#### Report of the Orientation Programme for IEDC SNGCET

Date: 4th April 2023

Venue: SNGCET, [Meeting hall]

The Innovation and Entrepreneurship Development Cell (IEDC) of SNGCET conducted its annual orientation programme on the 4th of April, 2023. The event was graced by Dr. Leena AV, the Principal of SNGCET, and featured Mr. Vinod K, a respected lecturer from EKNMGPTC Trikaripur, as the resource person. The highlight of the event was the unveiling of the new IEDC SNGCET logo.

- 1. Presidential Address: The programme began with a warm welcome to all attendees. Dr. Leena AV, Principal of SNGCET, delivered the inaugural address. She emphasized the importance of fostering innovation and entrepreneurship among students and how IEDC plays a pivotal role in achieving this goal. Dr. Leena AV encouraged students to take advantage of the resources provided by IEDC and to pursue their entrepreneurial dreams.
- 2. Resource Session by Mr. Vinod K: Mr. Vinod K, an accomplished lecturer from EKNMGPTC Trikaripur, conducted an engaging and informative session on various aspects of entrepreneurship. He shared valuable insights on ideation, business planning, and the challenges and opportunities in the entrepreneurial world. Mr. Vinod K's session was well-received by the attendees, who found his expertise inspiring and educational.
- 3. Unveiling of IEDC SNGCET Logo: A moment of pride for the IEDC team and the college community was the unveiling of the new IEDC SNGCET logo. The logo, a symbol of innovation and entrepreneurship, was revealed during the same function. It captures the spirit of creativity, innovation, and forward-thinking, which are the core values of IEDC. The designer behind the logo is Aswanth C, a student from Mechanical Engineering department.

Dr. LEENA A. V.
PRITYCLPAL

SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY, PAYYANUI
KANNUUR

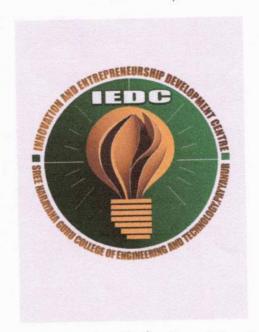

- 4. Interactive Q&A Session: Following Mr. Vinod K's presentation, an interactive Q&A session was held. Attendees had the opportunity to ask questions and seek further clarification on various entrepreneurship-related topics. The session fostered engagement and encouraged students to think critically about their entrepreneurial aspirations.
- 5. Networking and Refreshments: After the formal programme, attendees had the chance to network and interact with each other, as well as with Dr. Leena AV and Mr. Vinod K. Refreshments were served, allowing for informal discussions and the exchange of ideas among students, faculty, and the guest speaker.

The IEDC Orientation Programme conducted on 4th April 2023 was a resounding success, thanks to the dynamic leadership of Dr. Leena AV, the insightful presentation by Mr. Vinod K, and the unveiling of the new IEDC SNGCET logo. The event not only provided valuable insights into entrepreneurship but also fostered a sense of community and collaboration among students and faculty. It is hoped that this programme will inspire and empower students to embark on their entrepreneurial journeys and contribute to the growth and development of the entrepreneurial ecosystem at SNGCET.

13	Justification for PO / PSO [may use separate sheet if necessary]	Enhancing problem analysis skills among participants in "The PROBLEM ANALYSIS: Bridge Course on Entrepreneurship and Innovation" is crucial as it forms the foundation for innovation and entrepreneurial success. By honing their ability to dissect and understand complex problems, participants can identify untapped.

market opportunities and develop creative solutions to address them. This skill enables entrepreneurs to anticipate and mitigate potential risks associated with their ventures, increasing the likelihood of success. Furthermore, effective problem analysis allows for the validation and refinement of business ideas, ensuring their alignment with market needs and preferences. Lastly, fostering a culture of continuous problem analysis promotes adaptability and iteration, empowering entrepreneurs to evolve their ventures in response to changing market dynamics and customer feedback. DESIGN MODEL: Enhancing the attainment of design model among participants in "The Bridge Course on Entrepreneurship and Innovation" is essential for fostering innovation and product development. Proficiency in design modeling equips entrepreneurs with the ability to visualize and iterate on product concepts, leading to the creation of user-centrid This skill enables entrepreneurs to effectively communicate their ideas to stakeholders, investors, and potential customers, facilitating buy-in and support for their ventures Additionally, mastery of design modeling enhances the feasibility assessment of product ideas, allowing entrepreneurs to identify and address potential challenges early in the development process Ultimately, a strong foundation in design modeling empowers entrepreneurs to create compelling, market-ready products that meet the evolving needs of their target audience. SOLUTION DEVELOPMENT Enhancing the attainment of solution development skills among participants in "The Bridge Course on Entrepreneurship and Innovation" is crucial for turning innovative ideas into actionable business ventures. Proficiency in solution development enables entrepreneurs to systematically transform concepts into tangible products or services that address identified market needs. This skill facilitates the creation of scalable and sustainable solutions. enhancing the potential for long-term business success. Furthermore, mastery of solution development methodologies allows entrepreneurs to iterate on their offerings based on feedback and market validation, ensuring continuous improvement and relevance. Ultimately, a robust capability in solution development empowers entrepreneurs to bring value to customers, differentiate themselves in the marketplace, and drive growth for their ventures. #### **Report: Entrepreneurship and Innovation**

#### **Bridge Course**

On 01/08/2023 Time 9.00am to 4.00pm Venue Meeting Hall

#### Introduction:

In the ever-evolving landscape of entrepreneurship, the journey from a mere idea to a booming venture demands more than just creativity and determination. It demands a structured and strategic approach that turns the sparks of innovation into the flames of success. The notion of entrepreneurship is not solely about snatching an opportunity; it's about crafting opportunities, and mastery of a proven structure comes into play. The saying "If Opportunity Doesn't Knock, Build a Door" encapsulates the spirit of flexibility, adaptability, and creativity that drives entrepreneurs to create their own pathways to success.

#### **Course Overview**

- The goals of this programme to inspire students and help them absorb an entrepreneurial mind-set.
- The students will learn what entrepreneurship is and how it has impacted the world and their country.
- They will be introduced to key qualities of an entrepreneur, and be given an opportunity to assess their own strengths and identify gaps that need to be addressed to become a successful entrepreneur.

#### Module-I: Introduction to Entrepreneurship

Meaning and concept of entrepreneurship, possibilities.

#### Module-II: The Entrepreneur

Why to become entrepreneur, the skills/ traits required to be an entrepreneur, Creative and Design Thinking, the entrepreneurial decision process, lean canvas.

#### **Understanding the Principle:**

1. **Proactive Mindset**: Instead of passively waiting for the right moment, this principle encourages individuals to take the initiative. Entrepreneurship is about snatching opportunities, and that often involves identifying gaps in the market, untapped needs, or innovative solutions that can address challenges.

Dr. LEEDA A. V.
PRINCLPAL

SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY, PAYYANUR
KANNUR

- Creative Problem-Solving: Building a door means finding unique solutions to problems. Entrepreneurs thrive when they can creatively address pain points or provide value in novel ways. This approach encourages thinking beyond convention and fostering a culture of innovation.
- 3. Resilience and Determination: Entrepreneurship is marked by challenges and setbacks. The principle of building a door emphasizes the importance of resilience and determination. Entrepreneurs need to overcome obstacles, learn from failures, and adapt their strategies to changing circumstances.
- 4. Initiating Action: Waiting for the "right time" can lead to missed opportunities. Instead, this principle encourages taking action now. Starting the entrepreneurial journey might involve launching a minimum viable product (MVP), testing an idea, or reaching out to potential partners or investors.

#### **Application to Entrepreneurship:**

- Idea Generation: Instead of waiting for a revolutionary idea to come along, aspiring
  entrepreneurs can actively brainstorm and research to identify market gaps or areas
  where their expertise can make a difference.
- 2. **Market Research**: Building a door involves understanding the target market's needs deeply. Entrepreneurs can gather insights, conduct surveys, and analyze trends to develop a solution that resonates with potential customers.
- 3. Innovation: Entrepreneurs can leverage the principle by focusing on innovation. This could involve developing a new product, service, or business model that disrupts existing markets or creates new ones.
- Networking and Partnerships: Entrepreneurs can build doors by forming connections with mentors, advisors, and potential collaborators. Networking can open up opportunities for learning, growth, and even funding.
- Resource Mobilization: Rather than waiting for funding to magically appear, entrepreneurs can actively seek out funding sources, pitch to investors, or explore crowd funding platforms to kick-start their ventures.

By embracing this principle, individuals can take control of their entrepreneurial journey, create opportunities from challenges, and set themselves on a path toward success. Remember, entrepreneurship is not just about waiting for doors to open—it's about having the courage and self determination to build those doors.

Learning Outcomes

The expected Student Learning Outcomes for the Entrepreneurship and Innovation Program are:

Dr. LEE A. V.
PF.INCLPAL

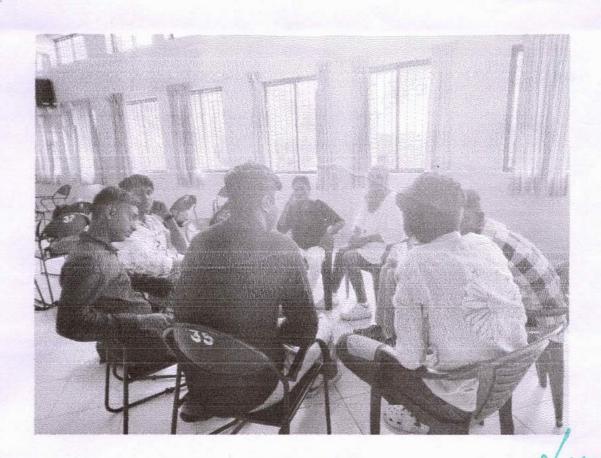

SREE NARATANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY, PAYYANUR
KANNUR

- Students will be able to sell themselves and their ideas. master oral and visual
  presentation skills and establish a foundation of confidence in the skills necessary to
  cause others to act.
- Students will be able to find problems worth solving. advance their skills in customer development, customer validation, competitive analysis, and iteration while utilizing design thinking and process tools to evaluate in real-world problems and projects.
- Students will be able to mobilize people and resources. identify and secure customers, stakeholders, and team members through networks, primary customer research, and competitive and industry analyses in order to prioritize and pursue an initial target market in real-world projects.
- Students will be able to create value. are able to create presentations and business plans
  that articulate and apply financial, operational, organizational, market, and sales
  knowledge to identify paths to value creation through 1) company formation (for
  profit); 2) social innovation (nonprofit); or 3) intellectual property licensing.
- Students will develop and cultivate endurance. increase their awareness and deliberately practice the skills and disciplines necessary to increase confidence and agency; foster self-efficacy and self-advocacy; improve communication and problem solving skills, manage strong impulses and feelings; and identify personal purpose.

Title: IDEAZEST- Idea Presentation

The IDEAZEST Idea Presentation, where creativity meets innovation, and ideas are transformed into compelling solutions! In this dynamic event, we showcase the ingenuity and entrepreneurial spirit of our participants as they unveil their innovative concepts aimed at addressing real-world challenges and seizing emerging opportunities. IDEAZEST serves as a platform for aspiring entrepreneurs, innovators, and visionaries to present their ideas, receive feedback, and gain valuable insights from a diverse audience of peers, mentors, and industry experts. With a focus on fostering collaboration, creativity, and problem-solving, IDEAZEST inspires and empowers participants to turn their dreams into reality, driving positive change and making a meaningful impact in the world. Join us as we embark on an exciting journey of exploration, discovery, and transformation at IDEAZEST Idea Presentation

#### Course Highlights:

The course began with an introduction to the principles of entrepreneurship and innovation, emphasizing the significance of creative thinking and problem-solving. Over the course duration, participants were organized into five groups, each tasked with generating an innovative business idea.

#### **Idea Generation and Development:**

Students engaged in brainstorming sessions, tapping into their collective creativity to conceptualize unique and viable business ideas. Each group selected one idea to further develop, working on aspects such as market analysis, revenue model, target audience, and value proposition.

#### **Business Model Preparation:**

After selecting their innovative ideas, participants proceeded to develop comprehensive business models. This stage required a deeper understanding of the market landscape, potential competitors, and the specific problem their idea aimed to solve. The groups learned to fine-tune their ideas to align with market demands and feasibility.

Dr. LEGINAL V.
PT, INCIPAL

SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY, PAYYANUR
KANNUE

#### Pitch Presentation:

The culmination of the course was the pitch presentation session. Each group had the opportunity to present their innovative business idea in front of a judging panel comprised of faculty members and industry experts. These presentations showcased the students' ability to articulate their ideas persuasively, highlighting their business models' potential.

#### Judging and Results:

The judging panel evaluated the presentations based on criteria such as innovation, feasibility, market potential, and presentation skills. The judges' diverse expertise ensured a comprehensive evaluation process. After careful deliberation, the judges announced the ranks for each group, recognizing the most promising and innovative ideas.

#### Outcome and Learning:

The Bridge Course successfully achieved its objectives of fostering entrepreneurial thinking and promoting innovation among participants. Students not only gained insights into idea generation and business model development but also honed their presentation skills. The course provided a platform for participants to learn from each other's ideas and engage in constructive discussions.

#### Conclusion:

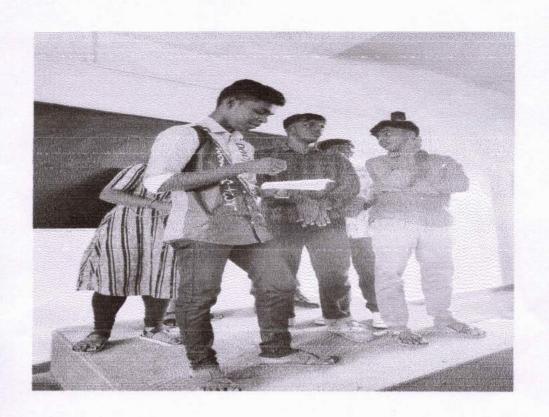

The Bridge Course on Entrepreneurship and Innovation, led by Dr. Raji Sukumar A, played a pivotal role in equipping participants with the knowledge, skills, and confidence to approach business challenges innovatively. The engaging sessions, idea competitions, and pitch presentations collectively contributed to a transformative learning experience, setting the foundation for a future generation of innovative entrepreneurs.

#### **Acknowledgments:**

We extend our gratitude to Dr. Raji Sukumar A, Mr. Shyaman P, for their guidance and commitment throughout the course evaluation. We also thank the judging panel and participants for their enthusiastic participation and dedication to the spirit of entrepreneurship and innovation.

## REPORT ON SEMINAR -"CONSCIOUS MARKETING"

A seminar on "Conscious Marketing -Marketing for the New Age" was organised by the Department of Electrical and Electronics Engineering in association with the IEDC cell, SNGCET, on 25<sup>th</sup> September 2023 in college Seminar Hall at 9.30 am. This seminar was conducted by the Guest of Honour and resource person, Mr. Jayadev K T, a thought leader and author of "Marketing KARMA". The seminar was presided over by the Principal, Dr. Leena A V, Dean UG and PG studies, Dr. Susan Abraham, Nodal officer of IEDC, Dr. Raji Sukumar A, and HoD Electrical and Electronics Engineering, Mr. Abhilash Krishnan T K.

The session was very informative and valuable which helped the students to get a clear idea and present day scenario about conscious marketing. The resource person created a friendly environment and made the session engaging, interesting and participative through interactions and a lot of educative videos like advertisements case studies etc.

The event was co-ordinated by Ms. Rinsha T V, AP EEE and S7 student Ms. Aswathi P P. The seminar was attended by the S7 students of all the braches. The Guest of honour was presented with a memento by the Principal as a token of appreciation. The seminar concluded at 1 pm.

# FEEDBACK FORM Seminar on Conscious marketing

Organized by the Department of Electrical and Electronics Engineering, SNGCET, Payyanur (Kindly note only single response is enabled)

Name (in full) *	
Aswathi PP	
Department* *	
EEE	
About the session* *	
The seasion was great and the speaker made the seasion fun and was taught to us.	n and engaging. The idea was made simple
Relevance of the topic *	
In the scenario of people marketing things without even know relevant one.	ving the product and all, this session is a ver
Would you like to attend more such sessions from the o	department online and offline *
Yes	
	Leene

# SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY

# **POST EVENT ANALYSIS FORM**

# Submitted by the department of: ELECTRICAL AND ELECTRONICS ENGINEERING

## I. TO BE FILLED BY THE EVENT COORDINATOR(S)

1	Event type conducted	Seminar
2	Event name	Conscious Marketing
3	Date and time of the event conducted	25-09-23, 9.30 a.m
4	Venue	Seminar Hall
5	Whether the event was interdepartmental? If yes, mention the department(s) associated with	No
6	Mode of conduct [online \ offline]	offline
7	Is there any deviation from the proposal in the date, time and venue of the event? If yes, mention the reason for change	NO
8	Whether any professional body was associated with the event?  If yes, name the body	No
9	Any funds received from the professional body? Indicate the amount	No
10	Participants / Target Audience	S7 students
11	Whether the event is conducted for bridging the gap in syllabus? If Yes, name the course with code and the semester and year it the subject is handled	No

12	Objectives of the event	To promote brand awareness, loyalty, and sales while prioritizing ethical, sustainable, and socially responsible practices, fostering genuine connections with consumers, and contributing positively to communities and the environment.
13	<b>Expected Outcomes</b>	Beginning of new carrier path
15	Connected PO / PSO	PO2,PO3,PO6,PO9,PO10
16	Justification for PO / PSO [may use separate sheet if necessary]	Problem analysis, Design and development of solution, Engineers and society, Individual and team work, Communication
17	Whether feedback forms from audience and resource person is collected?	Yes
18	Whether analysis of feedback is done? Use separate sheet to indicate the same	No
19	Attainment level of outcomes	No
20	Name of the resource person	JayaDev K T
21	Designation of the resource person(s)	Thought Leader and author of Marketing Karma
22	Any other relevant information	nil
23	Name of the event coordinator(s)	Rinsha T V
24	Dated signature of the coordinator(s)	028 18's

# II. TO BE FILLED BY THE DEPARTMENT HOD (any one of the HoD, in case if the event is jointly conducted by various department(s))

## List of enclosures - To be maintained in the file

SI No:	ITEM	AVAILABILITY [YES / NO]
1	Posters	Yes
2	Schedule of the event	Yes
3	Registration form sample copy	Yes
4	All registration forms duly filled and signed	No

## **JUSTIFICATION OF PO/PSO**

- 1. PO 1: Engineering Knowledge: This PO is essential because it ensures that graduates have a solid foundation in the core principles and theories of their respective engineering discipline. Engineering knowledge forms the basis for problem-solving, design, and innovation in engineering practice.
- 2. PO 2: Problem Analysis: Justification: Problem analysis is a critical skill for engineers as they encounter complex challenges that require systematic investigation and understanding. By emphasizing this PO, graduates are equipped with the ability to break down complex problems into manageable components, identify relevant factors, and apply appropriate analytical techniques to arrive at effective solutions.
- 3. PO 3: Design/Development of Solutions: Justification: Design and development are at the core of engineering practice, where engineers conceptualize and create solutions to address specific needs or challenges. This PO ensures that graduates are capable of translating theoretical knowledge into practical applications by designing innovative solutions that meet desired objectives.
- 4. PO 12: Lifelong Learning: Justification: Lifelong learning is vital in engineering due to the rapid pace of technological advancement and evolving industry trends. Engineers must continuously update their skills, stay abreast of new developments, and adapt to changing requirements throughout their careers.

These Program Outcomes collectively ensure that graduates are well-prepared to excel in their chosen engineering fields, equipped with the knowledge, skills, and mindset necessary for success in both their professional careers and ongoing personal development.

## DEPARTMENT OF MECHANICAL ENGINEERING

## Report of the Session on WORKSHOP ON DESIGN THINKING

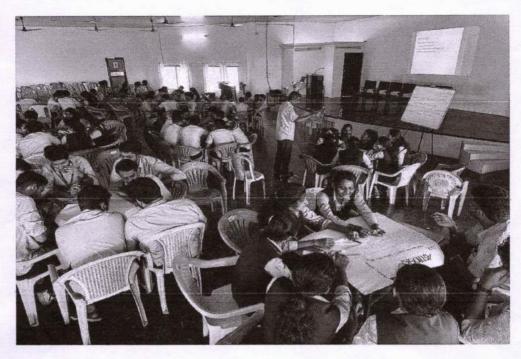

The Department of Mechanical Engineering (ME) and the Innovation and Entrepreneurship Development Cell (IEDC) jointly organized the "Workshop on Design Thinking" on November 13th, 2023, at 9:30 AM in SNGCET's seminar hall. The primary objective of the event was to provide a platform for students to present their innovative ideas and showcase their entrepreneurial mindset. The session commenced with a welcoming address from Mr. Jacob Thomas, Assistant Professor of ME (Head Project and Consultancy), expressing gratitude to participants, faculty, and students for their enthusiastic support. Mr. Jacob underscored the importance of fostering creativity and innovation in today's dynamic world, encouraging students to explore new ideas. Dr. Raji Sukumar, IEDC Coordinator, delivered the felicitation speech, commending the ME department and IEDC for organizing an event that promotes innovation and entrepreneurship. She urged students to leverage the resources available at SNGCET for the development of their ideas and projects. Following the address, the workshop, led by Mr. Sadasivan K.K, K-DISC Mentor, commenced. This segment, eagerly anticipated, highlighted the creativity and entrepreneurial spirit of the students. The presentations covered a diverse range of topics, from software applications to sustainable solutions for real-world problems. Each presentation included a dedicated time for demonstration and Q&A.

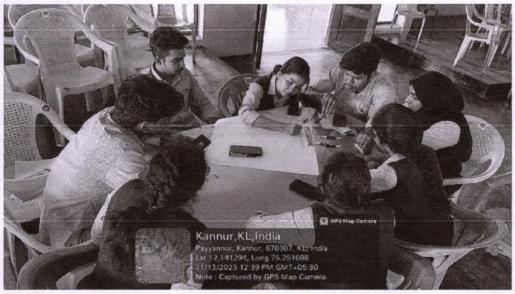

To conclude the event, Mr. Sudhin Chandran, Head of Department ME, delivered the vote of thanks. He expressed gratitude to participants, faculty, and students, as well as the management, sponsors, and the IEDC cell for their unwavering support in ensuring the success of the workshop.

The "Design Thinking Workshop" session proved highly successful, providing students with a platform to showcase their innovative ideas and receive valuable feedback. It underscored the ME department and IEDC's dedication to cultivating a culture of innovation and entrepreneurship at SNGCET. Such gatherings are instrumental in equipping students for the challenges and opportunities of the modern world. Upon concluding the session, participants left with a renewed sense of inspiration and determination to further refine their ideas, aiming to positively impact the world through their innovations. The session, characterized by informative presentations and insightful addresses, unquestionably enhanced the academic environment at SNGCET.

The workshop on "Design Thinking" session proved to be highly successful, offering students a platform to present their innovative ideas and receive valuable feedback. It reflected the ME department and IEDC's dedication to nurturing a culture of innovation and entrepreneurship at SNGCET. Such events are crucial in preparing students for the challenges and opportunities of the contemporary world. Participants left the session with a renewed sense of inspiration and determination to further refine their ideas, aiming to make a positive impact on the world through their innovations. The session, featuring informative presentations and insightful addresses, undeniably contributed value to the academic environment at SNGCET.

16 Justification for PO / PSO [may use separate sheet if necessary]  Enhancing problem analysis skills among participants in "The PROBLEM ANALYSIS: Bridge Course on Entrepreneurship and Innovation" is crucial as it forms the foundation for innovation and entrepreneurial success. By honing their ability to dissect and understand complex problems, participants can identify untappen market opportunities and develop creative solutions to address them. This skill enables entrepreneurs to anticipate and mitigate potential risks associated with their ventures, increasing the likelihood of success. Furthermore, effective problem analysis allows for the validation and refinement of business ideas, ensuring their alignment with market needs and preferences. Lastly, fostering a culture of continuous problem analysis promotes adaptability and iteration, empowering entrepreneurs to evolve their ventures in response to changing market dynamics and customer feedback.  DESIGN MODEL: Enhancing the attainment of design mode skills among participants in "The Bridge Course on Entrepreneurship and Innovation" is essential for fostering innovation and product development. Proficiency in design modeling equips entrepreneurs with the ability to visualize and iterate on product concepts, leading to the creation of user-centric solutions. This skill enables entrepreneurs to effectively communicate their ideas to stakeholders, investors, and potentia customers, facilitating buy-in and support for their ventures. Additionally, mastery of design modeling enhances the feasibility assessment of product design modeling enhances the feasibility assessment of product design modeling enhances the feasibility assessment of product development for centrepreneurs to create compelling, market-ready products that meet the evolving needs of their target audience.  SOLUTION DEVELOPMENT  Enhancing the attainment of solution development enables entrepreneurs in "The Bridge Course on Entrepreneurship and Innovation" is crucial for turning innovative ideas		Compared PO /	1 PROBLEM ANALYSIS

# A Report On TechGenesis 1.0 2023 VENUE: MEETING HALL, SNGCET

DATE: 16/11/2023

IEDC Panel TechGenesis1.0 Inauguration

The Inauguration Function of TechGenesis 1.0 2023 was held on 16th November 2023. The event commenced with a formal inauguration ceremony. Dr. Leena Av (principal), with her insightful words, officially inaugurated the IEDC event, emphasizing the importance of innovation in today's dynamic world.

Following the inauguration, the Technical Session unfolded, providing a platform for students to know more about IEDC. Presentations were conducted by the members of IEDC.

The event culminated with a panel discussion by Mr. Jacob Thomas(head of project and consultancy SNGCET). Attendees gained valuable knowledge and perspectives that are instrumental in nurturing an entrepreneurial mindset.

12	Connected PO / PSO	1 PROBLEM ANALYSIS 2. DESIGN MODEL 3. SOLUTION DEVELOPMENT	
13	Justification for PO / PSO [may use separate sheet if necessary]	Enhancing problem analysis skills among participants in "The PROBLEM ANALYSIS: Bridge Course on Entrepreneurship and Innovation" is crucial as it forms the foundation for innovation and entrepreneurial success. By honing their ability to dissect and understand complex problems, participants can identify untapped market opportunities and develop creative solutions to address them. This skill enables entrepreneurs to anticipate and mitigat potential risks associated with their ventures, increasing the	

		likelihood of success. Furthermore, effective problem analysis allows for the validation and refinement of business ideas, ensuring their alignment with market needs and preferences. Lastly, fostering a culture of continuous problem analysis promotes adaptability and iteration, empowering entrepreneurs to evolve their ventures in response to changing market dynamics and customer feedback.  DESIGN MODEL: Enhancing the attainment of design mode skills among participants in "The Bridge Course or Entrepreneurship and Innovation" is essential for fostering innovation and product development. Proficiency in design modeling equips entrepreneurs with the ability to visualize and iterate on product concepts, leading to the creation of user-centric solutions. This skill enables entrepreneurs to effectively communicate their ideas to stakeholders, investors, and potentia customers, facilitating buy-in and support for their ventures Additionally, mastery of design modeling enhances the feasibility assessment of product ideas, allowing entrepreneurs to identify and address potential challenges early in the development process Ultimately, a strong foundation in design modeling empower entrepreneurs to create compelling, market-ready products that meet the evolving needs of their target audience.  SOLUTION DEVELOPMENT  Enhancing the attainment of solution development skills among participants in "The Bridge Course on Entrepreneurship and Innovation" is crucial for turning innovative ideas into actionable business ventures. Proficiency in solution development enable entrepreneurs to systematically transform concepts into tangible products or services that address identified market needs. This skill facilitates the creation of scalable and sustainable solutions enhancing the potential for long-term business success Furthermore, mastery of solution development methodologicallows entrepreneurs to iterate on their offerings based on feedbacd and market validation, ensuring continuous improvement and relevance. Report on the Smart India Hackathon SNGCET 2023 held on 6<sup>th</sup> and 7<sup>th</sup> October, 2023 organized by the Department of Electronics and Communication Engineering in association with Innovation, Entrepreneurship and R&D Centre, SNGCET, Payyanur.

The Department Of Electronics and Communication Engineering, SGCET, Payyanur organized "Smart India Hackathon SNGCET 2023", in association with Innovation, Entrepreneurship and R&D Centre, SNGCET, under the guidance of Dr. Raji Sukumar, Associate Professor, CSE. This was an internal selection procedure which was conducted on 6th and 7th October, 2023 for submitting new innovative ideas. Smart India Hackathon 2023 is an initiative by the Ministry of Education that offers an incredible opportunity to make a significant impact on our nation. Smart India Hackathon (SIH) is a flagship event that brings together the brightest minds from across the country to address real-world challenges through innovation and technology. This is a nationwide endeavor, dedicated to nurturing innovation, problem-solving, and fostering a culture of excellence.

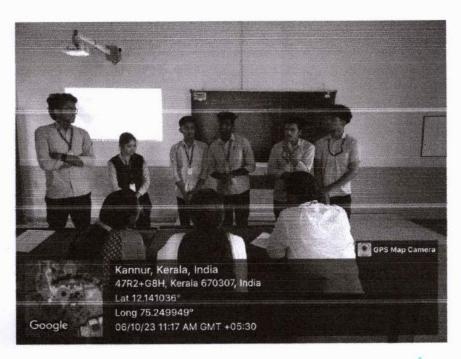

The welcome address was delivered by Ms. Meera M, Assistant Professor, ECE Department. The judging panel included Prof. Jacob Thomas, HOD, ME, Ms. Leena Narayanan, HOD, ECE, Ms. Saritha Sasindran, Assistant Professor, CE, Ms. Veena K Assistant Professor, CSE and Ms. Aswathi Ravindran. Ms. Soshya V C, Assistant Professor of ECE proposed the vote of thanks.

There were 20 teams of six members each from all departments who presented their innovative ideas (50 ideas) as solutions to problem statements specified in SIH Website in various areas and domains. The ideas were evaluated and selected by the judges and suggestions were given by them to improve the ideas and also to add more details as per the requirements of the problem statement. Students were also made to discuss the problem statements and put forward ideas. Students were

# SREE NARAYANA GURU COLLEGE OF ENGINEERING TECHNOLOGY,

Promoted by Sree Bhakthi Samvardhini Yogam (Affiliated to KTU, Recognised by AICTE)

Report on Innovista: Entrepreneurship Awareness Seminar and Workshop Program

Date: 08-12-2023

### Introduction:

On December 8, 2023, a transformative one day seminar workshop, Micro Small and Medium Enterprises (MSME) Thrissur joined forces with Sree Narayana Guru College of Engineering and Technology (SNGCET) Payyanur to orchestrate Innovista. This one-day Entrepreneurship Awareness Seminar and Workshop Program were crafted with a singular purpose—to inspire, educate, and empower individuals to embrace the realms of entrepreneurship and innovation among students and the public. The participants are students and new entrepreneurs from nearby Local Self Governing Bodies (Eramam Kuttur, Karivellur Peralam, Kunhimangalam, Kankol Alappadamba, Cheruthazham Panchayat and Payyanur Municipality). Innovista emerged as a beacon of opportunity, offering participants a unique platform to delve into the dynamic world of entrepreneurship. The program unfolded against the backdrop of collaborative efforts between industry stalwarts, academia, and aspiring entrepreneurs, creating an environment ripe for exploration and discovery. Innovista embarked on a journey marked by insightful keynote addresses, interactive workshops, and engaging panel discussions. The event aimed not only to disseminate knowledge but also to instill a spirit of entrepreneurship, encouraging individuals to turn innovative ideas into impactful ventures. The collaboration between MSME Thrissur and SNGCET Payyanur underscored the significance of bridging the gap between academia and industry in nurturing entrepreneurial endeavors. Together, they sought to pave the way for a new generation of visionaries, equipped with the knowledge, skills, and inspiration needed to navigate the ever-evolving landscape of business and innovation. Innovista wasn't just a seminar; it was a convergence of minds, an inspiration for change, and a celebration of the entrepreneurial spirit. This introduction sets the stage for the unfolding narrative of how Innovista became a cornerstone in the journey towards entrepreneurial excellence, leaving an indelible mark on the participants and the landscape of innovation.

Program Highlights: VENUE: Payyanur DATE: 08/12/2023

Welcome & Introduction about the programme 10.00AM 10.05AM Smt. Rekha.K Assistant Director, MSME-Development & Facilitation Office, Thrissur

In this opening segment, Smt. Rekha K, Assistant Director at the MSME-Development & Facilitation Office in Thrissur, will warmly welcome the participants and provide an overview of the program. In the inaugural segment of Innovista, Smt. Rekha K, extends a warm welcome to the participants and plays a pivotal role in setting the stage for this transformative event. She provides a comprehensive overview of

the program, shedding light on the collaborative efforts of MSME Thrissur and Sree Narayana Guru College of Engineering and Technology, Payyanur, in bringing Innovista to fruition. Smt. Rekha K will articulate the crucial role of MSMEs in the economic landscape, emphasizing their significance as drivers of growth, employment, and innovation. Her introduction is poised to offer valuable insights into the services and responsibilities of MSMEs, highlighting their diverse contributions to the development of the entrepreneurial ecosystem. By illuminating the importance of MSMEs, Smt. Rekha K's address will lay a solid foundation for the insightful sessions that will follow, creating an atmosphere of engagement and learning for all participants.

Presidential Address 10.05AM-10.20 AM Sri. K P Balakrishnan, President, Sree Bhakthi Samvardhini Yogam, Talap Kannur.

Sri. K P Balakrishnan, President of Sree Bhakthi Samvardhini Yogam, Talap Kannur, is poised to deliver the much-anticipated Presidential Address during the Innovista program. Renowned for his dedication to community development, his words are expected to resonate with wisdom and insight, offering a guiding vision for the event. As the leader of an institution named after Sri Narayana Guru, Sri. Balakrishnan embodies a legacy of service and social contribution spanning two decades. The institution, under his stewardship, has played an instrumental role in uplifting the community through various initiatives. With a deep understanding of the transformative power of entrepreneurship, it is anticipated that his address will underscore the pivotal role of fostering innovation in driving not only economic growth but also in contributing to the holistic development of the community. Sri. K P Balakrishnan's leadership and the institution's remarkable contributions stand as a testament to the enduring legacy of Sri Narayana Guru's teachings in the service of society.

# Inaugural Address 10.20 AM-10.30 AM Mr. Sri. K Ramesh Kumar, President of The North Malabar Chamber of Commerce, Kannur,

In his impactful inaugural address, Mr. Sri. K Ramesh Kumar, President of The North Malabar Chamber of Commerce, Kannur, seamlessly blended inspiration with practical insights, setting a tone of enthusiasm for the Entrepreneurship Awareness Seminar and Workshop Program. Mr. Kumar eloquently emphasized the vast opportunities inherent in the business landscape, portraying entrepreneurship not merely as a pursuit of profit but as a journey enriched with possibilities and growth. He articulated the pivotal role that the Chamber of Commerce plays in championing the interests of businesses, underscoring its significance as a conduit for fostering collaboration, providing resources, and advocating for policies conducive to economic growth. Mr. Ramesh Kumar's address not only served as a beacon of motivation but also illuminated the crucial role the Chamber of Commerce plays in shaping the entrepreneurial ecosystem, fostering a sense of unity and purpose among the participants and wish all support to Sree Narayana Guru College of Engineering and Technology, Payyanur.

### Message

### Sri.Arun Vijay, District Collector, Kannur, Keynote Address

Sri. Arun Vijay, the esteemed District Collector of Kannur, extended his support to the Innovista program through a heartfelt video message. In his message, he conveyed his best wishes for the success of the event, acknowledging the critical role that initiatives like Innovista play in fostering entrepreneurship and

innovation within the community. Sri. Vijay specifically commended the IEDC SNGCET team for their exemplary efforts, recognizing them as leading contributors to the entrepreneurial landscape and job creation in the region. Despite his absence, Sri. Arun Vijay's encouraging words added a significant motivational touch to the inaugural proceedings, reinforcing the collective commitment to nurturing a thriving entrepreneurial ecosystem under Sree Narayana Guru College of Engineering and Technology, Payyanur. His insights are expected to shed light on the local context and the role of entrepreneurship in contributing to the overall development of the district.

# Keynote Address 10.30AM-10.40 AM Sri. A. S Shiras, Joint Director of Industries and Commerce - General Manager, District Industries Centre

In the upcoming Keynote Address, Sri. A. S Shiras, Joint Director of Industries and Commerce and General Manager at the District Industries Centre, is anticipated to offer invaluable insights into entrepreneurship development, particularly within the vibrant context of Kannur. His speech is expected to delve into key aspects of industrial development, providing a nuanced and comprehensive perspective on the industrial landscape. With a keen focus on local entrepreneurship, Sri. Shiras is likely to shed light on the unique opportunities and challenges present in Kannur, emphasizing the role of initiatives like Entrepreneurship Development Clubs under the Ministry of Industry and Commerce. Notably, he is expected to highlight the potential for such clubs to thrive, fostering entrepreneurial endeavors at the grassroots level. Moreover, by mentioning the possibilities in the Kankol Alappadamba Panchayat, Sri. Shiras is likely to underscore the importance of community-specific development. Additionally, his supportive stance toward the establishment of a Campus Industrial Park at Sree Narayana Guru College of Engineering and Technology, Payyanur demonstrates a commitment to nurturing innovation and industry collaboration within the academic environment. Sri. A. S Shiras's Keynote Address is poised to provide valuable insights, guidance, and encouragement for the participants, steering them towards a future marked by entrepreneurial success and industrial growth.

Felicitation Address 10.40AM-10.45 AM

Sri. T.K Rajendran, Vice President, Sree Bhakti Samvardhini Yogam, Talap Kannur.

Sri. T .K Rajendran will deliver the Felicitation Address, recognizing the collaborative efforts between different entities in promoting entrepreneurship and commerce in the region. He also brought a wealth of insights to the event during his talk, where he passionately highlighted the myriad possibilities within the realms of innovation and entrepreneurship. His discourse likely painted a vivid picture of the landscape, showcasing how these avenues can be harnessed for transformative change. Moreover, Sri. Rajendran took a moment to commend the significant achievements of the Innovation Wing of Sree Narayana Guru College of Engineering and Technology, Payyanur., underscoring its invaluable contributions to the institution. In his Felicitation Address, he graciously acknowledged the collaborative efforts among various entities dedicated to promoting entrepreneurship and commerce within the region. This recognition not only emphasizes the collective commitment toward fostering economic growth but also highlights the positive impact of collaborative initiatives. Sri. T .K Rajendran's address is poised to inspire and motivate participants, underscoring the vital role of innovation and entrepreneurship in shaping the future of the institution and the broader community.

### Sri. Sunil Kumar, President of Kankol Alppadamba Panchayat, Kannur.

The endorsement and active support from Sri. Sunil Kumar, President of Kankol Alappadamba Panchayat, echoes a visionary perspective on entrepreneurship. In emphasizing the significance of becoming job creators rather than job seekers, Sri. Sunil Kumar has showcased a forward-thinking approach that aligns with the spirit of innovation and self-reliance. His commitment to fostering entrepreneurship within the local community is not only commendable but also a crucial component for sustainable development. By championing the cause of job creation, Sri. Sunil Kumar is likely to inspire individuals to explore their entrepreneurial potential and contribute to the economic growth of the region. His endorsement adds a valuable dimension to the ongoing discourse on entrepreneurship, emphasizing its transformative power in shaping the future of the community with the support of Sree Narayana Guru College of Engineering and Technology, Payyanur.

Vote of Thanks

10.45 AM-10.50 AM, Dr. Leena A V (Principal SNGCET)

In bringing the Inaugural Session of Innovista to a fitting conclusion, Dr. Leena A V, the esteemed Principal of SNGCET, played a pivotal role in encapsulating the essence of the event. Dr. Leena took the opportunity to spotlight on the remarkable achievements of SNGCET and the Innovation and Entrepreneurship wings, showcasing the tangible impact of dedicated efforts and visionary initiatives. As she eloquently narrated the journey of the Innovation team and articulated the institution's forward-looking vision, Dr. Leena instilled a sense of pride and purpose among the participants. In her heartfelt vote of thanks, she expressed sincere gratitude to all dignitaries, speakers, participants, and organizers who contributed to the resounding success of the event. Dr. Leena's closing remarks not only marked the official commencement of subsequent sessions but also set a tone of gratitude and appreciation, emphasizing the collaborative spirit that underpins the vibrant culture of innovation and entrepreneurship at Sree Narayana Guru College of Engineering and Technology, Payyanur.

### TECHNICAL SESSION

Sharing Entrepreneurial Experience 11.00AM-11.40AM Sri. Subhash Babu K: Managing Director Malabar Innovation Entrepreneurship Zone

During the segment dedicated to "Sharing Entrepreneurial Experience" at 11:00 AM to 11:40 AM, Innovista had the privilege of hosting Sri. Subhash Babu K, the Managing Director of Malabar Innovation Entrepreneurship Zone. In an engaging and informative session, Sri. Subhash Babu shared his entrepreneurial journey, offering a roadmap of insights for aspiring entrepreneurs. With a focus on Licensing Procedures, Schemes, and Services provided by the State Industries Department, he provided a comprehensive overview of the bureaucratic landscape, unraveling the intricacies of starting and managing a business. Through the lens of his own experiences, Sri. Subhash Babu illuminated the challenges, successes, and crucial milestones that define an entrepreneurial path, offering participants a valuable guide on how to navigate the entrepreneurial landscape and achieve their goals. His practical and inspirational discourse contributed significantly to the collective learning experience of the event.

11.45AM-01.00PM

## Smt. Smitha Industries Extension Officer, Payyannur Block

Smt. Smitha, Industries Extension Officer of Payyannur Block, became a crucial juncture for Innovista participants. Smt. Smitha, with her expertise, skillfully navigated through the intricate terrain of licensing procedures, schemes, and services provided by the State Industries Department. Her presentation delved into the regulatory intricacies, providing attendees with a comprehensive understanding of the bureaucratic landscape. By unraveling the complexities associated with establishing and managing businesses, Smt. Smitha's insights formed a foundational guide for budding entrepreneurs. This informative session not only empowered participants with the knowledge needed to navigate regulatory processes effectively but also illuminated the various avenues of support available from government initiatives. Smt. Smitha's contribution was instrumental in equipping the entrepreneurial community with the essential tools for success in their ventures.

## Health Benefits of Millets to LifeStyle Diseases (IYM2023) 01.00PM-01.30PM Sri. Jomon Thachil, Nutrition Counsellor

In a health-conscious pivot during the session, Sri. Jomon Thachil, a seasoned Nutrition Counsellor, took the stage to delve into the "Health Benefits of Millets to Lifestyle Diseases (IYM2023)." This segment transcended the traditional boundaries of entrepreneurship, shedding light on the crucial intersection of nutrition and business sustainability. Sri. Jomon not only highlighted the health benefits associated with millets but also wove in the visionary concept of the Millet Year 2023, underscoring its significance in promoting overall well-being. Beyond nutritional insights, he delved into the potential of millets to become a cornerstone of the wellness industry, offering a holistic perspective on the role of healthy living in fostering sustainable business practices. Sri. Jomon's session served as a reminder that entrepreneurship is intricately linked to the well-being of individuals and communities, showcasing the multifaceted impact that informed nutritional choices can have on both personal health and the broader business landscape.

Banking Schemes and Products available for MSME sector 02.00PM-03.00PM Sri. Premaraj C. C, Jana Jyothi Financial Literacy Counsellor, Kannur Centre Schemes and Services offered by Ministry of MSME, Govt of India

Post the rejuvenating lunch break, the spotlight shifted to financial literacy as Sri. Premaraj C. C, a distinguished Jana Jyothi Financial Literacy Counsellor from Kannur Centre, took center stage. In his enlightening session, Sri. Premaraj unraveled the intricacies of banking schemes and products tailored for the MSME sector. With a focus on enhancing financial literacy among entrepreneurs, his presentation aimed to empower participants with the knowledge essential for sound financial management. Sri. Premaraj's expertise not only shed light on the array of financial resources available but also provided practical insights on how entrepreneurs can navigate the financial landscape to optimize their business operations. This session undoubtedly played a crucial role in equipping attendees with the financial acumen necessary to make informed decisions and foster the financial health of their enterprises.

03.00PM-03.45PM
Smt.Rekha.K, Assistant Director, MSME - Development & Facilitation Office, Thrissur
One to one discussion
Q&A and Feedback collection 03.45PM -04.00PM
MSME - Development & Facilitation Office. Thrissur

The culmination of Innovista marks a significant milestone, leaving participants enriched with a wealth of knowledge and insights. The comprehensive overview of schemes and services offered by the Ministry of MSME, Government of India, presented by Smt. Rekha K, Assistant Director at the MSME Development & Facilitation Office in Thrissur, encapsulates the national-level support systems available for the MSME sector. This final segment serves as a compass, guiding entrepreneurs with a roadmap for leveraging governmental resources. The overall outcome of Innovista is the empowerment of participants with practical insights, valuable knowledge, and a heightened awareness of the multifaceted landscape of entrepreneurship. The dynamic exploration throughout the technical sessions ensures that attendees are well-equipped with the tools needed for success in the ever-evolving business world. As they leave Innovista, participants carry with them not only a deeper understanding of entrepreneurship but also a renewed enthusiasm and inspiration to contribute meaningfully to the economic and societal landscape.

# Social Entrepreneurship Dr. Raji Sukumar A, Associate Professor, Nodal officer, SNGCET Payyanur.

Dr. Raji Sukumar A, Associate Professor and Nodal Officer at SNGCET Payyanur, emerged as a guiding force during Innovista, directing participants through the transformative realm of social entrepreneurship. With a wealth of academic and practical experience, Dr. Raji Sukumar underscored the importance of businesses that extend beyond profit margins to prioritize positive societal impact. Her session illuminated the concept of social entrepreneurship, emphasizing the profound influence that purpose-driven businesses can have in addressing societal challenges. Dr. Raji Sukumar's insights encouraged participants to envision ventures that contribute not only to economic prosperity but also to the greater well-being of communities. By championing the ethos of social responsibility within entrepreneurship, Dr. Raji Sukumar instilled a sense of purpose and civic duty among attendees, inspiring them to consider the broader implications of their business endeavors.

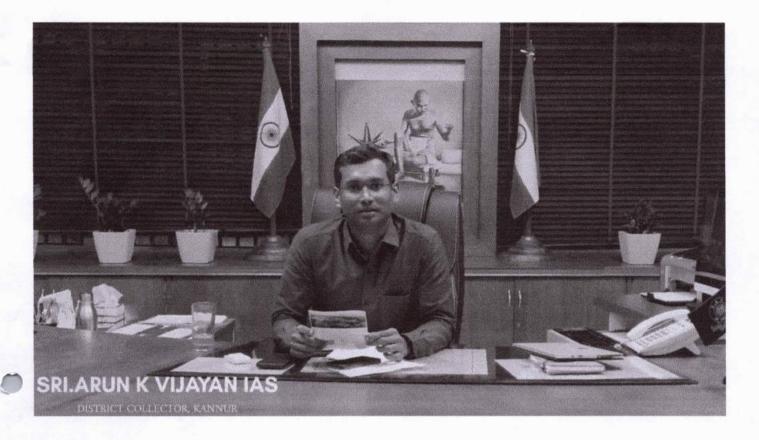

### Conclusion:

Innovista, a resounding success, has unequivocally achieved its primary objective of fostering awareness and enthusiasm for entrepreneurship. The collaborative efforts between MSME Trissur, SNGCET Payyanur, and the Industry and Commerce Ministry have exemplified the transformative power of strategic partnerships. This triumvirate alliance not only showcased the commitment to nurturing innovation and enterprise but also underscored the positive impact that such collaborations can have on the development of a vibrant entrepreneurial ecosystem. The event served as a beacon, illuminating the path for aspiring entrepreneurs and stakeholders, providing them with valuable knowledge, insights, and a network of support. As Innovista concludes, it leaves in its wake a heightened spirit of innovation, a strengthened commitment to entrepreneurship, and a community poised to make significant strides in shaping the future of business and economic growth.

### Acknowledgments:

We extend our sincere gratitude to MSME Thrissur and the Industry and Commerce Ministry for their unwavering support and collaboration, which played a pivotal role in the success of Innovista. Our heartfelt appreciation goes to the distinguished speakers who shared their expertise and insights, contributing to the enriching experience for all participants. We extend our thanks to the enthusiastic participants whose engagement and active involvement added vibrancy to the event. Special thanks to all individuals, organizations, and contributors who worked tirelessly behind the scenes, ensuring the seamless execution of Innovista. Your collective efforts have made this endeavor a triumph, and we look forward to continued collaboration and success in fostering entrepreneurship and innovation.

## OFFICE ORDER

An Innovation, Entrepreneurship and R&D Centre is constituted within our institution to coordinate various activities pertaining to Innovation, Entrepreneurship and research The Innovation Cell, the formidable wing responsible for coordinating all innovative and entrepreneurial activities at SNGCET, is at the cusp of a significant transformation.

### Four crucial initiatives:

- The Innovation and Entrepreneurship Development Centre (IEDC) under Kerala Startup Mission.
- 2. HI/BI under MSME.
- Institutions Innovation Council (IIC) under the Ministry of Human Resource Development (MHRD), Government of India.
- R&D Centre for submitting Research Projects under various national and international agencies.

These endeavors symbolize our commitment to not just follow the trends of innovation but to set them. As we stand on the threshold of what promises to be an era of unparalleled growth in innovation and entrepreneurship. Our Innovation, Entrepreneurship and R&D Centre has the unique opportunity to serve as a catalyst for change, a hub of creativity, and a beacon of inspiration for all members of our academic community.

# REPORT ON "INSPIRED BY THE STARS :CELEBRATING CHANDRAYAAN-3 CHRONICLE"

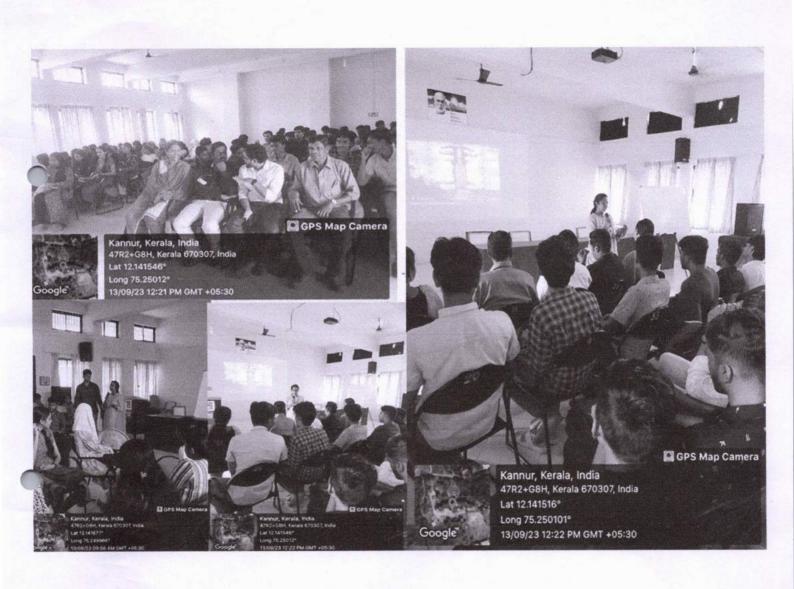

"Inspired By The Stars: Celebrating Chandrayaan-3" Chronicle was organised by the department of computer science engineering association with the IIC cell, SNGCET, on 13th and 14th September 2023 in Inauguration and Valedictory function - meeting hall From 09:00am – 01:00pm This was conducted by **Dr. Raji Sukumar A, Associate professor CS department and Ms.Bindhya.M.C.,HOD H** & S. . The session was presided over by the Principal, Dr. Leena A V, Sri Rajendran T. K, Vice-President, Sree Bhakthi Samvardhini Yogam, Talap Dean UG and PG studies, Dr. Susan Abraham, Nodal officer of IEDC, Dr. Raji Sukumar A, Ms Vijina Vijayan Mr.Sunder.V,Hod C.S

The session was very informative and valuable which helped the students to get a clear idea About launching of Chandrayaan –III.. The intersection of computer programming and space exploration has given rise to a new era of precision and innovation. This report delves into the critical role of computer programming in moon missions, with a focus on Chandrayaan-3. Proficiency in coding has become the digital backbone of lunar exploration, impacting navigation, communication, data analysis, and decision-making. This report explores the significance of coding in lunar missions, highlighting technological advancements, challenges, and future prospects. The resource person created a friendly environment and made the session engaging, interesting and participative through interactions and a lot of educative videos like advertisements case studies etc.

## I. TO BE FILLED BY THE EVENT COORDINATOR(S)

1	Event type conducted	IIC
2	Event name	"Inspired by the stars: celebrating chandrayaan chronicles"
3	Date and time of the event conducted	13-09-2023,14-09-2023 09:00am – 01:00pm
4	Venue	Inauguration and Valedictory function - meeting hall
5	Whether the event was interdepartmental? If yes, mention the department(s) associated with	Yes. Computer Science in association with
6	Mode of conduct [online \ offline]	Offline
7	Is there any deviation from the proposal in the date, time and venue of the event? If yes, mention the reason for change	No
8	Whether any professional body was associated with the event?  If yes, name the body	No
9	Any funds received from the professional body? Indicate the amount	No
10	Participants / Target Audience	S1 students
11	Whether the event is conducted for bridging the gap in syllabus?  If Yes, name the course with code and the semester and year it the subject is handled	Yes
12	Objectives of the event	Educational Insight: Provide B. Tech students with a unique educational opportunity to gain in-depth knowledge about the Chandraayan-3 mission, its scientific significance, and its contribution to space exploration.  PAGE 4. OF 2.

	Expected Outcomes	knowledge exchange between students and the eminent scientist who worked on the Chandrayaan-3 mission, offering them insights into real-world space research and career prospects in the field.  Skill Enhancement: Enhance students' skills and creativity by encouraging participation in a variety of events like speeches, quizzes, drawing, poster making, collage creation, article writing, PPT presentations, video content creation, and photography, aligning with their curriculum.  Holistic Learning: Encourage interdisciplinary learning by allowing students to engage in different types of activities that cater to their diverse interests and talents, aligning with the holistic nature of the B. Tech curriculum.  Problem-Solving Abilities: Promote critical thinking and problem-solving abilities among students by challenging them with questions related to the Chandrayaan-3 mission in quizzes, articles, and presentations.  Communication Skills: Improve students' communication skills by encouraging them to express their ideas and knowledge through speeches, articles, and presentations, preparing them for future career opportunities where effective communication is essential.  Creative Expression: Foster creativity and artistic expression through drawing, collage, and poster-making events, enabling students to communicate complex ideas visually.  Technical Proficiency: Enhance technical proficiency by encouraging students to create PPT presentations, videos, and photography related to the Chandrayaan 3 mission, aligning with their B. Tech curriculum.  Teamwork and Collaboration: Promote teamwork and collaboration through group activities like collages, group presentations, and video content creation, helping students develop essential interpersonal skills.  Magic system durelepment, Information about the chandrayan, western at the chandrayan, western at the chandrayan.

## REPORT ON "Moonbound Magic: Chandrayaan-3 Spectacle"

"Moonbound Magic: Chandrayaan-3 Spectacle" was organised by the department of computer science and engineering in association with the IIC cell, SNGCET, on 21th September 2023 in Inauguration and Valedictory function - meeting hall From 09:30am - 03:00pm This was conducted by the Guest of Honour and resource person, Dr. V K Janardhanan Former deputy project director GSLV project, VSSC, Trivandrum Former principal SNGCET. The session was presided over by the Principal, Dr. Leena A V, Sri Rajendran T. K, Vice- President, Sree Bhakthi Samvardhini Yogam, Talap Dean UG and PG studies, Dr. Susan Abraham, Nodal officer of IEDC, Dr. Raji Sukumar A, Mr.Shyaman V.P Asst.Professor H&S.

The session was very informative and valuable which helped the students to get a clear idea About launching of Chandrayaan –III.. The intersection of computer programming and space exploration has given rise to a new era of precision and innovation. This report delves into the critical role of computer programming in moon missions, with a focus on Chandrayaan-3. Proficiency in coding has become the digital backbone of lunar exploration, impacting navigation, communication, data analysis, and decision-making. This report explores the significance of coding in lunar missions, highlighting technological advancements, challenges, and future prospects. The resource person created a friendly environment and made the session engaging, interesting and participative through interactions and a lot of educative videos like advertisements case studies etc.

The event was co-ordinated by Mr. Shyaman V.P Asst. Professor H&S. The session was attended by the S1 students of all the braches. The Guest of honour was presented with a memento by the Principal as a token of appreciation. The seminar concluded at 3.30 pm.
