFTERNOON

Students and parents visited the departments and interact with faculty.

## DAY 2 (24th JULY): FORENOON

On 26<sup>th</sup> july 2018 induction program was conducted for the newly admitted students at the Meeting Hall. The program aimed to provide the students with information and guidance regarding their college journey. Several sessions were organized, including breathing exercises, self-evaluation form filling, and ice-breaking activities.

The induction program started with a session on breathing exercises conducted by Professor O. Unnikrishnan. The session aimed to help students relax and manage their stress during their college life. Professor Unnikrishnan provided guidance on different breathing techniques and their benefits. The students actively participated and found the session helpful in improving their focus and overall well-being. Following the breathing exercises, the session continued with a form filling activity related to self-evaluation. This session aimed to familiarize the students with the process of self-evaluation and reflection. Divya SP, Premanand C, Manurajan TV, and Anand M E assisted the students in filling out the form. The students filled in their goals, strengths, weaknesses, and aspirations, which would form the basis for their personal development throughout their college journey. The next session of the induction program was an ice-breaking activity called "Roping Through." Divya SP, Premanand C, Manurajan TV, and Anand M V facilitated this activity. The purpose of this session was to encourage students to interact with their peers, build connections, and create a friendly and inclusive environment. The students were

divided into groups and given various group tasks that required collaboration and communication. The activity was engaging and helped students break the initial barriers.

Following tea break, students have the opportunity to participate in the "Know Your Friend" program led by Prof.Unnikrishnan. Later on, there's a motivational and leadership class led by Prof.Raveendran.

## DAY2:( 24th JULY)AFTERNOON

The afternoon session on 24th JULY commenced promptly at 1:45 p.m. The session was conducted byProf. O. Unnikrishnan and consisted of a diverse range of engaging activities designed to promote participation, team work, and energy among the participants through role play,musical cap,group energy game.

Second day programme concluded at 3.30 pm

## DAY3:(25th JULY):FORENOON

The day commenced at 9:00 a.m. with a breathing exercise, providing participants with a mindful start to their day. At 9:30 a.m., participants engaged in a session that began with a recap of the previous day's activities and discussions. The session then transitioned into a class on personality development, expertly led by Lt.Col.Praveen. This segment focused on enhancing various facets of participants' personalities, including communication skills, self-awareness, and interpersonal interactions. Lt.col Praveen guidance and expertise provided valuable insights into the intricacies of personality development.

The session resumed after the tea break and continued with a blend of interactive activities and discussions. Participants were actively engaged in exercises aimed at reinforcing the concepts covered earlier in the day. The interactive nature of these activities encouraged active participation and the application of newly acquired knowledge.

## DAY3 :(25th JULY):AFTERNOON

The afternoon session of the third continued the theme of engaging and interactive learning experiences. Thesession, led by Divya S.P, Premanand.C, Manu Raj T.V, and Anand M.E, focused on a pertinent

Dr. LETIMA A. W.
FRITTO LIVAL

BRITTO A PALICET OF
ENGRELIED A PROPERTY OF

societal issue, traffic problems. Participants had the opportunity to engage in meaningful discussions and hands-on problem-solving related to traffic management.

First day programme concluded at 3.30 pm

## DAY4:(26th JULY):FORENOON

The day commenced at 9:00 a.m. with a breathing exercise. Following the breathing exercise, participants engaged in a session that began with a recap of the previous day's activities and discussions. The session then transitioned into a class on time management and lifestyle management, expertly led by Lt. Col. C Praveen. This segment aimed to equip participants with practical strategies for effectively managing their time and creating a balanced lifestyle. The program continued with an engaging communicative English class led by Divya SP. This comprehensive session included a range of activities, including watching inspirational videos, participating in debates, and delivering speeches on various topics. Divya SP's guidance ensured that participants had a dynamic platform to enhance their communication skills and build confidence.

## DAY4:(26th JULY):AFTERNOON

The afternoon session was dedicated to career guidance, an important aspect of participants' personal and professional development. The session featured two resource persons Athul Ganesh and MithunMadhav. Participants received valuable insights into career paths, industry trends, and tips for navigating the job market. This interactive session offered participants a clearer understanding of their career options and the steps to achieve their professional goals.

## DAY5:(27th JULY):FORENOON

The day commenced at 9:00 a.m. with a session dedicated to recapping the activities and discussions from the previous day. The subsequent session delved into the exploration of universal human values. Conducted by PremAnand. C and Manuraj T.V, this class aimed to instill ethical and moral principles that transcend cultural and societal boundaries. Participants engaged in thought-provoking discussions that encouraged self-reflection and a deeper understanding of shared values. During the post-break session, participants embarked on a department visit led by Heads of Departments (HODs) and staff members.

#### VIHAAN 2019

The student induction programme "Vihaan 2019" was conducted for the first year newly admitted students at Sree Narayana Guru College of Engineering "Technology Tryan", Kannur under APJ Abdul Kalam Technological University. The program was held from 24th July2019 to 3rd august 2019 following the AICTE norms, for all the branches. The program structure includes sessions dealing with physical activities, human values and ethics, anti-drug campaigns, soft skills, interactions with eminent of academic and industrial world, extra-curricular and co-curricular activities etc.

#### ABOUTTHEINDUCTIONPROGRAM

Transition from a school to university life is one of the most challenging event in a student's life. Induction program aims a smooth transition of student life from pre-university level to a professional college, preparing them to adapt with their new roles and ambience. The Program offers a beautiful combination of literary, personality development activities, human value sessions, career development and placements opportunities, sports, cultural events and many more.

#### OBJECTIVE

Induction program set out a strong foundation for the students for their four year long Engineering journey. The motive of the program is to inculcate the students with the culture of the institution, departmental facilities, library and laboratory facilities, placements and careers opportunities, teacher student relationship and to create strong bond among themselves to work as a team and explore the world of Engineering together.

## DAY1(24th JULY):FORENOON

SNGCET inducted its latest Engineering batch and organized an orientation program for the new entrants

Dr. LEENA A. V.
PRINCIPAL
SREEN'S SHEETEDF

The inaugural session was held on 24th of July in seminar hall. Dr. Leena A V, Dean UG & PG studies welcomed the gathering, Principal Dr. Janardanan V K delivered the Principal's Address, briefed about the college and highlighted the achievements won by the students. She also mentioned about the various events including technical fest, conferences, seminars and other cultural and sport activities conducted in the college. The students were then briefed about the rules and regulations of the institute and university norms, hostel and transportation facilities and the placements process at the college under the guidance of Mr. Anand, Training and Placement Officer.

Program was officially inaugurated by lighting the lamp. Principal delivered the "ENGINEERS'S OATH" to the newly admitted students. HOD of various departments familiarized the students with Mission and Vision of the various departments. They enlightened the students with their valuable thoughts and described about the trends and opportunities in Engineering and asked the students to maintain good conduct through out their college life and wished them to excel in their life.

Mr.Unnikrishnan O, HOD PED, mentioned about achievements of students in various sports activities and outlined about the importance of physical activities in a person'slife.

Mr.Premanand C delivered the vote of thanks in the program.

## DAY1(24th JULY):AFTERNOON

The session was conducted by Prof. O. Unnikrishnan, Divya S P, Mr. Anand M E consisted of a diverse range of engaging activities designed to promote participation, teamwork, and energy among the participants through memory game, musical cap, group energy game.

## DAY2(25th JULY): FORENOON

First session of the second day of induction program was an ice-breaking activity Divya S P, and Anand M E facilitated this activity. The purpose of this session was to encourage students to interact with their peers, build connections, and create a friendly and inclusive environment. The students were divided into groups and given various group tasks that required collaboration and communication. The activity was engaging and helped students break the initial barriers, resulting in improved camaraderic among them.

#### DAY 2(25th JULY): AFTERNOON

Asst. Prof. Divya S P briefly discuss about the rules and regulations of institute and university norms.

Hostel and transportation facilities, campus discipline and college routine. After that aone hour session was handled by Prof. Premanand connect to innovation club

#### DAY3(26thJULY):FORENOON

A highly interactive session about human values and ethics in one's life was handled by prof. Binesh. After that a two hour session was handled by Lt. Col. Praveen about general outlook and engineering future.

## DAY3(26th JULY): AFTERNOON

Afternoon session was handled by Prof. Divya S P, conducted a debate on the topic ' Is technology making us smarter or dumber?'

## DAY4(29th JULY): FORENOON

The day commenced at 9:00 a.m. with a breathing exercise. First session by Lt Col C Preveen, which began with a presentation cum discussion session made the students to familiarize with aspects of future possibilities with an Engineering degree and its various carrier opportunities in Central, State Government and private sectors and Aspiration charting session to acquaint the students with the process of charting their aspirations.

The second session was a talk about Indian economics delivered by Prof. Somasekharan

## DAY4(29th JULY): AFTERNOON

The afternoon session commenced at 1:30 p.m. and was dedicated to a series of engaging student activities. Participants took part in various creative, team-building, and skill-enhancing activities, fostering camaraderie and fun.

#### DAY5(30th JULY): FORENOON

The session was dedicated to career guidance, an important aspect of participants' personal and professional development. The session featured two resourceProf. Anand. M. E and Prof. Unnikrisknan.O. Participants received valuable insights into career paths, industry trends, and tips for navigating the job market. This interactive session offered participants a clearer understanding of their career options and the steps to achieve their professional goals.

PRINCIPAL PRINCIPAL SALEMAN COLEGEOF ENTERED COLEGEOF

## DAY 5 (30th JULY): AFTERNOON

After noon session filled with some interesting games

#### DAY6(1st AUGUST): FORENOON

The subsequent session delved into the exploration of universal human values. Conducted by Premanand C, this class aimed to instill ethical and moral principles that transcend cultural and societal boundaries. Participants engaged in thought-provoking discussions that encouraged self-reflection and a deeper understanding of shared values.

11.50a.m.- 1.00p.m. Prof. Sujith D had familiarized the students within KTU rules and regulation

#### DAY 6(1st AUGUST): AFTERNOON

A one hour session was handled by MS. Amitha I C from CSE Department. She briefed about the relevance and opportunities in computerscience and after the session Prof. Raveendran, HOD ECE Department described about the opportunities in EEE and ECE

## DAY 7:(2nd AUGUST): FORENOON

The session handled by Mrs. BhanumathiArunajalam ,HOD Mathematics briefed about the importance of science and mathematics in the field of engineering.

11.15a.m. - 12.00 Prof. Chandrajith briefed about the relevance and opportunities in mechanical engineering

12-1.00 p.m. Prof. premanand briefed about the relevance and opportunities in civil engineering

## DAY 7(2<sup>nd</sup> AUGUST): AFTERNOON

Afternoon was filled with entertainment activities like musical cap etc.

Dr. LEENA A. V.
PRINCIPAL
ENTINGENE OF DESCRIPTION OF DESCRIPTION

## DAY 8(3rd AUGUST): FORENOON

The session starts with the theme of engaging and interactive learning experiences. The session, led by Divya S.P focused on a pertinent societal issue, traffic problems. Participants had the opportunity to engage in meaningful discussions and hands-on problem solving related to traffic management.

## DAY 8(3rd AUGUST): AFTERNOON

The 8 days activities culminated in a closing ceremony, where participants came together to celebrate the successful completion of the 8-day induction program. As part of the ceremony, feedback reports from all participants were collected, ensuring that their voices and insights were considered for future improvements.

#### Conclusion

Student induction program was conducted for all the students so as to make them aware about the qualityeducation. The one week program comes to an end on3rd August 2019

#### DAY 2 (26th October): FULLDAY

First session of "Carpe Diem" was handled by Lt Col C Preveen, BSc, BTech, MS, MBA, MIETE, FIE, who is a chartered Engineer, Consultant, Certified Trainer, Mind Coach and Speaker. The session begins with familiarisation of students with the trainer and purpose of training followed by Ice Breaking session, Motivational Talk to highlight qualities and behaviour patterns for success, Personal discipline session highlighting the importance of personal discipline and campus discipline followed by a Affirmation session to emphasize best individual, societal and interpersonal values and academic goals, Attitude Engineering session to emphasize the important and the methods to cultivate the same. At the end of the day a own time work session- Charter your future students was given to students, they were asked to fill a online worksheet individually.

#### DAY 3 (27th October) : FORENOON

A highly interactive personality development program "RAINBOW" was handled by Mr. Balachandran Eravil, poet, story writer, who was presented with Mundur Krishnankutty Memorial Story award for the year 2022 and also Ezhuthachan Malayalam Sahithya Vedhi award.

#### DAY 3: AFTERNOON

The session was handled by Ms. Sulochana. K.M, M A ,B.Ed (English language), retired Principal from Korom Higher Secondary School, Kannur and is currently working as a Municipal Councillor. She has discussed about the importance of Human Values and Ethics in one's personal life and had a interactive session with the students.

## DAY 4 (28 th October): FULLDAY

Second session of "Carpe Diem" by Lt Col C Preveen, which began with a presentation cum discussion session made the students to familiarize with aspects of future possibilities with an Engineering degree and its various carrier opportunities in Central, State Government and private sectors and Aspiration charting session to acquaint the students with the process of charting their aspirations. The day concluded with a feedback session.

Dr. LEENA A.V.

#### DAY 5 (29 th October): FORENOON

9:00am to 10:30 am: A session "How to face exam fearlessly" was handled by Ms Prabha Chandran, AP, EEE. She briefed that the best way to overcome fear is to minimize anxiety by preparing well, the more you know the more confidence you will have. She concluded the session with various tips to get prepared for the exam.

11: 00am to 12:00 pm : Mr Sunder V, HOD , CSE, had familiarized the students with KTU rules and regulations.

#### DAY 5: AFTERNOON

Intramural football tournament was conducted in the college .

#### **CONCLUSION**

Student induction program was conducted for all the students so as to make them aware about the quality education. The one week program comes to an end on 29 th October. The students were informed that their regular classes for semester one will begin from 31st of november.

#### REPORT ON PROFILE VISIBILITY WORKSHOP

Date: 05-02-2024 Time: 10 AM- 4.00 PM Semester: VIII

The Profile Visibility workshop, organized by the Kerala Knowledge Economy Mission, took place on 5th February, 2024 at Sree Narayana Guru College of Engineering & Technology, Payyanur. The event was conducted from 10:00 AM to 4:00 PM and focused on equipping participants with the necessary tools to strengthen their professional profiles. Ms Haritha Nair, a seasoned corporate trainer from Foundit, served as the workshop's resource person. With extensive experience in the corporate world, Ms Haritha Nair brought valuable insights and expertise to guide participants through the intricacies of resume building, cover letter writing, interview preparation, and group discussions.

#### **Programme Contents:**

- 1) Resume Building: The workshop commenced with a detailed session on crafting powerful resumes. Participants learned about structuring resumes effectively, highlighting key achievements, and tailoring content to specific job requirements. Ms Haritha Nair shared industry best practices and provided personalized feedback to help participants create impactful resumes.
- 2) Cover Letter Writing: The importance of persuasive cover letters was emphasized in the second segment of the workshop. Participants gained insights into customizing cover letters to showcase their unique strengths and aligning them with the needs of potential employers. Practical exercises and examples were used to illustrate effective cover letter writing techniques.
- 3) Interview Preparation: Haritha Nair delved into interview strategies, covering aspects such as body language, communication skills, and answering common interview questions. Mock interviews and interactive sessions allowed participants to practice and receive constructive feedback, enhancing their confidence and preparedness for actual job interviews.
- 4) Group Discussion Techniques: The final segment focused on group discussion techniques, a crucial aspect of many recruitment processes. Participants learned effective communication, team collaboration, and problem-solving skills. The workshop included group activities and discussions to provide hands-on experience in navigating group dynamics.

Session handled by Prof. SHAJI PE (Corporate Relations Officer, CHRIST College of Engineering - Irinjalakkuda, Trissur.

#### REPORT:

The awareness session on placement opportunities in the core engineering sector provided valuable insights in to industry trends, skill requirements and upcoming job prospects. Attendees gained a comprehensive understanding of potential career paths, emphasizing the importance of staying updated on technological advancements. The session is highlighted the significance of practical skills, networking and continuous learning in securing placements within the core engineering domain.

#### Report On Placement Aptitude Training Workshop for Final Year Students

The "Placement Aptitude Training Workshop" was conducted by the Training and Placement Cell of SNGCET on 7 MARCH 2023 and 8 MARCH 2023. The workshop emphasized the ability to perform well on their interview and react to situations at work. Aptitude training was conducted to enhance the ability of quick learning methods, along with improving the analytical skills required for the spontaneity in a particular situation.

The resource persons from the team *Progressum* had conducted the workshop on, reasoning ability, quantitative aptitude, and resume building, to help students understand the concept of aptitude. The training allowed the students to think beyond boundaries and limitations, keeping in view the aspect of time management which would be very beneficial for them in their professional & personal growth. The students were encouraged to attend and contribute in aptitude classes for acquiring essential quick learning and analytical skills and consequently effectiveness and success on their job, in the future.

#### Report On Placement Aptitude Training Workshop for S7 Students

The "Placement Aptitude Training Workshop" was conducted by the Training and Placement Cell of SNGCET from 2nd August 2023 to 7th August 2023. The workshop emphasized the ability to perform well on their interview and react to situations at work. The engineering students were apprised through activities about ways to effectively carry out an interview and be a quick problem solver. Aptitude training was conducted to enhance the ability of quick learning methods, along with improving the analytical skills required for the spontaneity in a particular situation.

The resource persons from the team *Progressum* had conducted the workshop on, reasoning ability, quantitative aptitude, verbal analogies, and resume building, to help students understand the concept of aptitude. The training allowed the students to think beyond boundaries and limitations, keeping in view the aspect of time management which would be very beneficial for them in their professional & personal growth. The students were encouraged to attend and contribute in aptitude classes for acquiring essential quick learning and analytical skills and consequently effectiveness and success on their job, in the future.

#### SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY

#### REPORT ON THE LOGIC LUMINARIES A CLASS ON MATHEMATICS

The 'Logic Luminaries' a class on mathematics as tool in engineering for S5 ME, EEE, ECE &CE was conducted on August 5th 2023 by Resource person Shyaman V P with the aim to explore the pivotal role of mathematical concepts in various engineering disciplines. This report provides an overview of the key topics covered during the class and highlights the significance of mathematics in solving real world engineering problems.

The class was a full day session held at the S5 class. It featured faculty in mathematics who delivered engaging lecture and interactive session.

The special class underscored the symbolic relationship between mathematics and engineering. The class covered essential topics in mathematics with a focus on introduction and basics of differentiation, different methods involved in differential calculus as a tool for solving various engineering application problems and introduction to basics of integration, different methods involved in integral calculus as a tool for solving various engineering application problems. And also discuss need of Laplace transforms in various engineering field and application of Gamma integrals in engineering field.

The participants actively engaged in discussions, asking questions and sharing their insights. Through this special class participants gained a deeper appreciation for the role of mathematics in engineering and acquired practical insights into its applications. As aspiring engineers, the knowledge gained from this class will undoubtedly enhance our ability to contribute effectively to the ever-evolving field of engineering.

## REPORT

# "BENEFITS OF IEEE MEMBERSHIP FOR STUDENTS AND MEMBER RESOURECES"

A online workshop on "BENEFITS OF IEEE MEMBERSHIP FOR STUDENTS AND MEMBER RESOURECES" was organised by the Department of Electrical and Electronics Engineering, SNGCET, on 26<sup>th</sup> March 2023 at 10.30 am. This online workshop was conducted by the Guest of Honour and resource person, Dr. J.P. Sridhar, Associate Professor, Department of EEE, SJB Institute of Technology, Bangalore. The online workshop was presided over by the Principal, Dr. Leena A V, Dean UG and PG Studies, Dr. Susan Abraham, and HoD Electrical and Electronics Engineering, Mr. Abhilash Krishnan T K.

The session was very informative and valuable which helped the students to get a clear idea about IEEE Membership.

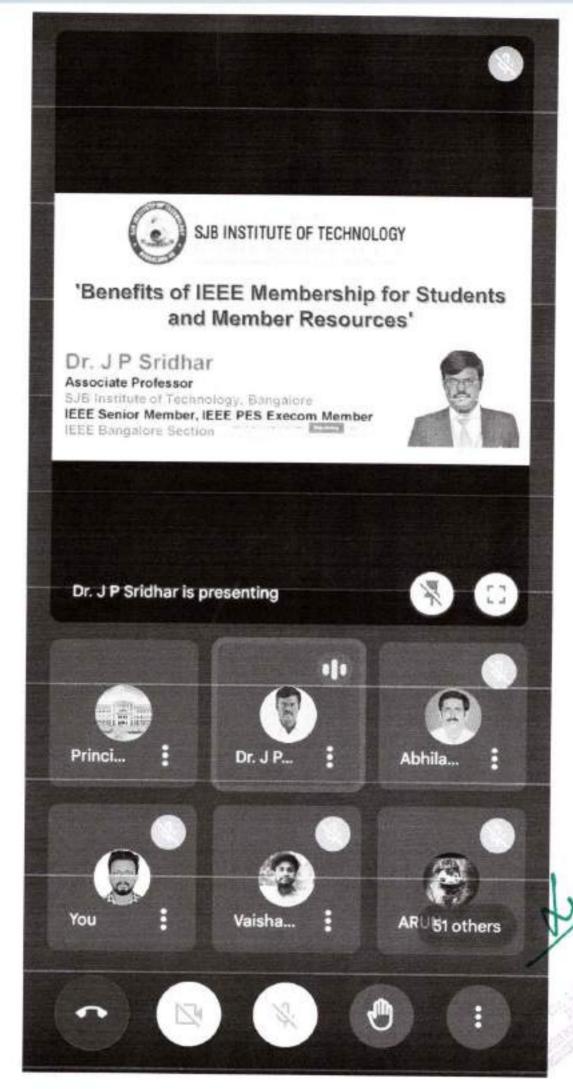

The event was co-ordinated by Mr. Manu C, and vote of thanks by Mr. Abhina C, AP, S6 EEE. The seminar concluded at 1 pm.

# REPORT ON CONNECT CARE ER TO CAMPUS DWMS ORIENTATION PROGRAMME

Date: 31-01-2024 Time: 2PM Semester: VIII

This report details the successful integration of Connect Carrier with the Campus DWMS during the orientation program held on January 31, 2024, at 2 PM. The session led by SreelalChayoth, Talent Curation Executive from the Kerala Knowledge Economy Mission, focused on essential components such as career assessment, career counselling, English score testing by the British Council, personality development training, work readiness programs, and an upcoming robotic interview. Participants actively engaged in the session, and many have taken the initiative to complete various components, such as career assessment, career counselling application, enrolment in personality development training, and work readiness programs.

#### Session Overview:

#### Career Assessment and Career Counselling:

- Participants successfully completed career assessments to identify their strengths, interests, and potential career paths.
- A significant number of participants have applied for personalized career counselling sessions to receive guidance tailored to their individual aspirations.

#### English Score Test by British Council:

- The English score tests, facilitated by the British Council, aimed at assessing participants' language proficiency.
- Results will be instrumental in shaping language development initiatives for participants seeking to enhance their English skills.

## Personality Development Training:

- Enthusiastic participation was observed as individuals enrolled in the personality development training program.
- The session focused on enhancing soft skills and personal development preparing participants for professional success.

#### Work Readiness Programme:

- Participants actively enrolled in the Work Readiness Programme, indicating a strong commitment to developing skills necessary for the professional environment.
- The program includes modules on resume building, interview skills, and workplace etiquette.

Versa. KK

# DWMS APP REGISTRATION & CURATION SERVICES ENROLLMENT

Connect Carrier Integration:

Connect Carrier played a pivotal role in ensuring seamless communication between organizers, participants, and resource persons. The platform facilitated real-time updates, announcements, and document sharing contributing to the overall success of the orientation program.

DWMS App Registration & Curation Services Enrollment

Participants actively registered on the DWMS app, accessing curated content and personalized services. The integration with Connect Carrier ensured participants received timely notifications and updates related to app features and services.

#### Conclusion:

The integration of Connect Carrier with Campus DWMS, coupled with the insightful session led by SreelalChayoth, has proven to be highly effective in promoting engagement and communication. Participants' active involvement in various components of the orientation program showcases a strong commitment to personal and professional development.

#### REPORT ON SEMINAR -"CONSCIOUS MARKETING"

A seminar on "Conscious Marketing -Marketing for the New Age" was organised by the Department of Electrical and Electronics Engineering in association with the IEDC cell, SNGCET, on 25th September 2023 in college Seminar Hall at 9.30 am. This seminar was conducted by the Guest of Honour and resource person, Mr. Jayadev K T, a thought leader and author of "Marketing KARMA". The seminar was presided over by the Principal, Dr. Leena A V, Dean UG and PG studies, Dr. Susan Abraham, Nodal officer of IEDC, Dr. Raji Sukumar A, and HoD Electrical and Electronics Engineering, Mr. Abhilash Krishnan T K.

The session was very informative and valuable which helped the students to get a clear idea and present day scenario about conscious marketing. The resource person created a friendly environment and made the session engaging, interesting and participative through interactions and a lot of educative videos like advertisements case studies etc.

The event was co-ordinated by Ms. Rinsha T V, AP EEE and S7 student Ms. Aswathi P P.

The seminar was attended by the S7 students of all the braches. The Guest of honour was presented with a memento by the Principal as a token of appreciation. The seminar concluded at 1 pm.

#### REPORT ON TECHNICAL TALK ON CHANDRAYAAN - 3

The Department of Humanities & Applied Science of SNGCET had conducted a technical talk on CHANDRAYAAN-3 on 14<sup>th</sup> September 2023. The session was of one and half hour duration conducted by Mrs. Bindiya M C,Asst. Professor in Physics ,H& S Department.

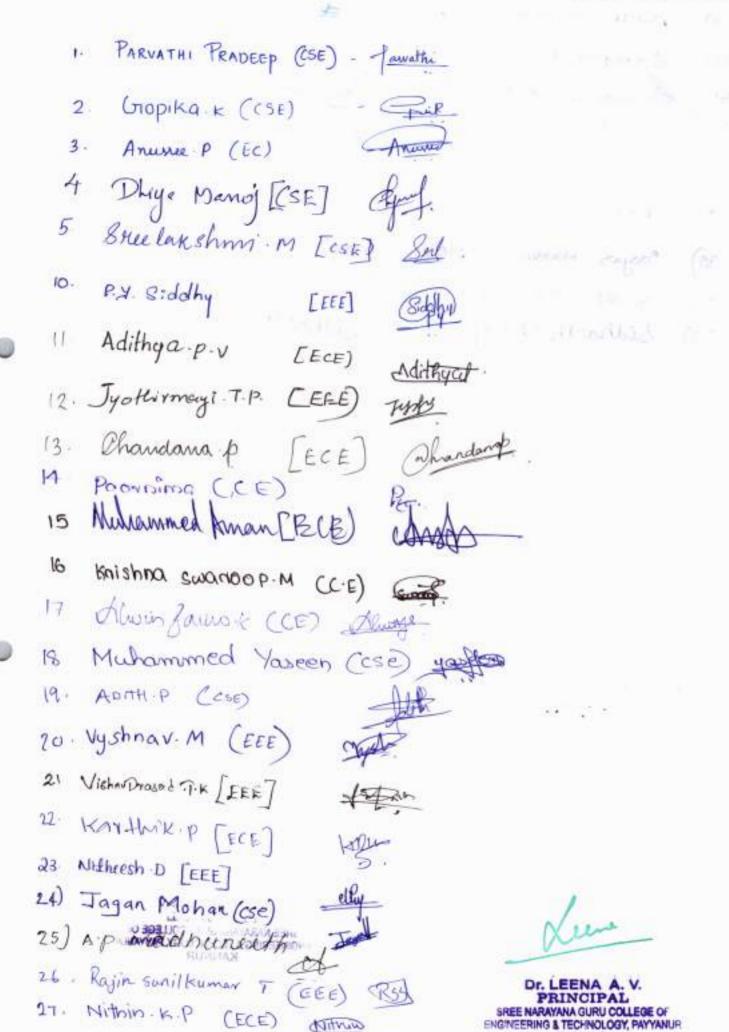

The session provided a brief overview of Chandrayaan 3- its objectives, scientific goals and significance. The students were briefed about the spacecraft design, structure, payload, and other technical advancements incorporated into Chandrayaan 3. The scientific instrument on board, their purpose and how they contribute to lunar exploration and research was also detailed to students.

The talk concluded with an aspiring vision of Chandrayaan 3's potential contributions to lunar science, future lunar colonization and international collaborations in space exploration.

The technical talk on Chandrayaan 3 successfully provided a comprehensive understanding of the mission's intricacies, innovations and potential scientific impact.

#### WORKSHOP ON TOTAL STATION

A two day workshop conducted on december 16<sup>th</sup> and december 20<sup>th</sup> 2022 as part of curriculum of S3 Survey Lab (CEL 203 ). The workshop was handled by staffs from ALG International.

Workshop included detailed classes and lab session of total station instrument including area calculation, angular measurements, surveying, downloading etc.

14 students from S3 Civil Engineering were present. As part of the practical sessions, students were directed to survey area nearby the college by using total station. Outdoor and indoor areas of college were successfully surveyed by students by using total station which include garden area, road to canteen, nature club area, verandah etc

All the students were given by certificates of participation by ALG International. The certificates were distributed by Dr. Leena A V, Principal, SNGCET during the closing ceremony

Webinar Report: "Best Career Options in Post-COVID World -Scope and Opportunities in Engineering"

Date of Webinar: September 9, 2020

Organized by: Department of Civil Engineering

The expert trainer, MMR Vineeth Nair ,Lt Col C. Preveen led the training session, bringing with them valuable experience.

The Department of Civil Engineering organized a highly informative and engaging webinar on September 9, 2020, titled "Best Career Options in a Post-COVID World - Scope and Opportunities in Engineering." The distinguished speakers for this session were Mr. MMR Vineeth Nair, FIE, Director of Hebron Properties Pvt. Ltd., Bangalore, and Lt Col C. Preveen, an accomplished professional holding BSc, B.Tech, MS, MBA, MIETE, FIE, Chartered Engineer, Certified Trainer, and Mind Coach certifications.

## Webinar Highlights:

Insights into Post-COVID Career Opportunities: The webinar provided valuable insights into the rapidly evolving post-COVID job market and the diverse career opportunities available in the field of engineering. Mr. MMR Vineeth Nair and Lt. Col. C. Preveen shared their perspectives on the scope of engineering professions in the current landscape.

Dr. LEENA A. V. PRINCIPAL

SREE NARRYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY, PAYYANUR Building a Future through Civil Engineering Skills: The speakers delved into the various aspects of civil engineering, emphasizing the critical role of skills and adaptability in shaping a successful career. They discussed the importance of staying updated with the latest trends and technologies in the field.

Expertise from Industry Leaders: The session benefited from the extensive industry experience of the speakers. Their diverse qualifications and accomplishments brought a well-rounded perspective to the discussion.

Interactive Q&A Session: The webinar included an interactive Q&A session that allowed participants to seek clarification on various career-related topics. Mr. MMR Vineeth Nair and Lt. Col. C. Preveen provided thoughtful responses and practical guidance.

#### **Benefits and Outcomes:**

Participants gained a comprehensive understanding of the current career landscape and the opportunities available to engineering graduates in a post-COVID world.

The insights shared by the speakers motivated attendees to explore new avenues and stay competitive in their career pursuits.

The interactive nature of the webinar provided a platform for attendees to engage with industry leaders and seek guidance tailored to their career aspirations.

#### Conclusion:

The webinar on "Best Career Options in a Post-COVID World - Scope and Opportunities in Engineering" was a remarkable initiative by the Department of Civil Engineering. The session, graced by Mr. MMR Vineeth Nair and Lt. Col. C. Preveen, provided students and professionals alike with valuable insights and perspectives on building successful careers in the field of engineering.

The event served as a source of motivation and guidance for attendees, enabling them to navigate the evolving career landscape with confidence. We extend our appreciation to the speakers for their expertise and to the organizing team for facilitating such an enriching session.

# Webinar Report: "GROW and Be a Star"

The Department of Civil Engineering organized a webinar on July 18, 20, titled "GROW and Be a Star." The distinguished speaker for the session was Dr. Surekha Nair, the Director of HR at Eurofins India Pvt Ltd (India and Middle East). Dr. Nair, with over two decades of experience in Human Resource Management, provided invaluable insights into the skills needed to succeed in interviews and the expectations of the corporate world.

Date of Webinar: July 18, 20

Organized by: Department of Civil Engineering

Speaker: Dr. Surekha Nair

Director, HR, Eurofins India Pvt Ltd (India and Middle East)

Topic: "GROW and Be a Star"

Webinar Highlights:

Insights into Human Resource Management: Dr. Surekha Nair's extensive experience in HR management added significant value to the session. Her insights covered the latest trends and expectations in the corporate world, making the webinar highly informative for both students and professionals.

Skills for Interview Success: The webinar offered an in-depth look at the skills and qualities that are highly sought after by recruiters during the interview process. Dr. Nair provided practical tips and guidance on how to effectively present oneself in interviews.

DY. LEENA A. V.
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENCINEERING & TECHNOLOGY, PAYYANUR
KAMMUR

Corporate Expectations: Dr. Nair highlighted the evolving expectations of the corporate world, especially in the context of today's dynamic job market. The discussion encompassed the importance of adaptability and continuous learning in a professional career.

Interactive Q&A Session: The webinar included an interactive Q&A session where participants had the opportunity to seek clarifications and delve deeper into the subject. Dr. Nair's responses to questions were insightful and enriching.

#### Benefits and Outcomes:

Participants gained a comprehensive understanding of the skills and qualities required to excel in job interviews and succeed in the corporate world.

Dr. Surekha Nair's real-world experiences and expertise served as a source of inspiration for attendees, motivating them to strive for excellence in their career paths.

The interactive nature of the webinar allowed for a dynamic exchange of ideas and knowledge.

#### Conclusion:

The "GROW and Be a Star" webinar organized by the Department of Civil Engineering was a resounding success, providing attendees with an opportunity to learn from an expert in the field of HR management. Dr. Surekha Nair's practical insights and guidance on succeeding in interviews and navigating the corporate world were invaluable.

The session has equipped participants with a competitive edge, preparing them to meet the expectations of the evolving corporate landscape. We extend our gratitude to Dr. Nair for sharing her expertise, and we look forward to more such informative and inspiring sessions in the future.

#### WORKSHOP/INTERACTIVE SESSION

As part of the academic programme, a half day interactive session was organized by Department of Civil Engineering on 28-09-2019 at our campus for S3, S5 and M.Tech students.

The talk was delivered by Ar. Madhukumar, Chief Architect at MKumar Associates Kannur, who has headed many prestigious building projects in the Malabar area namely Harbour City, Shopping mall ,Thalasseri, Kannur, A.K.G. memorial Super Speciality Hospital, Talap, 'Santhwanam' - old age home, Azhikkode, Kannur, Tourism Department Art Gallery at Dharmasala, Kannur.

Session commenced at 1:30pm at the Seminar hall. Dr.Susan Abraham (HoD Civil Department) welcomed the guest and students. Mrs.Mary Soina George, Assistant Professor (Senior Grade), introduced the guest.

The speaker shared his knowledge and experience in the field of Architecture and, Construction. The speaker commenced the session by introducing the various activities involved in project design. He stated that design always begins with client requirement elicitation, where the consultant understands the dream and requirement of the client. Further, the consultant develops a rough design based on the available budget.

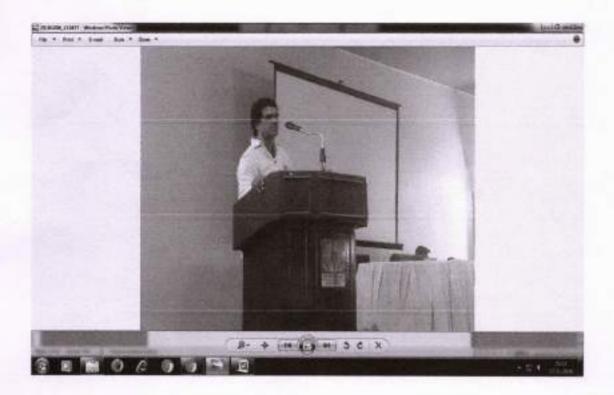

Once the rough design is approved by the client, the same will be developed into appropriate drawings. The Architect may require to visit the proposed site before beginning the design.

Then Engineer and Architect will do a constructability review to ensure the practical challenges in the construction.

Dr. LEENA A. V.

The speaker gave some interesting and important tips in layout of rooms while preparing the plan. To make best utilization of cross ventilation, he recommended providing important rooms such as bed rooms, multi purpose halls at corners of the building and rooms like bathroom/toilet etc. away from corner.

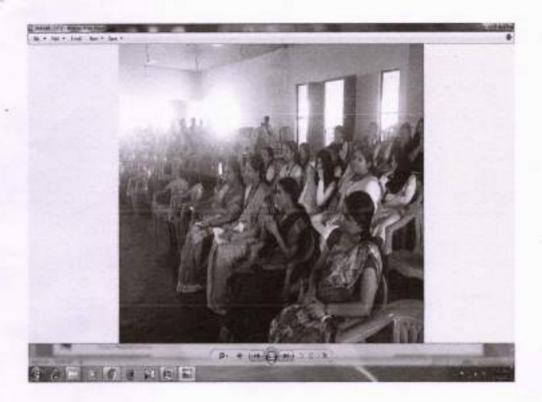

Scientific aspects of our traditional architecture of Vastu vidya was explained with practical examples.

He emphasized the need for hands on experience and site visits for Civil Engineering students. He urged students to make about 100 site visits by the time they complete B Tech course.

He concluded the session by acknowledging his mentor Prof.R.P.R. Nair.

Students were inspired by the speech. Session concluded with vote of thanks by Miss. Anjali K. Vijayan (S5) and with National Anthem.

#### Report on Infrastructure Design Workshop

Date: 24th November 2023 Venue: Meeting hall, SNGCET

The Department of Civil Engineering in association with Research and Development Cell(R&D) of SNGCET and Civil Engineering Student Association( CESA) has conducted a workshop on Infrastructure Design on 24th November 2023. This informative workshop, held in association with the with Research and Development Cell(R&D) of SNGCET, aimed at meeting the societal need for qualified competence in planning, design, construction and maintenance of infrastructure systems which will contribute to long-term sustainable development.. The event was graced by Dr. Leena A V, the Principal of SNGCET, and featured by Mr. Pradeep Kumar, Director of HIMMA/AMMY'Z PROFESSIONAL ACADEMY, as the resource person. The workshop helped to promote the personal development of knowledge, skills and attitudes that are needed to start working as a professional engineer.

The session commenced with a warm welcome address by Dr. Susan Abraham, Dean UG & PG Studies. Ms.Rishna K Raman, Assistant professor CE Dept. briefed about Research and Development Cell (R&D) of SNGCET. She emphasized the importance of (R&D) in the campus. Ms.Shamya Sukumaran M , Assistant Professor , CE Dept. SNGCET addressed the students, shedding light on the significance of CESA and encourage them to share their thoughts and experiences related to the association. Dr.Leena A.V, Principal SNGCET, released the logo of Civil Engineering Student Association.Ms. Shahana Sherin, S7 CE Student of CE Dept., introduced the speaker, Mr. Pradeep Kumar. She highlighted his extensive experience in the field of wet infrastructure projects.

Mr. Pradeep Kumar took the stage to deliver the keynote address. With his profound knowledge and expertise, he shared valuable insights into the importance of infrastructure development. He gave students a clear idea regarding the design of water main structures.

Mrs.B Mary Sonia George, Head Of Civil Engineering Department, delivered the vote of thanks. She expressed gratitude to Dr. Leena A. V, The speaker Mr. Pradeep Kumar, the organizing committee, and all participants for their active involvement and enthusiasm. The session was highly informative ,leaving the attendees with a greater understanding of the Infrastructure development. This workshop undoubtedly contributed to the growth of the students at SNGCET.
