WORKSHOP ON TOTAL STATION

A ~~two~~ ⁵ day workshop conducted on december 16th and december 20th 2022 as part of curriculum of S3 Survey Lab (CEL 203).The workshop was handled by staffs from ALG International.

Workshop included detailed classes and lab session of total station instrument including area calculation, angular measurements, surveying, downloading etc.

14 students from S3 Civil Engineering were present. As part of the practical sessions, students were directed to survey area nearby the college by using total station. Outdoor and indoor areas of college were successfully surveyed by students by using total station which include garden area, road to canteen, nature club area , verandah etc

All the students were given by certificates of participation by ALG International. The certificates were distributed by Dr. Leena A V , Principal, SNGCET during the closing ceremony
