2	Batch	2017-2021
3	Semester	7
4	Mentoring Session Number	01
5	Mentoring Date	16/10/2020
6	Academic Matters Discussed	1. We discussed the specifics of each subject scheduled for the current semester. 2. Emphasis was placed on the importance of passing all subjects in the current semester. 3. We examined the results from the previous semester. 4. An analysis was conducted to understand the reasons for the individual's failure in respective subjects during the previous semester.
7	Personal Matters Discussed	1. Family support and the significance of securing a placement were discussed. 2. Inquiry was made about whether the individual had informed their parents about the results from the previous semester.
8	Any other related matters	
9	General comments of the mentor	He has difficulty studying problem-based papers. He needs to create and stick to a study schedule at home to clear his backlog.
10	Areas that need follow up before next mentoring session	To ensure he understands the new subjects, particularly those related to problem-solving, consistent follow-up is necessary in this area.
