## **Report On Placement Aptitude Training Workshop for S7 Students**

The "*Placement Aptitude Training Workshop*" was conducted by the Training and Placement Cell of SNGCET from 2nd August 2023 to 7th August 2023. The workshop emphasized the ability to perform well on their interview and react to situations at work. The engineering students were apprised through activities about ways to effectively carry out an interview and be a quick problem solver. Aptitude training was conducted to enhance the ability of quick learning methods, along with improving the analytical skills required for the spontaneity in a particular situation.

The resource persons from the team *Progressum* had conducted the workshop on, reasoning ability, quantitative aptitude, verbal analogies, and resume building, to help students understand the concept of aptitude. The training allowed the students to think beyond boundaries and limitations, keeping in view the aspect of time management which would be very beneficial for them in their professional & personal growth. The students were encouraged to attend and contribute in aptitude classes for acquiring essential quick learning and analytical skills and consequently effectiveness and success on their job, in the future.

  
Dr. LEENA A V  
PRINCIPAL  
SREE NARAYANA GURU COLLEGE OF  
ENGINEERING & TECHNOLOGY  
PAYYANUR, KANNUR

The training aimed at developing following skills in the students:

1. Reasoning and Quantitative
  - Statements assumption, conclusions, Assertion Test, Series & Coding Decoding, Sitting Arrangements.
  - Permutation Combination, Inequalities, Geometry, Probability & Arithmetic, Ratio & Proportion, Time and Work, Time, Speed and Distance, Data Interpretation
2. English Grammar and Resume Building.

The Training and Placement Cell was able to organize the workshop successfully. The students got an opportunity to gain much knowledge in those covered topics, and the workshop had highlighted the importance of aptitude successfully among the students.
