About Alumni Association

SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY

SNGCET Alumni Association Payyanur (SNAAP)

SNGCET Alumni Association Payyanur (SNAAP) inaugurated on 4th November 2019 in the esteemed presence of The Honourable Secretary Sree Bakthi Samvardhini Yogam Mr. K. P. Pavithran, Dr.V.K.Janardhanan, Principal SNGCET Lt. Col. Preveen C Administrative Officer, Alumni and Faculty members of SNGCET by Mr. Sajesh Krishnan an alumnus of SNGCET, Kerala's first blade runner and Amputee International Football player.

The SNGCET Alumni Association Payyanur (SNAAP) stands as a vibrant and integral part of the Sree Narayana Guru College of Engineering and Technology (SNGCET) community. Dedicated to fostering a sense of camaraderie and connection among the alumni, SNAAP serves as a platform for graduates to come together, share experiences, and contribute to the continued success of their alma mater. With a mission to create lasting bonds and provide meaningful support, SNAAP engages in a range of activities, including annual alumni meets, industry conclaves, and career development workshops. This association is not merely a network but a close-knit community where members collaborate, mentor, and inspire one another. Through its initiatives, SNAAP aims to empower its alumni, facilitate professional growth, and strengthen the ties that bind graduates of SNGCET, fostering a dynamic ecosystem that reflects the spirit of excellence instilled by the institution.

Mission

The mission of the SNAAP is to promote the interest and welfare of SNGCET alumni, to improve their level of communication and build a positive relationship between the alumni and their alma mater. To build a strong intellectual and emotional worldwide network between SNGCET and SNGCETians. SNAAP aims at voluntary commitments, goodwill, improving industry-academic collaboration, mentoring and leadership from its alumni.

PAYYANUR, KANNUR

14. Special General Body:

(a) The executive committee suo-motto or on a requisition made to it by not less than 1/10th of the existing members of SNAAP in writing may call a special general body to consider any matter of urgent importance concerning the SNAAP with at least five days notice to the members.

(b) It shall be competent to any member to move before the executive committee or general body meeting any relevant or material subject for discussion after giving at least 24 hours notice to Secretary of his/her intention to do so.

15. Quorum:

The quorum for various meetings shall be as under

(a) For all the meeting of the general body the quorum shall be 1/5th of the total members or 25 whichever is less.
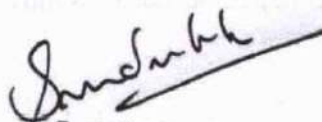

(b) For all the meetings of the executive committee the quorum shall be six.

(c) In the case of no quorum such meetings shall be adjourned to the same day and time of the next week and no quorum is required for such adjourned meeting for want of quorum.
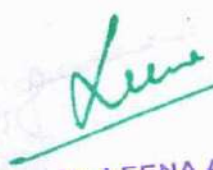

16. Voting:

Voting in all meetings shall be by showing hands unless it is otherwise decided upon by a majority. The voting in case of election of office bearers however shall be by secret ballot. The President of the meeting shall have the casting vote only in the case of equality of votes.

17. Funds:

Subscription from the members, donation and contribution from the well wishers of the SNAAP shall form the funds of SNAAP besides the income derived from entertainment, cultural programmes, business etc. arranged by the SNAAP shall also form part of the funds of SNAAP.

18. Amendment:

The committee shall have the power to make subsidiary rules and by laws as the exigencies of the circumstances may call for in respect of matters not provided for in this rules which are not repugnant to the spirit and objective behind the existing rules and incorporate the same among the existing rules and bylaws after duly proposing them before the general body meeting and containing its assent
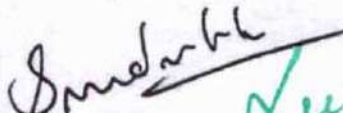

The general body shall have a 2/3rd majority of the members present to amend the rules and bylaws either by deletion or by addition suo-motto or on a requisite motion in this behalf by the executive committee.

If any amendment to the constitution is required, it must be presented at the annual general body meeting and passed by a majority of 2/3 of the members. The same should be filed in the District Registrars office.

19. Power to make rules and constitution of sub committees:

The executive committee may from time to time make such decision as may become necessary for effectually transacting the functions of SNAAP so as to promote the objects of SNAAP. Sub rules shall not be in conflict with these rules or with the memorandum of association SNAAP. The executive committee may also constitute subcommittee from out of the members of the SNAAP for such purposes as may be specified.

President   Secretary   Treasurer

Dr. LEENA A V

25

20. Staff:

The Secretary with the approval of the executive committee may appoint such staffs as may be deemed necessary for the day to day management of the affairs of the SNAAP. The staff appointed would be under the control of the Secretary who shall have the powers to fix the duties, fine, suspend or dismiss them subject to the approval of the executive committee.

The elected staff/executive committee member appointed by the executive committee will receive monthly honorarium sanctioned by the executive committee according to the nature of the work entrusted to them. The office bearers of SNAAP shall however not be eligible for any salary except as approved by the committee.

21. Common Seal/Emblem:

The SNAAP shall have a common seal and emblem of such make and designs as the executive committee shall decide. This seal shall be affixed on all formal documents of the SNAAP.

22. Accounting year:

The accounting year of the SNAAP will be from 1st April to 31st March every year.

23. Registration:
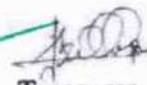

The association shall be registered under the societies registration act 21 of 1860.

24. Winding up:

If the association shall be wound up whether voluntarily or otherwise it has to be done so by the sanction of not less than 3/5th of the total members by an extra ordinary resolution subject to section 13th of the Societies Registration Act. In the event of such dissolution all assets and properties of SNAAP shall be donated to any other association or society of similar nature working in the jurisdiction of SNAAP. No assets and property of SNAAP shall be disbursed among the members of SNAAP.

President   Secretary   Treasurer

Grand Alumni Meet Report

Date: 15-08-2023
Venue: Seminar Hall

The Alumni Meeting held on August 15, 2023, at Sree Narayana Guru College of Engineering and Technology, Payyanur, was attended by the following members

Sri. T K Rajendran (Vice President, SBSY)

Sri. P C Ashokan (Director, SBSY

Sri. Sunil (Director, SBSY)

Dr. Leena A V (Principal)

Dr. Susan Abraham (Dean Academics)

Mr. Manu C (Vice President)

Mr. Sunder V (Secretary)

Mrs. Mary Sonia George (Head of Department CE)

Dr. Sudhin Chandran (Head of Department ME)

Mr. Abhilash Krishnan (Head of Department EEE)

Mrs. Leena Narayanan (Head of Department (ECE)

Mrs. Bindiya M C (Head of Department (S&H)

Teaching and non teaching staff

Dr. Susan Abraham, the Dean of UG and PG Studies, extended a warm welcome to all attendees, acknowledging their valuable presence and contribution to the alma mater.

Sri. Rajendran T. K, Vice-President of Sree Bhakti Samvardhini Yogam, Talap, delivered an inspiring Presidential Address, emphasizing the importance of alumni engagement and collaboration in fostering the growth and development of the institution.

Dr. Leena A. V, the Principal, shared insights and updates on the college's achievements and future endeavors, instilling a sense of pride and enthusiasm among the alumni community.

The highlight of the event was the election for the Executive Committee Members of SNAAP, where passionate individuals were elected to lead and represent the alumni

association. Mr. Sunder V, representing SNGCET Alumni as the Head of the Department of CSE, concluded the event with a heartfelt Vote of Thanks, expressing gratitude to all participants, organizers, and supporters who made the Grand Alumni Meet a resounding success. The event not only provided a platform for rekindling old friendships and reminiscing cherished memories but also laid the foundation for future collaborations and initiatives aimed at nurturing the bond between the alma mater and its alumni.

The bylaw presented by Mr. Manu C, (AP, EEE & Alumni), was discussed in the meeting.

Vote of Thanks delivered by Mr. Sunder V, HoD, Department of CSE (SNGCET Alumni).

ACTION TAKEN BASED ON FEEDBACK ANALYSIS

Grand Alumni Meet on 15-08-2023

Based on the feedback analysis, it seems like the majority of alumni are satisfied with their experience, which is a positive sign. However, there's always room for improvement. Here are some remedies to address any areas of concern:

Engage Dissatisfied Alumni: While it's great that there are no "somewhat dissatisfied" responses, it's essential to proactively engage with alumni who may have had less than satisfactory experiences. Reach out to them individually to understand their concerns and find ways to address them effectively.

Enhance Communication Channels: Improve communication channels to keep alumni informed about the latest developments, events, and opportunities within the alumni network and the institution. This could include regular newsletters, social media updates, and alumni-exclusive platforms.

Personalized Engagement: Tailor engagement efforts to the specific interests and needs of different alumni groups. This could involve organizing targeted events, workshops, or networking opportunities based on career stages, industries, or areas of interest.

Continuous Feedback Mechanism: Implement a system for continuous feedback collection from alumni to identify emerging issues promptly and make timely improvements. This could include surveys, focus groups, or regular feedback sessions.

Enhance Alumni Benefits: Review and enhance the benefits and services offered to alumni, such as career counselling, access to resources, discounts on further education, or networking opportunities. Ensure that these benefits align with the evolving needs of alumni.

Strengthen Alumni-Student Mentorship Programs: Foster stronger connections between alumni and current students through mentorship programs. This not only benefits students but also provides alumni with opportunities for meaningful engagement and gives them a sense of fulfilment.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

Expand Alumni Network: Actively work on expanding the alumni network by reaching out to alumni who may have lost touch and encouraging them to reconnect. Utilize social media platforms and alumni directories to facilitate connections.

Celebrate Success Stories: Highlight the achievements and success stories of alumni to inspire and motivate both current students and other alumni. This can foster a sense of pride and belonging within the alumni community.

Address Concerns Regarding Neutral Responses: While neutral responses aren't inherently negative, they could indicate areas where alumni feel indifferent or lack strong engagement. Dig deeper into the reasons behind these responses and explore ways to enhance alumni engagement and satisfaction.

Implement Alumni Engagement Metrics: Establish key performance indicators to track alumni engagement and satisfaction over time. Use these metrics to measure the effectiveness of remedial efforts and identify areas for further improvement.

By implementing these remedies, you can not only address any existing concerns but also foster a stronger sense of community and engagement among alumni, ultimately benefiting both the alumni network and the institution as a whole.

SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY

ALUMNI MEET REPORT

Date:01-05-2022

Venue: Seminar Hall

The Grand Alumni Meet, held at Seminar Hall, marked a significant gathering of esteemed alumni, faculty, and staff of Sree Narayana Guru College of Engineering & Technology. The event aimed to foster a sense of belonging, celebrate achievements, and lay the groundwork for future collaborations.

Dr. Susan Abraham, Dean of UG and PG Studies, commenced the event with a warm Welcome Address, expressing gratitude for the presence and contributions of the attendees to the alma mater. Sri. K P Pavithran, Secretary of Sree Bhakti Samvardhini Yogam, Talap, delivered an inspiring Presidential Address, emphasizing the importance of alumni engagement in the institution's growth and development. Dr. Leena A. V, Principal of SNGCET, shared insights and updates on the college's achievements and future endeavors, instilling pride and enthusiasm among the alumni community. Election of Executive Committee Members for SNAAP, where passionate individuals were elected to lead and represent the alumni association. Mr. Sunder V, Head of the Department of CSE and SNGCET Alumni, concluded the event with a heartfelt Vote of Thanks, acknowledging the efforts of all participants, organizers, and supporters who contributed to the success of the Grand Alumni Meet. We extend our sincere thanks to all attendees, organizers, and supporters whose dedication and enthusiasm made the Grand Alumni Meet a resounding success.

The Alumni General Body Meeting was then conducted to elect the following executive members.

Dr. Leena A V, Principal	President
Mr. Ebrahim Sainudheen	Chairman
Sri. Ashok Hegde L	Vice President
Dr. Susan Abraham	Vice President
Prof. Saritha Sasindran	Vice President
Prof. Sunder V	Secretary

ACTION TAKEN BASED ON FEEDBACK ANALYSIS

Grand Alumni Meet on -01-05-2022

Based on the feedback analysis, it seems like the majority of alumni are satisfied with their experience, which is a positive sign. However, there's always room for improvement. Here are some remedies to address any areas of concern:

1. **Enhance Communication and Engagement**: Improve communication channels and engagement efforts with alumni to keep them connected and informed about developments at SNGCET.

2. **Tailor Services and Programs:** Customize alumni services and programs based on feedback to better meet the diverse needs and interests of alumni.

3. **Address Neutral Responses**: Reach out to those who were neutral and gather more specific feedback to understand their reasons for being neutral. This could help identify areas for improvement.

4. **Evaluate Dissatisfaction**: Investigate the reasons behind the somewhat dissatisfied responses to address any specific issues or concerns raised by this segment of respondents.

5. **Alumni Mentorship Programs**: Establish alumni mentorship programs where experienced alumni can mentor current students and recent graduates, providing valuable insights and guidance for career development.

6. **Improve Fair-Rated Programs:** Gather more detailed feedback from respondents who rated programs or services as fair to understand specific areas for improvement. This could involve refining processes, adding resources, or adjusting program content to better meet expectations.

7. **Feedback Integration**: Implement a systematic feedback integration process where feedback from alumni and stakeholders is consistently collected, analyzed, and used to make informed decisions about program and service improvements.

8. **Communication and Transparency**: Enhance communication and transparency about program offerings, benefits, and improvements to ensure that alumni are aware of the positive changes being made based on their feedback.

9. **Customized Engagement Activities**: Explore other engagement activities based on specific interests or needs identified by alumni, such as community service projects, sports tournaments, art exhibitions, or book clubs.

10. **Organize Social Gatherings**: Plan and host social gatherings such as reunions, networking mixers, alumni dinners, or cultural events to provide opportunities for alumni to connect and socialize in a relaxed environment.

11. **Networking Events:** Organize networking events or platforms where alumni can connect with each other, share experiences, collaborate on projects, and explore potential career opportunities or partnerships.

12. **Offer Diverse Engagement Activities**: Provide a range of engagement activities that cater to different interests and preferences of alumni, including networking events, professional development workshops, social gatherings, mentorship programs, and community service projects.

13. **Engage Alumni Ambassadors**: Identify and engage enthusiastic alumni as ambassadors who can actively promote SNGCET to their networks, participate in recruitment events, and share their positive experiences with others.

14. **Highlight Positive Experiences**: Showcase success stories, achievements, and positive experiences of alumni to potential students, parents, and other stakeholders to highlight the value and benefits of SNGCET.

15. **Engage Alumni Volunteers:** Recruit alumni volunteers to participate in mentoring programs, career counselling sessions, networking events, and other initiatives aimed at supporting fellow alumni in their post-graduation endeavours.

By implementing these remedies, you can not only address any existing concerns but also foster a stronger sense of community and engagement among alumni, ultimately benefiting both the alumni network and the institution as a whole.

Thank you for taking the time to provide feedback on your experience as an alumni of SNGCET.
Your insights are valuable to us as we strive to improve our programs and services. Please take a few
moments to complete this form.

Date: 04-11-2019

1.   How satisfied were you with your experience at SNGCET

   - o   Very satisfied
   - o   Somewhat satisfied
   - ✗   Neutral
   - o   Somewhat dissatisfied
   - o   Very dissatisfied

2. Has your experience at SNGCET influenced your career path?

   - ✗   Yes
   - o   No

3. How would you rate the specific program(s) or service(s) you were involved in during your time at SNGCET?

   - o   Excellent
   - o   Good
   - ✗   Fair
   - o   Poor

4. What types of events or activities would you like to see for alumni engagement?

   - o   Networking events
   - o   Professional development workshop
   - ✗   Social gathering
   - o   Alumni mentorship programs
   - o   Others (Please specify)

5.Did you find the networking opportunities provided by SNGCET helpful?

   - o   Yes, very helpful
   - o   Somewhat helpful
   - ✗   Not very helpful
   - o   Not at all helpful

ACTION TAKEN BASED ON FEEDBACK ANALYSIS

Grand Alumni Meet on -04-11-2019

Based on the feedback analysis, it seems like the majority of alumni are satisfied with their experience, which is a positive sign. However, there's always room for improvement. Here are some remedies to address any areas of concern:
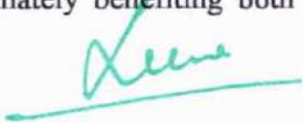

1. **Positive Reinforcement:** Since a significant portion of respondents are very satisfied, it's essential to reinforce what aspects of their experience are contributing to this high level of satisfaction. Recognizing and reinforcing these positive aspects can help maintain and even improve satisfaction levels.

2. **Continuous Improvement:** Use the feedback analysis as a tool for continuous improvement. Regularly collect feedback, analyse trends, and implement changes based on the feedback received. This iterative approach can help in creating a better overall experience for students and stakeholders at SNGCET.

3. **Career Guidance and Counselling:** Strengthen career guidance services to help students make informed decisions about their career paths. This can include workshops, one-on-one counselling sessions, and resources for exploring various career options.

4. **Alumni Engagement:** Leverage the experiences and success stories of alumni to inspire current students and provide networking opportunities. Alumni mentorship programs can be beneficial in guiding students towards successful career paths.

5. **Feedback Loop:** Maintain a feedback loop where alumni and current students can share their experiences and provide insights for continuous improvement. This can help in identifying areas of strength and areas needing enhancement in influencing career paths.

6. **Enhanced Communication:** Improve communication channels between students and faculty/administration to ensure that feedback is effectively communicated and acted upon.

7. **Student Involvement:** Involve students in the improvement process by seeking their suggestions and feedback on how programs and services can be enhanced to better meet their needs and expectations.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

8. **Promote Networking Culture:** Encourage a networking culture within the institution by highlighting success stories of networking, facilitating introductions between alumni and students, and providing networking tips and resources.

9. **Collect Feedback Regularly:** Continuously collect feedback from participants of networking events to understand their experiences, preferences, and suggestions for improvement. Use this feedback to iterate and enhance future networking opportunities.

10. **Other Activities**: Explore other engagement activities based on alumni interests and feedback. This could include volunteer opportunities, alumni newsletters, webinars, or collaborative projects.

11. **Recognize and Celebrate Alumni Achievements**: Highlight the achievements and contributions of alumni through alumni spotlights, awards, and recognition programs. Celebrating alumni success stories can inspire engagement and foster a sense of pride within the community.

12. **Seek Feedback and Input:** Regularly seek feedback from alumni to understand their engagement levels, interests, and suggestions for improvement. Use this feedback to tailor engagement initiatives and ensure they meet the needs of the alumni community.

13. **Address Neutral Responses:** Engage with respondents who are neutral about recommending SNGCET and gather feedback to understand their perspectives. Address any concerns or areas where improvement is needed to potentially convert neutral responses into positive recommendations.

14. **Address Dissatisfaction (Somewhat Dissatisfied):** While the percentage of somewhat dissatisfied respondents is low, it's important to address their concerns. Conduct targeted surveys or interviews to gather detailed feedback, and take actionable steps to address any issues raised. This could involve improvements in communication, alumni services, or other areas identified as contributing to dissatisfaction.

15. **Evaluate Effectiveness:** Regularly evaluate the effectiveness of alumni support services through feedback, surveys, and metrics such as utilization rates and satisfaction levels. Use this data to make data-driven decisions and continuously improve the services offered.

By implementing these remedies, we can not only address any existing concerns but also foster a stronger sense of community and engagement among alumni, ultimately benefiting both the alumni network and the institution as a whole.

Report on meet your Alumni programme for ECE Department

Date: 26/03/2021

Venue: Swami Bhodhananda Hall.SNGCET College

CHIEF GUEST: Anand U, Army Major

The Electronics and Communication Engineering Department of SNGCET College recently had the honor of hosting Major Anand U, an esteemed alumnus of the institution. As an Army Major, Major Anand U graciously shared his journey from his college days to his current position, offering invaluable insights and guidance to current students.

The session commenced with a warm welcome speech by Ms.Leena Narayanan, Assistant Professor in ECE, setting the tone for an engaging interaction. Major Anand U, with his captivating presence, reminisced about his time at SNGCET College, reflecting on the academic rigor and the vibrant campus life that shaped his foundation.

Major Anand U shared his transition from academia to the armed forces, shedding light on the pivotal moments and the rigorous preparations he undertook to secure his current position. His narrative illuminated the importance of perseverance, discipline, and adaptability in navigating career transitions successfully. Through anecdotes and personal experiences, he elucidated the diverse career paths available to graduates in electronics and communication engineering, inspiring students to explore their passions and leverage their skills effectively.

The session was characterized by its interactivity, with students enthusiastically participating and posing insightful questions. Major Anand U patiently addressed queries, dispelling doubts and

114

offering practical advice on career planning, skill development, and seizing job opportunities post-B.Tech. His candid anecdotes and real-world perspective resonated deeply with the audience, fostering a sense of confidence and clarity about their future endeavors.

Muhamad Aseel, College Chairman, extended a heartfelt vote of thanks, expressing gratitude to Major Anand U for his enriching contribution to the session. The event concluded on a convivial note, with students and staff of the ECE department engaging in informal discussions over snacks and cool drinks, further strengthening the bonds within the academic community.

In essence, the interactive session with Major Anand U served as a beacon of inspiration for students, illuminating the diverse array of career prospects awaiting graduates of the Electronics and Communication Engineering Department. It reinforced the college's commitment to nurturing holistic development and fostering a culture of lifelong learning among its students, preparing them to excel in their chosen fields and make meaningful contributions to society.

EVENT PROPOSAL FORM

Submitted by the department of Mechanical Engineering

TO BE FILLED BY THE EVENT COORDINATOR(S)

| 1	Event type	Alumni Talk
2	Event name	Alumni Interaction on Modern Trends in Quality Control
3	Whether the event is inter departmental? If yes, mention the other department(s) associated with	No
4	Mode of conduct [online / offline]	Offline
5	Date and time	25/03/2024, 2:00 PM
6	Venue	S8 ME Classroom
7	Whether any professional body is associated with the event? If yes, name the body	YES, SNAAP (SNGCET Alumni Association Payyanur)
8	Participants / Target Audience	ME STUDENTS
9	Whether the event is conducted for bridging the gap in syllabus? If Yes, name the course with code and the semester and year it the subject is handled	No
10	Objectives of the event	• Customer Satisfaction: Ensuring that products and services meet or exceed customer expectations is a primary objective. Modern quality control emphasizes understanding customer needs and preferences through data analysis and feedback mechanisms. • Continuous Improvement: Adopting methodologies like Lean Six Sigma and Total Quality Management (TQM), modern quality control aims for continuous improvement in processes, products, and services.
11	Expected Outcomes	Students able to understand the efficiency, effectiveness, and agility of quality management processes within organizations.

12	Connected PO / PSO	PO 1: Engineering Knowledge PO 2: Problem Analysis PO 12: Lifelong Learning
13	Justification for PO / PSO [may use separate sheet if necessary]	**PO 1: Engineering Knowledge:** This PO is essential because it ensures that graduates have a solid foundation in the core principles and theories of their respective engineering discipline. Engineering knowledge forms the basis for problem-solving, design, and innovation in engineering practice. **PO 2: Problem Analysis:** Justification: Problem analysis is a critical skill for engineers as they encounter complex challenges that require systematic investigation and understanding. By emphasizing this PO, graduates are equipped with the ability to break down complex problems into manageable components, identify relevant factors, and apply appropriate analytical techniques to arrive at effective solutions. **PO 12: Lifelong Learning:** Justification: Lifelong learning is vital in engineering due to the rapid pace of technological advancement and evolving industry trends. Engineers must continuously update their skills, stay abreast of new developments, and adapt to changing requirements throughout their careers.
14	Name of the resource person(s)	Mr. Suvin V S
15	Designation of the resource person (may attach separate sheet to indicate the profile)	Lead Design Engineer

DEPARTMENT OF MECHANICAL ENGINNERING

ALUMNI INTERACTION ON MODERN TRENDS IN QUALITY CONTROL

REPORT ON MODERN TRENDS IN QUALITY CONTROL

The Department of Mechanical Engineering (ME) organized an Alumni interaction session on March 25th, 2024, at 2 PM in the S8 classroom of the Mechanical department. This session was aimed at all mechanical students, with the main goal of familiarizing them with the evolution of quality control practices. Over the years, these practices have adapted to technological advancements, evolving consumer demands, and shifts in the global market dynamics.

Note : Captured by GPS Map Camera

The workshop kicked off with a warm welcome from Dr. Sudhin Chandran, the esteemed Head of the Department. Mr. Suvin V S provided expert insights, shedding light on quality control practices, technological advancements, evolving consumer preferences, and the dynamic nature of global market trends. The realm of quality control is in constant flux, driven by technological innovations, market dynamics, and shifts in consumer demands. Adapting to these modern trends in quality control is essential for organizations to remain competitive, streamline operations, and deliver exceptional products and services. Utilizing cutting-edge technologies, harnessing the power of data analytics, implementing robust quality management systems, and prioritizing customer-centric approaches are pivotal in achieving sustainable growth and maintaining a competitive advantage in today's ever-changing marketplace.

Attendees departed the session with renewed inspiration and a steadfast determination to further refine their concepts, with the aim of making a positive impact on the world through their innovative endeavors. The session, featuring informative presentations and insightful discussions, undoubtedly enriched the academic atmosphere at SNGCET.

The International Women's Day Celebration Alumni Talk by Ms.Saranya SV, Cofounder PAPLA and Alumna of SNGCET .

The lady faculty members, staff and students gathered in Swami Bodhananda Hall on March 7, 2024 to celebrate the International Women's Day . The focus of the event was to inspire and empower women to be financially independent.

Dr. Susan Abraham, Dean Academics, extended a warm welcome to the attendees, setting the tone for the event.

Dr. LeenaA.V. ,Principal honoured the guest speaker Ms. Saranya SV and encouraged students to envision themselves as job providers rather than job seekers.

Ms. Saranya S V, an esteemed alumna, delivered a captivating talk, blending practical advice with her own entrepreneurial jourey, inspiring the audience with her experiences. The event concluded with a heartfelt Vote of Thanks by Ms. Saritha Sasindran, Convenor of the Women's Cell at SNGCET.

Ms. Mary Sonia George, HOD CE, concluded the session by expressing appreciation for Ms. Saranya SV and her enlightening talk. The event ignited the entrepreneurial spirit among the women of SNGCET.

Online Alumni Talk Report:

"Attitude is Everything"

Date: 18th October 2020

Time: 12:00 PM

Platform: Google Meet

Organizers: Department of Electrical and Electronics Engineering, SNGCET

Guest of Honour and Resource Person: Mr. Vishnu Unnikrishnan, Trainee Engineer, General Electricals

Inaugurator: Dr. Janardhanan P, Principal, SNGCET
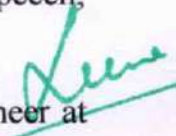

Welcome Address: Prof. Raveendran K., HoD, EEE

Felicitation Speech: Mr. Abhilash Krishnan.T K, AP, EEE

The Department of Electrical and Electronics Engineering at SNGCET organized an online alumni talk on 18th October 2020 via Google Meet. The event titled "Attitude is Everything" aimed to explore the significance of attitude in personal and professional development. The session provided attendees with insights, strategies, and practical tips to harness the power of attitude for success.

The event commenced with an inaugural address by Dr. Janardhanan P, Principal, who emphasized the importance of cultivating a positive attitude for personal and professional growth. Prof. Raveendran K., HoD of EEE, delivered the welcome address, setting the tone for the session and highlighting the relevance of the topic in students' lives. Mr. Abhilash Krishnan.T K, AP of EEE, delivered a felicitation speech, acknowledging the significance of alumni engagement and knowledge sharing.

The session was conducted by Mr. Vishnu Unnikrishnan, a Trainee Engineer at

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

General Electricals, who shared valuable insights and practical strategies for cultivating a positive attitude. Attendees were provided with actionable tips on maintaining a positive mindset, overcoming challenges, and fostering resilience in various aspects of life. The session emphasized the role of attitude in shaping personal and professional success, encouraging students to adopt positive habits and behaviors.

The "Attitude is Everything" online alumni talk provided students with valuable insights and practical strategies for harnessing the power of attitude in their personal and professional lives. By understanding the importance of attitude and adopting positive habits, participants can enhance their resilience, motivation, and overall well-being.

The event was coordinated by Mr. Abhilash Krishnan.T K and Mr. Vaishakh M Nayanar, both Assistant Professors in the Department of EEE, ensuring smooth execution and active participation from attendees.

SreeSundareshwara Matrimony

1. Introduction

1.1 Purpose

The purpose of this document is to outline the requirements for the development of a matrimony website. It defines the features, functionalities, and constraints of the system to be developed.

1.2 Scope

The matrimony website allows users to register, create profiles, search for other users based on various criteria, interact with other users through friend requests and chat, and manage their subscription. The website aims to provide a platform for individuals seeking matrimonial connections.

2. System Description

The matrimony website will consist of the following modules:

- User Registration
- Profile Management
- Subscription and Access Control
- Search Functionality
- Document Upload
- Subscription Management
- Notification System
- Admin Panel

3. Functional Requirements

3.1 User Registration

- Allow users to register with a unique username and password.
- Require mobile number verification during registration.

3.2 Profile Management

- Redirect registered users to their profile page to input additional information.
- Categorize profile into public and private sections, with private information requiring approval.
- Allow users to edit their details and upload profile and additional photos.
- Enable users to set profile picture visibility (public or only to registered users).

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

189

3.3 Subscription and Access Control

- Grant access to registered users with an active subscription.
- Allow subscribed users to access site functions.
- Provide an option for users to display their name and picture only to subscribed users or to all.

3.4 Interaction Features

- Allow users to send friend requests, accept or reject requests, and manage a friend list.
- Enable users to block other users and manage a blocked list.
- Implement a chat feature with the option to communicate without displaying contacts.

3.5 Search Functionality

Allow users to search for specific users by name or apply filters based on criteria like age group.

3.6 Document Upload

Provide users with an option to upload documents such as birth certificates or religious papers (optional).

3.7 Subscription Management

- Offer subscription for a 3-month period with a fee.
- Notify users before the subscription renewal date.
- Block site access for users who fail to recharge after the renewal date.
- Delete users from the database if they repeatedly fail to pay.

3.8 Notification System

- SMS for email or verification
- Email notifications to users for updates.

4. Non-Functional Requirements

4.1 Security

- Implement secure user authentication and data encryption.
- Ensure user data privacy and protection.

4.2 Performance

- Ensure fast loading times for profile pages and search results.
- Handle concurrent user interactions efficiently.

4.3 Scalability

- Design the system to handle a growing user base.
- Ensure that performance remains consistent with increased usage.

4.4 Reliability

- Minimize downtime and ensure system availability.
- Implement backup and recovery procedures to prevent data loss.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

4.5 User Experience

- Design an intuitive user interface for easy navigation and interaction.
- Ensure compatibility across different devices and browsers.

4.6 Compliance

Comply with relevant regulations regarding user data protection and privacy.

4.7 Admin Panel

Provide administrators with tools to manage users, subscriptions, and site functionality efficiently.

4.8 Technology Stack

- Utilize HTML, CSS, and JavaScript for front-end development.
- Use Python with Flask for backend development.
- Employ SQLite3 through SQLAlchemy for the database.

5.Glossary

- SRS: Software Requirements Specification
- SMS: Short Message Service
- HTML: Hyper Text Markup Language
- CSS : Cascading Style Sheet

6. Revision History

Version 1.0: Initial version of the SRS document.

CONTRIBUTION FROM ALUMNI

There is significant contributions of senior college students to the development of the Sree Sundareshwara Matrimony website. Their input spanned design guidance, feature suggestions, privacy solutions, and payment gateway integration. They are

SNC19CS001- AATHISH P JAGADEESH

SNC19CS026- PARVATHI.K

SNC19CS030- SIDHARTH.K

SNC19CS031- SMIJITH.M

SNC19CS040- VARUN

GUIDANCES

1. **Design Guidance:** Students provided valuable insights into user interface design, ensuring a seamless experience for all users.

2. **Feature Suggestions:** They proposed enhancements to profile management, search filters, chat features, and document uploads.

3. **Privacy Solutions:** Students recommended segregating public and private profile information, with approval mechanisms for sensitive data access.

4. **Payment Gateway Integration:** They researched and suggested secure payment gateway solutions, ensuring compliance with industry standards.

Senior played a vital role in shaping the matrimony website's development, offering valuable insights across various aspects. Their continued involvement and expertise will be crucial for achieving project success.

DEEKSHANTH 2023 REPORT

The convocation ceremony DEEKSHANTH for the 4th batch of APJAKTU students (2018-2022 Batch) was celebrated on 09/09/2023 in the college campus seminar hall at 10:30 am. The hard work, dedication, and achievements of our students were recognized in the event.

Dr. T Ashokan, Former Pro VC Kannur University and Dean Academics and Professor Chinmaya Vishwa Vidhyapeet, Cochin. was the Chief Guest of the event. The event commenced with an academic procession, led by the Chief Guest, Principal, Dean of Undergraduate and Postgraduate Studies, Department Heads, and representatives from the Management, with successful graduates following them. After the procession, all distinguished guests and graduates took their seats in the seminar hall. The program commenced with a prayer, setting a solemn and respectful tone for the event.

The Principal Dr. Leena A. V. extended a warm welcome to all the guests and graduates, along with their parents. Shri. T.K. Rajendran, Vice President of Sree Bhakti Samvardhini Yogam, delivered the Presidential Address, sharing words of wisdom and inspiration. Dr. Sudhin Chandran then introduced the Chief Guest to the graduands, highlighting their achievements and significance to the occasion

Deekshant was inaugurated by Dr. T Ashokan. by lighting the lamp. A significant moment of the event unfolded during the keynote address delivered by the esteemed Chief Guest, Dr. T. Ashokan. His speech resonated deeply the invaluable wisdom on the enduring significance of education, lifelong learning, and an entrepreneurial spirit.

The Principal administered the Pledge to the Graduands. Graduates, dressed in their caps and gowns, crossed the stage to receive their well-deserved degrees, symbolizing the culmination of their academic journey. Certificates were distributed to all graduates, marking the official recognition of their accomplishments. Toppers were recognized with mementos and certificates in acknowledgment of their outstanding achievements.

Promoted by Sree Bhakthi Samvardhini Yogam,
(Affiliated to KTU, Recognised by AICTE)

The graduation day (Deekshant) for the students who successfully completed B.Tech in the year 2020 and 2021 was held on 2nd July 2022 in the college campus seminar hall at 10 am.

Dr. Sudha U.P.V., Senior Scientist, Deputy Project Director (AMCA Dynamics and Flutter), DRDO, Bangalore, was the Chief Guest of the event. The programme started with the academic procession with all successful graduates following the Chief Guest, Principal, dean of UG, PG studies, all the Heads of the department and the management representatives. Out of the 104 graduates registered for the event, a total of 102 graduates participated in the event. Following the procession, all the distinguished and the graduates were seated in the seminar hall where the programme began with a prayer.

Principal, Dr. Leena A. V., welcomed all the guests and the graduates with their parents. Shri. T.K. Rajendran, Vice President, Sree Bhakti Samvardhini Yogam, delivered the Presidential Address. Deekshant was inaugurated by Dr. Sudha U.P.V. by lighting the lamp. The Inaugural address was delivered by Dr. Sudha P.V. The Administrative officer and the Vice Principal delivered the felicitation address.

The graduates took the graduate's pledge read by the Principal. Toppers from each branch of engineering were honoured with memento and certificates. The graduates were distributed with certificates. The former Administrators of the college were also honoured by the college management.

Dr. Susan Abraham, Dean UG and PG studies, delivered the vote of thanks to all the participants and the guests. The convocation ceremony concluded with the National Anthem.

The Principal
Sree Narayana Guru College of Engineering and Technology
Payyanur, Kannur – 670370

Dear Sir,

It was an immense pleasure to attend the well organised Convocation Ceremony in the College on 29 Feb 2019. It was very heartening to see the precision, grace and discipline exhibited by the students, staff and faculties during the conduct of the ceremony. The same was highly appreciated by the Directors who attended the ceremony, parents and the students. These kinds of functions not only enhance the image of the college and instil pride in the employees of the institution, but also helps to create a disciplined and academically oriented environment. The media coverage given to the event was also superb.

The management committee and Sree Bhakthi Samvardhini Yogam conveys their deep appreciation to you and your team in organising such a grand event. The hard work put in by all HODs, faculties and staff, is highly appreciated.

We are looking forward to many such events which will add value to the stature of the College. Even the student's functions can be made excellent by necessary involvement of the Staff. Management will provide all possible assistance and support to the team in these kinds of events.

Thanking you

Yours sincerely

K P Pavithran
Secretary

CONVOCATION PROGRAM REPORT (BATCH 2015-19)

The graduation day (Deekshant) for the students who successfully completed B.Tech in the year 2019 was held on 29th February 2020 in the college campus seminar hall at 10 am.
Prof. (Dr) G Gopakumar, Vice Chancellor of central university of Kerala, Kasaragod was the Chief Guest of the event. The programme started with the academic procession with all successful graduates following the Chief Guest, Principal, dean of UG, PG studies, all the Heads of the department and the management representatives. Out of the 60 graduates registered for the event, a total of 52 graduates participated in the event. Following the procession, all the distinguished and the graduates were seated in the seminar hall where the programme began with a prayer.

Principal, Dr.V.K. Janadanan, welcomed all the guests and the graduates with their parents. Shri. K.P. Pvithran, Secretary, Sree Bhakti Samvardhini Yogam, delivered the Presidential Address. Deekshant was inaugurated by Prof. (Dr) G Gopakumar by lighting the lamp. The Inaugural address was delivered by Prof. (Dr) G Gopakumar. The Administrative officer and the Vice Principal delivered the felicitation address.

The graduates took the graduate's pledge read by the Principal. Toppers from each branch of engineering were honoured with memento and certificates. The graduates were distributed with certificates. The former Administrators of the college were also honoured by the college management.

Dr. Leena A.V., Dean UG and PG studies, delivered the vote of thanks to all the participants and the guests. The convocation ceremony concluded with the National Anthem.
