The meeting started at 10 a.m. A review of few agenda points of the previous meetings were discussed like Milestones. The milestone will be modified according to the latest academic calendar of KTU. The following are the decisions taken: -

1. Admission of new BTech Students: Principal informed that the schedule of admission of CEE allotment of students has come. The schedule starts from 17th onwards and it was decided to coordinate the admission of students, by faculty and office staff. Each department faculty also will be verifying the students documents

(Action: HODs/AO)

2. Induction programme:- As per the circular from AICTE and KTU an induction programme for new students has to be organized like earlier years. This year the programme is to be conducted online. Principal suggested the council members to plan the Induction programme from 27th October. Dr Leena AV Dean UG studies will coordinate the programme in consultation with AO/HODs. Principal also informed that the draft programme to be submitted to Management by 22nd October.

The meeting started at 12 pm. The Principal greeted the participants and stated that:-

1. Conducting of 2nd series test was discussed. Principal sought the views of class status from HODs. All HODs informed that most of the courses 4 modules will be completed before the 2nd series. Few courses in the 3 plus modules. Principal told council members that question paper should be uploaded by 23rd November and the questions to be asked only from the completed portions. Principal requested Dr Leena AV to prepare the time table for 2nd series test. (Action: Dr Leena AV/HODs/Faculty)
2. All HODs briefed the class status. Few courses are lagging since these courses are started late. The semester examinations as per the time table published by the University will start after Christmas vacation and as per the academic calendar the classes ends by the 10th December. Principal asked all HODs to review the class status and verify in Moodle and ensure the modules are completed in time. (Action: HODs)

3. All supplementary comprehensive examinations to be completed before 24th November and report to be sent to University. This may be informed to concerned tutors/faculty and actions to be taken to schedule the comprehensive examination and invite the external examiner.
4. Principal informed the number of admission this year also not meeting the requirement of 50% for NBA prequalification. Dr Leena AV informed state government higher education department is also coming out with state level accreditation and the process and files submission will be almost same. Hence whatever work we have done for NBA will be suitable for state accreditation process also.
5. Henceforth monthly reports only will be submitted by HODs and the class status will be updated in CMS by the faculty and it can be verified online. The class status updating shall be verified by the concerned HOD and any lagging must be informed to the faculty and to make up the classes.
6. Dr Leena AV Dean UG studies informed about the uploading of class videos and other course programmes in Moodle for first year students in branch wise. She told since the classes are taken in two batches the branch wise uploading of videos will be a duplication of work and uploading provision in Moodle may be changed to batch/class wise instead of branch wise. Prof Sujith HOD/CSE informed that this will be verified and if feasible will be implemented.

(Action: Prof Sujith, HOD/CSE)

7. The Principal informed that the valuation duty is coming for all the faculty members. Camp officer informed me that the paper can be collected and the valuation can be done from home. The collection and returning of answer scripts should be done utmost caution and and it should not be misplaced.

The meeting started at 11am. The main points discussed are as follows.

1. College re-opening:- As the College would be re opening on December 28th for S7 students the **(a)** time table should be renewed for contact classes, online classes & Lab classes.

The time table should focus specifically on failed subjects in the previous years for the purpose of contact classes **(b)** Solved questions & answers are to be given for each lessons for enriching subject knowledge. **(c)** Quizzes should be followed atleast module-wise for enabling the students for competitive exams. It may be noted that Questions/Answers/Quiz methods are also a reviewing process of the students' confidence to appear for University / public exams **(d)** Revision classes should also be included in the time table.

The time table shall be submitted by the HODs before Monday.

2. Student interaction:- The Principal stated that the Management has directed for an interaction with the student leaders. The activities of certain students has ended in poor admission for the current year. The internal discipline has been negatively affected and various damages are done to the college property. Maintenance work was obstructed, walls are scribbled with paintings, posters are hung in the campus and other students are discouraged from studying. Prof. Raveendran HOD stated that the student leaders should be held responsible for loss sustained. Many students have even left the institution, to join neighboring colleges due to the lack of discipline. The students union should be directed towards developmental and academic activities alone. As this institution is giving sustenance to many the college should move on as a seat of learning for the future. Prof. Somasekharan stated that visible politics should be avoided within the campus. Dr. Leena, Dean UG studies also agreed that students should concentrate more on studies rather than untoward activities. Dr. Susan Abraham (HOD), Prof. Sujith Devadasan (HOD), Prof. Ram Prasidh (HOD) & Prof Lipin (Staff Advisor) agreed that peaceful & congenial atmosphere is the need of the hour for the students while in the campus. Hence a meeting with the student leaders is proposed at 2 O' clock today.
3. Student groups:- The UG Dean suggested that meritorious students are to be grouped for delivering and sharing knowledge to weaker students to improve upon the latter's capability to appear for exams. Hence it is decided that all departments are to form students groups for this purpose.

4. Discontinuing the course:- the Management has expressed great concern over a large number of students dropping out in the middle of the course. The data shows that

2015-2019 : 57 nos. dropped out of 185 students / per year.

2016-2020 : 21 nos. „ „ 141 „ / per year.

The UG Dean stated that specific training of students are needed at certain levels for this to improve. The Principal stated that student-teacher relationship should be enhanced and a few subjects should be selected by each department and given additional / extra / coaching for results to improve. Each HOD will decide on the methodology and report on action within a week through the UG Dean (All HODs & UG Dean)

5. Revision classes:- Dr. Leena said that if revision classes could be conducted from January 9th to February end by uploading atleast 40 questions based on lessons in the module, results will definitely improve. (Action :- All Faculty)
6. CGPA:- The System Administrator said that our students should be kept informed on the levels of obtaining of required CGPA and its accumulation during the course period. The Principal stated that it is with regret that one need to realize that during the course period with 110 nos. of students, 80 nos. discarded studies and only 33 had rejoined. This should be avoided at all costs and each Faculty should put in efforts to improve results and motivate students instead of spoiling their future. (Action:- SA will conduct awareness class on CGPA, batch wise)
7. Placement:- Mr. Sumith reported that he has sent proposals to five companies for placements. The students are directed to register in WIPRO, and follow up will be submitted fortnightly on all activities.

Shri Sumith, HR&PO

Principal requested all HODs to briefly present the status of online classes and the class tests and briefed the main agenda points to be discussed like college reopening, next academic year admission, placement activities done, students fee collection and NBA accreditation process.

Class status:

Prof K Raveendran informed for ECE S8 students only 20% portion is pending in 6th module and expected to complete the portions by next week. For S2 S4 and S6 all are in the beginning of the final module and expected to complete by the month end. Class tests are planned for S8 next week and for S2, S4 and S6 tests also will be completed before 30th June. Prof Raveendran also briefed about the status of electrical department. In EEE most of the portions for S2, S4 and S6 semesters will be completing by third week of June and for S8 before 15th June classes as well as tests will be completed.

Prof Chandrajith presented the status of classes and online tests for the mechanical engineering department. It was informed that for S8 the course portions as well as the class tests will be completed before 15th June and S2, S4 and S6 the course portions as well as the online class tests are expected to complete by 30th June. The details of online class status are given in the weekly feedback.

Dr Susan Abraham briefly discussed the class and tests status of civil engineering department. For S8 the classes and all tests will be completed before 15th June and all other semesters the classes and tests will be completed by 30th June. MTech S2 classes are also expected to complete before 30th June. Dr Susan Abraham requested for the opening of civil engineering labs for enabling students to do projects.

Dr. LEENA A V

Prof Amitha IC briefed the status of online class requirements to complete the syllabus. For S2 to complete the syllabus 10 more online classes are required. In the case of S4, 8 online classes and for S6, 6 more online classes are required. The S8 classes and tests will be completed before 15th June. All other classes and tests are expected to complete before 30th June.

College reopening:

This matter of reopening the college for faculty was discussed. All HODs and council members are of the view that the online classes are smoothly being conducted by the faculty from houses. All council members expressed their anxiety in travelling during this restricted period. Principal informed one bus will be starting from Kannur in regular time and as per the directive of the University the timing will be 8.30 to 1.00 p.m. University in their guidelines also insisted faculty from other districts, faculty from containment zones and hot spots may be allowed to work from house and need not be called to the college. Principal requested the faculty coming to the college to strictly follow the safety precautions. Council members also requested management to provide the protection devices in the bus.

Fee collection:

Faculty members contacted all students who has not paid the fee for the last year and asked to pay the fee before 15th June. Few students have paid the fee and most of the S8 students will pay the fee during this month. Other semesters AAO Mr Vyjith contacted the parents from office and the list is being given to tutors for follow up.

NBA Certification:

Dr Leena AV Dean UG studies informed that for NBA application for prequalification for 3 departments, CSE, CE, ME are ready and the documents will be submitted to Principal to forward to management. Other two departments ECE and EEE since the admissions are very low applying for prequalification is to be further reviewed.

Admission activities:

As discussed in the earlier council meeting all departments has taken keen interest in preparing the brochures and posters to be posted in social media for publicity. Prof Sujith sys admin has guided all other departments in generating the posters. By Monday all brochures will be ready and subsequently the posters also will be made. Principal suggested publicising the posters in social media at the earliest.

Placement activities:

Mr Sumith, placement officer informed that during this lockdown period two recruitment campaigns were initiated and informed the students. One is for TCS and other Webinar for entrepreneurship. He was asked to support Prof Sujith in uploading the entrance exam question papers in our Moodle platform.

The Principal welcomed the participants to the meeting at 12 noon and appreciated the members of the faculty in uploading the internal marks and project evaluation in anticipation of S8 exams. The Principal sought the details of students appearing for the exam with respect to their residence, conveyance, the details quarantined family members if any, containment / hot zone status etc. The seats for the examination in the hall are to be arranged based on this data. The similar data of 9 supplementary students are to be collected. The Principal stressed the importance of obtaining 100% result for all departments as this would reflect on the Admission for the next Academic Year. The Principal also emphasised that revision classes should be initiated as soon as possible utilizing the Moodle and through quiz programmes on subjects as it is the only method of assessing the students and to know how much students really studied.

Prof K Raveendran informed the online classes and online test for S2, S4 and S6 students of ECE and EEE are planned and the time table is prepared. It is expected to complete all academic activities of this semester before 30th June. Prof Chandrajith also informed that the online classes and the tests of ME department will be completed before 30th June. Prof. Chandrajith said that on S2 and S4 the third Test will be scheduled before 30th of June 2020.

Dr. Susan Abraham informed that they have conducted S8 students meeting through zoom and informed them about the examination time schedule. The total duration of the examination is 2 hours 15 minutes. Dr Leena AV Dean UG studies informed that this information has been passed on to all S8 students through tutors. Prof Amitha informed that revision classes for S8 students are planned through zoom. Prof. Amitha said that 3rd tests are already over, while with 4th and 5th on certain subjects it is going on.

MTech Project evaluation the names of the examiners are to be mapped. To make internal assessment we have to map the faculty and for this the KTU portal has to be revoked. Prof. Mary Sonia George said that this has informed to the Kannur MTech cluster convenor and a reply in this regard is expected.

On S2, Dr. Somasekharan reported that 2nd tests are completed. Other tests are planned in next and expected to complete before 30th June. Dr. Susan said that the 3rd Test is finished and the 4th is planned on which a video will be posted.

Action 1: All the participants agreed that to prepare the S8 students for the July 1st starting exams, mentorship activities are to be conducted at this stage which will be done in each department. The HODs will supervise the activity of mentorship and assign the duty.

Action 2: The students who are coming from containment/hot zones are to avail separate self-arranged conveyance. HODs are to intimate the matter to the students.

Action 3: The 'War Room' is under preparation (ref. Notification dated 13-06-2020 of CE) and a meeting with Punchayat, health, safety and other department is planned on 24.6-2020. Prof Sujith examination coordinator is making arrangements for students seating based on the data and to ensure all safety measures for the conduct of the exams.

Action 4: As the drive to collect fee arrears are on the move, the HODs reported that students are remitting fees. They sought the list of names of who paid fees to continue the action on this line. Mr. Vyjith, office staff to provide the list of remitters.

Dr. Manjula Bhanu Vikraman, Administrative Officer spoke about:

- a) The need to communicate the facts discussed and the decisions taken in the Academic Council Meeting to other faculty members by HODs so as to execute such decisions to enable the smooth functioning of the College.
- b) The AO said that proper Revision Tests need to be conducted on S2, S4 and S6 students as the S8 exam preparations are on the finishing line. Prof. Sujith elaborated up on the methodology in the Moodle through which students can be prepared for the online examination by making them solving the university question papers. Prof Sujith also informed the importance of conducting quiz for all courses to know the students depth of knowledge acquired through the on line classes.

Action 5: HODs. All the HODs agreed that the students are to be made ready on both online and offline mode of examination to face the impending University Exams and they find it easier now in handling the Moodle as it is subject dependent.

- c) The AO requested the HODs to select 5 students for the Placement Cell along with the tutorship of a faculty for enabling special skill assistance and communication skill before getting them appear for interviews at different levels.

Action 6: HODs, Prof. Sujith & Mr. Sumith (PO).

- d) AO is of the view that as NBA accreditation is the dire necessity of the hour, the Placement activity is of predominance. Along with this the related factors need to be addressed by the coordinators assigned for the purpose.

Action 7: Dr. Leena and Prof. Sujith as discussed in the NBA meeting.

- e) AO suggested that an 'Alumni Profile' could be initiated by each department as a contributing factor of satisfying a criterion for accreditation.

Action 8s: HODs, Dr. Leena and Team of NBA.

- f) The AO requested all participants to take utmost safety measures against Corona Virus, while on duty.

The Principal reminded about the circular directing for alternate days of attendance though exemption is granted for genuine cases including medical conditions based on the government order. HODs are requested to inform faculty to attend the college or produce acceptable documents as stated in the GO for exemption.

Principal informed all council members to attend the 24th meeting called in the college for establishing a War Room inside the campus for conducting the S8 examination. The Principal also emphasised on health safety guidelines in daily transactions. The meeting ended at 1.15 pm.

Prof Aswin P, AP/ME
Mr Sumit HR & PO

The meeting was called to finalize and review the preparedness for the S8 semester examination. Principal sought the cooperation of all faculties for conducting the examination during this difficult situation. In addition to 115 our students about 80 students are coming from other colleges for writing the examination. Principal also informed that all arrangements as per Covid-19 protocol have been finalized and the state government officials have been informed. We also sought the help of police for conducting the examination.

The examination is being conducted forenoon and afternoon sessions. CS, CE and EE students are attending the examination in the forenoon and ME and EC students are attending in the afternoon sessions.

Considering the faculty shortage from 1st July Principal suggested co operating all faculty members to conduct the examination smoothly. It was also decided to ask office staff to cooperate with the examination work since we have to deal with more than 200 students with safety protocols.

Prof Sujith and Prof Aswin informed that all students will be allowed only through the department block entrance for health check/screening. Students need not come to the Admn block and accordingly the fencing to be made and direction marked from the gate.

Action: Prof D Sujith and Prof Aswin

The seating layout of all students to be made and published in SNGCET Website and to be displayed at different locations inside campus so that crowding of students can be avoided. The students should be guided while they are entering the campus and ask them to stand in the line as marked keeping the social distance. Health officials will be screening the students at 3 places inside the department block in order to avoid the delay.

Action: HODs and P Aswin.

Council members were seeking the information about the transport arrangement for the students. Yesterday many students and parents called HODs and faculty about the transport

arrangement for the examination. Members are of the view that keeping the students inside the campus after the forenoon examination may create indiscipline among students since quiet long they were not meeting together. The university guidelines also against keeping them inside the campus after the exam will tempt them to celebrate and that should not be allowed.

Principal informed that today morning also Secretary was enquiring about the number of students from our college attending the examination. Principal suggested we will discuss the matter in the presence of AO and to put up the matter with management through AO.

Action: AO

Dr Leena AV briefed about the NBA core committee meeting held on 26th June. It was informed that the verification of all the course files have been completed in all departments. The course file documents are to be kept in box files so that the documents pertaining to a particular course for three academic years shall be kept in a single box file. It was suggested that each department details are to be updated in the college website and all details are to be given in the site. Actions are identified to committee members to complete the activities in a time bound manner.

Action: Dr AV Leena

Principal in his conclusion reminded the council members our main interest is to conduct the examination smoothly for that all faculty members to cooperate with Prof Sujith exam coordinator.
