EVENT PROPOSAL FORM

Submitted by: IEDC

I. TO BE FILLED BY THE EVENT COORDINATOR(S)

1	**Event type**	WORKSHOP
2	**Event name**	Innovista
3	**Whether the event is inter departmental? If yes, mention the other department(s) associated with**	No
4	**Mode of conduct [online / offline]**	Offline
5	**Date and time**	08/12/2023 9:00 am to 4:00 pm
6	**Venue**	Seminar hall
7	**Whether any professional body is associated with the event? If yes, name the body**	No
8	**Participants / Target Audience**	Inside/outside participants
9	**Whether the event is conducted for bridging the gap in syllabus? If Yes, name the course with code and the semester and year it the subject is handled**	No
10	**Objectives of the event**	• To promote entrepreneurship among students and outside MSME from nearby panchayat • To understand the area MSME schemes & licensing procedures • Banking schemes and product available for MEME sector • Health benefits of millets(IYM2023)
11	**Expected Outcomes**	**CO1** Enhanced Entrepreneurial Mindset with innovation **CO2** Increased Ability to Generate and Evaluate Business Ideas
12	**Connected PO / PSO**	**1. DESIGN MODEL** **2. SOLUTION DEVELOPMENT**
13	**Justification for PO / PSO [may use separate sheet if necessary]**	**DESIGN MODEL:** Enhancing the attainment of design model skills among participants in "The Bridge Course on Entrepreneurship and Innovation" is essential for fostering innovation and product development proficiency in design

Report on Innovista: Entrepreneurship Awareness Seminar and Workshop Program

Date: 08-12-2023

Introduction:

On December 8, 2023, a transformative one day seminar workshop, Micro Small and Medium Enterprises (MSME) Thrissur joined forces with Sree Narayana Guru College of Engineering and Technology (SNGCET) Payyanur to orchestrate Innovista. This one-day Entrepreneurship Awareness Seminar and Workshop Program were crafted with a singular purpose—to inspire, educate, and empower individuals to embrace the realms of entrepreneurship and innovation among students and the public. The participants are students and new entrepreneurs from nearby Local Self Governing Bodies (Eramam Kuttur, Karivellur Peralam, Kunhimangalam, Kankol Alappadamba, Cheruthazham Panchayat and Payyanur Municipality). Innovista emerged as a beacon of opportunity, offering participants a unique platform to delve into the dynamic world of entrepreneurship. The program unfolded against the backdrop of collaborative efforts between industry stalwarts, academia, and aspiring entrepreneurs, creating an environment ripe for exploration and discovery. Innovista embarked on a journey marked by insightful keynote addresses, interactive workshops, and engaging panel discussions. The event aimed not only to disseminate knowledge but also to instill a spirit of entrepreneurship, encouraging individuals to turn innovative ideas into impactful ventures. The collaboration between MSME Thrissur and SNGCET Payyanur underscored the significance of bridging the gap between academia and industry in nurturing entrepreneurial endeavors. Together, they sought to pave the way for a new generation of visionaries, equipped with the knowledge, skills, and inspiration needed to navigate the ever-evolving landscape of business and innovation. Innovista wasn't just a seminar; it was a convergence of minds, an inspiration for change, and a celebration of the entrepreneurial spirit. This introduction sets the stage for the unfolding narrative of how Innovista became a cornerstone in the journey towards entrepreneurial excellence, leaving an indelible mark on the participants and the landscape of innovation.

Program Highlights: VENUE: Payyanur DATE: 08/12/2023

Welcome & Introduction about the programme 10.00AM 10.05AM
Smt. Rekha.K Assistant Director, MSME-Development & Facilitation Office, Thrissur

In this opening segment, Smt. Rekha K, Assistant Director at the MSME-Development & Facilitation Office in Thrissur, will warmly welcome the participants and provide an overview of the program. In the inaugural segment of Innovista, Smt. Rekha K, extends a warm welcome to the participants and plays a pivotal role in setting the stage for this transformative event. She provides a comprehensive overview of

KANNUR

the program, shedding light on the collaborative efforts of MSME Thrissur and Sree Narayana Guru College of Engineering and Technology, Payyanur, in bringing Innovista to fruition. Smt. Rekha K will articulate the crucial role of MSMEs in the economic landscape, emphasizing their significance as drivers of growth, employment, and innovation. Her introduction is poised to offer valuable insights into the services and responsibilities of MSMEs, highlighting their diverse contributions to the development of the entrepreneurial ecosystem. By illuminating the importance of MSMEs, Smt. Rekha K's address will lay a solid foundation for the insightful sessions that will follow, creating an atmosphere of engagement and learning for all participants.

Presidential Address 10.05AM-10.20 AM
Sri. K P Balakrishnan, President, Sree Bhakthi Samvardhini Yogam, Talap Kannur.

Sri. K P Balakrishnan, President of Sree Bhakthi Samvardhini Yogam, Talap Kannur, is poised to deliver the much-anticipated Presidential Address during the Innovista program. Renowned for his dedication to community development, his words are expected to resonate with wisdom and insight, offering a guiding vision for the event. As the leader of an institution named after Sri Narayana Guru, Sri. Balakrishnan embodies a legacy of service and social contribution spanning two decades. The institution, under his stewardship, has played an instrumental role in uplifting the community through various initiatives. With a deep understanding of the transformative power of entrepreneurship, it is anticipated that his address will underscore the pivotal role of fostering innovation in driving not only economic growth but also in contributing to the holistic development of the community. Sri. K P Balakrishnan's leadership and the institution's remarkable contributions stand as a testament to the enduring legacy of Sri Narayana Guru's teachings in the service of society.

Inaugural Address 10.20 AM-10.30 AM
Mr. Sri. K Ramesh Kumar, President of The North Malabar Chamber of Commerce, Kannur,

In his impactful inaugural address, Mr. Sri. K Ramesh Kumar, President of The North Malabar Chamber of Commerce, Kannur, seamlessly blended inspiration with practical insights, setting a tone of enthusiasm for the Entrepreneurship Awareness Seminar and Workshop Program. Mr. Kumar eloquently emphasized the vast opportunities inherent in the business landscape, portraying entrepreneurship not merely as a pursuit of profit but as a journey enriched with possibilities and growth. He articulated the pivotal role that the Chamber of Commerce plays in championing the interests of businesses, underscoring its significance as a conduit for fostering collaboration, providing resources, and advocating for policies conducive to economic growth. Mr. Ramesh Kumar's address not only served as a beacon of motivation but also illuminated the crucial role the Chamber of Commerce plays in shaping the entrepreneurial ecosystem, fostering a sense of unity and purpose among the participants and wish all support to Sree Narayana Guru College of Engineering and Technology, Payyanur.

Message

Sri.Arun Vijay, District Collector, Kannur, Keynote Address

Sri. Arun Vijay, the esteemed District Collector of Kannur, extended his support to the Innovista program through a heartfelt video message. In his message, he conveyed his best wishes for the success of the event, acknowledging the critical role that initiatives like Innovista play in fostering entrepreneurship and

Dr. LEENA A. V.
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY, PAYYANUR
KANNUR

innovation within the community. Sri. Vijay specifically commended the IEDC SNGCET team for their exemplary efforts, recognizing them as leading contributors to the entrepreneurial landscape and job creation in the region. Despite his absence, Sri. Arun Vijay's encouraging words added a significant motivational touch to the inaugural proceedings, reinforcing the collective commitment to nurturing a thriving entrepreneurial ecosystem under Sree Narayana Guru College of Engineering and Technology, Payyanur. His insights are expected to shed light on the local context and the role of entrepreneurship in contributing to the overall development of the district.

Keynote Address 10.30AM-10.40 AM
Sri. A. S Shiras, Joint Director of Industries and Commerce - General Manager, District Industries Centre

In the upcoming Keynote Address, Sri. A. S Shiras, Joint Director of Industries and Commerce and General Manager at the District Industries Centre, is anticipated to offer invaluable insights into entrepreneurship development, particularly within the vibrant context of Kannur. His speech is expected to delve into key aspects of industrial development, providing a nuanced and comprehensive perspective on the industrial landscape. With a keen focus on local entrepreneurship, Sri. Shiras is likely to shed light on the unique opportunities and challenges present in Kannur, emphasizing the role of initiatives like Entrepreneurship Development Clubs under the Ministry of Industry and Commerce. Notably, he is expected to highlight the potential for such clubs to thrive, fostering entrepreneurial endeavors at the grassroots level. Moreover, by mentioning the possibilities in the Kankol Alappadamba Panchayat, Sri. Shiras is likely to underscore the importance of community-specific development. Additionally, his supportive stance toward the establishment of a Campus Industrial Park at Sree Narayana Guru College of Engineering and Technology, Payyanur demonstrates a commitment to nurturing innovation and industry collaboration within the academic environment. Sri. A. S Shiras's Keynote Address is poised to provide valuable insights, guidance, and encouragement for the participants, steering them towards a future marked by entrepreneurial success and industrial growth.

Felicitation Address
10.40AM-10.45 AM
Sri. T .K Rajendran, Vice President, Sree Bhakti Samvardhini Yogam, Talap Kannur.

Sri. T .K Rajendran will deliver the Felicitation Address, recognizing the collaborative efforts between different entities in promoting entrepreneurship and commerce in the region. He also brought a wealth of insights to the event during his talk, where he passionately highlighted the myriad possibilities within the realms of innovation and entrepreneurship. His discourse likely painted a vivid picture of the landscape, showcasing how these avenues can be harnessed for transformative change. Moreover, Sri. Rajendran took a moment to commend the significant achievements of the Innovation Wing of Sree Narayana Guru College of Engineering and Technology, Payyanur., underscoring its invaluable contributions to the institution. In his Felicitation Address, he graciously acknowledged the collaborative efforts among various entities dedicated to promoting entrepreneurship and commerce within the region. This recognition not only emphasizes the collective commitment toward fostering economic growth but also highlights the positive impact of collaborative initiatives. Sri. T .K Rajendran's address is poised to inspire and motivate participants, underscoring the vital role of innovation and entrepreneurship in shaping the future of the institution and the broader community.

Dr. LEENA A. V.
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF

KANNUR

Sri. Sunil Kumar, President of Kankol Alppadamba Panchayat, Kannur.

The endorsement and active support from Sri. Sunil Kumar, President of Kankol Alappadamba Panchayat, echoes a visionary perspective on entrepreneurship. In emphasizing the significance of becoming job creators rather than job seekers, Sri. Sunil Kumar has showcased a forward-thinking approach that aligns with the spirit of innovation and self-reliance. His commitment to fostering entrepreneurship within the local community is not only commendable but also a crucial component for sustainable development. By championing the cause of job creation, Sri. Sunil Kumar is likely to inspire individuals to explore their entrepreneurial potential and contribute to the economic growth of the region. His endorsement adds a valuable dimension to the ongoing discourse on entrepreneurship, emphasizing its transformative power in shaping the future of the community with the support of Sree Narayana Guru College of Engineering and Technology, Payyanur..

Vote of Thanks

10.45 AM-10.50 AM, Dr. Leena A V (Principal SNGCET)

In bringing the Inaugural Session of Innovista to a fitting conclusion, Dr. Leena A V, the esteemed Principal of SNGCET, played a pivotal role in encapsulating the essence of the event. Dr. Leena took the opportunity to spotlight on the remarkable achievements of SNGCET and the Innovation and Entrepreneurship wings, showcasing the tangible impact of dedicated efforts and visionary initiatives. As she eloquently narrated the journey of the Innovation team and articulated the institution's forward-looking vision, Dr. Leena instilled a sense of pride and purpose among the participants. In her heartfelt vote of thanks, she expressed sincere gratitude to all dignitaries, speakers, participants, and organizers who contributed to the resounding success of the event. Dr. Leena's closing remarks not only marked the official commencement of subsequent sessions but also set a tone of gratitude and appreciation, emphasizing the collaborative spirit that underpins the vibrant culture of innovation and entrepreneurship at Sree Narayana Guru College of Engineering and Technology, Payyanur.

TECHNICAL SESSION

Sharing Entrepreneurial Experience 11.00AM-11.40AM

Sri. Subhash Babu K: Managing Director

Malabar Innovation Entrepreneurship Zone

During the segment dedicated to "Sharing Entrepreneurial Experience" at 11:00 AM to 11:40 AM, Innovista had the privilege of hosting Sri. Subhash Babu K, the Managing Director of Malabar Innovation Entrepreneurship Zone. In an engaging and informative session, Sri. Subhash Babu shared his entrepreneurial journey, offering a roadmap of insights for aspiring entrepreneurs. With a focus on Licensing Procedures, Schemes, and Services provided by the State Industries Department, he provided a comprehensive overview of the bureaucratic landscape, unraveling the intricacies of starting and managing a business. Through the lens of his own experiences, Sri. Subhash Babu illuminated the challenges, successes, and crucial milestones that define an entrepreneurial path, offering participants a valuable guide on how to navigate the entrepreneurial landscape and achieve their goals. His practical and inspirational discourse contributed significantly to the collective learning experience of the event.

KANNUR

Smt. Smitha
Industries Extension Officer,Payyannur Block

Smt. Smitha, Industries Extension Officer of Payyannur Block, became a crucial juncture for Innovista participants. Smt. Smitha, with her expertise, skillfully navigated through the intricate terrain of licensing procedures, schemes, and services provided by the State Industries Department. Her presentation delved into the regulatory intricacies, providing attendees with a comprehensive understanding of the bureaucratic landscape. By unraveling the complexities associated with establishing and managing businesses, Smt. Smitha's insights formed a foundational guide for budding entrepreneurs. This informative session not only empowered participants with the knowledge needed to navigate regulatory processes effectively but also illuminated the various avenues of support available from government initiatives. Smt. Smitha's contribution was instrumental in equipping the entrepreneurial community with the essential tools for success in their ventures.

Health Benefits of Millets to LifeStyle Diseases (IYM2023)
01.00PM-01.30PM
Sri. Jomon Thachil, Nutrition Counsellor

In a health-conscious pivot during the session, Sri. Jomon Thachil, a seasoned Nutrition Counsellor, took the stage to delve into the "Health Benefits of Millets to Lifestyle Diseases (IYM2023)." This segment transcended the traditional boundaries of entrepreneurship, shedding light on the crucial intersection of nutrition and business sustainability. Sri. Jomon not only highlighted the health benefits associated with millets but also wove in the visionary concept of the Millet Year 2023, underscoring its significance in promoting overall well-being. Beyond nutritional insights, he delved into the potential of millets to become a cornerstone of the wellness industry, offering a holistic perspective on the role of healthy living in fostering sustainable business practices. Sri. Jomon's session served as a reminder that entrepreneurship is intricately linked to the well-being of individuals and communities, showcasing the multifaceted impact that informed nutritional choices can have on both personal health and the broader business landscape.

Banking Schemes and Products available for MSME sector 02.00PM-03.00PM
Sri. Premaraj C. C, Jana Jyothi Financial
Literacy Counsellor, Kannur Centre
Schemes and Services offered by Ministry of MSME, Govt of India

Post the rejuvenating lunch break, the spotlight shifted to financial literacy as Sri. Premaraj C. C, a distinguished Jana Jyothi Financial Literacy Counsellor from Kannur Centre, took center stage. In his enlightening session, Sri. Premaraj unraveled the intricacies of banking schemes and products tailored for the MSME sector. With a focus on enhancing financial literacy among entrepreneurs, his presentation aimed to empower participants with the knowledge essential for sound financial management. Sri. Premaraj's expertise not only shed light on the array of financial resources available but also provided practical insights on how entrepreneurs can navigate the financial landscape to optimize their business operations. This session undoubtedly played a crucial role in equipping attendees with the financial acumen necessary to make informed decisions and foster the financial health of their enterprises.

One to one discussion
Q&A and Feedback collection 03.45PM -04.00PM
MSME - Development & Facilitation Office. Thrissur

The culmination of Innovista marks a significant milestone, leaving participants enriched with a wealth of knowledge and insights. The comprehensive overview of schemes and services offered by the Ministry of MSME, Government of India, presented by Smt. Rekha K, Assistant Director at the MSME Development & Facilitation Office in Thrissur, encapsulates the national-level support systems available for the MSME sector. This final segment serves as a compass, guiding entrepreneurs with a roadmap for leveraging governmental resources. The overall outcome of Innovista is the empowerment of participants with practical insights, valuable knowledge, and a heightened awareness of the multifaceted landscape of entrepreneurship. The dynamic exploration throughout the technical sessions ensures that attendees are well-equipped with the tools needed for success in the ever-evolving business world. As they leave Innovista, participants carry with them not only a deeper understanding of entrepreneurship but also a renewed enthusiasm and inspiration to contribute meaningfully to the economic and societal landscape.

Social Entrepreneurship
Dr. Raji Sukumar A, Associate Professor, Nodal officer, SNGCET Payyanur.

Dr. Raji Sukumar A, Associate Professor and Nodal Officer at SNGCET Payyanur, emerged as a guiding force during Innovista, directing participants through the transformative realm of social entrepreneurship. With a wealth of academic and practical experience, Dr. Raji Sukumar underscored the importance of businesses that extend beyond profit margins to prioritize positive societal impact. Her session illuminated the concept of social entrepreneurship, emphasizing the profound influence that purpose-driven businesses can have in addressing societal challenges. Dr. Raji Sukumar's insights encouraged participants to envision ventures that contribute not only to economic prosperity but also to the greater well-being of communities. By championing the ethos of social responsibility within entrepreneurship, Dr. Raji Sukumar instilled a sense of purpose and civic duty among attendees, inspiring them to consider the broader implications of their business endeavors.

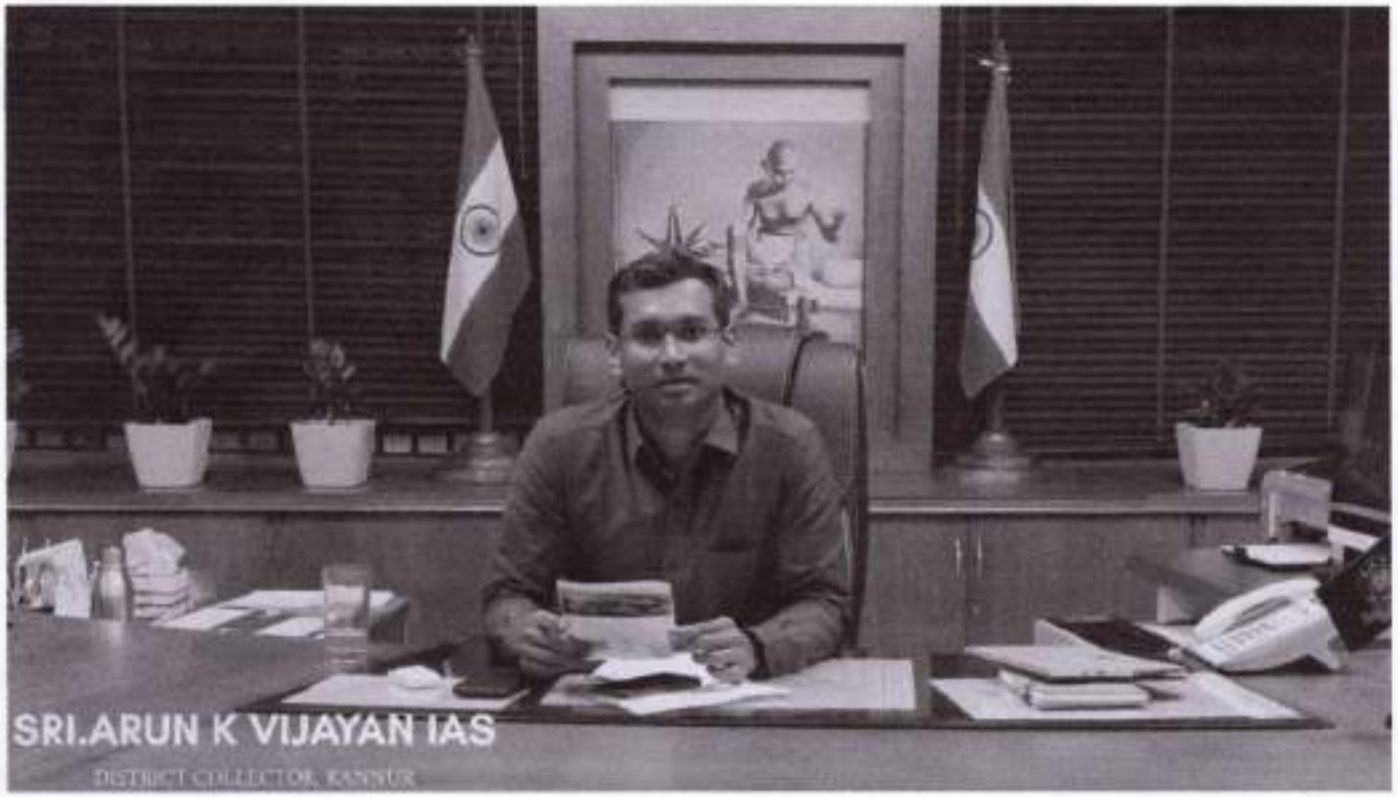

Conclusion:
Innovista, a resounding success, has unequivocally achieved its primary objective of fostering awareness and enthusiasm for entrepreneurship. The collaborative efforts between MSME Trissur, SNGCET Payyanur, and the Industry and Commerce Ministry have exemplified the transformative power of strategic partnerships. This triumvirate alliance not only showcased the commitment to nurturing innovation and enterprise but also underscored the positive impact that such collaborations can have on the development of a vibrant entrepreneurial ecosystem. The event served as a beacon, illuminating the path for aspiring entrepreneurs and stakeholders, providing them with valuable knowledge, insights, and a network of support. As Innovista concludes, it leaves in its wake a heightened spirit of innovation, a strengthened commitment to entrepreneurship, and a community poised to make significant strides in shaping the future of business and economic growth.

Aeknowledgments:
We extend our sincere gratitude to MSME Thrissur and the Industry and Commerce Ministry for their unwavering support and collaboration, which played a pivotal role in the success of Innovista. Our heartfelt appreciation goes to the distinguished speakers who shared their expertise and insights, contributing to the enriching experience for all participants. We extend our thanks to the enthusiastic participants whose engagement and active involvement added vibrancy to the event. Special thanks to all individuals, organizations, and contributors who worked tirelessly behind the scenes, ensuring the seamless execution of Innovista. Your collective efforts have made this endeavor a triumph, and we look forward to continued collaboration and success in fostering entrepreneurship and innovation.

Sir,

Sub: one day Orientation programme for starting IEDC Cell-Reg.

We are pleased to inform you that we are planning to conduct a one day Orientation programme for starting IEDC Cell on 04th April 2023. I am writing the letter to request you to depute Mr. Vinod K, Lecturer in Electronics Department of your esteemed Institution as a Resource person for the same.

Looking forward to a positive response from your end.

Thanking you,

Yours faithfully,

Report of the Orientation Programme for IEDC SNGCET

Date: 4th April 2023

Venue: SNGCET, [Meeting hall]

The Innovation and Entrepreneurship Development Cell (IEDC) of SNGCET conducted its annual orientation programme on the 4th of April, 2023. The event was graced by Dr. Leena AV, the Principal of SNGCET, and featured Mr. Vinod K, a respected lecturer from EKNMGPTC Trikaripur, as the resource person. The highlight of the event was the unveiling of the new IEDC SNGCET logo.

1. Presidential Address: The programme began with a warm welcome to all attendees. Dr. Leena AV, Principal of SNGCET, delivered the inaugural address. She emphasized the importance of fostering innovation and entrepreneurship among students and how IEDC plays a pivotal role in achieving this goal. Dr. Leena AV encouraged students to take advantage of the resources provided by IEDC and to pursue their entrepreneurial dreams.

2. Resource Session by Mr. Vinod K: Mr. Vinod K, an accomplished lecturer from EKNMGPTC Trikaripur, conducted an engaging and informative session on various aspects of entrepreneurship. He shared valuable insights on ideation, business planning, and the challenges and opportunities in the entrepreneurial world. Mr. Vinod K's session was well-received by the attendees, who found his expertise inspiring and educational.

3. Unveiling of IEDC SNGCET Logo: A moment of pride for the IEDC team and the college community was the unveiling of the new IEDC SNGCET logo. The logo, a symbol of innovation and entrepreneurship, was revealed during the same function. It captures the spirit of creativity, innovation, and forward-thinking, which are the core values of IEDC.The designer behind the logo is Aswanth C, a student from Mechanical Engineering department.

Dr. LEENA A. V.
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY, KAYYANUR
KANNUR

4. Interactive Q&A Session: Following Mr. Vinod K's presentation, an interactive Q&A session was held. Attendees had the opportunity to ask questions and seek further clarification on various entrepreneurship-related topics. The session fostered engagement and encouraged students to think critically about their entrepreneurial aspirations.

5. Networking and Refreshments: After the formal programme, attendees had the chance to network and interact with each other, as well as with Dr. Leena AV and Mr. Vinod K. Refreshments were served, allowing for informal discussions and the exchange of ideas among students, faculty, and the guest speaker.

The IEDC Orientation Programme conducted on 4th April 2023 was a resounding success, thanks to the dynamic leadership of Dr. Leena AV, the insightful presentation by Mr. Vinod K, and the unveiling of the new IEDC SNGCET logo. The event not only provided valuable insights into entrepreneurship but also fostered a sense of community and collaboration among students and faculty. It is hoped that this programme will inspire and empower students to embark on their entrepreneurial journeys and contribute to the growth and development of the entrepreneurial ecosystem at SNGCET.

		market opportunities and develop creative solutions to address them. This skill enables entrepreneurs to anticipate and mitigate potential risks associated with their ventures, increasing the likelihood of success. Furthermore, effective problem analysis allows for the validation and refinement of business ideas, ensuring their alignment with market needs and preferences. Lastly, fostering a culture of continuous problem analysis promotes adaptability and iteration, empowering entrepreneurs to evolve their ventures in response to changing market dynamics and customer feedback. **DESIGN MODEL:** Enhancing the attainment of design model skills among participants in "The Bridge Course on Entrepreneurship and Innovation" is essential for fostering innovation and product development. Proficiency in design modeling equips entrepreneurs with the ability to visualize and iterate on product concepts, leading to the creation of user-centric solutions. This skill enables entrepreneurs to effectively communicate their ideas to stakeholders, investors, and potential customers, facilitating buy-in and support for their ventures. Additionally, mastery of design modeling enhances the feasibility assessment of product ideas, allowing entrepreneurs to identify and address potential challenges early in the development process. Ultimately, a strong foundation in design modeling empowers entrepreneurs to create compelling, market-ready products that meet the evolving needs of their target audience. **SOLUTION DEVELOPMENT** Enhancing the attainment of solution development skills among participants in "The Bridge Course on Entrepreneurship and Innovation" is crucial for turning innovative ideas into actionable business ventures. Proficiency in solution development enables entrepreneurs to systematically transform concepts into tangible products or services that address identified market needs. This skill facilitates the creation of scalable and sustainable solutions, enhancing the potential for long-term business success. Furthermore, mastery of solution development methodologies allows entrepreneurs to iterate on their offerings based on feedback and market validation, ensuring continuous improvement and relevance. Ultimately, a robust capability in solution development empowers entrepreneurs to bring value to customers, differentiate themselves in the marketplace, and drive growth for their ventures.

Report: Entrepreneurship and Innovation

Bridge Course
On 01/08/2023 Time 9.00am to 4.00pm Venue Meeting Hall

Introduction:
In the ever-evolving landscape of entrepreneurship, the journey from a mere idea to a booming venture demands more than just creativity and determination. It demands a structured and strategic approach that turns the sparks of innovation into the flames of success. The notion of entrepreneurship is not solely about snatching an opportunity; it's about crafting opportunities, and mastery of a proven structure comes into play. The saying "If Opportunity Doesn't Knock, Build a Door" encapsulates the spirit of flexibility, adaptability, and creativity that drives entrepreneurs to create their own pathways to success.

Course Overview

- The goals of this programme to inspire students and help them absorb an entrepreneurial mind-set.
- The students will learn what entrepreneurship is and how it has impacted the world and their country.
- They will be introduced to key qualities of an entrepreneur, and be given an opportunity to assess their own strengths and identify gaps that need to be addressed to become a successful entrepreneur.

Module-I: Introduction to Entrepreneurship
Meaning and concept of entrepreneurship, possibilities.

Module-II: The Entrepreneur
Why to become entrepreneur, the skills/ traits required to be an entrepreneur, Creative and Design Thinking, the entrepreneurial decision process, lean canvas.

Understanding the Principle:

1. **Proactive Mindset**: Instead of passively waiting for the right moment, this principle encourages individuals to take the initiative. Entrepreneurship is about snatching opportunities, and that often involves identifying gaps in the market, untapped needs, or innovative solutions that can address challenges.

Dr. L
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY PAYYANUR
KANNUR

2. **Creative Problem-Solving**: Building a door means finding unique solutions to problems. Entrepreneurs thrive when they can creatively address pain points or provide value in novel ways. This approach encourages thinking beyond convention and fostering a culture of innovation.

3. **Resilience and Determination:** Entrepreneurship is marked by challenges and setbacks. The principle of building a door emphasizes the importance of resilience and determination. Entrepreneurs need to overcome obstacles, learn from failures, and adapt their strategies to changing circumstances.

4. **Initiating Action**: Waiting for the "right time" can lead to missed opportunities. Instead, this principle encourages taking action now. Starting the entrepreneurial journey might involve launching a minimum viable product (MVP), testing an idea, or reaching out to potential partners or investors.

Application to Entrepreneurship:

1. **Idea Generation**: Instead of waiting for a revolutionary idea to come along, aspiring entrepreneurs can actively brainstorm and research to identify market gaps or areas where their expertise can make a difference.

2. **Market Research**: Building a door involves understanding the target market's needs deeply. Entrepreneurs can gather insights, conduct surveys, and analyze trends to develop a solution that resonates with potential customers.

3. **Innovation**: Entrepreneurs can leverage the principle by focusing on innovation. This could involve developing a new product, service, or business model that disrupts existing markets or creates new ones.

4. **Networking and Partnerships**: Entrepreneurs can build doors by forming connections with mentors, advisors, and potential collaborators. Networking can open up opportunities for learning, growth, and even funding.

5. **Resource Mobilization**: Rather than waiting for funding to magically appear, entrepreneurs can actively seek out funding sources, pitch to investors, or explore crowd funding platforms to kick-start their ventures.

By embracing this principle, individuals can take control of their entrepreneurial journey, create opportunities from challenges, and set themselves on a path toward success. Remember, entrepreneurship is not just about waiting for doors to open—it's about having the courage and self determination to build those doors.

Learning Outcomes

The expected Student Learning Outcomes for the Entrepreneurship and Innovation Program are:

Dr. L P... A. V.
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY, PAYYANNUR
KANNUR

- Students will be able to sell themselves and their ideas. master oral and visual presentation skills and establish a foundation of confidence in the skills necessary to cause others to act.
- Students will be able to find problems worth solving. advance their skills in customer development, customer validation, competitive analysis, and iteration while utilizing design thinking and process tools to evaluate in real-world problems and projects.
- Students will be able to mobilize people and resources. identify and secure customers, stakeholders, and team members through networks, primary customer research, and competitive and industry analyses in order to prioritize and pursue an initial target market in real-world projects.
- Students will be able to create value. are able to create presentations and business plans that articulate and apply financial, operational, organizational, market, and sales knowledge to identify paths to value creation through 1) company formation (for profit); 2) social innovation (nonprofit); or 3) intellectual property licensing.
- Students will develop and cultivate endurance. increase their awareness and deliberately practice the skills and disciplines necessary to increase confidence and agency; foster self-efficacy and self-advocacy; improve communication and problem solving skills, manage strong impulses and feelings; and identify personal purpose.

		understand complex problems, participants can identify untapped market opportunities and develop creative solutions to address them. This skill enables entrepreneurs to anticipate and mitigate potential risks associated with their ventures, increasing the likelihood of success. Furthermore, effective problem analysis allows for the validation and refinement of business ideas, ensuring their alignment with market needs and preferences. Lastly, fostering a culture of continuous problem analysis promotes adaptability and iteration, empowering entrepreneurs to evolve their ventures in response to changing market dynamics and customer feedback. **DESIGN MODEL:** Enhancing the attainment of design model skills among participants in "The Bridge Course on Entrepreneurship and Innovation" is essential for fostering innovation and product development. Proficiency in design modeling equips entrepreneurs with the ability to visualize and iterate on product concepts, leading to the creation of user-centric solutions. This skill enables entrepreneurs to effectively communicate their ideas to stakeholders, investors, and potential customers, facilitating buy-in and support for their ventures. Additionally, mastery of design modeling enhances the feasibility assessment of product ideas, allowing entrepreneurs to identify and address potential challenges early in the development process. Ultimately, a strong foundation in design modeling empowers entrepreneurs to create compelling, market-ready products that meet the evolving needs of their target audience. **SOLUTION DEVELOPMENT** Enhancing the attainment of solution development skills among participants in "The Bridge Course on Entrepreneurship and Innovation" is crucial for turning innovative ideas into actionable business ventures. Proficiency in solution development enables entrepreneurs to systematically transform concepts into tangible products or services that address identified market needs. This skill facilitates the creation of scalable and sustainable solutions, enhancing the potential for long-term business success. Furthermore, mastery of solution development methodologies allows entrepreneurs to iterate on their offerings based on feedback and market validation, ensuring continuous improvement and relevance. Ultimately, a robust capability in solution development empowers entrepreneurs to bring value to customers, differentiate themselves in the marketplace, and drive growth for their ventures.

Title: **IDEAZEST- Idea Presentation**

The IDEAZEST Idea Presentation, where creativity meets innovation, and ideas are transformed into compelling solutions! In this dynamic event, we showcase the ingenuity and entrepreneurial spirit of our participants as they unveil their innovative concepts aimed at addressing real-world challenges and seizing emerging opportunities. IDEAZEST serves as a platform for aspiring entrepreneurs, innovators, and visionaries to present their ideas, receive feedback, and gain valuable insights from a diverse audience of peers, mentors, and industry experts. With a focus on fostering collaboration, creativity, and problem-solving, IDEAZEST inspires and empowers participants to turn their dreams into reality, driving positive change and making a meaningful impact in the world. Join us as we embark on an exciting journey of exploration, discovery, and transformation at IDEAZEST Idea Presentation

Course Highlights:

The course began with an introduction to the principles of entrepreneurship and innovation, emphasizing the significance of creative thinking and problem-solving. Over the course duration, participants were organized into five groups, each tasked with generating an innovative business idea.

Idea Generation and Development:

Students engaged in brainstorming sessions, tapping into their collective creativity to conceptualize unique and viable business ideas. Each group selected one idea to further develop, working on aspects such as market analysis, revenue model, target audience, and value proposition.

Business Model Preparation:

After selecting their innovative ideas, participants proceeded to develop comprehensive business models. This stage required a deeper understanding of the market landscape, potential competitors, and the specific problem their idea aimed to solve. The groups learned to fine-tune their ideas to align with market demands and feasibility.

PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY, PAYYANUR
KANNUR

Pitch Presentation:

The culmination of the course was the pitch presentation session. Each group had the opportunity to present their innovative business idea in front of a judging panel comprised of faculty members and industry experts. These presentations showcased the students' ability to articulate their ideas persuasively, highlighting their business models' potential.

Judging and Results:

The judging panel evaluated the presentations based on criteria such as innovation, feasibility, market potential, and presentation skills. The judges' diverse expertise ensured a comprehensive evaluation process. After careful deliberation, the judges announced the ranks for each group, recognizing the most promising and innovative ideas.

Outcome and Learning:

The Bridge Course successfully achieved its objectives of fostering entrepreneurial thinking and promoting innovation among participants. Students not only gained insights into idea generation and business model development but also honed their presentation skills. The course provided a platform for participants to learn from each other's ideas and engage in constructive discussions.

Conclusion:

The Bridge Course on Entrepreneurship and Innovation, led by Dr. Raji Sukumar A, played a pivotal role in equipping participants with the knowledge, skills, and confidence to approach business challenges innovatively. The engaging sessions, idea competitions, and pitch presentations collectively contributed to a transformative learning experience, setting the foundation for a future generation of innovative entrepreneurs.

Acknowledgments:

We extend our gratitude to Dr. Raji Sukumar A, Mr. Shyaman P, for their guidance and commitment throughout the course evaluation. We also thank the judging panel and participants for their enthusiastic participation and dedication to the spirit of entrepreneurship and innovation.

Report of the Session on MSME Development and (in) Campus Industrial Parks

Date: 10th October 2023
Venue: Meeting hall, SNGCET

On October 10, 2023, the Department of Computer Science and Engineering (CSE) at Sree Narayana Guru College of Engineering and Technology (SNGCET) organized a session on "MSME Development and In-Campus Industrial Parks." This informative event, held in association with the Innovation and Entrepreneurship Development Center (IEDC) of SNGCET, aimed to provide students with valuable insights into the world of Micro, Small, and Medium Enterprises (MSMEs) and the significance of in-campus industrial parks. The event was graced by the presence of Dr. Leena A. V, the Principal of SNGCET, and featured Mr. Shiras A. S, the Joint Director of Industries and Commerce, and General Manager of the District Industries Centre (DIC) Kannur, as the resource person.

The session commenced with a warm welcome address by Mr. Sunder V, the Head of the Department of Computer Science and Engineering. Mr. Sunder expressed his excitement about the importance of the topic and how it aligns with the college's commitment to fostering innovation and entrepreneurship among its students. Aswathi C, an Assistant Professor in the CSE department, introduced the chief guest, Mr. Shiras A. S. She highlighted his extensive experience in the field of Industries and Commerce, emphasizing his role in promoting entrepreneurship and industrial development in the Kannur district.

Mr. Shiras A. S took the stage to deliver the keynote address. With his profound knowledge and expertise, he shared valuable insights into the importance of MSME development in the current economic landscape. Mr. Shiras also emphasized the role of in-campus industrial parks as a catalyst for fostering entrepreneurship and innovation among students. In a token of appreciation, Dr. Leena A. V, the Principal of SNGCET, presented a memento to Mr. Shiras A. S. This gesture symbolized the college's gratitude for his informative and inspiring session. Raji Sukumar, a student representative, delivered the vote of thanks. She expressed gratitude to Dr. Leena A. V, Mr. Shiras A. S, the organizing committee, and all participants for their active involvement and enthusiasm. The session was highly informative and inspiring, leaving the attendees with a greater understanding of the MSME sector and the potential of in-campus industrial parks. It provided students with a platform to explore and pursue entrepreneurial opportunities. This event undoubtedly contributed to the academic and entrepreneurial growth of the students at SNGCET.

15	**Connected PO / PSO**	**1 PROBLEM ANALYSIS** **2. DESIGN MODEL** **3. SOLUTION DEVELOPMENT**
16	**Justification for PO / PSO [may use separate sheet if necessary]**	**PROBLEM ANALYSIS :** Bridge Course on Entrepreneurship and Innovation" is crucial as it forms the foundation for innovation and entrepreneurial success. By honing their ability to dissect and understand complex problems, participants can identify untapped market opportunities and develop creative solutions to address them. This skill enables entrepreneurs to anticipate and mitigate potential risks associated with their ventures, increasing the likelihood of success. Furthermore, effective problem analysis allows for the validation and refinement of business ideas, ensuring their alignment with market needs and preferences. Lastly, fostering a culture of continuous problem analysis promotes adaptability and iteration, empowering entrepreneurs to evolve their ventures in response to changing market dynamics and customer feedback. **DESIGN MODEL:** Enhancing the attainment of design model skills among participants in "The Bridge Course on Entrepreneurship and Innovation" is essential for fostering innovation and product development. Proficiency in design modeling equips entrepreneurs with the ability to visualize and iterate on product concepts, leading to the creation of user-centric solutions. This skill enables entrepreneurs to effectively communicate their ideas to stakeholders, investors, and potential customers, facilitating buy-in and support for their ventures. Additionally, mastery of design modeling enhances the feasibility assessment of product ideas, allowing entrepreneurs to identify and address potential challenges early in the development process. Ultimately, a strong foundation in design modeling empowers entrepreneurs to create compelling, market-ready products that meet the evolving needs of their target audience. **SOLUTION DEVELOPMENT** Enhancing the attainment of solution development skills among participants in "The Bridge Course on Entrepreneurship and Innovation" is crucial for turning innovative ideas into actionable business ventures. Proficiency in solution development enables entrepreneurs to systematically transform concepts into tangible products or services that address identified market needs. This skill facilitates the creation of scalable and sustainable solutions, enhancing the potential for long-term business success. Furthermore, mastery of solution development methodologies allows entrepreneurs to iterate on their offerings based on feedback and market validation, ensuring continuous improvement and relevance. Ultimately, a robust capability in solution development empowers entrepreneurs to bring value to customers, differentiate themselves in the marketplace, and drive growth for their ventures.

DEPARTMENT OF MECHANICAL ENGINNERING

Report of the Session on WORKSHOP ON DESIGN THINKING

The Department of Mechanical Engineering (ME) and the Innovation and Entrepreneurship Development Cell (IEDC) jointly organized the "Workshop on Design Thinking" on November 13th, 2023, at 9:30 AM in SNGCET's seminar hall. The primary objective of the event was to provide a platform for students to present their innovative ideas and showcase their entrepreneurial mindset. The session commenced with a welcoming address from Mr. Jacob Thomas, Assistant Professor of ME (Head Project and Consultancy), expressing gratitude to participants, faculty, and students for their enthusiastic support. Mr. Jacob underscored the importance of fostering creativity and innovation in today's dynamic world, encouraging students to explore new ideas. Dr. Raji Sukumar, IEDC Coordinator, delivered the felicitation speech, commending the ME department and IEDC for organizing an event that promotes innovation and entrepreneurship. She urged students to leverage the resources available at SNGCET for the development of their ideas and projects. Following the address, the workshop, led by Mr. Sadasivan K.K, K-DISC Mentor, commenced. This segment, eagerly anticipated, highlighted the creativity and entrepreneurial spirit of the students. The presentations covered a diverse range of topics, from software applications to sustainable solutions for real-world problems. Each presentation included a dedicated time for demonstration and Q&A.

To conclude the event, Mr. Sudhin Chandran, Head of Department ME, delivered the vote of thanks. He expressed gratitude to participants, faculty, and students, as well as the management, sponsors, and the IEDC cell for their unwavering support in ensuring the success of the workshop.

The "Design Thinking Workshop" session proved highly successful, providing students with a platform to showcase their innovative ideas and receive valuable feedback. It underscored the ME department and IEDC's dedication to cultivating a culture of innovation and entrepreneurship at SNGCET. Such gatherings are instrumental in equipping students for the challenges and opportunities of the modern world. Upon concluding the session, participants left with a renewed sense of inspiration and determination to further refine their ideas, aiming to positively impact the world through their innovations. The session, characterized by informative presentations and insightful addresses, unquestionably enhanced the academic environment at SNGCET.

The workshop on "Design Thinking" session proved to be highly successful, offering students a platform to present their innovative ideas and receive valuable feedback. It reflected the ME department and IEDC's dedication to nurturing a culture of innovation and entrepreneurship at SNGCET. Such events are crucial in preparing students for the challenges and opportunities of the contemporary world. Participants left the session with a renewed sense of inspiration and determination to further refine their ideas, aiming to make a positive impact on the world through their innovations. The session, featuring informative presentations and insightful addresses, undeniably contributed value to the academic environment at SNGCET.

A Report On TechGenesis1.0 2023
VENUE: MEETING HALL , SNGCET

DATE : 16/11/2023

IEDC Panel TechGenesis1.0 Inauguration

The Inauguration Function of TechGenesis1.0 2023 was held on 16th November 2023. The event commenced with a formal inauguration ceremony. Dr. Leena Av (principal), with her insightful words, officially inaugurated the IEDC event, emphasizing the importance of innovation in today's dynamic world.

Following the inauguration, the Technical Session unfolded, providing a platform for students to know more about IEDC . Presentations were conducted by the members of IEDC .

The event culminated with a panel discussion by Mr. Jacob Thomas(head of project and consultancy SNGCET). Attendees gained valuable knowledge and perspectives that are instrumental in nurturing an entrepreneurial mindset.

POST EVENT ANALYSIS FORM

Submitted by: IEDC

I. TO BE FILLED BY THE EVENT COORDINATOR(S)

1	**Event type conducted**	**Workshop**
2	**Event name**	Techgenesis 1.0 2023
3	**Date and time of the event conducted**	16/11/2023 10am
4	**Venue**	Inauguration and Valedictory function - meeting hall
5	**Whether the event was interdepartmental? If yes, mention the department(s) associated with**	No
6	**Mode of conduct [online \ offline]**	Offline
7	**Is there any deviation from the proposal in the date, time and venue of the event? If yes, mention the reason for change**	No
8	**Whether any professional body was associated with the event?** **If yes, name the body**	No
9	**Any funds received from the professional body? Indicate the amount**	No
10	**Participants / Target Audience**	IEDC Members
11	**Whether the event is conducted for bridging the gap in syllabus?** **If Yes, name the course with code and the semester and year it the subject is handled**	No
12	**Objectives of the event**	IEDC Executive Committee is formed annually, comprising institution representatives
13	**Expected Outcomes**	**CO1** Entrepreneurial Mindset **CO2** Generate and Evaluate Business Ideas

Dr. LE... A. V.
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY, KAYYANIKA, KANNUR

15	**Connected PO / PSO**	**1 PROBLEM ANALYSIS** **2. DESIGN MODEL** **3. SOLUTION DEVELOPMENT**
16	**Justification for PO / PSO [may use separate sheet if necessary]**	Enhancing problem analysis skills among participants in "The **PROBLEM ANALYSIS :** Bridge Course on Entrepreneurship and Innovation" is crucial as it forms the foundation for innovation and entrepreneurial success. By honing their ability to dissect and understand complex problems, participants can identify untapped market opportunities and develop creative solutions to address them. This skill enables entrepreneurs to anticipate and mitigate potential risks associated with their ventures, increasing the likelihood of success. Furthermore, effective problem analysis allows for the validation and refinement of business ideas, ensuring their alignment with market needs and preferences. Lastly, fostering a culture of continuous problem analysis promotes adaptability and iteration, empowering entrepreneurs to evolve their ventures in response to changing market dynamics and customer feedback. **DESIGN MODEL:** Enhancing the attainment of design model skills among participants in "The Bridge Course on Entrepreneurship and Innovation" is essential for fostering innovation and product development. Proficiency in design modeling equips entrepreneurs with the ability to visualize and iterate on product concepts, leading to the creation of user-centric solutions. This skill enables entrepreneurs to effectively communicate their ideas to stakeholders, investors, and potential customers, facilitating buy-in and support for their ventures. Additionally, mastery of design modeling enhances the feasibility assessment of product ideas, allowing entrepreneurs to identify and address potential challenges early in the development process. Ultimately, a strong foundation in design modeling empowers entrepreneurs to create compelling, market-ready products that meet the evolving needs of their target audience. **SOLUTION DEVELOPMENT** Enhancing the attainment of solution development skills among participants in "The Bridge Course on Entrepreneurship and Innovation" is crucial for turning innovative ideas into actionable business ventures. Proficiency in solution development enables entrepreneurs to systematically transform concepts into tangible products or services that address identified market needs. This skill facilitates the creation of scalable and sustainable solutions, enhancing the potential for long-term business success. Furthermore, mastery of solution development methodologies allows entrepreneurs to iterate on their offerings based on feedback and market validation, ensuring continuous improvement and relevance. Ultimately, a robust capability in solution development empowers entrepreneurs to bring value to customers, differentiate themselves in the marketplace, and drive growth for their ventures.
17	**Whether feedback forms from audience and resource person is collected?**

MINUTES OF IEDC CO-ORDINATORS MEETING-1

Date : 27-03-23

Time : 3 Pm

Venue : SIC lab, (CSE department)

Members Present

1. Mr. Sudhin Chandra, ME. – IEDC co-ordinator
2. Ms. Veena KK: CSE – IEDC - co-ordinator
3. Ms. Rishna K. Raman.
4. Ms. Abhaya D, ECE
5. Ms. Rinsha. T.V, EEE

Agenda :
1. IEDC orientation programme
2. IEDC awareness ~~about~~ to students
3. IEDC student Members
4. logo for IEDC.

Minutes :

The meeting started at 3 Pm and Discussions are as follows

1. Decided to conduct a orientation programme On 4th April 2023 - And also to Invite Mr. Vinod K, lecturer in EKNMPTC, Trikaripur, as the chief guest. (Ref Ms. Veena, CSE)
2. Conduct an awareness campagene for the students of each department (IEDC department co-ordinators)

EVENT PROPOSAL FORM

DEPARTMENT:COMPUTER SCIENCE ENGINEERING

I. TO BE FILLED BY THE EVENT COORDINATOR(S)

1	**Event type**	IIC
2	**Event name**	"Inspired by the stars: celebrating chandrayaan chronicles"
3	**Whether the event is inter departmental? If yes, mention the other department(s) associated with**	YES, COMPUTER SCIENCE AND ENGINEERING, in association with ISC, IEDC.
4	**Mode of conduct [online / offline]**	Offline
5	**Date and time**	13-09-2023,14-09-2023 09:00am – 01:00pm
6	**Venue**	Inauguration and Valedictory function - meeting hall
7	**Whether any professional body is associated with the event?** **If yes, name the body**	No
8	**Participants / Target Audience**	S1 students
9	**Whether the event is conducted for bridging the gap in syllabus?** **If Yes, name the course with code and the semester and year it the subject is handled**	Yes
10	**Objectives of the event**	1. **Educational Insight:** Provide B. Tech students with a unique educational opportunity to gain in-depth knowledge about the Chandraayan-3 mission, its scientific significance, and its contribution to space exploration. 2. **Interaction with Experts:** Facilitate interaction and knowledge exchange between students and the eminent scientist who worked on the Chandrayaan-3 mission,

Dr. LEENA A. V.
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY, PAYYANNUR
KANNUR

		offering them insights into real-world space research and career prospects in the field. 3. **Skill Enhancement:** Enhance students' skills and creativity by encouraging participation in a variety of events like speeches, quizzes, drawing, poster making, collage creation, article writing, PPT presentations, video content creation, and photography, aligning with their curriculum. 4. **Holistic Learning:** Encourage interdisciplinary learning by allowing students to engage in different types of activities that cater to their diverse interests and talents, aligning with the holistic nature of the B. Tech curriculum. 5. **Problem-Solving Abilities:** Promote critical thinking and problem-solving abilities among students by challenging them with questions related to the Chandrayaan-3 mission in quizzes, articles, and presentations. 6. **Communication Skills:** Improve students' communication skills by encouraging them to express their ideas and knowledge through speeches, articles, and presentations, preparing them for future career opportunities where effective communication is essential. 7. **Creative Expression:** Foster creativity and artistic expression through drawing, collage, and poster-making events, enabling students to communicate complex ideas visually. 8. **Technical Proficiency:** Enhance technical proficiency by encouraging students to create PPT presentations, videos, and photography related to the Chandrayaan 3 mission, aligning with their B. Tech curriculum. 9. **Teamwork and Collaboration:** Promote teamwork and collaboration through group activities like collages, group presentations, and video content creation, helping students develop essential interpersonal skills.
11	**Expected Outcomes**	- Magic System development, Information about the launching of Chandrayaan, working of Chandrayaan 3
12	**Connected PO / PSO**	**PO1** **PO2** **PO3** **PO12**
13	**Justification for PO / PSO [may use separate sheet if necessary]**	Engineering knowledge, Problem Analysis, Design / Development Of Solution, Life Long Learning

REPORT ON "INSPIRED BY THE STARS :CELEBRATING CHANDRAYAAN-3 CHRONICLE"

"Inspired By The Stars :Celebrating Chandrayaan-3" Chronicle was organised by the department of computer science engineering association with the IIC cell, SNGCET, on 13th and 14th September 2023 in Inauguration and Valedictory function - meeting hall From 09:00am – 01:00pm This was conducted by **Dr. Raji Sukumar A, Associate professor CS department and Ms.Bindhya.M.C ,HOD H & S.** . The session was presided over by the Principal, Dr. Leena A V, Sri Rajendran T. K, Vice-President, Sree Bhakthi Samvardhini Yogam , Talap Dean UG and PG studies, Dr. Susan Abraham, Nodal officer of IEDC, Dr. Raji Sukumar A, Ms Vijina Vijayan Mr.Sunder.V,Hod C.S

The session was very informative and valuable which helped the students to get a clear idea About launching of Chandrayaan –III.. The intersection of computer programming and space exploration has given rise to a new era of precision and innovation. This report delves into the critical role of computer programming in moon missions, with a focus on Chandrayaan-3. Proficiency in coding has become the digital backbone of lunar exploration, impacting navigation, communication, data analysis, and decision-making. This report explores the significance of coding in lunar missions, highlighting technological advancements, challenges, and future prospects.The resource person created a friendly environment and made the session engaging , interesting and participative through interactions and a lot of educative videos like advertisements case studies etc.

The event was co-ordinated by Thulas Bai N P C.S. The session was attended by the S1 students of all the braches. The Guest of honour was presented with a memento by the Principal as a token of appreciation. The seminar concluded at 1.00 pm.

POST EVENT ANALYSIS FORM

DEPARTMENT:COMPUTER SCIENCE ENGINEERING

I. TO BE FILLED BY THE EVENT COORDINATOR(S)

1	**Event type conducted**	IIC
2	**Event name**	"Inspired by the stars: celebrating chandrayaan chronicles"
3	**Date and time of the event conducted**	13-09-2023,14-09-2023 09:00am – 01:00pm
4	**Venue**	Inauguration and Valedictory function - meeting hall
5	**Whether the event was interdepartmental? If yes, mention the department(s) associated with**	Yes. Computer Science in association with IIC, IEDC.
6	**Mode of conduct [online \ offline]**	Offline
7	**Is there any deviation from the proposal in the date, time and venue of the event? If yes, mention the reason for change**	No
8	**Whether any professional body was associated with the event?** **If yes, name the body**	No
9	**Any funds received from the professional body? Indicate the amount**	No
10	**Participants / Target Audience**	S1 students
11	**Whether the event is conducted for bridging the gap in syllabus?** **If Yes, name the course with code and the semester and year it the subject is handled**	Yes
12	**Objectives of the event**	• **Educational Insight:** Provide B. Tech students with a unique educational opportunity to gain in-depth knowledge about the Chandraayan-3 mission, its scientific significance, and its contribution to space exploration.

Dr. LEENA A. V.
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY, PAYYANNUR
KANNUR

		• **Interaction with Experts:** Facilitate interaction and knowledge exchange between students and the eminent scientist who worked on the Chandrayaan-3 mission, offering them insights into real-world space research and career prospects in the field. • **Skill Enhancement:** Enhance students' skills and creativity by encouraging participation in a variety of events like speeches, quizzes, drawing, poster making, collage creation, article writing, PPT presentations, video content creation, and photography, aligning with their curriculum. • **Holistic Learning:** Encourage interdisciplinary learning by allowing students to engage in different types of activities that cater to their diverse interests and talents, aligning with the holistic nature of the B. Tech curriculum. • **Problem-Solving Abilities:** Promote critical thinking and problem-solving abilities among students by challenging them with questions related to the Chandrayaan-3 mission in quizzes, articles, and presentations. • **Communication Skills:** Improve students' communication skills by encouraging them to express their ideas and knowledge through speeches, articles, and presentations, preparing them for future career opportunities where effective communication is essential. • **Creative Expression:** Foster creativity and artistic expression through drawing, collage, and poster-making events, enabling students to communicate complex ideas visually. • **Technical Proficiency:** Enhance technical proficiency by encouraging students to create PPT presentations, videos, and photography related to the Chandrayaan 3 mission, aligning with their B. Tech curriculum. • **Teamwork and Collaboration:** Promote teamwork and collaboration through group activities like collages, group presentations, and video content creation, helping students develop essential interpersonal skills.
13	**Expected Outcomes**	Magic system development, Information about the launching of chandrayan, working of chandrayan 3
15	**Connected PO / PSO**	**PO1** **PO2** **PO3** **PO12**
16	**Justification for PO / PSO [may use separate sheet if necessary]**	Engineering knowledge, Problem Analysis, Design / Development Of Solution, Life Long Learning
17	**Whether feedback forms from audience and resource person is collected?**	Yes
		Yes

REPORT ON "Moonbound Magic : Chandrayaan-3 Spectacle"

"Moonbound Magic : Chandrayaan-3 Spectacle" was organised by the department of computer science and engineering in association with the IIC cell, SNGCET, on 21th September 2023 in Inauguration and Valedictory function - meeting hall From 09:30am – 03:00pm This was conducted by the Guest of Honour and resource person, Dr. V K Janardhanan Former deputy project director GSLV project, VSSC ,Trivandrum Former principal SNGCET. The session was presided over by the Principal, Dr. Leena A V, Sri Rajendran T. K, Vice- President, Sree Bhakthi Samvardhini Yogam , Talap Dean UG and PG studies, Dr. Susan Abraham, Nodal officer of IEDC, Dr. Raji Sukumar A, Mr.Shyaman V.P Asst.Professor H&S.

The session was very informative and valuable which helped the students to get a clear idea About launching of Chandrayaan –III.. The intersection of computer programming and space exploration has given rise to a new era of precision and innovation. This report delves into the critical role of computer programming in moon missions, with a focus on Chandrayaan-3. Proficiency in coding has become the digital backbone of lunar exploration, impacting navigation, communication, data analysis, and decision-making. This report explores the significance of coding in lunar missions, highlighting technological advancements, challenges, and future prospects . The resource person created a friendly environment and made the session engaging , interesting and participative through interactions and a lot of educative videos like advertisements case studies etc.

The event was co-ordinated by Mr. Shyaman V.P Asst. Professor H&S. The session was attended by the S1 students of all the braches. The Guest of honour was presented with a memento by the Principal as a token of appreciation. The seminar concluded at 3.30 pm.

POST EVENT ANALYSIS FORM

I. TO BE FILLED BY THE EVENT COORDINATOR(S)

1	**Event type conducted**	IIC
2	**Event name**	MOONBOUND MAGIC: Chandrayaan – 3 Spectacles
3	**Date and time of the event conducted**	21-09-2023, Thursday 09:30am – 03:00pm
4	**Venue**	Inauguration and Valedictory function - meeting hall
5	**Whether the event was interdepartmental? If yes, mention the department(s) associated with**	No
6	**Mode of conduct [online \ offline]**	Offline
7	**Is there any deviation from the proposal in the date, time and venue of the event? If yes, mention the reason for change**	No
8	**Whether any professional body was associated with the event?** **If yes, name the body**	No
9	**Any funds received from the professional body? Indicate the amount**	No
10	**Participants / Target Audience**	S1 students
11	**Whether the event is conducted for bridging the gap in syllabus?** **If Yes, name the course with code and the semester and year it the subject is handled**	Yes
12	**Objectives of the event**	• **Educational Insight:** Provide B. Tech students with a unique educational opportunity to gain in-depth knowledge about the Chandraayan-3 mission, its scientific significance, and its contribution to space exploration.

Dr. LEENA A. V.
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY, PAYYANUR
KANNUR

		• **Interaction with Experts:** Facilitate interaction and knowledge exchange between students and the eminent scientist who worked on the Chandrayaan-3 mission, offering them insights into real-world space research and career prospects in the field. • **Skill Enhancement:** Enhance students' skills and creativity by encouraging participation in a variety of events like speeches, quizzes, drawing, poster making, collage creation, article writing, PPT presentations, video content creation, and photography, aligning with their curriculum. • **Holistic Learning:** Encourage interdisciplinary learning by allowing students to engage in different types of activities that cater to their diverse interests and talents, aligning with the holistic nature of the B. Tech curriculum. • **Problem-Solving Abilities:** Promote critical thinking and problem-solving abilities among students by challenging them with questions related to the Chandrayaan-3 mission in quizzes, articles, and presentations. • **Communication Skills:** Improve students' communication skills by encouraging them to express their ideas and knowledge through speeches, articles, and presentations, preparing them for future career opportunities where effective communication is essential. • **Creative Expression:** Foster creativity and artistic expression through drawing, collage, and poster-making events, enabling students to communicate complex ideas visually. • **Technical Proficiency:** Enhance technical proficiency by encouraging students to create PPT presentations, videos, and photography related to the Chandrayaan 3 mission, aligning with their B. Tech curriculum. • **Teamwork and Collaboration:** Promote teamwork and collaboration through group activities like collages, group presentations, and video content creation, helping students develop essential interpersonal skills.
13	**Expected Outcomes**	- Exploration of moon. Scientific Research, Inspiration.
15	**Connected PO / PSO**	**PO1** **PO2** **PO3** **PO12**
16	**Justification for PO / PSO [may use separate sheet if necessary]**	Engineering knowledge, Problem Analysis, Design / Development Of Solution, Life Long Learning
17	**Whether feedback forms from audience and resource person is collected?**	Yes

Dr. LEENA A. V.
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY, PAYYANUR
KANNUR

18	**Whether analysis of feedback is done? Use separate sheet to indicate the same**	Yes
19	**Attainment level of outcomes**	
20	**Name of the resource person**	Dr. V K Janardhanan
21	**Designation of the resource person(s)**	Former deputy project director GSLV project, VSSC ,Trivandrum Former principal SNGCET
22	**Any other relevant information**	Nil
23	**Name of the event coordinator(s)**	Shyaman V P
24	**Dated signature of the coordinator(s)**	23/9/23

II. TO BE FILLED BY THE DEPARTMENT HOD (any one of the HoD, in case if the event is jointly conducted by various department(s))

List of enclosures – To be maintained in the file

Sl No:	ITEM	AVAILABILITY [YES / NO]
1	**Posters**	Yes
2	**Schedule of the event**	Yes
3	**Registration form sample copy**	No
4	**All registration forms duly filled and signed**	No
5	**Profile of the resource person(s)**	Yes
6	**Feedback forms filled by participants and resource person**	No
7	**Feedback analysis sheet**	No
8	**CO attainment calculation sheet**	No
9	**Study Materials (if any)**	No
10	**Letters or printouts of e-mail communication relevant to the event**	Yes
11	**Documents related to professional body associated with the event**	Yes

R&D

Minutes :-

The meeting started at 11.00am and the scope and possibility of conducting an FDP on research writing discussed and finalized. The discussion points were discussed

1. Decided to conduct a FDP on Research writing
2. Finalized guest speaker Mrs. Rahima Mosdu, AP in Psychology Rayan's Women's College and Dr. Raji Sukumar from SNGCET
3. Decided to conduct the FDP on 30-09-23 and checked the availability of the guest Speaker Mrs. Rahima Mosdu.
4. Decided the Co-ordinators and Convenor

   Co-ordinators
   Mrs. Sharija. P, AP, CSE
   Mrs Anusha M, Lab. Coordinator.

   Convener
   Ms Varsha M, AP, CSE
5. Target Audience from one College itself (all teaching faculties)
6. Date : 30/09/2023 and Time : 09.30 AM

Minutes of R and D Co-ordinators Meeting - I

Date : 22-09-2023
Time : 11:00AM
Venue : SIC LAB (CSE Dept)

Members Present :- 1. Dr. Raji Sukumar
2. Ms Veena, AP, CSE
3. Ms. Sasliya V C, AP, ECE
4. Mr. Dominic Thomas, AP, ME
5. Mr. Shyaman V P, AP, S and H
6. Ms. Aswathi Ravindran, AP, CEE
7. Ms. Rinsha, AP, CE

Agenda :-
1. Review of program objectives - Scope of conducting a FDP on Research writing
2. Session breakdown and Responsibilities - Faculty members
3. Materials and Resources of the program - Speaker arrangement
4. Target Audience

Dr. LEENA A. V
PRINCIPAL

Minutes :-

The Co-ordinators meeting held on 16-8-2023 at 02.00pm and We discussed the Scope and goal of conducting a workshop on Infrastructure development and the following points were discussed.

1. Decided to Conduct a workshop for S7 Students (Civil engg) on Infrastructure Development
2. Tentative Date for the above program and arrangement of External Speaker also decided and fixed.
   Date : 24-11-2023
   Speaker: Sri Pradeep Kumar, Director- HIMANA/Ammy'z (Professional academy)
   (Availability of the Speaker Confirmed)
3. Staff co-ordinators and Student Co-ordinators are also discussed and finalized for the Workshop.
   Staff co-ordinators - Mr. Shamy Sukumaran M
   Ms. Rinsha K Raman
   Student Co-ordinators - Ms. Shahana Shein
   Ms. Anuvinda. P.

Minutes of R and D Co-ordinators Meeting - II

Date : 16-11-2023
Time : 02.00PM
Venue : Internet Lab (CSE dept)

Members Present :- 1. Dr. Raji Sukumar
2. Mr. Shyaman V P
3. Ms. Rinsha K Raman
4. Ms. Navanitha Pavithran
5. Mr. Dominic Thomas
6. Veena K K
7. Soshya V C

Agenda :- 1. Plan of Conducting a Workshop on Infrastructure Development for S7 Civil engineering Students (in association with CSEA)
2. Selection of Staff Co-ordinators - official Duties
3. Materials and Resources.
4. Review of program objectives - Primary goals of the workshop among students.
5. Details of guest faculty (if any) - Arrangement

Report on Extra Curricular Activities Conducted by Hobby Club SNGCET for newly admitted students

On 9th August 2023 (FN), a session on extra-curricular activities was conducted by Hobby Club of SNGCET for the newly admitted students at the college Meeting Hal. The session was indented to familiarize the students with the activities and functions of Hobby Club SNGCET. Mr. Jishnu Namboodiri VN; Secretary of Hobby Club SNGCET, provided a brief introduction about the Club and its various activities.

The session started at 1.45 pm with Mr. Jishnu Namboodiri VN addressing the students. He explained the objectives and various activities related to the club. The students introduced themselves and their hobbies were identified.

Following the introductory session, the first-year students participated in a variety of games and activities. The games and activities were conducted by Mrs. Rinsha TV, Mrs. Chaithanya KP and Mr. Athulraj PP; Hobby Club SNGCET members.

Various games like Puzzle solving, Go through ball etc. were played. Also students were encouraged to sing songs. Insights to College Band, Photography and Cinema club, Dance club, Cricket club etc. which comes under the Hobby Club, were given.

The students' comment on the programme was overwhelmingly positive, emphasising their delight and appreciation for the programme.

REPORT OF REELS AND PHOTOGRAPHY CONTEST

The College Hobby Club organized a dynamic and engaging Reels and Photography Contest, aimed at fostering creativity and talent among the students. The theme of the photography contest was "Behind the Scenes" and the reels contest focused on depicting "Life at SNGCET".

The contest witnessed a total of 34 participants, including 18 individuals in the photography contest and 16 participants in the reels contest. The event provided a platform for students to showcase their skills in both photography and videography. The event witnessed enthusiastic participation from students across various departments, highlighting their diverse perspectives and artistic abilities.

AWARENESS PROGRAM

Awareness program on the after effect of drug abuse was conducted in the college on the afternoon of 13/10/2023 by police department Peringom office. The program inaugurated by the principal Dr. Leena A.V, and Kerala Police Officer Sri. Prajeesh, illustrated the real picture of the ill-effects of drug addicted peoples through his experience sharing and few videos. The session was about one and half hours duration and was very effective for the students to have an insight against the usage of drugs and other narcotic products which may trap them by the drug peddlers.

"SAY NO TO DRUGS"

The Government of Kerala has launched a massive anti-drug movement titled " No to Drugs" to prevent our youth and children from falling into the grips of the drug abuse besides freeing those who have already fallen into the clutches of this narcotic evil. In connection with this Sree Narayana Guru College of Engineering and Technology conducted an awareness programmme **"SAY NO TO DRUGS"** on October 31st 2022. The session was handled by Mr.Subhash ,Circle Inspector ,Peringome Police station. He was assisted by Mr. Jijesh and Mr.Prajeesh. Students of S1, S3,S5 and S7 participated in this awareness programme.

The minutes of the Training and Placement meeting held on 29-08-2022

Members Present :-

1. Dr. Leena A.V, Principal
2. Ms. Aswathi Sreejith, TPO
3. Ms. Veena K.K., Placement Co-ordinator CSE
4. Ms. Shilpa Valsakumar, Placement Co-ordinator CE
5. Mr. Manu C, Placement Co-ordinator EEE (absent)
6. Mr. Divyaraj M.V., Placement Co-ordinator ME
7. Ms Archana, Representing EEE
8. Ms. Vani R., Placement Co-ordinator ECE

The meeting commenced at 1:30pm in Principal's chamber.

Principal welcomed all the placement coordinators to the meeting. Ms. Aswathi Sreejith briefed about the conference held by the Consortium of Technical Institutions for Placement Services (CTIPS) at Cochin on 29-08-2022.

Principal informed that the classes for S7 will commence from 12-09-2022 so that the students shall be trained right from the beginning to enhance placements. She said that one hour per week shall be included in the timetable exclusively for the Training and Placement classes.

Ms. Aswathi Sreejith briefed about the conference. The major discussion was on IBM internship which starts in Jan 2023. The students who get selected for IBM will have to attend the internship in their S8. Thus, teachers will have to reschedule their S8 conveniently for those students.

It was decided in the meeting to consider one hour exclusively for Training and Placement. Training and the module will consists of the classes for communication Skills, Technical Aptitude, General Aptitude, Quantitative Reasoning,

Dr. LEENA A. V.
PRINCIPAL

THE MINUTES OF TRAINING AND PLACEMENT CELL MEETING HELD ON17TH OCTOBER 2022

Members Present:

1.Ms. Aswathi Sreejith (TPO)

2. Ms. Veena K K (Placement Coordinator, CSE)

3. Ms. Shilpa Valsakumar (Placement Coordinator, CE)

4. Divyathej M V (Placement Coordinator, ME)

5. Manu C (Placement Coordinator, EEE)

6. Vani R (Placement Coordinator, ECE)

The meeting commenced at 12:30pm in theTraining and Placement Cell.

Agenda:

1. Upcoming pool drives
2. Aptitude class

Discussion:

1. TPO informed about the details regarding the colleges conducting placement drives for the students.
2. Informed about the tentative dates for conducting placement aptitude class for the final year students.

Dr. LEENA A. V.
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY, PAYYANUR
KANNUR

3. A company named Quest Global has also invited applications from students for recruitment. The data of 25 students has been forwarded to them.
4. As per the request from the final year Computer Science students TPO had informed about the enquiry about a competitive aptitude and reasoning class which can be conducted for 37 students by the last week of November or First week of December.

Action Taken

Tentative data for conducting aptitude class were informed.

THE MINUTES OF TRAINING AND PLACEMENT CELL MEETING HELD ON 21st NOVEMBER 2022

Members Present:

1. Dr. Leena AV. Principal
2. Ms. Aswathi Sreejith (TPO)
3. Ms. Veena K K (Placement Coordinator, CSE)
4. Ms. Shilpa Valsakumar (Placement Coordinator, CE) 25/11/22
5. Divyathej M V (Placement Coordinator, ME)
6. Manu C (Placement Coordinator, EEE)
7. Vani R (Placement Coordinator, ECE)

The meeting commenced at 12:15pm in theTraining and Placement Cell.

Agenda:

1. Companies opened for placement drives
2. Aptitude class

Discussion:

1. TPO informed that she had contacted Superset which the students had suggested would help in placement. The company online connects the campus to the recruiters and does not help in placements.
2. Informed about Acsia Technologies that had invitedapplications from the students having 60% and less than 3 Backlogs. There are 22 studentswho are eligible and they are to report at Rajagiri campus in Kochi for campus drive on November 18th.

THE MINUTES OF TRAINING AND PLACEMENT CELL MEETING HELD ON 16th DECEMBER 2022

Members Present:

1.Ms. Aswathi Sreejith (TPO)

2. Ms. Veena K K (Placement Coordinator, CSE)

3. Ms. Shilpa Valsakumar (Placement Coordinator, CE)

4. Divyathej M V (Placement Coordinator, ME)

5. Manu C (Placement Coordinator, EEE)

6. Vani R (Placement Coordinator, ECE)

The meeting commenced at 12:15 pm in theTraining and Placement Cell.

Agenda:

1. Campus Placement Drive

Discussion:

1. Informed about the selectedstudents of S7 had attended a campus placement drive at St.Thomas College of Engineering on 15th December 2022.
2. Informed about the expected date of the drive's results.

THE MINUTES OF TRAINING AND PLACEMENT CELL MEETING HELD ON23rd JANUARY 2023

Members Present:

1. Dr. Leena AV. Principal
2. Ms. Aswathi Sreejith (TPO)
3. Ms. Veena K K (Placement Coordinator, CSE)
4. Ms. Shilpa Valsakumar (Placement Coordinator, CE) 28/01/23
5. Divyathej M V (Placement Coordinator, ME)
6. Manu C (Placement Coordinator, EEE)
7. Vani R (Placement Coordinator, ECE)

The meeting commenced at 12:00pm in theTraining and Placement Cell.

Agenda:

1. Odd semester placement
2. List of students shortlisted
3. Even semester placement activities

Discussion:

1. TPO briefed on the placement activities of the odd semester. She informed that students attended almost11 companies' recruitment drives and 3 students already got placed in Qualitest and GICE.
2. Eightstudents were shortlisted and are waiting for the interview call letter.
3. The activities scheduled in the next semester include conducting an Aptitude training for the currentfinal year students at the beginning of the VIII semester.

THE MINUTES OF TRAINING AND PLACEMENT CELL MEETING HELD ON 27TH FEBRUARY 2023

Members Present:

1. Ms. Aswathi Sreejith (TPO)
2. Ms. Haritha M V (Placement Coordinator, CSE)
3. Ms. Shamya Sukumaran (Placement Coordinator, CE)
4. Dr Sudin Chandran (Placement Coordinator, ME)
5. Mr. Manu C (Placement Coordinator, EEE)
6. Ms. Vani R (Placement Coordinator, ECE)

The meeting commenced at 12:00 pm in theTraining and Placement Cell.

Agenda:

1. Placement committee reframed
2. Outreach programme
3. List ofshortlisted students for interview
4. Aptitude training for the final and pre-final year students

Discussion:

1. The new coordinators from the corresponding departments were welcomed by the TPO.
2. An outreach programme conducted by the Department of Atomic Energy for S6 and S8 students is scheduled for 28th February 2023.
3. 7 students shortlisted for Speridien Technologies had attended the interview on 24th February 2023, expected date for the results was also informed.
4. The aptitude class for S8 students will be scheduled by the first week of March, if students were failed to pay the feesbefore 28th February, aptitude class won't be conducted for S8 students.
5. Planning to conduct same aptitude class for S6 students, as they may facing recruitment drives in this semester.

Report On Placement Aptitude Training Workshop for Final Year Students

The ***"Placement Aptitude Training Workshop"*** was conducted by the Training and Placement Cell of SNGCET on 7th and 8th March 2023.The workshop emphasized the ability to perform well on their interview and react to situations at work. Aptitude training was conducted to enhance the ability of quick learning methods, along with improving the analytical skills required for the spontaneity in a particular situation.

The resource persons from the team ***Progressum*** had conducted the workshop on, reasoning ability, quantitative aptitude, and resume building, to help students understand the concept of aptitude. The training allowed the students to think beyond boundaries and limitations, keeping in view the aspect of time management which would be very beneficial for them in their professional & personal growth. The students were encouraged to attend and contribute in aptitude classes for acquiring essential quick learning and analytical skills and consequently effectiveness and success on their job, in the future.

The training aimed at developing following skills in the students:

1. Reasoning and Quantitative
   - Statements assumption, conclusions, Assertion Test, Series & Coding Decoding, Sitting Arrangements.
2. Resume Building.

The Training and Placement Cell was able to organize the workshop successfully. The students got an opportunity to gain much knowledge in those covered topics, and the workshop had highlighted the importance of aptitude successfully among the students.

REPORT ON PLACEMENT DRIVE BY MAVERIXPRO Ltd

Date: 29/03/2023 **Venue: Seminar Hall**

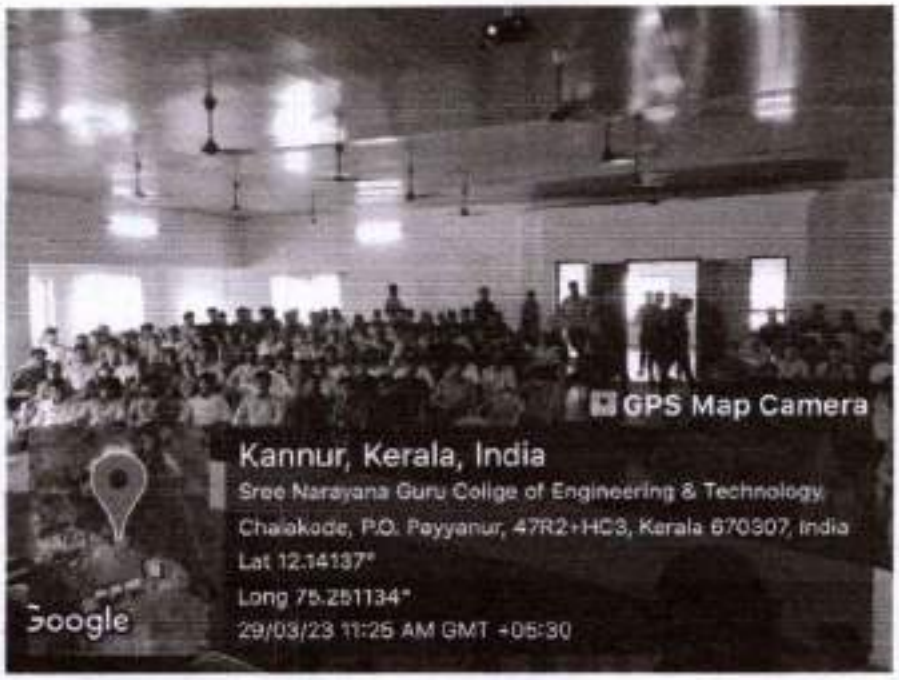

MaverixPro Ltd, a leading technology company, conducted a pool drive at SNGCET (Sree Narayana Guru College of Engineering & Technology) on 29th March 2023. The purpose of the drive was to recruit talented and enthusiastic engineering graduates for various roles within the company.

The recruitment event commenced at 9:00 AM in the college auditorium. A team of HR representatives and technical experts from MaverixPro Ltd were present to oversee the proceedings. The event was well-organized and structured, with different rounds designed to assess the candidates' skills and capabilities.

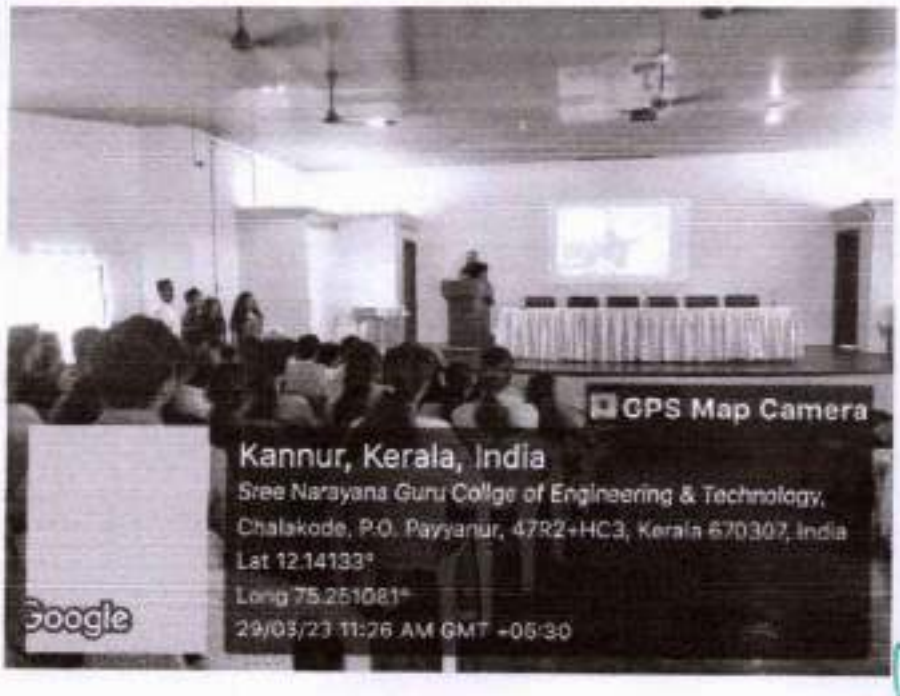

The candidates displayed a high level of enthusiasm and curiosity about the company and its offerings. Their technical knowledge and problem-solving skills were commendable, showcasing their strong academic background. Communication skills varied among candidates, with some showing exceptional articulation during the group discussion and interviews. The Q&A session indicated that candidates were interested not only in the job roles but also in understanding the company's long-term vision.

Twenty One students from various department of SNGCET got placed in the company. The pool drive concluded on a positive note, with the promise of potential collaborations between MaverixPro Ltd and the budding engineers of SNGCET. Both parties expressed gratitude for the opportunity to connect and collaborate in shaping the future of technology.

TRAINING & PLACEMENT CELL

REPORT ON A MEET WITH HR

Date: 10/05/2022 **Venue: Seminar Hall**

Training and Placement Cell is to guide students to choose right career and to give knowledge, skill, and aptitude and meet the manpower requirements of the industry. The industry is always on the lookout for students who are vibrant, energetic individuals and ready to accept challenges, attentive, a good academic background, fast learners, open to learning even at work and more importantly, good communication skills. Our college Training and Placement cell conducted a one day Seminar focusing on our students' skill development and to prepare them for the interviews. This activity focused on the personality development to make the students reliable, with a positive attitude and right decision making. We were honoured with an eminent personality, Dr. Surekha S Nair, who engaged the session. She is a Human Resources Leader with more than 2 decades of transforming organizations by designing future-ready, sustainable and scale- able HR ecosystems. The session came to be a great success with our students getting an opportunity to interact with Dr. Surekha S Nair, who helped them to learn about the non-academic expectations that a company expects from the candidates.

WEBINAR ON "A PLATFORM FOR CAREER BUILDING: WHAT THEY WANT? WHAT WE CAN?"

Date: June 12, 2021

Venue: Virtual (Conducted via Online Platform)

Organizers: Sree Narayana Guru College of Engineering & Technology

Departments Involved: Department of Electronics and Communication Engineering (ECE) in association with the Department of Electrical and Electronics Engineering (EEE)

Resource Person: Dr. Surekha S Nair, Director-HR (India & Middle East), Eurofins India Pvt. Ltd.

Attendance: Approximately 100 participants

Introduction:

On June 12, 2021, Sree Narayana Guru College of Engineering & Technology organized a webinar titled "A Platform for Career Building: What They Want? What We Can?" The event aimed to provide insights into the contemporary requirements of the job market and how students can align themselves with these demands for a successful career trajectory. Dr. Surekha S Nair, Director-HR at Eurofins India Pvt. Ltd., graced the session as the esteemed resource person.

Session Overview:

The webinar commenced with an introduction by the organizing committee, highlighting the importance of understanding industry expectations in shaping one's career. Dr. Surekha S Nair then took the stage, delving into various aspects of career building and the dynamic nature of the professional landscape.

Dr. LEENA A. V.
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY, PAYYANUR
KANNUR

Key Highlights:

1. Industry Insights: Dr. Surekha provided valuable insights into the evolving demands of different industries, emphasizing the significance of staying updated with the latest trends and technologies.

2. Skills in Demand: The session shed light on the skills that are currently in high demand in the job market, including technical competencies, soft skills, and adaptability to change.

3. Career Strategies: Practical strategies and tips were shared on how students can enhance their employability quotient by acquiring relevant skills, networking, and showcasing their strengths effectively.

4. Interactive Q&A: The session was highly interactive, with participants actively engaging in discussions and seeking guidance on various career-related queries.

Key Takeaways:

- Understanding the pulse of the industry is crucial for career success.
- Continuous learning and upskilling are essential to stay competitive.
- Building a strong professional network can open doors to diverse opportunities.
- Effective communication and interpersonal skills are as important as technical expertise.

Conclusion:

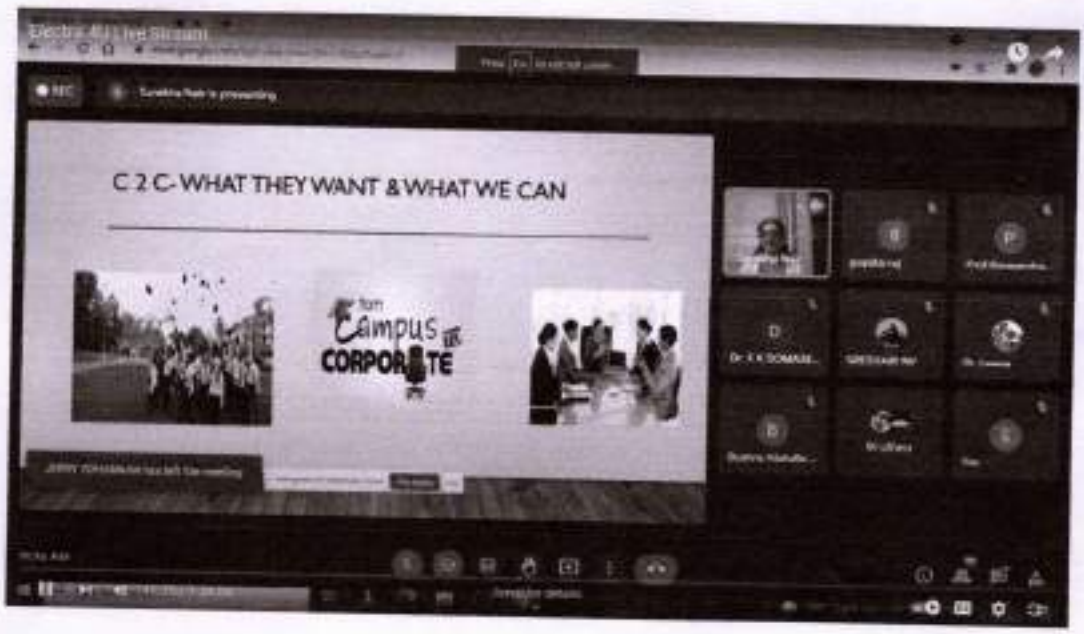

The webinar on "A Platform for Career Building: What They Want? What We Can?" was a resounding success, thanks to the insightful session delivered by Dr. Surekha S Nair. The event provided students with a valuable platform to gain knowledge and guidance on navigating the complexities of the job market and charting a fulfilling career path. The collaboration between the Department of ECE and EEE in organizing this event underscores the college's commitment to holistic student development.

Acknowledgment:

Sree Narayana Guru College of Engineering & Technology extends heartfelt gratitude to Dr. Surekha S Nair for sharing her expertise and invaluable insights with the participants. Special thanks to the organizing committee, faculty members, and all the participants for making the webinar a memorable and enriching experience.

ALUMNI ASSOCIATION

SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY

SNGCET Alumni Association Payyanur (SNAAP)

SNGCET Alumni Association Payyanur (SNAAP) inaugurated on 4th November 2019 in the esteemed presence of The Honourable Secretary Sree Bakthi Samvardhini Yogam Mr. K. P. Pavithran, Dr.V.K.Janardhanan, Principal SNGCET Lt. Col. Preveen C Administrative Officer, Alumni and Faculty members of SNGCET by Mr. Sajesh Krishnan an alumnus of SNGCET, Kerala's first blade runner and Amputee International Football player.

The SNGCET Alumni Association Payyanur (SNAAP) stands as a vibrant and integral part of the Sree Narayana Guru College of Engineering and Technology (SNGCET) community. Dedicated to fostering a sense of camaraderie and connection among the alumni, SNAAP serves as a platform for graduates to come together, share experiences, and contribute to the continued success of their alma mater. With a mission to create lasting bonds and provide meaningful support, SNAAP engages in a range of activities, including annual alumni meets, industry conclaves, and career development workshops. This association is not merely a network but a close-knit community where members collaborate, mentor, and inspire one another. Through its initiatives, SNAAP aims to empower its alumni, facilitate professional growth, and strengthen the ties that bind graduates of SNGCET, fostering a dynamic ecosystem that reflects the spirit of excellence instilled by the institution.

Mission

The mission of the SNAAP is to promote the interest and welfare of SNGCET alumni, to improve their level of communication and build a positive relationship between the alumni and their alma mater. To build a strong intellectual and emotional worldwide network between SNGCET and SNGCETians. SNAAP aims at voluntary commitments, goodwill, improving industry-academic collaboration, mentoring and leadership from its alumni.

Online meeting of SNAAP

Date - 10/03/2021 Time - 7.00 pm
Mode - Google Meet

Minutes:

* Pandamic was still continuing & the an offline meeting was not practically possible.
* The second wave of COVID-19 was expected in MARCH'21. Hence the decision for a grand Alumni meet was out of question.
* The Alumni also enquired their views of difficulties they face due to Pandamic. They said that it would be difficult for them to travel, especially those who are in ~~abroad~~ abroad, as there still exists travel restrictions in certain countries.
* It was decided to reconstitute the SNAAP committee members - Ex Com - after having a grand Alumni meet.
* The Alumni shared their experience on the difficulties they face at their workplace. Some of them had lost their job.
* Alumni informed that Computer Science graduates will have good demand in the market in coming years as Post Covid market predictions are like that.
* Hence they requested the Principal to conduct more training & workshop sessions for all the students based on the topic related to IT.
* The Principal & the Chairperson addressed the gue meeting & assured that they will the arrangements will be made to take up the suggestions given by the Alumni.

The meeting concluded at 8.10 pm.

Grand Alumni Meet Report

Date:15-08-2023
Venue: Seminar Hall

The Alumni Meeting held on August 15, 2023, at Sree Narayana Guru College of Engineering and Technology, Payyanur, was attended by the following members

Sri. T K Rajendran (Vice President, SBSY)
Sri. P C Ashokan (Director, SBSY
Sri. Sunil (Director, SBSY)
Dr. Leena A V (Principal)
Dr. Susan Abraham (Dean Academics)
Mr. Manu C (Vice President)
Mr. Sunder V (Secretary)
Mrs. Mary Sonia George (Head of Department CE)
Dr. Sudhin Chandran (Head of Department ME)
Mr. Abhilash Krishnan (Head of Department EEE)
Mrs. Leena Narayanan (Head of Department (ECE)
Mrs. Bindiya M C (Head of Department (S&H)
Teaching and non teaching staff

Dr. Susan Abraham, the Dean of UG and PG Studies, extended a warm welcome to all attendees, acknowledging their valuable presence and contribution to the alma mater.
Sri. Rajendran T. K, Vice-President of Sree Bhakti Samvardhini Yogam, Talap, delivered an inspiring Presidential Address, emphasizing the importance of alumni engagement and collaboration in fostering the growth and development of the institution.
Dr. Leena A. V, the Principal, shared insights and updates on the college's achievements and future endeavors, instilling a sense of pride and enthusiasm among the alumni community.
The highlight of the event was the election for the Executive Committee Members of SNAAP, where passionate individuals were elected to lead and represent the alumni

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

association. Mr. Sunder V, representing SNGCET Alumni as the Head of the Department of CSE, concluded the event with a heartfelt Vote of Thanks, expressing gratitude to all participants, organizers, and supporters who made the Grand Alumni Meet a resounding success. The event not only provided a platform for rekindling old friendships and reminiscing cherished memories but also laid the foundation for future collaborations and initiatives aimed at nurturing the bond between the alma mater and its alumni.

The bylaw presented by Mr. Manu C, (AP, EEE & Alumni), was discussed in the meeting.

Vote of Thanks delivered by Mr. Sunder V, HoD, Department of CSE (SNGCET Alumni).

ACTION TAKEN BASED ON FEEDBACK ANALYSIS

Grand Alumni Meet on 15-08-2023

Based on the feedback analysis, it seems like the majority of alumni are satisfied with their experience, which is a positive sign. However, there's always room for improvement. Here are some remedies to address any areas of concern:

Engage Dissatisfied Alumni: While it's great that there are no "somewhat dissatisfied" responses, it's essential to proactively engage with alumni who may have had less than satisfactory experiences. Reach out to them individually to understand their concerns and find ways to address them effectively.

Enhance Communication Channels: Improve communication channels to keep alumni informed about the latest developments, events, and opportunities within the alumni network and the institution. This could include regular newsletters, social media updates, and alumni-exclusive platforms.

Personalized Engagement: Tailor engagement efforts to the specific interests and needs of different alumni groups. This could involve organizing targeted events, workshops, or networking opportunities based on career stages, industries, or areas of interest.

Continuous Feedback Mechanism: Implement a system for continuous feedback collection from alumni to identify emerging issues promptly and make timely improvements. This could include surveys, focus groups, or regular feedback sessions.

Enhance Alumni Benefits: Review and enhance the benefits and services offered to alumni, such as career counselling, access to resources, discounts on further education, or networking opportunities. Ensure that these benefits align with the evolving needs of alumni.

Strengthen Alumni-Student Mentorship Programs: Foster stronger connections between alumni and current students through mentorship programs. This not only benefits students but also provides alumni with opportunities for meaningful engagement and gives them a sense of fulfilment.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

Expand Alumni Network: Actively work on expanding the alumni network by reaching out to alumni who may have lost touch and encouraging them to reconnect. Utilize social media platforms and alumni directories to facilitate connections.

Celebrate Success Stories: Highlight the achievements and success stories of alumni to inspire and motivate both current students and other alumni. This can foster a sense of pride and belonging within the alumni community.

Address Concerns Regarding Neutral Responses: While neutral responses aren't inherently negative, they could indicate areas where alumni feel indifferent or lack strong engagement. Dig deeper into the reasons behind these responses and explore ways to enhance alumni engagement and satisfaction.

Implement Alumni Engagement Metrics: Establish key performance indicators to track alumni engagement and satisfaction over time. Use these metrics to measure the effectiveness of remedial efforts and identify areas for further improvement.

By implementing these remedies, you can not only address any existing concerns but also foster a stronger sense of community and engagement among alumni, ultimately benefiting both the alumni network and the institution as a whole.

ALUMNI MEET REPORT

Date:01-05-2022

Venue: Seminar Hall

The Grand Alumni Meet, held at Seminar Hall, marked a significant gathering of esteemed alumni, faculty, and staff of Sree Narayana Guru College of Engineering & Technology. The event aimed to foster a sense of belonging, celebrate achievements, and lay the groundwork for future collaborations.

Dr. Susan Abraham, Dean of UG and PG Studies, commenced the event with a warm Welcome Address, expressing gratitude for the presence and contributions of the attendees to the alma mater. Sri. K P Pavithran, Secretary of Sree Bhakti Samvardhini Yogam, Talap, delivered an inspiring Presidential Address, emphasizing the importance of alumni engagement in the institution's growth and development. Dr. Leena A. V, Principal of SNGCET, shared insights and updates on the college's achievements and future endeavors, instilling pride and enthusiasm among the alumni community. Election of Executive Committee Members for SNAAP, where passionate individuals were elected to lead and represent the alumni association. Mr. Sunder V, Head of the Department of CSE and SNGCET Alumni, concluded the event with a heartfelt Vote of Thanks, acknowledging the efforts of all participants, organizers, and supporters who contributed to the success of the Grand Alumni Meet. We extend our sincere thanks to all attendees, organizers, and supporters whose dedication and enthusiasm made the Grand Alumni Meet a resounding success.

The Alumni General Body Meeting was then conducted to elect the following executive members.

Dr. Leena A V, Principal	President
Mr. Ebrahim Sainudheen	Chairman
Sri. Ashok Hegde L	Vice President
Dr. Susan Abraham	Vice President
Prof. Saritha Sasindran	Vice President

Thank you for taking the time to provide feedback on your experience as an alumni of SNGCET. Your insights are valuable to us as we strive to improve our programs and services. Please take a few moments to complete this form.

1. How satisfied were you with your experience at SNGCET

   - Very satisfied
   - Somewhat satisfied ✓
   - Neutral
   - Somewhat dissatisfied
   - Very dissatisfied

2. Has your experience at SNGCET influenced your career path?

   - Yes ✓
   - No

3. How would you rate the specific program(s) or service(s) you were involved in during your time at SNGCET?

   - Excellent
   - Good ✓
   - Fair
   - Poor

4. What types of events or activities would you like to see for alumni engagement?

   - Networking events
   - Professional development workshop
   - Social gathering ✓
   - Alumni mentorship programs
   - Others (Please specify)

5. Did you find the networking opportunities provided by SNGCET helpful?

   - Yes, very helpful
   - Somewhat helpful ✓

ACTION TAKEN BASED ON FEEDBACK ANALYSIS

Grand Alumni Meet on -01-05-2022

Based on the feedback analysis, it seems like the majority of alumni are satisfied with their experience, which is a positive sign. However, there's always room for improvement. Here are some remedies to address any areas of concern:

1. **Enhance Communication and Engagement**: Improve communication channels and engagement efforts with alumni to keep them connected and informed about developments at SNGCET.
2. **Tailor Services and Programs:** Customize alumni services and programs based on feedback to better meet the diverse needs and interests of alumni.
3. **Address Neutral Responses**: Reach out to those who were neutral and gather more specific feedback to understand their reasons for being neutral. This could help identify areas for improvement.
4. **Evaluate Dissatisfaction**: Investigate the reasons behind the somewhat dissatisfied responses to address any specific issues or concerns raised by this segment of respondents.
5. **Alumni Mentorship Programs**: Establish alumni mentorship programs where experienced alumni can mentor current students and recent graduates, providing valuable insights and guidance for career development.
6. **Improve Fair-Rated Programs:** Gather more detailed feedback from respondents who rated programs or services as fair to understand specific areas for improvement. This could involve refining processes, adding resources, or adjusting program content to better meet expectations.
7. **Feedback Integration**: Implement a systematic feedback integration process where feedback from alumni and stakeholders is consistently collected, analyzed, and used to make informed decisions about program and service improvements.
8. **Communication and Transparency**: Enhance communication and transparency about program offerings, benefits, and improvements to ensure that alumni are aware of the positive changes being made based on their feedback.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

9. **Customized Engagement Activities**: Explore other engagement activities based on specific interests or needs identified by alumni, such as community service projects, sports tournaments, art exhibitions, or book clubs.
10. **Organize Social Gatherings**: Plan and host social gatherings such as reunions, networking mixers, alumni dinners, or cultural events to provide opportunities for alumni to connect and socialize in a relaxed environment.
11. **Networking Events:** Organize networking events or platforms where alumni can connect with each other, share experiences, collaborate on projects, and explore potential career opportunities or partnerships.
12. **Offer Diverse Engagement Activities**: Provide a range of engagement activities that cater to different interests and preferences of alumni, including networking events, professional development workshops, social gatherings, mentorship programs, and community service projects.
13. **Engage Alumni Ambassadors**: Identify and engage enthusiastic alumni as ambassadors who can actively promote SNGCET to their networks, participate in recruitment events, and share their positive experiences with others.
14. **Highlight Positive Experiences**: Showcase success stories, achievements, and positive experiences of alumni to potential students, parents, and other stakeholders to highlight the value and benefits of SNGCET.
15. **Engage Alumni Volunteers:** Recruit alumni volunteers to participate in mentoring programs, career counselling sessions, networking events, and other initiatives aimed at supporting fellow alumni in their post-graduation endeavours.

By implementing these remedies, you can not only address any existing concerns but also foster a stronger sense of community and engagement among alumni, ultimately benefiting both the alumni network and the institution as a whole.

Thank you for taking the time to provide feedback on your experience as an alumni of SNGCET. Your insights are valuable to us as we strive to improve our programs and services. Please take a few moments to complete this form.

Date: 04-11-2019

1. How satisfied were you with your experience at SNGCET

- ○ Very satisfied
- ○ Somewhat satisfied
- ✗ Neutral
- ○ Somewhat dissatisfied
- ○ Very dissatisfied

2. Has your experience at SNGCET influenced your career path?

- ✗ Yes
- ○ No

3. How would you rate the specific program(s) or service(s) you were involved in during your time at SNGCET?

- ○ Excellent
- ○ Good
- ✗ Fair
- ○ Poor

4. What types of events or activities would you like to see for alumni engagement?

- ○ Networking events
- ○ Professional development workshop
- ✗ Social gathering
- ○ Alumni mentorship programs
- ○ Others (Please specify)

5.Did you find the networking opportunities provided by SNGCET helpful?

- ○ Yes, very helpful
- ○ Somewhat helpful
- ✗ Not very helpful
- ○ Not at all helpful

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF

6. How engaged do you feel with the alumni community of SNGCET ?

- o Very engaged
- o Somewhat engaged
- o Neutral
- ✗ Somewhat disengaged
- o Not engaged at all

7. How likely are you to recommend SNGCET to others?

- o Very likely
- o Likely
- ✗ Neutral
- o Unlikely
- o Very unlikely

8. Overall, how satisfied are you with your experience as alumni of SNGCET?

- o Very satisfied
- o Satisfied
- ✗ Neutral
- o Dissatisfied
- o Very dissatisfied

9. Did you utilize any alumni support services provided by our institution after graduation?

- o Yes
- ✗ No

Thank you for your feedback

Your input is greatly appreciated and will help us enhance the alumni experience at SNGCET

ACTION TAKEN BASED ON FEEDBACK ANALYSIS

Grand Alumni Meet on -04-11-2019

Based on the feedback analysis, it seems like the majority of alumni are satisfied with their experience, which is a positive sign. However, there's always room for improvement. Here are some remedies to address any areas of concern:

1. **Positive Reinforcement:** Since a significant portion of respondents are very satisfied, it's essential to reinforce what aspects of their experience are contributing to this high level of satisfaction. Recognizing and reinforcing these positive aspects can help maintain and even improve satisfaction levels.
2. **Continuous Improvement:** Use the feedback analysis as a tool for continuous improvement. Regularly collect feedback, analyse trends, and implement changes based on the feedback received. This iterative approach can help in creating a better overall experience for students and stakeholders at SNGCET.
3. **Career Guidance and Counselling:** Strengthen career guidance services to help students make informed decisions about their career paths. This can include workshops, one-on-one counselling sessions, and resources for exploring various career options.
4. **Alumni Engagement:** Leverage the experiences and success stories of alumni to inspire current students and provide networking opportunities. Alumni mentorship programs can be beneficial in guiding students towards successful career paths.
5. **Feedback Loop:** Maintain a feedback loop where alumni and current students can share their experiences and provide insights for continuous improvement. This can help in identifying areas of strength and areas needing enhancement in influencing career paths.
6. **Enhanced Communication:** Improve communication channels between students and faculty/administration to ensure that feedback is effectively communicated and acted upon.
7. **Student Involvement:** Involve students in the improvement process by seeking their suggestions and feedback on how programs and services can be enhanced to better meet their needs and expectations.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

8. **Promote Networking Culture:** Encourage a networking culture within the institution by highlighting success stories of networking, facilitating introductions between alumni and students, and providing networking tips and resources.
9. **Collect Feedback Regularly:** Continuously collect feedback from participants of networking events to understand their experiences, preferences, and suggestions for improvement. Use this feedback to iterate and enhance future networking opportunities.
10. **Other Activities**: Explore other engagement activities based on alumni interests and feedback. This could include volunteer opportunities, alumni newsletters, webinars, or collaborative projects.
11. **Recognize and Celebrate Alumni Achievements**: Highlight the achievements and contributions of alumni through alumni spotlights, awards, and recognition programs. Celebrating alumni success stories can inspire engagement and foster a sense of pride within the community.
12. **Seek Feedback and Input:** Regularly seek feedback from alumni to understand their engagement levels, interests, and suggestions for improvement. Use this feedback to tailor engagement initiatives and ensure they meet the needs of the alumni community.
13. **Address Neutral Responses:** Engage with respondents who are neutral about recommending SNGCET and gather feedback to understand their perspectives. Address any concerns or areas where improvement is needed to potentially convert neutral responses into positive recommendations.
14. **Address Dissatisfaction (Somewhat Dissatisfied):** While the percentage of somewhat dissatisfied respondents is low, it's important to address their concerns. Conduct targeted surveys or interviews to gather detailed feedback, and take actionable steps to address any issues raised. This could involve improvements in communication, alumni services, or other areas identified as contributing to dissatisfaction.
15. **Evaluate Effectiveness:** Regularly evaluate the effectiveness of alumni support services through feedback, surveys, and metrics such as utilization rates and satisfaction levels. Use this data to make data-driven decisions and continuously improve the services offered.

By implementing these remedies, we can not only address any existing concerns but also foster a stronger sense of community and engagement among alumni, ultimately benefiting both the alumni network and the institution as a whole.

The International Women's Day Celebration Alumni Talk by Ms.Saranya SV, Cofounder PAPLA and Alumna of SNGCET .

The lady faculty members, staff and students gathered in Swami Bodhananda Hall on March 7, 2024 to celebrate the International Women's Day. The focus of the event was to inspire and empower women to be financially independent.

Dr. Susan Abraham, Dean Academics, extended a warm welcome to the attendees, setting the tone for the event.

Dr. LeenaA.V ,Principal honoured the guest speaker Ms. Saranya SV and encouraged students to envision themselves as job providers rather than job seekers.

Ms. Saranya S V, an esteemed alumna, delivered a captivating talk, blending practical advice with her own entrepreneurial jourey, inspiring the audience with her experiences. The event concluded with a heartfelt Vote of Thanks by Ms. Saritha Sasindran, Convenor of the Women's Cell at SNGCET.

Ms. Mary Sonia George, HOD CE, concluded the session by expressing appreciation for Ms. Saranya SV and her enlightening talk. The event ignited the entrepreneurial spirit among the women of SNGCET.

EVENT PROPOSAL FORM

Submitted by the department of: .CIVIL..ENGINEERING:.....

I. TO BE FILLED BY THE EVENT COORDINATOR(S)

1	Event type	Talk.
2	Event name	Talk on "From Passion to Profit".
3	Whether the event is inter departmental? If yes, mention the other department(s) associated with	YES, Mechanical , Electrical , Electronics & Communication , Computer science .
4	Mode of conduct [online / offline]	offline .
5	Date and time	07-03-2024 , 2:30 PM
6	Venue	Swami Bhodhananda Hall.
7	Whether any professional body is associated with the event? If yes, name the body	No.
8	Participants / Target Audience	Students and staff.
9	Whether the event is conducted for bridging the gap in syllabus? If Yes, name the course with code and the semester and year it the subject is handled	–
10	Objectives of the event	
11	Expected Outcomes	–
12	Connected PO / PSO	–
13	Justification for PO / PSO [may use separate sheet if necessary]	–
14	Name of the resource person(s)	Ms. Sarasya S.V

15	Designation of the resource person (may attach separate sheet to indicate the profile)	Co-Founder PAPLA.
16	Resource requirements	-
17	Any fund from external source will be received? If yes, mention it.	No.
18	Whether budget for the event is attached? (use separate sheet to indicate the estimated budget)	No.
19	Any other relevant information	-
20	Name of the event coordinator(s)	Ms. Savitha Sasindran.
21	Dated signature of the coordinator(s)	6/3/24

II. TO BE FILLED BY THE DEPARTMENT HOD (any one of the HoD, in case if the event is jointly conducted by various department(s))

1	Comments on the relevance of the event	It brings out the entrepreneurship
2	Recommendation [Put a tick • on whichever is applicable]	Recommended Not Recommended
3	Name	
4	Dated Signature

Online Alumni Talk Report:

"Attitude is Everything"

Date: 18th October 2020

Time: 12:00 PM

Platform: Google Meet

Organizers: Department of Electrical and Electronics Engineering, SNGCET

Guest of Honour and Resource Person: Mr. Vishnu Unnikrishnan, Trainee Engineer, General Electricals

Inaugurator: Dr. Janardhanan P, Principal, SNGCET

Welcome Address: Prof. Raveendran K., HoD, EEE

Felicitation Speech: Mr. Abhilash Krishnan.T K, AP, EEE

The Department of Electrical and Electronics Engineering at SNGCET organized an online alumni talk on 18th October 2020 via Google Meet. The event titled "Attitude is Everything" aimed to explore the significance of attitude in personal and professional development. The session provided attendees with insights, strategies, and practical tips to harness the power of attitude for success.

The event commenced with an inaugural address by Dr. Janardhanan P, Principal, who emphasized the importance of cultivating a positive attitude for personal and professional growth. Prof. Raveendran K., HoD of EEE, delivered the welcome address, setting the tone for the session and highlighting the relevance of the topic in students' lives. Mr. Abhilash Krishnan.T K, AP of EEE, delivered a felicitation speech, acknowledging the significance of alumni engagement and knowledge sharing.

The session was conducted by Mr. Vishnu Unnikrishnan, a Trainee Engineer at

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

General Electricals, who shared valuable insights and practical strategies for cultivating a positive attitude. Attendees were provided with actionable tips on maintaining a positive mindset, overcoming challenges, and fostering resilience in various aspects of life. The session emphasized the role of attitude in shaping personal and professional success, encouraging students to adopt positive habits and behaviors.

The "Attitude is Everything" online alumni talk provided students with valuable insights and practical strategies for harnessing the power of attitude in their personal and professional lives. By understanding the importance of attitude and adopting positive habits, participants can enhance their resilience, motivation, and overall well-being.

The event was coordinated by Mr. Abhilash Krishnan.T K and Mr. Vaishakh M Nayanar, both Assistant Professors in the Department of EEE, ensuring smooth execution and active participation from attendees.

FEEDBACK ANALYSIS OF ALUMINI TALK -ATTITUDE IS EVERYTHING

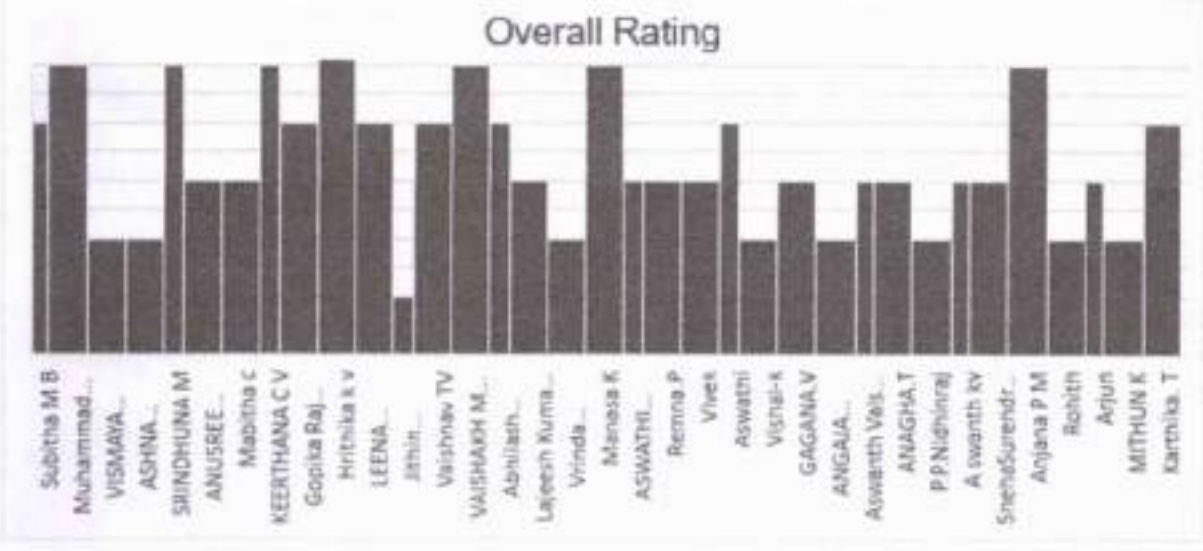

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

Co-ordinator

Overall Rating:

1 **(Poor):** The talk was below expectations in all aspects.
2 **(Fair):** There were significant areas that could be improved.
3 **(Average):** The talk met expectations but did not stand out.
4 **(Good):** The talk was above average and provided valuable insights.
5 **(Excellent):** The talk exceeded expectations in all aspects and was highly impactful.

Speaker's Knowledge and Expertise:

1 **(Poor):** The speaker demonstrated a lack of knowledge and expertise on the topic.
2 **(Fair):** The speaker's knowledge and expertise were somewhat lacking.
3 **(Average):** The speaker demonstrated adequate knowledge and expertise.
4 **(Good):** The speaker exhibited strong knowledge and expertise on the topic.
5 **(Excellent):** The speaker's knowledge and expertise were exceptional and greatly enhancec

Relevance of Content to Alumni Community:

1 **(Poor):** The content was not relevant or applicable to the alumni community.
2 **(Fair):** The relevance of the content to the alumni community was limited.
3 **(Average):** The content was somewhat relevant to the alumni community.
4 **(Good):** The content was relevant and beneficial to the alumni community.
5 **(Excellent):** The content was highly relevant and directly applicable to the alumni commun

Clarity and Delivery of Presentation:

1 **(Poor):** The presentation was difficult to follow, and the delivery was unclear.
2 **(Fair):** The presentation lacked clarity at times, and the delivery could be improved.
3 **(Average):** The presentation was generally clear, but some areas could have been commun
4 **(Good):** The presentation was clear, well-structured, and effectively delivered.
5 **(Excellent):** The presentation was exceptionally clear, engaging, and effectively delivered.

Engagement Level (Q&A, Interactive Elements, etc.):

1 **(Poor):** There was minimal engagement, and the talk felt one-sided.
2 **(Fair):** Engagement levels were low, and interactive elements were lacking.
3 **(Average):** There was some engagement, but more interactive elements could have enhan
4 **(Good):** Engagement levels were decent, and interactive elements added value to the talk.
5 **(Excellent):** The audience was highly engaged, and interactive elements significantly enrich

12	**Connected PO / PSO**	PO 1: Engineering Knowledge PO 2: Problem Analysis PO 12: Lifelong Learning
13	**Justification for PO / PSO [may use separate sheet if necessary]**	**PO 1: Engineering Knowledge:** This PO is essential because it ensures that graduates have a solid foundation in the core principles and theories of their respective engineering discipline. Engineering knowledge forms the basis for problem-solving, design, and innovation in engineering practice. **PO 2: Problem Analysis:** Justification: Problem analysis is a critical skill for engineers as they encounter complex challenges that require systematic investigation and understanding. By emphasizing this PO, graduates are equipped with the ability to break down complex problems into manageable components, identify relevant factors, and apply appropriate analytical techniques to arrive at effective solutions. **PO 12: Lifelong Learning:** Justification: Lifelong learning is vital in engineering due to the rapid pace of technological advancement and evolving industry trends. Engineers must continuously update their skills, stay abreast of new developments, and adapt to changing requirements throughout their careers.
14	**Name of the resource person(s)**	Mr. Suvin V S
15	**Designation of the resource person (may attach separate sheet to indicate the profile)**	Lead Design Engineer
16	**Resource requirements**	System, Projector.
17	**Any fund from external source will be received? If yes, mention it.**	No
18	**Whether budget for the event is attached? (use separate sheet to indicate the estimated budget)**	No

ALUMNI INTERACTION ON MODERN TRENDS IN QUALITY CONTROL

REPORT ON MODERN TRENDS IN QUALITY CONTROL

The Department of Mechanical Engineering (ME) organized an Alumni interaction session on March 25th, 2024, at 2 PM in the S8 classroom of the Mechanical department. This session was aimed at all mechanical students, with the main goal of familiarizing them with the evolution of quality control practices. Over the years, these practices have adapted to technological advancements, evolving consumer demands, and shifts in the global market dynamics.

Dr. LEENA A. V.
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY, PAYYANUR
KANNUR

The workshop kicked off with a warm welcome from Dr. Sudhin Chandran, the esteemed Head of the Department. Mr. Suvin V S provided expert insights, shedding light on quality control practices, technological advancements, evolving consumer preferences, and the dynamic nature of global market trends. The realm of quality control is in constant flux, driven by technological innovations, market dynamics, and shifts in consumer demands. Adapting to these modern trends in quality control is essential for organizations to remain competitive, streamline operations, and deliver exceptional products and services. Utilizing cutting-edge technologies, harnessing the power of data analytics, implementing robust quality management systems, and prioritizing customer-centric approaches are pivotal in achieving sustainable growth and maintaining a competitive advantage in today's ever-changing marketplace.

Attendees departed the session with renewed inspiration and a steadfast determination to further refine their concepts, with the aim of making a positive impact on the world through their innovative endeavors. The session, featuring informative presentations and insightful discussions, undoubtedly enriched the academic atmosphere at SNGCET.

Report on meet your Alumni programme for ECE Department

Date: 26/03/2021

Venue: Swami Bhodhananda Hall.SNGCET College

CHIEF GUEST: Anand U, Army Major

The Electronics and Communication Engineering Department of SNGCET College recently had the honor of hosting Major Anand U, an esteemed alumnus of the institution. As an Army Major, Major Anand U graciously shared his journey from his college days to his current position, offering invaluable insights and guidance to current students.

The session commenced with a warm welcome speech by Ms.Leena Narayanan, Assistant Professor in ECE, setting the tone for an engaging interaction. Major Anand U, with his captivating presence, reminisced about his time at SNGCET College, reflecting on the academic rigor and the vibrant campus life that shaped his foundation.

Major Anand U shared his transition from academia to the armed forces, shedding light on the pivotal moments and the rigorous preparations he undertook to secure his current position. His narrative illuminated the importance of perseverance, discipline, and adaptability in navigating career transitions successfully. Through anecdotes and personal experiences, he elucidated the diverse career paths available to graduates in electronics and communication engineering, inspiring students to explore their passions and leverage their skills effectively.

The session was characterized by its interactivity, with students enthusiastically participating and posing insightful questions. Major Anand U patiently addressed queries, dispelling doubts and

Leena

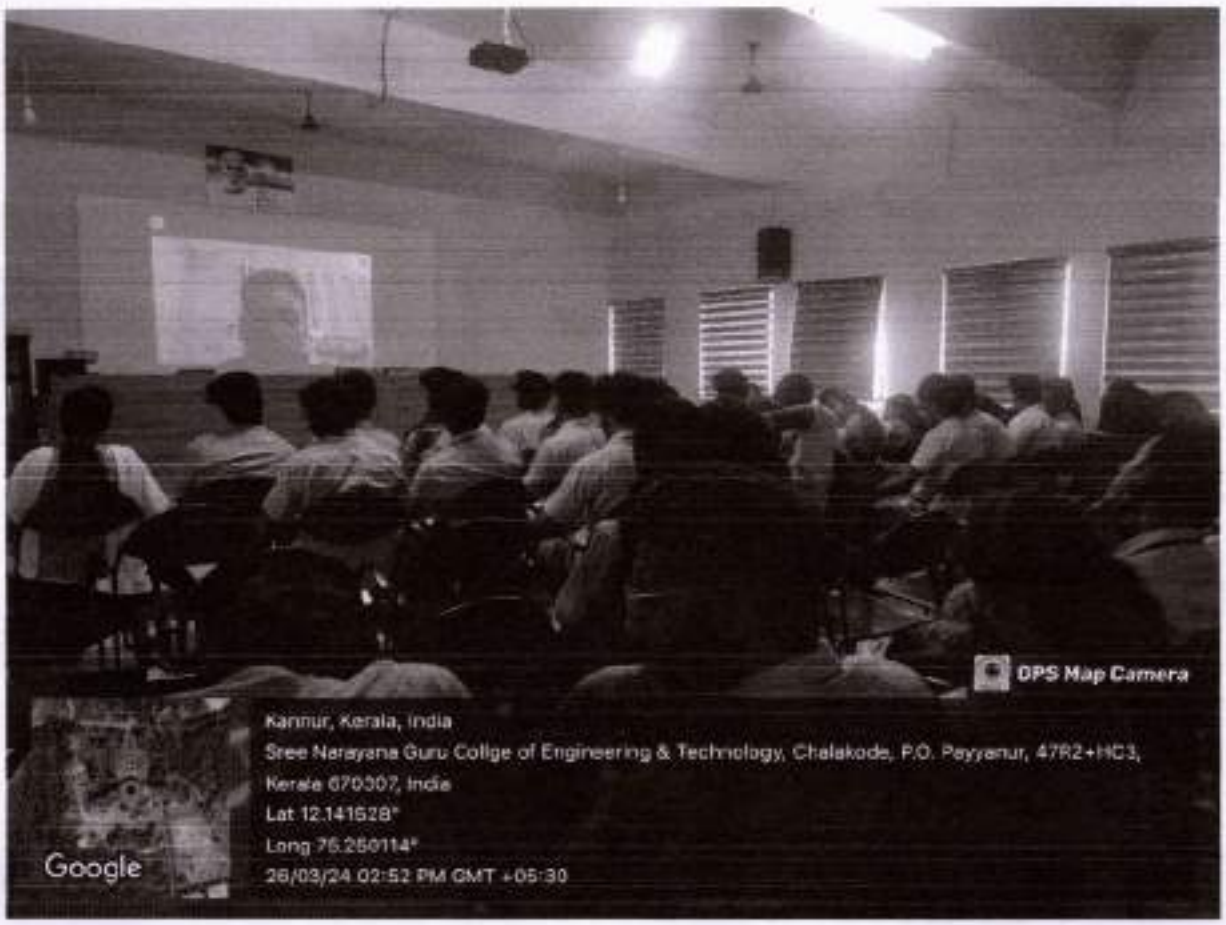

Dr. [illegible] A. V.
PRINCIPAL

KANNUR

offering practical advice on career planning, skill development, and seizing job opportunities post-B.Tech. His candid anecdotes and real-world perspective resonated deeply with the audience, fostering a sense of confidence and clarity about their future endeavors.

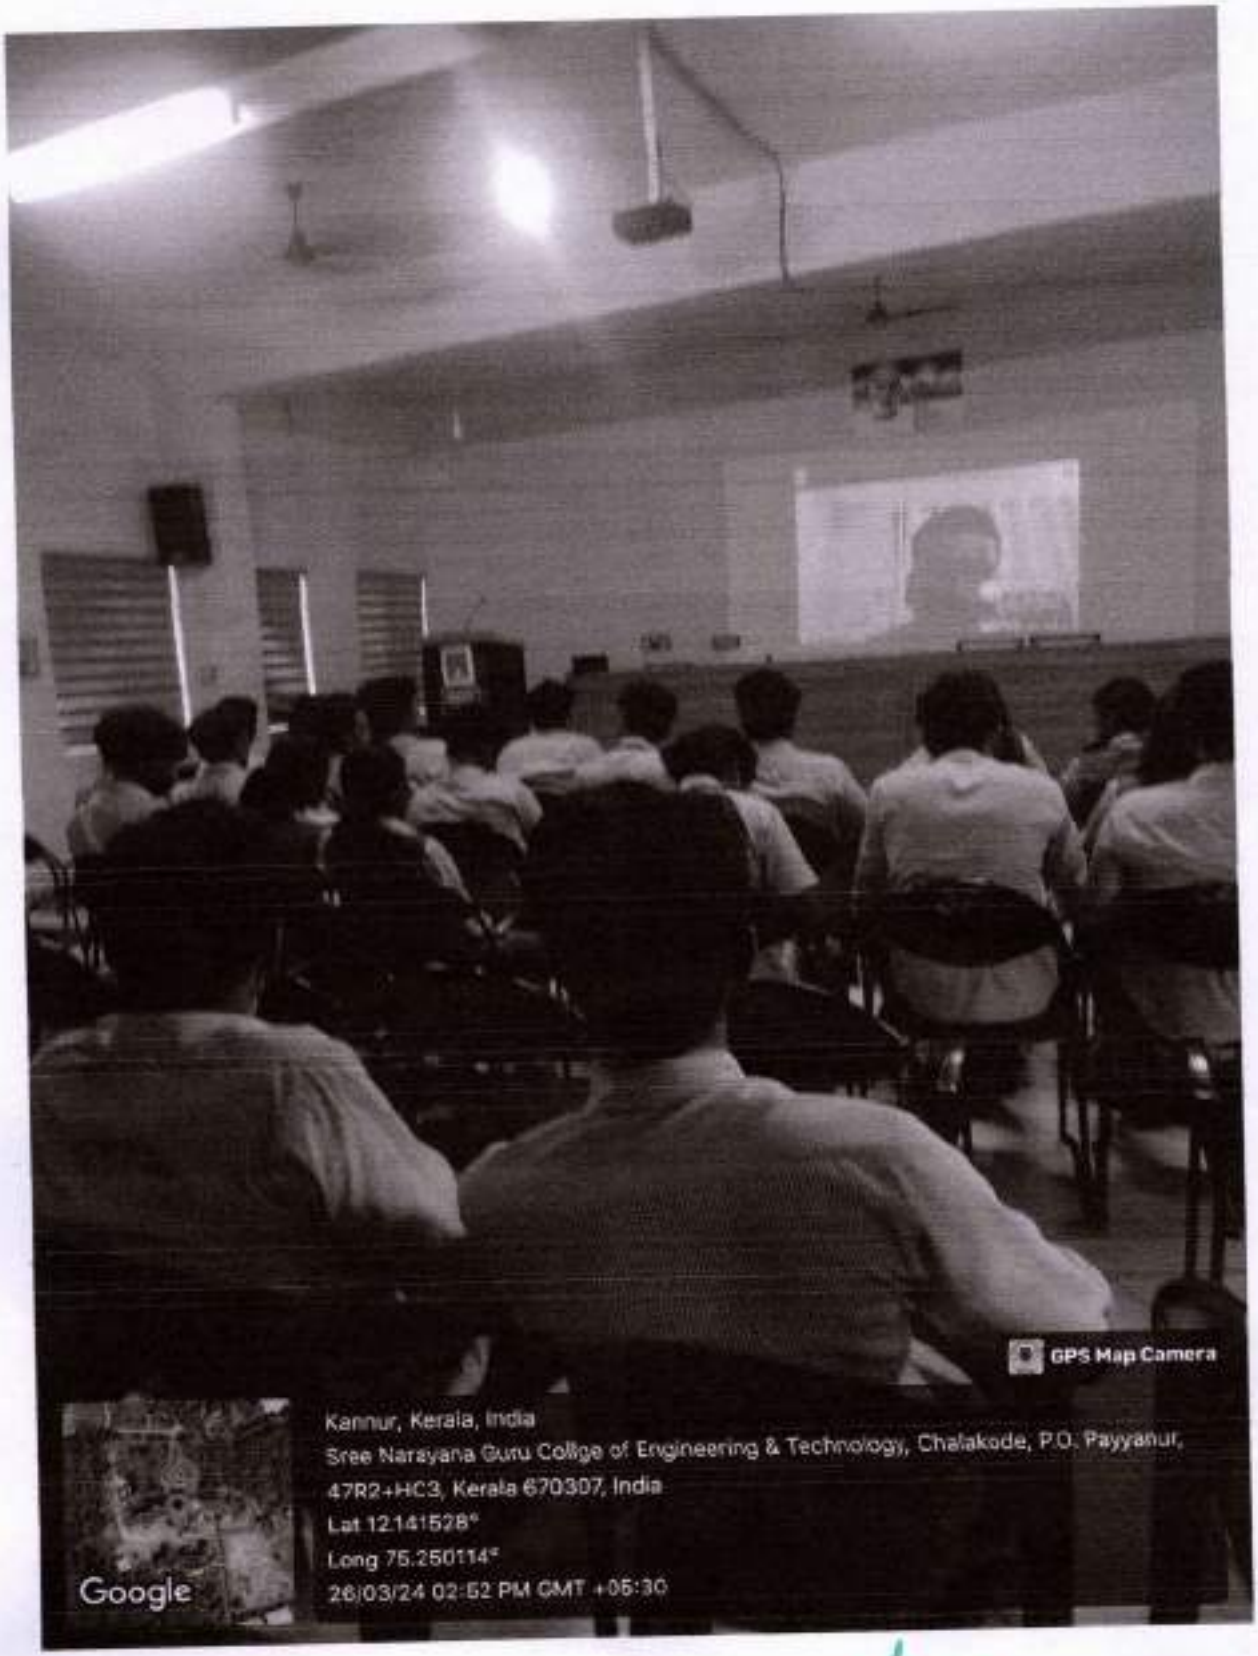

Muhamad Aseel, College Chairman, extended a heartfelt vote of thanks, expressing gratitude to Major Anand U for his enriching contribution to the session. The event concluded on a convivial note, with students and staff of the ECE department engaging in informal discussions over snacks and cool drinks, further strengthening the bonds within the academic community.

In essence, the interactive session with Major Anand U served as a beacon of inspiration for students, illuminating the diverse array of career prospects awaiting graduates of the Electronics and Communication Engineering Department. It reinforced the college's commitment to nurturing holistic development and fostering a culture of lifelong learning among its students, preparing them to excel in their chosen fields and make meaningful contributions to society.

IQAC

Minutes of IQAC Cell Meeting

Date: 19-10-2023

Name of the members of IQAC.

Name.

1. Dr. Leena. A.V.
2. Shri. C. C. Mohanan
3. Prof. T. Divakaran
4. Dr. Susan Abraham
5. Ms. Mary Sonia George
6. Ms. Leena Narayanan
7. Mr. Sunder. V.
8. Ms. Saritha Sasindran
9. Mr. Jacob Thomas
10. Ms. Prabha Chandran
11. Mr. Abhilash. K.
12. Ms. Veena. K.K.
13. Shri. Suresh Babu. K.V. — Absent
14. Ms. Aswathi. P.I.
15. Mr. Jayadeep Kumar, AG, PWD — Absent

Discussions

1. The IQAC Chairman gave a warm welcome To the members in the meeting.
2. The IQAC Co-ordinator briefed about the comments of the external auditors.
3. The external auditors mentioned that the complete details of the faculty who have gone for higher

studies by availing long leave should be maintained in the register.

4. They have suggested that Action taken can be mentioned in the same register itself as the meeting minutes are written in. Only the members present need to be mentioned in minutes.

5. Principal should be the chair person in all the committees.

6. In Women's Grievance Cell one or two male faculty members and female students should be included.

7. As a part of Grievance Cell 'Grievance Boxes' and 'She Boxes' should be placed in the college campus to put their complaints.

8. These Boxes are to be opened once in a semester; meeting is to be conducted and actions are to be taken.

9. All Bills are to be included in Department Budget file.

10. An active staff club is to be constituted in the college and various activities like participation in KTU matches is to be encouraged.

11. In Sports file all activities reports are to be placed.

12. IQAC front page need to be incorporated in

internal examination file. The Readings need to mentioned properly the number of questions to be written in series Question Paper. Higher levels can be mentioned in Question paper as per Syllabus.

13. The CO and PO attainment should be by incorporating in any software with both direct and indirect methods.

14. Faculty Feedback need to be done in CMS software and then HOD's comment should be mentioned.

15. Students should be motivated to join for MOOC courses and NPTEL Courses. The fees for students will only be 50% as college has NPTEL Chapter.

16. A sheet to be mentioned in Projects showing the submission of Three Topics.

17. In Remedial Register topics are also to be mentioned.

18. Login - Register Book of Lab should be signed at the end of the semester.

19. The Chairman then commented and concluded the meeting.

CO-ORDINATOR

PRINCIPAL

Action Taken Report

1. The complete details of the faculty availing long leave for Higher Studies were collected.

2. The Action taken reports for new registers will be maintained in the same register.

3. In almost all except two committees, Principal was the Chair person, now in all committees Principal is the chair person.

4. One male faculty and two female students from Semester 7 and Semester 5 are included in the Women's Grievance Cell.

5. All Bills are included in Department Budget file.

6. A Staff club was formed in the begining of this year but the activities of Staff club was increased.

7. A new CMS was installed in the campus called Ettlabs. Hence OP, Co-PO attainment, Faculty Feedback etc. can be obtained from it.

8. A sheet containing the three topics is also maintained in the file.

9. Remedial Register Topics are to be mentioned.

10. Login - Register of Labs will be signed at the end of the Semester.

CO-ORDINATOR

Date: 4-12-2023

Members of IQAC

Name.

1. Dr. Leena. A.V.
2. Dr. Susan Abraham
3. Ms. Mary Sonia George
4. Ms. Leena Narayanan
5. Mr. Sundar. V.
6. Ms. Savitha Sasindran
7. Mr. Jacob Thomas
8. Ms. Prabha Chandran
9. Mr. Abhilash. K.
10. Ms. Varsha
11. Ms. Aswathi. P.I.

Discussions

1. The IQAC Chairman gave a warm welcome to the members in the meeting.

2. The IQAC Co-ordinator briefed that one Internal Audit is completed and the other Internal Audit is scheduled in the month of December.

3. The IQAC Chairman opined that the external Auditor who was our former student has not checked all the files but still has given a fair report in many of the criteria where we were in the good category.

4. She also informed that the Principal's remarks on the comments given by the the auditor, has substantiated that remarks given by the auditor was false.

5. She also informed the Department IQAC members to be more vigilant during internal and External Audit.

6. The IQAC Co-ordinator mentioned that the comments given by the external auditor's will be taken care of to the utmost possibility.

7. The meeting then concluded with a vote of Thanks by IQAC Co-ordinator.

CO-ORDINATOR

PRINCIPAL

Action taken Report -

1. The second internal Audit was conducted on December 18th, 19th & 20th.

2. The Datas were verified in Etlab the new software CMS in the college.

3. The files will be taken print when the external Audit schedule date will be given.

4. The names of the members who attended the meeting alone will be written as per External Auditor's advice.

15.	Mr. Vyjith	
16.	Mr. Jayadeep Kumar, AE, PWD.	Absent.

Discussions

1. The IQAC Chairman gave a warm welcome to the members in the meeting.
2. The IQAC coordinator gave a welcome to the new members of the reconstituted committee and briefed about the agenda (Internal / External Audit).
3. The internal audits are over and the reports are to be submitted by 3rd of April 2023.

4. According to the previous report the external audit dates were on April 4th to 14th. As no communication from the university has been received yet, the tentative dates may be in the month of June.

5. All the committee audits are not over fully. Hence all the committees have to convene a meeting and submit the report for internal audit.

6. As the college is going for NAAC accreditation, all the documents will be in-line with NAAC.

7. All the discrepancies in the previous audit are to be set correct in this audit.

31/3/22

~~17~~	~~Mohanan C.C.~~	

Disussions.

1. The IQAC Chairman gave a warm welcome to the members in the meeting.

2. The IQAC co-ordinator briefed about the oncoming External Audit.

3. The IQAC auditor also briefed about the online meeting conducted by KTU for the

auditors.

4. The special addition in the audit was that the class / course committee's conducted for 2015 scheme need to be conducted for 2019 scheme also.

5. The KTU also briefed about the formation of [CO- PO discussion] Subject Groups for each department.

6. The meeting also informed that the external auditors would check the A, B, & D files for each department.

7. The new regulation M. Tech File also will be checked this time.

8. These were the points discussed and the meeting concluded.

20/6/2023.

Meeting of IQAC.

21-2-2022

Name of the members attending the meeting.

1. Mary Sonia George. (Co-ordinator)
2. Nikhil. M. (H&S)
3. Trisha (CSE)
4. Abhilash Krishnan T.K. (EEE)
5. Shilpa Valsakumar (CE)
6. Subitha (ECE)
7. Chandrajith (ME)
8.

Due to covid signatures were not taken

Discussion:

1. The IQAC Co-ordinator gave a warm welcome to the gathering.
2. An internal audit is to be conducted as the University may conduct audit any time after the completion of this semester.
3. Hence the dates for the internal audit was decided as 21-3-2022 and 22-3-2022.

21/2/2022.

Minutes of IQAC Cell Meeting

2-6-2022

Venue: Principal Room

Time: 2.30 p.m.

Name of the members attending the meeting.

1. Dr. Leena. A.V. (Chairman)
2. Sri Ashok Hegde. L (AO)
3. Mary Sonia George (Co-ordinator)
4. Nikhil M (Convenor)
5. Abhilosh Krishnan T.R (EEE)
6. Arjun Jayaprakash (ME)
7. Subitha. M.B (ECE)
8. Shilpa Vaikakumar (CE)
9. Prabha Chandran. (Alumini)
10. Ashwathi. P.I (Student representative)

Discussion:

1. The IQAC Chairman gave a warm welcome to the gathering. She briefed about the importance of IQAC Cell to all the new members.

2. The IQAC Co-ordinator told about the external audit Schedule. The KTU has informed that Audit can be scheduled 8th of June to 17th June.

3. The IQAC co-ordinator also informed that internal audit has been conducted from 30th of May onwards. The Department Auditors were asked the status of the audit. The report is to be submitted by 4th of June.

4. The Department Auditors have not fully completed the audit and said would submit the report by 4th of June.

5. As we are trying for Accreditation certain discripencies are still there in various departments one which we are working to improve it.

6. Suggestions were sought from the members and the Chairman informed that new CMS software would soon be taken Available

7. Also the Department Auditor from CSE Ms. Jinsha has relieved from the college and Ms. Nimisha would be the next Co-ordinator from CSE.

2/6/2022.

2/6/22

Online Minutes of IQAC meeting 21-10-2020

Name of the members attending the meeting.

1. Mary Sonia George (Co-ordinator)
2. Sreeraj Narayanan (CSE)
3. Leena Narayanan (ECE)
4. Abhilash Krishnan (EEE)
5. D. Sujith (System Administrator)
6. Shilpa Valsakumar (CE)
7. Nikhil (H&S)
8. K. Lipin (ME)

Due to covid signatures were not taken

Discussion:

1. Now due to Corona only online meeting was conducted and the IQAC co-ordinator welcome the members.

2. A short meeting was conducted to decide the internal audit date as KTU have asked to upload the internal audit report in the e-format.

3. The date of the internal audit through CMS was decided as 27-10-2020.

4. The concern in the problem of online auditing was addressed

by the system administrator.

May Sonia Gil
21/10/2020.

Minutes of IQAC meeting.

2-2-2021

Name of the members attending the meeting:

1. Mary Sonia George (Co-ordinator)
2. Sreeraj Narayanan (CSE)
3. Leena Narayanan (ECE)
4. Abhilash Krishnan (EEE)
5. D. Sujith (System Administrator)
6. Shilpa Valsakumar (CE)
7. Nikhil (HES)
8. K. Lipin (ME)

Due to covid signatures not taken were

Discussion:

1. The IQAC co-ordinator briefed that still as Corona has been in its peak. The meeting will be very brief for very little time maintaining protocol.
2. The second e- audit is to be conducted and so the dates of the audit is to be finalised.
3. The dates are 9-2-2021 and 10-2-2021.

9-2-2021

Online Meeting of IQAC.

17-6-2021

Name of the members attending the meeting.

1. Mary Sonia George. (Co-ordinator)
2. Sreeraj Narayanan (CSE)
3. Abhilash Krishnan T K. (ECE)
4. Shilpa Valsakumar (CE)
5. Nikhil. H. (H&S)
6. Leena Narayanan (ECE)
7. Lipin. K. (ME)
8.

Due to covid signatures were not taken.

Discussion:

1. The IQAC co-ordinator gave a welcome to the gathering.
2. In the Online meeting the IQAC co-ordinator expressed concern that there has been no intimation about next audit in KTU. Hence an internal audit can be conducted to keep the files ready.
3. An Audit with few files online and some files offline can be planned if the then Corona situation improves.
4. Reg This time an online audit can be conducted.

17/6/2021

Minutes of first IQAC Meeting

Dated. 23/09/19.

Minuets of Meeting.

Time: 12:00pm
Date: 3-04-2023

Venue: B4, EEE dept
Class room.

Agenda:-

1) General discussions
2) Future Execution plans
3) Any other Related Matters.

Members Present:

1) Mr. Abhilash Krishnan T-K, APEEE - Chairman
2) Mr. Nikhil M, HOD E&H - Convenor
3) Ms. Bindya M C, AP S&H - Member
4) Mr. Sunder V. HOD ECE - Member
5) Mr. Nikesh K S4 MTech - Member-student
6) Ms. Anjali M-P, S8 CE Student
7) Ms. Shabana Sherin, S6 CE Student
8) Mr. Abhinav C, S6 EEE Student
9) Mr. Hrudhul Raje S6 EEE Student
10) Mr. Arjun M, S6 CSE Student
11) Ms. Anagha K, S8 CSE Student
12) Mr. Sourag K, S6 ME Student
13) Mr. Akhil B, S8 ME Student
14) Ms. Keerthana CV, S8 ECE Student
15) Ms. Thejasree T-K, S6 ECE Student.

Discussions:

1) Chairman Briefed about "Suraksha" Student welfare scheme of the university- APJ KTU, Suraksha supports the Regular Students of affiliated colleges and institutions & university departments in case of accidents and illness.

Dr. LEENA. A. V.
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY, PAYYANUR

Suraksha Finally supports the Family of the Regular Students in their time of crisis caused due to accidents, Illness or death.

(2) Mr. Sunder V. Explained about the admission procedure to the Suraksha scheme that every affiliated engineering college under APJKTU should obtain a duly filled up application in Form A for first year admission as on the date of admission, B for undergoing graduate engineering students as date of admission the this scheme will be deemed to be the date of enrolment under the scheme,
he also told that every Regular Student shall pay fees fixed by the University from time to time for enrolment in the Scheme.

(3) Ms. Bindya told that Form A should be filled by Student and form B should be submitted to university on claiming the amount form C is concerned about Illness which is given in the Rules of Suraksha scheme

(4) Chairman told that enrolment number shall be fixed from the college as per the Rules of scheme apart the interest received from the Students Regarding the Scheme.

Report on staff tour

The two day tour to Wayanad from June 3 to June 4 2023 was an enriching experience filled with exploration and discovery. The destination was Situated in the Western Ghats of Kerala, Wayanad is renowned for its lush greenery, misty mountains, and rich biodiversity. Total 25 members were there in the journey.

The Journey started morning 7 AM from Sree Narayana Guru College of Engineering& Technology. First Destination was Pookkode Lake, which is a very beautiful tourist place cherished with greenery. After spending joyfull moments on Pookkode lake, the bus departed to Resort Located at Vaithiri.

The Team had a night with a sumptuous dinner, savoring the flavors of Kerala cuisine and reminiscing about our adventures in Wayanad.

On 4th june, the next destination was Meenmutti Waterfalls. That was truly an adventurous one. The whole team spent so much time to enjoy the natural beauty of Meenmutti Waterfall. After having lunch the team returned to the Resort. Then return to Campus at 10 PM

Report on Staff Onam Celebration

Onam recalls the days of prosperity, equality, and unity; it is a festival that creates the feeling of oneness among all sections of people. Onam is a harvest festival that marks the homecoming of the mythical King Mahabali.

SNGCET celebrated Onam on August 26th, 2023. The preparations for the celebration started weeks ago. The staff welfare committee had planned the Onam celebration for the faculty and staff members of the college. The dress code for the day was traditional Kerala sarees and dhotis.

The main highlight of the celebration was the flower carpet designed on the first floor of the administrative block. The group effort of the faculty and staff created a stunning design of a carpet with flower petals and rangolis. The celebration began with a lamp lighting ceremony with all the members gathered in the meeting hall. The ladies of SNGCET captivated the crowd with the graceful moves of traditional "Thiruvathira," while the gentlemen mesmerized the crowd with "Kaikottikali."

Adding to the charm, different fun games were arranged. Members from different groups participated in lemon spoons, balloon breaking, tug of war, musical chairs, etc., which added a sense of team spirit. The day's celebration was followed by an Onam sadhya, which added a taste of tradition to the day.

The day ended with lots of memories. It provided an opportunity for everyone to experience the vibrant traditions and customs of Kerala. The festivities created a joyful atmosphere, fostering a sense of belonging and pride among the college community.

Report on Staff Christmas Celebration

On the 22nd of December 2023, the staff of our institution came together to celebrate Christmas in a joyful and festive manner. This report aims to provide an overview of the celebration and highlight the significant contributions of the staff in making the event memorable.

Prior to the celebration day, the staff welfare committee had planned for a dress code with a red and white combination, symbolizing the traditional colors of Christmas. Most staff members dedicated their time and effort on the preceding day to make necessary arrangements, such as setting up the Christmas crib, and decorating the surroundings with stars and LEDs, adding to the festive ambiance.

The day of the celebration commenced with all staff members assembling at the Swami Ananda Theertha block in the morning. Together, they sang Christmas carols, spreading joy and festive cheer. The highlight of the event was the entry of Santa Claus, which added excitement and created memorable moments for everyone present. Following the morning activities, the staff gathered at the Mahakavi Kumaranashan Hall, where the main Christmas celebration took place. The program began with an introductory speech by the Principal, setting the tone for the festivities. Staff members then exchanged Christmas friend gifts, fostering camaraderie and warmth among colleagues.

Various entertainment activities, including singing songs and dancing, were organized to enhance the festive atmosphere. Staff members enthusiastically participated in these activities, showcasing their talents and spreading joy throughout the gathering. The lively and spirited atmosphere further added to the overall enjoyment of the event.

As the day drew to a close, all staff members extended warm wishes of "Merry Christmas" to each other, marking the conclusion of the program. The Christmas celebration conducted by the staff was a resounding success, thanks to their collective efforts, dedication, and spirit of camaraderie. It not only brought joy and happiness to everyone involved but also strengthened the bonds within the staff community.

This report acknowledges and appreciates the staff's active participation and contributions towards making the Christmas celebration a memorable and enjoyable event.

Report on SATVI

Satvi, the College Day Program organized by the College Union, was conducted on the 2nd and 3rd of March 2024. This report aims to highlight the significant contribution of the staff towards the success of the program. The staff's involvement in Satvi was truly commendable, serving as the backbone in supporting students in organizing and executing various activities. Their participation ranged from judging events to actively engaging in performances alongside the students.

A considerable portion of the staff served as judges for the different competitions and events held during Satvi. Their expertise and impartial judgment contributed significantly to maintaining the integrity and fairness of the competitions. Furthermore, staff members played a crucial role in ensuring the timely completion of the program as per schedule. Their guidance and assistance helped students in managing their time effectively and coordinating different activities smoothly. In a gesture to motivate and inspire students, staff members actively participated in a group dance performance. Remarkably, staff from various departments came together, breaking barriers, and showcased their enthusiasm and unity through this performance.

On the concluding day of Satvi, the staff organized an entry program from the college main entrance. This program featured musical poppers and fireworks, adding vibrancy and excitement to the event. The staff's effort in making the program colorful and engaging was highly appreciated by both students and management. The participation of the staff not only uplifted the spirits of the students but also garnered appreciation from the management for their unity and contributions. Their active involvement enhanced the overall experience of Satvi, creating a memorable event for everyone involved.

In conclusion, the staff's participation during the Satvi College Day Program was instrumental in its success. Their unwavering support, enthusiasm, and dedication underscored their commitment to the students' development and the overall welfare of the college community. Their contribution truly exemplified the spirit of teamwork and unity, making Satvi a resounding success.

This report acknowledges and celebrates the invaluable role played by the staff in making Satvi a memorable and successful event.

Report Regarding Annual Athletic Meet 2022-2023

Date: 25th April 2023

Venue: SNGCET College Athletic Ground

The annual athletic meet of Sree Narayana Guru College of Engineering & Technology (SNGCET) was held on 25th April 2023 at the college athletic ground. The event witnessed enthusiastic participation from students and faculty members alike, showcasing the spirit of sportsmanship and camaraderie within the institution. The event was inaugurated by Principal Dr. Leena A V A total of 119 individuals participated in the athletic meet, comprising 84 men and 35 women. Additionally, 20 teachers also actively participated in various events, demonstrating their commitment to promoting physical fitness and healthy competition among students. The athletic meet featured a range of track and field events, including sprints, relays, long jump, high jump, shot put, and javelin throw, among others. Participants showcased their athletic prowess and determination, competing fiercely in each event to secure top positions.

The atmosphere at the athletic ground was electrifying, with students cheering on their peers and faculty members providing encouragement and support from the staff and students of SNGCET. The event served as a platform for students to showcase their athletic talents, foster team spirit, and build lasting friendships. The winners of each event were felicitated with certificates and trophies, recognizing their outstanding performance and dedication. Additionally, special awards were presented to individuals who demonstrated exemplary sportsmanship and leadership qualities throughout the meet. The success of the annual athletic meet would not have been possible without the diligent efforts of the organizing committee, faculty coordinators, volunteers, and participants. Their hard work, dedication, and

Dr. LEENA A V

commitment to excellence contributed to making the event a memorable and enjoyable experience for all. It sound the clossing ceremoney was quite patriotic with the Principal of SNGCET flag dip and hand over to the Head of Physical Education for the next years sports meet and end with the National anthem.

In conclusion, the annual athletic meet of SNGCET was a resounding success, fostering a sense of unity, sportsmanship, and healthy competition among students and faculty members. The event served as a testament to the college's commitment to promoting physical fitness and overall well-being among its community members. Thank you to everyone who contributed to making the annual athletic meet a grand success. We look forward to many more such events in the future.

DEPARTMENT OF PHYSICAL EDUCATION

ANNUAL REPORT 2022- 23

In the year 2022-23, the Department of Physical Education was very impressive in inter-collegiate and intramural activities. The handball women team was the winner of F-zone inter-collegiate championship organized at LBS College of Engineering Kasargod on 18nth and 19nth November 2022.

All programs of the department were conducted smoothly, thanks to the true spirit of sportsmanship of all the faculties and the students associated.

Intramural programs

The meeting of the college sports committee was held on 07/10/2022 in the department of Physical education and resolved to take adequate measures to improve the students participation in sports activities in order to strengthen the college team.

The college team were participated for the following items in the academic year 2022-23

1. Inter-Collegiate F-Zone Cricket for Men.
2. Inter-Collegiate F-Zone Football for Men.
3. Inter-Collegiate F-Zone Kho Kho for Men.
4. Inter-Collegiate F-Zone Handball for Men.
5. Inter-Collegiate F-Zone Handball for Women.
6. Inter-collegiate F-Zone Volleyball for Men.
7. Inter-collegiate F-Zone Volleyball for Women.

Dr. LEENA A V

8. Inter-Collegiate F-Zone Kabaddi for Men.
9. Inter-Collegiate F-Zone Kabaddi for Women.
10. Inter-Collegiate F-Zone Badminton for Women.
11. Inter-Collegiate Inter-Zone Handball for Women.

RESULT

Inter-Collegiate F-Zone Handball Winner (Women's)

1. Mohammed Shazin Shan, S7 CE, member of APJKTU Badminton team.
2. Adwaith Balan, S7ME, member of APJKTU Kabaddi team.
3. Vidyasagar P, S7ME, member of APJKTU Kabaddi team.

International Yoga day celebrated on 21/06/2022.
The annual athletic meet 2023 conducted on 25/04/23.

Let me take this opportunity to express our sincere gratitude to all the college authorities, Management, Principal, Staff, Students and all those who assisted and supported us for smooth and successful functioning of the department.

Report Regarding Annual Athletic Meet 2021-2022

Date: 04th May 2022

Venue: SNGCET College Athletic Ground

The annual athletic meet of Sree Narayana Guru College of Engineering & Technology (SNGCET) was held on 04th May 2022 at the college athletic ground. The event witnessed enthusiastic participation from students and faculty members alike, showcasing the spirit of sportsmanship and camaraderie within the institution. The event was inaugurated by Principal Dr. Leena A V. A total of 89 individuals participated in the athletic meet, comprising 54 men and 35 women. Additionally, 15 teachers also actively participated in various events, demonstrating their commitment to promoting physical fitness and healthy competition among students. The athletic meet featured a range of track and field events, including sprints, relays, long jump, high jump, shot put, and javelin throw, among others. Participants showcased their athletic prowess and determination, competing fiercely in each event to secure top positions.

The atmosphere at the athletic ground was electrifying, with students cheering on their peers and faculty members providing encouragement and support from the staff and students of SNGCET. The event served as a platform for students to showcase their athletic talents, foster team spirit, and build lasting friendships. The winners of each event were felicitated with certificates and trophies, recognizing their outstanding performance and dedication. Additionally, special awards were presented to individuals who demonstrated exemplary sportsmanship and leadership

qualities throughout the meet. The success of the annual athletic meet would not have been possible without the diligent efforts of the organizing committee, faculty coordinators, volunteers, and participants. Their hard work, dedication, and commitment to excellence contributed to making the event a memorable and enjoyable experience for all. It sound the clossing ceremoney was quite patriotic with the Principal of SNGCET flag dip and hand over to the Head of Physical Education for the next years sports meet and end with the National anthem.

In conclusion, the annual athletic meet of SNGCET was a resounding success, fostering a sense of unity, sportsmanship, and healthy competition among students and faculty members. The event served as a testament to the college's commitment to promoting physical fitness and overall well-being among its community members. Thank you to everyone who contributed to making the annual athletic meet a grand success. We look forward to many more such events in the future.

DEPARTMENT OF PHYSICAL EDUCATION

REPORT, RESULTS AND STATISTICS

In the academic year 2019 – 20 Department of physical education repeated our excellence in KTU intercollegiate F- zone competitions as well as intercollegiate inter zone tournaments. We organized all the programmes in an excellent manner with the sound support and cooperation of principal, Administrative officer, faculties, and all the students of various departments.

In the academic year 2019-20 the college participated for the following discipline such as Football, Cricket, Badminton, Kabaddi, Table tennis and Athletics:-

Football	- Winner F- Zone.
Cricket	- Participated F – Zone.
Badminton	- Men winner F- Zone.
Kabaddi	- Participated F – Zone.
Table Tennis	- 3rd Prize.

One of our students selected from F-Zone to participate inter-Zone Football team selection at TKM College of engineering Kollam.

One of our students selected from F-Zone to participate inter-Zone **Kabaddi** team selection at Thrissur Engineering College and selected as reserve player for the University team.

Two students from our Institution participated the inter-zone selection trails at College of Engineering Thiruvananthapuram, for Table Tennis.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

One of our students had been University player for **Badminton** and participated the south zone inter university **Badminton** tournament.

This year also the department organized the intramural sports and games, 150 students from different departments participated in that event. The physical education department awarded trophies, medals and certificates to the winners of all the items being conducted.

Before concluding, I take this opportunity to thank our Principal Dr. Leena A V, HODs of all departments, teaching and non-teaching staffs and students for their whole hearted support and encouragement for the smooth and successful functioning of the department.

DEPARTMENT OF PHYSICAL EDUCATION

Report, Result and statistics 2018-19

The academic year 2018-19 was also outstanding for the Department of Physical Education. We repeated our excellence in the KTU Intercollegiate F-Zone competition, as well as the Intercollegiate Inter Zone competition. We organized all the programs excellently with the support and cooperation of all the students, teachers, especially the principal, and administrative officer.

The college participated in the fixture meeting held at CET, Trivandrum, on 12-09-2018 and the Zonal fixture meeting at GCE, Kannur, on 15-09-2018. The KTU Intercollegiate competition for the year 2018-19 started on 29-09-2018 with Badminton (Men & Women) organized under the auspices of VJEC, Chemperi. The Intramural selection trials for our college in various sports disciplines for the intercollegiate championship started in the last week of September 2018. The following selection trials were conducted:

1) Badminton (Men & Women)

2) Cricket

3) Football

4) Volley ball

5) Kabaddi

6) Table Tennis (Women)

7) Athletics (Men & Women)

Our college had participated the following items in the KTU Intercollegiate F-Zone and Inter-Zone championship:

Sl no	Items	Zonal level	Interzone	Number of students participated	Result
1	Badminton (Men)	•	□(selection)	8	Two players Selected for zonal
2	Badminton(Women)	•		5	
3	Football	•		20	
4	Cricket	•		16	

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

5	Volley ball	•	□(selection)	12	Two players selected for zonal
6	Kabaddi	•	□(selection)	12	Runners zonal fourth position in the state level selected one player named Ajay in university team
7	Table tennis(woman)	•		3	Third (Zonal)
8	Athletics	•	•	5	Third (state level putting the shot) and 4th position in the hammer throw state level

We organized the F-Zone Kabaddi Championship at GCE, Kannur, on 28-10-2018, with teams from four districts participating in the tournament.

The annual Athletic Championship of our institution was held on 21-02-2019 at SNGCET Sports ground, and this year a larger number of students participated in the meet (121 students including girls).

Before concluding, let me take this opportunity to thank our Principal, Administrative Officer, all the staff, and students for their support and encouragement for the smooth and successful functioning of the department.

Minutes of the Meeting SC/ST COMMITTEE held on 21.8.23

Members Present

1. Dr. Leena A V, Principal- Chairperson
2. Dr. Susan Abraham , Dean UG PG Studies- Convenor
3. Ms. Archana CP , AP EEE
4. Ms. Meera M AP ECE
5. Mr. Vijina Vijayan, AP CSE
6. Mr.Shibin B AP CE
7. Mr.Rahul A.M AP ME
8. Ms. Abhirosh K, AP S&H
9. Mr.Rajath Manoharan S6 CE
10. Ms. Sreelakshmi S6 CE

The meeting commenced at 3.00p.m in the Meeting Hall

Agenda:

1. As per the office order SNGCET/AC/08/2023 The SC/ST committee was reconstituted to look into the welfare of the SC/ST students in the institution.
2. The Chairperson welcomed the members for the Meeting
3. The main aim of the meeting was to create awareness among the students about the committee and the members can raise issues related to SC/ST students.
4. The Committee decided to create awareness among students about the welfare schemes when introduced.
5. The SC/ST students may also give representation to the committee if the faced any issues.

PROGRAMME ASSESSMENT COMMITTEE

SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY,

SNGCET/AC/2023 01-03-2023

PROGRAMME ASSESSMENT COMMITTEE (PAC)

The Programme Assessment Committee (PAC) is hereby constituted with the following members to monitor the Department activities and evaluate various parameters.

Civil Engineering

1. Ms. B. Mary Sonia George, HOD CE- Chairperson
2. Dr. Susan Abraham, Dean UG & PG – Senior Faculty Member
3. Ms. Saritha Sasindran, AP CE- IQAC Co-ordinator
4. Ms.Shamya Sukumaran, AP CE- NAAC Co-ordinator
5. Mr. Jacob THomas, HOD ME - Member from Sister Department

Computer Science and Engineering

1. Mr. Sunder V, HOD CSE- Chairman
2. Ms. Varsha M, AP CSE – Senior Faculty Member
3. Ms. Veena K K, AP CSE- IQAC Co-ordinator
4. Ms. Vijina Vijayan, AP CSE- NAAC Co-ordinator
5. Ms. Chaithanya, AP ME - Member from Sister Department

Electrical and Electronics Engineering

1. Mr.Abhilash Krishnan T K, HOD EEE- Chairman
2. Mr. Manu C, AP EEE – Senior Faculty Member
3. Ms. Prabha Chandran, AP EEE - IQAC Co-ordinator
4. Mr. Vaishak M Nayanar, AP EEE - NAAC Co-ordinator
5. Ms. Abhaya D K, AP ECE - Member from Sister Department

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

Electronics and Communication Engineering

1. Ms. Leena Narayanan, HOD ECE- Chairperson
2. Ms. Meera M, AP ECE – Senior Faculty Member
3. Ms. Thrishna S, AP ECE - IQAC Co-ordinator
4. Ms. Vani R, AP ECE - NAAC Co-ordinator
5. Ms. Archana C P , AP EEE - Member from Sister Department

Mechanical Engineering

1. Mr. Jacob Thomas, HOD ME- Chairman
2. Dr. Sudhin Chandran, Associate Professor ME – Senior Faculty Member
3. Mr. Rahul A M, AP ME - IQAC Co-ordinator
4. Mr. Athul Raj P P, AP ME - NAAC Co-ordinator
5. Ms. Shilpa Vasisakumar, AP CE - Member from Sister Department

Functions:

- Monitoring the achievements of Program Outcomes (POs) and Program Specific Outcomes (PSOs)
- Evaluating program effectiveness and proposing necessary changes.
- Preparing periodic reports on program activities, progress, status or other special reports for management.
- Motivating the faculty towards attending workshops, developing projects, working models, paper publications and engaging in research activities.
- Review of Curriculum Gaps, Approval of Syllabus Gaps and intimating the relevant ones to the University.

Programme Assessment Committee Meeting Minutes

Date: 06-03-2023

Time:11.30 am

Location: CE seminar hall

Attendees:

Ms. B. Mary Sonia George	HOD CE	- Chairperson
Ms. Saritha Sasindran	DQAC member	- Convener
Dr. Susan Abraham	Dean Academics	- Member
Ms. Shamya Sukumaran	NAAC Coordinator	- Member
Mr. Jacob Thomas	Asst. Professor, ME	- Member

Agenda:

- Review of the minutes of the previous meeting.
- Industry interaction and its impact
- Curriculum and Syllabus Review
- Proposed methodology for attainment of COs, POs, PSOs
- Students performance in Co-curricular and Extra-curricular activities
- Training and Placement progress
- Research and Development activities
- Alumni Interaction and stake holders feedback analysis
- Department outreach activities
- Any other matters

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY

Minutes:

- Ms. Shamya Sukumaran., Assistant Professor welcomed the PAC members for the meeting and reiterated the agenda of the meeting.
- The minutes of the previous meeting held on 7-10-2022 were confirmed without any amendments.
- Discussed the program's effectiveness, the process followed to improve the quality of the teaching-learning process, and methodologies to support slow learners and encourage bright students. Members are advised to identify the different ICT mechanisms for theory and laboratory courses.
- Ms. Saritha Sasindran, Assistant Professor put forth that the membership in professional societies/chapters will be helpful to the students and will also be beneficial for the faculty members.
- Mr. Jacob Thomas, Assistant Professor, Department of Mechanical Engineering discussed the student internship activities and suggested that the internship of the students will be beneficial through MOUs signed companies.
- Dr. Susan Abraham, Associate Professor, suggested that more number of faculty participation in faculty development program is needed and also told about the importance of paper publications in various national and international journals.
- Ms. B. Mary Sonia George, HOD CE suggested that the following activities are to be conducted throughout the year. Add on courses, Technical fest, Alumni talks, Workshops and Hands on Training on relevant topics. She also emphasised on the improvement of University Examination results.

- The important suggestions given by the members are listed below.

    - The students should be classified according to their interests and future goals at the beginning of the program itself. Their skills should be enhanced with appropriate training in their selection of interest.

    - The students must be encouraged to participate in conferences, workshops and project exhibitions. This will create a project based learning environment.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

- Orientation program needs to be conducted on POs, PEOs, PSOs, NAAC accreditation, and NBA accreditation.

- Association activities should be organized and conducted by the students.

- Online courses on student mentoring skills can be pursued by the faculty members.

- For difficult courses more classes needs to be conducted.

- Ms. Saritha Sasindran, Assistant Professor, extended the vote of thanks to all the members for attending the PAC meeting with a request to provide long term support for the prospective development of the department.

Minutes:

- Ms. Vani R, Assistant Professor welcomed the Programme Assessment Committee members for the meeting and reiterated the agenda of the meeting.
- The minutes of the previous meeting held on 7-10-2022 were confirmed without alterations.
- Ms. Leena Narayanan, HOD ECE enquired whether faculties encountered difficulties in covering the syllabus and if they could complete portions within the stipulated time.
- HOD also stressed the importance of training final year students for getting better Placement opportunities.
- The program's effectiveness, the steps taken to enhance the teaching-learning process, and strategies for assisting sluggish learners and motivating talented students were all discussed. It is advisable for members to recognize the various ICT mechanisms in theory and lab courses
- Ms. Thrishna S, Assistant Professor asserted that faculty members and students will gain more values from their membership in professional societies and chapters.
- Ms. Archana C P, Assistant Professor, Department of Electrical and Electronics Engineering stated that the students' internship will help them in their future professional endeavours.
- Ms. Meera M, Assistant Professor recommended that more faculty members take part in the faculty development program and that they be informed of the value of having their work published in a variety of national and international journals.
- Suggestions were put forward that the events such as technical events, alumni presentations, workshops, and hands on session on pertinent subjects should take place throughout the year.
- Additionally, it was emphasized for the need to enhance university examination results.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

- The important suggestions given by the members are listed below.

    - At the start of the program, students should be grouped based on their interests and long-term objectives. With the right instruction in their area of interest choosing, their skills should be improved.

    - Encouraging students to take part in conferences, workshops, and project exhibitions is vital. A project-based learning environment will result from this.

    - It is necessary to hold orientation sessions on POs, PEOs, PSOs, NBA accreditation,
    - and NAAC accreditation.

    - Association activities should be organized and conducted by the students.

    - Faculty members can take online courses on student mentoring skills.

    - For difficult courses more classes needs to be conducted.

- Ms. Thrishna S, Assistant Professor, extended the vote of thanks to all the members for attending the PAC meeting and asked for all time support for the progress and development of the Department.

Programme Assessment Committee Meeting Minutes

Date: 7-10-2022

Time: 11.30 am

Location: EEE seminar hall

Members Present

Mr.Abhilash Krishnan T K	HoD EEE	- Chairman
Ms.Prabha Chandran	DQAC member	- Convener
Dr. Susan Abraham	Dean Academics	- Member
Mr.Vaishakh M Nayanar	Assistant Professor	- Member
Ms. Leena Narayanan	HOD ECE	- Member

Agenda:

- Evaluation and monitoring of attainment of Program Outcomes (POs), Program Specific Outcomes (PSO).
- Planning of co-curricular activities for attainment of activity points.
- Industry interaction
- Training and Placement progress
- Research activities
- Department outreach activities
- Any other matters.

Minutes:

- Mr. Vaishakh M Nayanar(AP EEE) welcomed the PAC members for the meeting.
- The program's university results were reviewed, and the evaluation of outcomes was assessed during the discussion.
- Ms. Prabha Chandran(AP EEE) addressed the incorporation of co-curricular activities to augment activity points.

Dr. LEENA A V

• Topics addressed included evaluating program effectiveness, enhancing the quality of the teaching-learning process, and implementing strategies to support both slow learners and high-achieving students. Members were encouraged to explore diverse ICT tools for theoretical and practical courses.

• Ms. Prabha Chandran(AP EEE) proposed that students' involvement in professional societies/chapters would benefit them and enhance faculty members' experiences.

• Ms. Leena Narayanan(AP ECE),reviewed student internship activities, recommending partnerships with companies through signed MOUs for beneficial student internships.

•Dr. Susan Abraham(Academic Dean) stressed the need for increased faculty participation in development programs and highlighted the significance of publishing papers in national and international journals.

• Mr.Abhilash Krishnan T K(HOD EEE) advocated for ongoing activities including additional courses, technical festivals, alumni discussions, workshops, and hands-on training throughout the year. He also underscored the importance of improving University Examination results.

The important suggestions given by the members are listed below.

- The students should be classified according to their interests and future goals at the beginning of the program itself. Their skills should be enhanced with appropriate training in their selection of interest.
- The students must be encouraged to participate in conferences, workshops and project exhibitions. This will create a project based learning environment.
- Orientation program needs to be conducted on POs, PEOs, PSOs, NAAC accreditation, and NBA accreditation.
- Association activities should be organized and conducted by the students.
- Online courses on student mentoring skills can be pursued by the faculty members.
- For difficult courses more classes needs to be conducted.

- Ms Prabha Chandran(AP EEE), extended the vote of thanks to all the members for attending the PAC meeting with a request to provide long term support for the prospective development of the department.

NATURE CLUB

SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY

The minutes of Nature Club meeting held on 07/06/2022

Members Present:-

1. Mr. Vilas P, Chairman
2. Mrs. Varsha M, Convenor
3. Mrs. Gana N, Treasurer
4. Mr. Abhilash Krishnan T K, Staff Advisor
5. Mr. Dhanaraj K
6. Mr. Unnikrishnan O, HOD Physical Education
7. Mr. Rakesh A K
8. Mr. Gangadharan A
9. Mr. Premanand C
10. Mr. Sreejith K
11. Mr. Nishanth K P

Meeting commenced at 12.30 PM in the Physical Education Department.

Agenda:-

1. Student's representative selection.
2. Tree plantation.
3. Other nature related activities.

The convenor welcomed the members and briefed the agenda.

The chairman informed that to select two student's representatives (interested students) from S2, S4 and S6 classes. Mr. Dhanaraj suggested to plant different trees like cashew trees and neem and he also advised to conduct a seminar for students by Environmentalist on Monday (13/06/2022).

Prof. Premanand opined to collect water and soil samples from nearby places for checking quality of water and soil. Also he suggested to keep name board for trees infront of the administrative block. Prof. Unnikrishnan advised to remove the plastic wastes from the campus.

NATURE CLUB

Nature Club functions in this College with an aim to establish and foster a connection between students and nature. Nature club teaches students to love their mother nature and conserve the resources in it. Nature club organizes nature oriented activities which create awareness among the students, faculty and staff about nature and related issues and also which enable students to explore and conserve nature. The main objectives are Keep the campus green and clean, Create awareness among society about environment and related issues, Plant more trees and to preserve fresh and green environment, Organizing activities to reduce pollution, Executing small scale projects within the campus, etc.

The Nature Club conducts various activities such as Plantation Drive Program, 'Paravakalkkoru Thanneer Kudam' Program, Organic waste bin preparation maintenance of Floral Garden, Herbal Garden, nature trail etc.

Report: Inauguration of the Natural Club

Sree Narayanaguru College of Engineering and Technology, Korom took a significant stride towards environmental consciousness with the inauguration of its Natural Club and Environment Cell. The ceremony, held on 04 June 2022, brought together faculty, staff, and students in a collective commitment to fostering sustainability and environmental stewardship.

Dr. Leena AV, the esteemed Principal of the college, graced the occasion with her presence and inaugurated the Natural Club. Her inspiring words underscored the importance of environmental awareness and the pivotal role of the newly formed club and cell in promoting eco-friendly practices within the college community.

The meeting was presided over by Professor K Raveendran, the Vice Principal, who provided valuable insights into the significance of initiatives aimed at environmental preservation. His leadership set the tone for a fruitful and impactful ceremony. Professor Sundar Venkatachalam, Head of the Department of Computer Science, extended a warm welcome to all attendees, emphasizing the collective responsibility towards safeguarding the environment. His welcoming remarks resonated with the audience, fostering a sense of unity and purpose. Mechanical Workshop Superintendent K Dhanraj expressed gratitude on behalf of the college administration, acknowledging the efforts put forth in organizing the inauguration ceremony. His heartfelt vote of thanks highlighted the collaborative spirit and dedication of all involved. Following the formal proceedings, participants engaged in practical environmental activities, including cleaning work and tree planting on the college premises. These hands-on initiatives demonstrated a commitment to not only raising awareness but also taking concrete steps towards environmental conservation.

.IClub Chairman P Vilas and Convener Varsha M played pivotal roles in organizing and facilitating the activities of the Natural Club. Their leadership and dedication set the stage for future endeavours aimed at promoting sustainability and environmental consciousness.

The inauguration of the Natural Club and Environment Cell at Korom Sree Narayanaguru College of Engineering and Technology marked the beginning of an inspiring journey towards environmental stewardship and sustainability. With strong leadership, enthusiastic participation, and a shared commitment to preserving our planet, the college community stands united in its resolve to make a positive impact on the environment and create a greener, healthier future for generations to come.

REPORT ON
WORLD ENVIRONMENT DAY CELEBRATION ORGANIZED BY NATURE CLUB, SNGCET

World Environment Day 2023 was celebrated in the college on 5th of June 2023 at 1:00 pm coordinated by NATURE CLUB, SNGCET. The programme was presided over by the representatives of the Management, Sree Bhakthi Samvardhini Yogam, Talap, Kannur. The Principal SNGCET, Dr. Leena A.V., welcomed all to the programme. The guest of honour, Shri. Rajeevan M., Assistant Conservator of Forests, Social Forestry Division, Kannur, inaugurated the programme. The staff and students of the college also were present in the programme.

A plantation drive was organised by the club with initiatives like floral garden and herbal garden in the college campus under the programmes. The Management representatives, Chief Guest, Principal, Members of the Nature club, Staff and students of the college actively participated in the drive by planting over 200 saplings.

A photography competition was also conducted by the club on the World Environment Day 2023 theme- Beat Plastic Pollution with good number of responses. The winner was awarded with cash prize.

The programme concluded at 3:45 pm with the Chairman, Nature Club, Shri Vilas P., delivering the vote of thanks.

KTU EXAM CELL

The Minutes of the Enamination cell meeting held on 05/12/2018.

Members Present.

Dr. VK Janardanan, Principal	Chief Superintendent.
Mr Sujith D, AP CSE	Deputy Chief Superintendent
Mr Silnesh P, Office Staff	Support Staff.
Mr Dinakaran N	Support Staff.
Mr Haresh Kumar C, Office Staff	Support Staff.

The meeting commenced at 2pm in the enamination cell

Agenda

1. Examination Hall Arrangement.
2. Stationary / Enamination materials arrangement
3. Invigilation duty list
4. Bar code arrahgement for enamination
5. Enamination answer sheet packing.

Decisions Taken

1. Enamination Hall Arrangement.
   Arrangement of enamination hall was discussed to ensure a smooth and efficient enamination process. The duty is entrusted to House keeping staff - Shyamala.

Following points were discussed regarding enamination hall arrangement

Dr. [illegible]
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

1) Seating Capacity : It was noted that each examination hall should accomodate 20 students

2 ii) Seating Plan : Made necessary arrangement in college and to generate seating plan.

2) Examination materials arrangement.
Arrangements should be made to ensure that examination materials such as question papers, answer sheets and stationary are distributed to each desk prior to start of examination.
Mr Suresh was assigned to do the arrangement.

3) Invigilation duty list.
The invigilation duty list should be arrange, finalize and approve atleast one day before exam date.

4) Bar code arrangement for the examination
Chief superintendant authorized a ~~monitor~~ mentor in a exam cell for collecting bar code from the office.
Mr Suresh P was assigned to do the same.

6) Examination Answer Sheet packing
The examination answer sheet

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

packing procedures were discussed so that to ensure all necessary materials for packing answer sheets are readily available including envelopes, seals and labeling materials.
Mr Haresh P was designated and responsible for packing answer sheets.
Meeting concluded at 3PM.

Chief Superintendent /
Deputy Chief Superintendent

Dr. LEENA A V
PRINCIPAL

5. Invigilation duty
6. Sanitization of materials & equipment during packing.

Decisions Taken

Arrangements for the examination hall were discussed to ensure a smooth and efficient examination process.

Health and safety protocols were discussed, including the implementation of mandatory mask-wearing and hand hygiene practices for all attendees.

1. Arrangements should be made for adequate ventilation.
2. Social distancing measures should be encouraged by adjusting invigilator, seating arrangements and limiting the number of students per room.
3. Regular disinfection should be conducted in examination halls and seating areas before and after each exam.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

Ensure clear communication of examination schedules, health protocols, and safety guidelines to all students and staff.

Provide separate rooms for students suffering from COVID-19 during exams, along with guidelines for examination arrangements.

Implement strict health and safety protocols for invigilators, including wearing masks, practicing hand hygiene, and following social distancing guidelines.

Supply personal protective equipment (PPE) to invigilators to reduce the risk of viral transmission. Conduct training sessions for invigilators on COVID-19 safety protocols.

Implement enhanced sanitation and hygiene practices during the probing process. Maintain appropriate physical distancing during packing procedures.

Regularly sanitize packing materials, such as envelope seals and labeling equipment, to minimize the risk of surface transmission.

The Chief Supervisor emphasized the importance of posting proper guidelines on the notice board. The meeting concluded at 12:30 PM.

The minutes of the examination cell meeting held on 2-/6/2021

Members Present

The meeting commenced at 11 am in the examination cell.

Dr. Sreeram Paath, Principal	Chief Superintendent
Mr. Sunder V, HOD CSE	Deputy Chief Superintendent.
Mr. Vasudeh M Nayanar, APEEE	Assistant
Mr. Sunesh P, Office Staff	Support Staff.
Mr. Hareesh Kumar C, Office staff	Support Staff.

Agenda

1. Hall Selection and layout
2. Health and safety guidelines.
3. Seating arrangement.
4. Personal protective equipment.
5. Cleaning and Sanitization.
6. Invigilation duty.

Decision Taken

1. Hall Selection and layout.

Examination hall arrangement was discussed to ensure a smooth and efficient examination process.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

2. Health and safety guidelines:

- Reviewed the latest health and safety guidelines provided by local health authorities and educational institutions.
- Discussed about the measures such as wearing masks, maintaining social distancing and sanitization protocols.

3. Seating arrangement:
Arranged beds for emergency seating plans to ensure adequate distance between candidates.

4. Personal protective equipment (PPE)
Discussed the provision of PPE such as masks, gloves and hand sanitizers for candidates and staff. Ensure that sufficient supplies of PPE are available throughout the examination period.

5. Cleaning and sanitization:

Assign and implement cleaning procedure before and after each exam session.

6. Invigilation duty:

Provide personal protective equipment to the invigilator to mitigate the of viral transmission
Ensure adequate rest areas are provided for invigilators during breaks with proper ventilation and social measures in place.

Meeting concluded at 12.30 pm

The minutes of examination cell meeting held on 02/12/2021

Member Present.

Dr. Sworoop Pareth, Principal	Chief Superintendent
Mr. Sunder V, HOD CSE	Deputy Chief Superintendent
Mr. Vaishak M Nayanar, AP EEE	Assistant Prof.
Mr. Sunesh P, Office Staff	Support Staff
Mr. Haresh Kumar C, Office Staff	Support Staff

Agenda.

1. Examination hall / Seating arrangement
2. Supervision and Invigilation
3. Emergency preparedness
4. Exam papers & supplementary materials
5. Security measures

Decision Taken.

1. Examination Hall / Seating Arrangement
Discussed the details of examination including date, time, duration and number of candidates and also discussed to review about the available examination halls.
Seating plan was also discussed and proposed by considering the factors such as layout of desk, spacing between candidate etc.
Ensure examination hall is accessible to candidate with disabilities and discussed any necessary accomodations
Duty is entrusted to have

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

staff Anitha and Mr Sunder V to oversee it

2. Supervision and invigilation
- Assign invigilation and supervisors for examination, ensuring adequate coverage and adherance to examination regulation. This invigilation duty list should arrange atleast one day before the exam date.

3. Emergency preparedness.
- Discussed emergency procedures regarding medical emergencies or other unforeseen events during the examination.

4. Examination paper and Stationary.
Ensure adequate supply of exam papers answer sheet for all candidate.
Identify and provide any supplementary materials such as graph sheets, reference books required for exam.
Mr Sunder V. was assigned to do the same.

5. Security measures.
Discussed about the security protocols for handling exam materials including storing security before and after the exam.
Assigned responsibilities to Mr Sunder V. exam cell cordinator for monitoring exam rooms & ensuring compliance with security procedures.
Meeting concluded at 1pm.

Chief Superintendent /
Deputy Chief Superintendent

The minutes of examination cell meeting held on 08/6/2022.

Members Present

Dr. Sureshan Paveth, Ponnupal	Chief Superintendent
Mr Sunder V, HOD CSE.	Deputy Chief Superintendent
Mr Vaishak M Nayanar, AP EEE	Assistant
Mr Suresh P, Office Staff	Support Staff
Mr Haresh Kumar C, Office Staff	Support Staff

Agenda.

1. Layout of exam hall
2. Examination materials & equipments
3. Invigilation duty.
4. Bar code arrangement
5. Answer sheet collection and packing.

Decisions Taken

1. Layout of exam hall

Discussed about layout of exam hall to ensure a conducive environment for candidates. Following factors were discussed regarding layout.

i) Requirement Gathering: Discussed the specifics of the exam, including subject, date, time, duration and no of candidates

ii) Layout planning: Discussed optimal layout of desks and seating arrangement to maximize space utilisation and minimize distractions.

iii) Seating arrangement: Assigned tasks for creating seating charts to allocate specific seats to candidates.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

2) Examination materials and equipments
Discussed the provision of necessary equipment & materials such as exam papers, answer sheets etc.
Ensure that all materials are organized and distributed efficiently to candidates before the exam begins.

3) Invigilation duty
- Monitor exam candidates to prevent cheating or misconduct and ensure that candidates adhere to exam rules and regulations
Invigilation duty list should be prepared in advance prior to the examination

4) Bar Code arrangement.
Authorise mental in exam cell for collecting bar codes from office. This task should be done prior to the examination.

5) Answer sheet Collection & Packing.
Collect necessary materials including exam papers, answer sheets and any other supplementary materials and also count the number of answer sheet to ensure accuracy and verify that they match the number of candidates registered for the exam
Examination answer sheet packing procedures were also discussed, place each stack of answer sheet in individual envelopes
Meeting concluded at 3:30pm.

Dr. LEENA A V

Chief Superintendent/
Deputy Chief Superintendent

SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY

The minutes of examination cell meeting held on 05/12/22

Members present

Dr. Leena AV	Chief Superintendent
Mr Sunder V, HOD CSE	Deputy Chief Superintendent
Mr Vaishak M Nayanar, APEEE	Assistant
Ms. Revathi P, AP, CE	Assistant
Mr Haresh Kumar C, Office Staff	Support Staff

The meeting commenced at 10.30 am in the examination cell.

Agenda

1. Examination hall selection and arrangement
2. Security measures
3. Exam materials
4. Invigilation
5. Attendance & Register and observer Register

Decision Taken

i) Examination hall selection & Arrangement
Arrange the examination hall to create a conducive environment for conducting exams. which includes:

ii) Planning: Determine date, time and duration of exam.
Identify the number of candidate registered for the exam.

iii) Hall Selection: Choose a suitable examination hall based on number of candidate seating capacity.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

Seating Capacity & arrangement:
It was noted that each examination hall can accomodate 24 students.

2) Security measures
Safety measures were discussed to implement security protocols to prevent cheating or misconduct during the exam.

3) Exam materials
Ensure that all necessary exam materials such as question papers, answer sheets and any other required items are provided to the candidates.

4) Invigilation
Assign invigilators to monitor candidates and ensure compliance with exam rules.
Also ensure that there is adequate invigilation coverage.

5) Attendance, register and Observer register.
Invigilators or exam coordinators are responsible for monitoring the attendance register and ensure that all candidate sign in before or during the examination. Observer register is used to document the presence of any external observer or proctors who are monitoring the exam. Observer register should be prepared and maintained
Meeting concluded at 11:30 am.

The minutes of the examination cell meeting held on 12/06/23.

Members Present.

Dr. Leena AV	Chief Superintendent.
Mr. Sunder V, HOD, CSE	Deputy Chief Superintendent
Mr Vaishak M Nayanar, APEEE	Assistant
Ms Revathi P, AP EE	Assistant
Mr. Haresh Kumar C, Office Staff	Support Staff.

Meeting commenced at 2pm in examination cell

Agenda.

1. Exam hall arrangement
2. Invigilation duty and station
3. Answer sheet distribution and packing.

Decisions

1. Exam hall arrangements.
   It was discussed that proper arrangement of examination hall should be done in advance so that to ensure smooth and effient examination process. It was also found that each examination hall can accomodate with a max capacity of 24 seating plan was also proposed by considering the factors such as student distribution, spacing between desks etc.
   Mr Sunder agreed to generate the seating plan for all examination

Dr. LEENA
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

2) Invigilation duty & station
Invigilation duty list should be arrange before the examination.
Alternation in invigilation duty typically over due to various reasons. In such cases adjustments may be made to invigilation schedule and alternative invigilators may be assigned to oversee the exam.

3) Answer sheet distribution and packing.
Discussed about the proper and secure delivery and collection of exam answer sheets before and after the examination. On the day of exam, invigilators should distribute answer sheets to student ensuring each receives the correct documents. and after exam concludes invigilation should collect the answer sheets from student making sure to check that all sheets are accounted for. Collected answer sheets should ~~ass~~ organized and packed securely.
Meeting concluded at 3pm.

Chief Superintendent / Dr
Deputy Chief Superintendent.

The minutes of the examination cell meeting held on 14/12/23

Members Present

Dr Leena AV — Chief Superintendent
Mr Sundar V, HOD, CSE — Deputy chief Superintendent
Mr Vaishak M Nayanar, APEEE — Assistant
Ms. Revathi P, AP CE — Assistant
Mr Haseeb C, office Staff — Support Staff
Mr Abhi KC, Lab assistant — Support Staff
Ms Anusha M, Lab assistant — Support Staff

Agenda

1. Examination Hall – Seating, Layout and arrangement
2. Distribution and arrangement of Examination and supplementary material.
3. Invigilation duty
4. Boarder arrangement
5. Answer sheet collection and packing
6. Attendance sheet.

1. Examination Hall – Seating, Layout and arrangement
It was decided about the exam hall arrangement seating should organize to minimize.
The layout of the examination hall should allow for easy supervision by invigilator.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PAYYANNUR, KANNUR

2. Distribution of examination and supplementary materials.

Before the exam, examination materials such as question papers answer sheets and supplementary materials (graph, chart) should be prepared.

3. Invigilation Duty

Invigilation duty list should be arranged and finalize before the examination.
It was also decided that in any case, if the invigilator is unable to attend the duty prompt action should be taken adjust the invigilation arrangement.

4. Bar Code assignment

Chief superintendent authorized as member in exam cell for collecting bar code from the office. The Barcode sticker should be stuck to the adjust the invigilation arrangement.

5. Answer sheet collection and packing.

- Invigilator should collect answer from students at the exam answering that all students have submitted their papers.
- Exam cell members Mr. Abdul I.S.C and Mr Aneesh in charge the college and to verify the count.
- Answer sheets should carefully packed in the answer envelopes. Mr. Haneesh P will also in charge of packing the answer sheets.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

6. Attendance sheet

Invitations on exam coordinator the attendance sheet, students are requested to sign mark their attendance on the sheet to confirm their presence.

7. Observation register and invigilation duty register.

Observation duty register is to be prepared and maintained so that to document the presence of external who are not directly involved in the examination process.

The invigilation duty register is to be prepared and maintained by the exam cell Coordinator.
It will be useful to assign and document invigilation duties to staff members.
Mr. Sundar. V will be in Charge of preparing the duty register.
Each invigilator should sign in the duty register.
The meeting concluded at 3.45pm

REPORT ON GATE AWARENESS INITIATIVE

Conducted by Dr. Tharun Rambha on 2/2/2024

Introduction:

On the 2nd of February 2024, Dr. Tharun Rambha spearheaded a GATE (Graduate Aptitude Test in Engineering) Awareness Initiative at Swami Bodanandha Hall, aimed at second and third-year engineering students. The event commenced promptly at 11 am and was attended by a significant number of eager participants.

Objective:

The primary objective of the initiative was to familiarize engineering students with the GATE examination, its significance, preparation strategies, and career prospects associated with it. Dr. Tharun Rambha, an esteemed faculty member known for his expertise in competitive exams, led the session with enthusiasm and profound insights.

Session Highlights:

Dr. Rambha commenced the session by elucidating the importance of GATE as a gateway to pursuing higher education in prestigious institutions and unlocking numerous career opportunities. He emphasized how GATE scores are not only pivotal for postgraduate admissions but also for securing lucrative job offers in both public and private sectors.

The session progressed with a comprehensive overview of the GATE examination pattern, including the types of questions, marking scheme, and syllabus coverage across various engineering disciplines. Dr. Rambha adeptly navigated through the intricacies of each section, providing valuable tips and tricks to optimize performance.

Furthermore, the initiative delved into effective preparation strategies tailored to suit the needs of second and third-year engineering students. Dr. Rambha elucidated the significance of starting early, creating a structured study plan, utilizing reliable study materials, and engaging in regular practice tests to gauge progress.

A notable segment of the session was dedicated to addressing common misconceptions and apprehensions surrounding the GATE examination. Dr. Rambha patiently answered queries raised by the participants, offering clarity on topics ranging from eligibility criteria to post-exam counseling.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

Interactive Session:

The initiative fostered an interactive environment wherein participants actively engaged with Dr. Rambha, exchanging valuable insights and seeking personalized guidance. Through interactive quizzes and group discussions, students gained a deeper understanding of key concepts while honing their problem-solving skills.

Key Takeaways:

Attendees of the GATE Awareness Initiative departed with a wealth of knowledge and actionable insights, including:

1. Understanding the significance of GATE in shaping their academic and professional trajectory.

2. Acquiring a comprehensive overview of the GATE examination pattern and syllabus coverage.

3. Learning effective preparation strategies tailored to their engineering discipline and academic year.

4. Gaining clarity on common misconceptions and apprehensions associated with GATE.

5. Accessing valuable resources and guidance to kickstart their GATE preparation journey with confidence.

Conclusion:

In conclusion, Dr. Tharun Rambha's GATE Awareness Initiative proved to be a resounding success, empowering second and third-year engineering students with the requisite knowledge and motivation to excel in the GATE examination. The event served as a beacon of guidance, igniting a sense of ambition and determination among participants as they embark on their journey towards academic and professional excellence.

REPORT ON TECHNICAL TALK

"HYDROGEN ENERGY-Methods of Production, Storage and Uses"

By Dr.A Govindaraj, Professor, IISC, Bangaluru

Date: February 9, 2024

Venue: Swami Bodhananda Hall

Audience: First year students from all the departments.

Objectives:

The primary objective of the talk was to make the students aware of the sustainable energy concepts and modern trends in energy production. Dr. A Govindaraj also talked about the options for higher studies at IISC Bangaluru for Engineering Graduates.

Session highlights

Dr. A Govindaraj, an esteemed expert in renewable energy and sustainable engineering, delivered an insightful technical talk on hydrogen energy, focusing on its production methods and diverse applications. His presentation covered various aspects of hydrogen production, storage, and utilization, highlighting the role of hydrogen as a clean and versatile energy carrier.

Dr. A Govindaraj initiated the talk by introducing hydrogen as a promising alternative energy source with the potential to mitigate climate change and reduce dependence on fossil fuels. He emphasized hydrogen's abundance in nature and its eco-friendly attributes, such as zero emissions when used in fuel cells.

The speaker elaborated on different methods of hydrogen production, including steam methane reforming (SMR), electrolysis, and biomass gasification. He provided insights into the thermodynamic principles underlying each process, discussing their efficiency, scalability, and environmental impacts. Professor Johnson also highlighted the importance of exploring renewable sources for hydrogen production, such as solar-driven water splitting and biological hydrogen production.

Dr. A Govindaraj elucidated the diverse applications of hydrogen across various sectors, including transportation, industry, and power generation. He discussed the use of hydrogen fuel cells in vehicles, emphasizing their potential to revolutionize the automotive industry by offering zero-emission mobility. Additionally, he touched upon hydrogen's role in industrial processes, such as ammonia production and refining, as well as its potential as a grid-scale energy storage solution.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

The talk addressed the challenges associated with hydrogen energy, including cost, infrastructure development, and safety concerns. Professor Johnson underscored the need for interdisciplinary research and collaboration to overcome these challenges and unlock the full potential of hydrogen as a sustainable energy carrier. He also highlighted the growing momentum in government policies and private investments aimed at advancing hydrogen technologies.

Q&A Session:

The presentation concluded with an engaging question-and-answer session, during which students had the opportunity to delve deeper into specific aspects of hydrogen production and utilization. Professor Johnson provided insightful responses, fostering an interactive exchange of ideas and perspectives among the audience.

Takeaways:

Dr. A Govindaraj's technical talk on hydrogen energy provided college students with a comprehensive overview of hydrogen energy field. By elucidating the methods of hydrogen production and its diverse applications, he inspired students to explore innovative solutions for transitioning to a hydrogen-based economy. The talk served as a catalyst for further research and collaboration, highlighting the pivotal role of hydrogen in achieving a sustainable and resilient energy future.

Kanayi Kanam, situated near Payyanur, is a picturesque water body that attracts numerous travelers and photographers, especially during the rainy seasons. However, the natural ecosystem of this area has been adversely affected by the accumulation of plastic bottles and covers. To address this issue, the NSS unit of SNGCET organized a cleaning drive at Kanayi Kanam on April 21, 2023, to clear away all plastic waste before the onset of the rainy season. Several students, alongside NSS volunteers, actively participated in this program.

Grocery and Vegetables Distribution to Economically Weaker Localities of Mampoil

During the afternoon session of a residential camp on March 9th in Mampoil, students engaged in distributing food materials and vegetables to economically disadvantaged individuals of the area. Demonstrating a touching blend of compassion and community solidarity, a team of committed NSS volunteers recently initiated a campaign to aid the economically vulnerable residents of Mampoil. Acknowledging the urgent requirement for support, particularly amidst challenging economic conditions, these students assumed the responsibility to bring about a concrete positive change in the lives of those experiencing hardship

Garden Making

On the 7th of March, 2024, a commendable environmental initiative took place at Mampoil Junction, led by a dedicated group of National Service Scheme (NSS) volunteers. The event focused on the critical issues of plastic waste management and urban greening, showcasing the volunteers' commitment to environmental sustainability and community welfare.

The day commenced with a plastic waste collection drive, where NSS volunteers meticulously scoured the area, gathering discarded plastic items that littered the junction. This activity was not only about cleaning the environment but also served as a strong message to the local community about the detrimental effects of plastic waste on our planet. By disposing of the collected waste in an eco-friendly manner, the volunteers ensured that their efforts contributed positively to reducing pollution and promoting recycling practices.

The garden creation was a testament to the volunteers' hard work and creativity, embodying the spirit of 'green activism'. Through their efforts, they demonstrated that small actions can lead to significant environmental improvements. The garden stands as a symbol of hope and a reminder to the community of the importance of nurturing and preserving our natural surroundings.

The NSS volunteers' initiative at Mampoil Junction is a shining example of how youth can lead the way in environmental conservation and community improvement. By addressing the twin issues of plastic waste and the lack of green spaces, they have made a tangible difference in their local community.

Vegetable Garden Making – Sacred Heart L P School Mampoil

The initiative began early in the morning, with volunteers gathering at the designated area in the school grounds. The site was carefully chosen for its optimal sunlight exposure and accessibility to ensure the successful growth of the garden. The first step involved preparing the soil, a crucial process that involved clearing the land of weeds, tilling the earth, and enriching it with organic compost to create a fertile ground for the vegetables to thrive

Once the soil was ready, the volunteers, alongside interested students and teachers, began the planting process. The selection of vegetables was strategic, focusing on varieties that were not only easy to grow but also beneficial for the school's lunch program. Tomatoes, carrots, spinach, and beans were among the chosen crops, planted with care and precision to ensure they would yield a bountiful harvest.

The vegetable garden at Sacred Heart LP School, Mampoil, stands as a testament to the power of community and the positive impact of youth-led initiatives. Through their hard work and dedication, the NSS volunteers have created more than just a garden; they have sown the seeds of change, inspiring a future generation to carry forward the torch of sustainability and care for our planet. This project marks a significant step towards a greener, healthier future, rooted in the principles of self-sufficiency and environmental respect.

IDAM REHABILITATION CENTRE VISIT

IDAM is a rehabilitation and therapy center located in Nileswar, initiated by the DAYA Foundation under the guidance of Sri. Daya Bai, a renowned national social worker. Essentially, IDAM was established to offer free physiotherapy facilities to children affected by endosulfan exposure. To support this noble cause, NSS SNGCET organized a toys and equipment challenge among college students and staff, raising an amount of 14,000 rupees to provide toys and materials for their therapy sessions.

On January 23, 2023, NSS volunteers visited IDAM and handed over these toys and equipment to Sri. Daya Bai. Following this, the volunteers engaged in a discussion with Sri. Daya Bai regarding the future plans and activities at IDAM. Additionally, they pledged to develop a website for IDAM at no cost, demonstrating their commitment to supporting the center's endeavors.

Department of Mechanical Engineering

Department Advisory Committee Meeting Minutes

Date: 6-6-2022 **Place:** Board Room

Members Present:

1.	Dr. Leena.A.V, Principal	-	Chairperson
2.	Dr. Susan Abraham, Dean	-	Member
3.	Mr. Rajeesh.P., HOD	-	Convenor
4.	Mr. Vishakh Pilangu	-	Industry Member
5.	Dr .Abdul Nazar.K.P	-	Academic Member
6.	Mr.Jacob Thomas	-	Co-convenor
7.	Mr. Jijin I,	-	Alumni Member
8.	Mr. Gopalan. P. P	-	Parent Member

Agenda:

1. Welcome and Introduction of the DAC members
2. Review of the department vision and mission.
3. Review of the placement and internship opportunities for the student.
4. Review of the curriculum and syllabus of the UG program
5. Review of the outreach and extension activities of the department
6. Feedback and suggestions from the DAC member.
7. Any other matter

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF

Minutes:

1. Mr. Rajeesh.P, the Head of the Department, extended a warm welcome to all the committee members.
2. Mr. Jacob Thomas, the co-convener of the DAC, stated the compliance of the various points of the minutes of the previous meeting.
3. Dr. Leena.A.V the Chairperson of the DAC, reviewed the systematic efforts of the department to reach the Vision and Mission of the department
4. Dr. Susan Abraham, Dean Academics, reviewed the details about the mentorship activities conducted in the department.
5. Mr. Vishakh Pilangu, the industry member of the DAC, reviewed the Training and Placement activities.
6. Dr .Abdul Nazar.K.P, the external academic member, encouraged the pursuance of Online certification Courses.
7. Mr. Gopalan. P. P, the Parent representative of the DAC, briefly asked about the smoothness of the conduct of classes and laboratory courses after the covid period.
8. Mr. Jijin I, the Alumni member, thanked all the DAC members for their valuable feedback and suggestions.
9. The committee brainstormed ideas for future initiatives aimed at addressing the identified challenges and capitalizing on opportunities. Topics discussed included curriculum revisions, faculty development programs, and outreach activities.
10. The Department Head provided updates on recent developments within the department, including faculty achievements, student accomplishments and ongoing projects
11. The meeting was adjourned.

Minutes:

1. Mr. Chandrajith. E, the Head of the Department, welcomed the DAC members for their participation in the online meeting.
2. Mr. Aswin. P,the co-convener of the DAC, presented the activities, the future plans and goals of Department which included the discussion on Vision and Mission.
3. Dr. V.K. Janardhanan the Chairperson of the DAC, gave some suggestions on target achievement analysis and actions to be taken
4. Mr. Raveendran. K, reviewed that the deficiency of core placements and pointed to give more opportunities to familiarize moderntechnologies and to imbibe interest in core concepts.
5. Mr Bhaskaran. C, the industry member of the DAC, highlighted the Industry interaction to improve creativity and innovationamong the students. He also encouraged students to do social outreach programs.
6. Mr. Priyak. N. K, the External academic member, focussed more on industry demands. He opined that the students should be equipped with new skill sets demanded by current technologies. Some online courses have to be planned to train the students for theseskill sets. Internships and projects committed towards society and industry requirements areto be promoted among students.
7. Mr. Balakrishnan. M, the Parent representative of the DAC, requested to conduct sessions on career opportunities and online placement-oriented trainings for students
8. Mr. Aswin. P, the Alumni member, thanked all the DAC members for their valuable feedback and suggestions. Alumni interactions need to be planned to improve their support and cooperation.
9. Then the meeting was adjourned.

Minutes:

1. Mr. Chandrajith. E, the Head of the Department, welcomed and thanked all the DAC members for their participation and support. He portrayed the difficulty in conducting offline meeting due to covid.
2. Mr. Aswin. P, the co-convener of the DAC, presented the Department vision and mission, He highlighted the achievements and challenges of the department in the past year and the future plans and goals.
3. Dr. V.K. Janardhanan the Chairperson of the DAC, reviewed the overall academic progress and performance of the UG and PG programs. He gave some suggestions to enhance the quality of the students by improving their university results.
4. Mr. Raveendran. K, reviewed the research activities and publications of the faculty and students. He encouraged the faculty and students to pursue more interdisciplinary and collaborative research projects and to apply for grants and patents.
5. Mr Bhaskaran. C, the industry member of the DAC, reviewed the placement and internship opportunities for the students. He offered to provide more internship and training opportunities for the students and to facilitate more industry visits and guest lectures.
6. Mr. Priyak. N. K, the External academic member, reviewed the outreach and extension activities of the department. He acknowledged the department for its active involvement in various social and community service initiatives. He urged the department to increase its visibility and recognition by organizing more workshops, seminars, and conferences and by participating in more competitions and events.
7. Mr. Balakrishnan. M, the Parent representative of the DAC, gave his feedback and suggestions on the overall performance and progress of the department. He congratulated the department for its remarkable achievements and accomplishments. He advised the department to focus more on innovation and entrepreneurship and to develop more industry-relevant and cutting-edge projects and products.
8. Mr. Aswin. P, the Alumni member, thanked all the DAC members for their valuable feedback and suggestions. He assured them that the department will implement the recommendations and suggestions and will strive to improve its quality and excellence.

7) Mr: Subhash. A.P
8) Prof: Aswin. P
9) Prof: Chandrajith. E

Discussions and Decisions taken.

1) After Corrections and discussions on draft copy, The final vision and Mission for Mechanical Department has been formulated as follows.

VISION: To be a Centre of excellence to develop proficient engineers, who are innovative, entrepreneurial and successful to support the ever changing industrial demands and social needs.

MISSION:

1) To empower the students for rapidly changing technological diversity in the field of mechanical engineering through effective teaching learning process.
2) To impart quality education for the development

Dr. LEENA
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY

3) To inculcate attitude, skill and knowledge in students to reach their highest potential through life long learning.

2) : The finalized PEOs are as follows.

PEO 1: To empower students to excel in industry, technical profession or post graduate programmes through quality education

PEO 2: To create robust foundation in mathematics, Science and engineering fundamentals required to solve technical problems.

PEO 3: To develop ethical, environmental and social responsibilities in students and make them contribute towards the benifit of professional organisation and society.

PEO 4: To enable students to aquire knowledge of relevant technologies and multidisciplinary fields.

PEO 5: To boost the spirit of inquiry through projects, internships leading to development of creativity self confidence and team sport.

3) The PSOs of the departments are as follows.

PSO 1: Develops and implement new ideas on product design and development with the help of CAD/CAM tools while ensuring best manufacturing practises.

PSO 2: Able to integrate and apply knowledge in the solution of interdisciplinary engineering problems.

SREE NARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY, PAYYANUR

Agenda:-

1. To finalise and approve the vesion and mission statement of Electronics and Communication Engineering Department.
2. Presentation and detailed discussion of draf statements of Programme Educational Objectives, Programme Specifec Objectives (PSOs), Course objectives (COBs), Course outcomes (COs) of the programme with reference to the graduate attributes and prepares by the department subcommittee of faculties.
3. Approval of the PEOs, PSOs, COBs and COs after Corrections, if any.
4. Any other matter permitted by the chair person.

Minutes of the Meeting:-

Chairman welcomed the members and presented the agenda of the meeting.

1. The HoD(ECE) and Convenor presented the final draft of vision and mission of the department (ECE) that has been discussed and finalised by the DAC in the last meeting (28-01-2019). Committee approved the vision and mission statement of the ECE Department (Copy attached).

2. A detailed discussion was made on the Programm Educational Objectives, Programme Specific Objective. Course outcomes, prepared by the department subcommittee of faculties and checked each item withreference to the graduate attributes and vision and mission of the department.
- However, Some corrections were suggested by DAC for the attainment of POs

DAC Committee checked the progress of different Criteria

Minutes of the meeting held on 16.01.2019.

Agenda.

1. Constitution of the Department Advisory Committ.
2. Preliminary preparation of the Vision and Miss of the department.
3. Experience sharing and discussion on the course on NBA accreditation held between Dec 17th – 22nd 20

Members Present.

1. Dr. V.K. Janardhanan.
2. Lt. Col. Praveen C.
3. Dr. Leena AV
4. Dr. Susan Abraham
5. Mrs. Mary Sonia George
6.

Discussions and Decisions

1. Constitute the department advisory committee for the Department of Civil Engineering

1. Prof. Divakaran T, Academician (Retd Professor in CE)
2. Dr. Vandana Sreedharan, Associate Professor GCEK
3. Mr. Vineeth Nair, Director Operations Hebron Properties, B
4. Dr. Lini Dev, Assistant Professor, Dept of Civil Engg NIT Patna
5. Dr. Susan Abraham, Head, Dept of Civil Engg SNGCET

10. Mr. Kripesh Kannan, Alumni
11. Mr. Ayush Raj PP, Student

2 Defining the Key functions and roles of DAC as follo

(i) DAC will frame the vision and mission of the department and redefine them as and when req

(ii) Define the Program Educational Objectives and Programme Specific Outcomes of the Depar

(iii) Check the consistency of the Department Miss and Vision with the institute Vision and Miss

(iv) Monitor the attainment of PO's, PEO's and PSO's

(v) Have interactions with the various stakehold

(vii) Convene the meeting as and when required

(viii) Draft Copy of the Vision and Mission is prep in line with the Vision and Mission of the Institute.

(ix) The importance of accredidation was discussed and the measures to be taken up by the Department of Civil Engineering was discussed in line with the course attended on NBA Accreditation process.

MEETING MINUTES OF INDUSTRY INSTITUTE INTERACTION CELL(IIIC)

Meeting Date: 23rd February 2024
Time: 12.00PM
Venue-INNOVATION CELL

Attendees:

- Mr. Jacob Thomas, Head-Project & Consultancy (Chairman)
- Mr. Abhilash Krishnan T K, HOD EEE (Convenor)
- Ms. Leena Narayanan, HOD ECE (Member)
- Ms. Amrutha K, AP CE (Member)
- Ms. Kripa P V, AP CSE (Member)
- Ms. Veena K K, TPO (Member)
- Mr. Adarsh K, S6 ME (Student Member)
- Mr. Jishnu Girish, S6 ECE (Student Member)
- Mr. B Sreyas Kumar, S6 CSE (Student Member)
- Mr. Hrishikesh P V, S6 EEE (Student Member)
- Ms. Nandhana K, S6 CE (Student Member)

Agenda:

1. Reconstitution of the Industry Institute Interaction Cell.
2. Defining the functions and responsibilities of the reconstituted cell.
3. Discussion on the "Automation Nexus" workshop conducted by IPCS, Mangalore.on 25th February 2024

Proceedings:

1. The meeting commenced with Mr. Jacob Thomas, the Head-Project & Consultancy, assuming the role of Chairman.
2. After a brief introduction, the reconstitution of the Industry Institute Interaction Cell was discussed and finalized with the following members:
    - Mr. Jacob Thomas, Head-Project & Consultancy (Chairman)
    - Mr. Abhilash Krishnan T K, HOD EEE (Convenor)
    - Ms. Leena Narayanan, HOD ECE (Member)

Dr. LEENA A V

- Mr. Jishnu Girish, S6 ECE (Student Member)
- Mr. B Sreyas Kumar, S6 CSE (Student Member)
- Mr. Hrishikesh P V, S6 EEE (Student Member)
- Ms. Nandhana K, S6 CE (Student Member)

3. The functions of the reconstituted cell were delineated as follows:
    - Generating memorandums of understanding with industries for knowledge sharing.
    - Organizing workshops and conferences with industry participation.
    - Enhancing the quality of education to align with industry trends.
    - Encouraging students to participate in internship programs.
4. The recent "Automation Nexus" Webinar, focusing on industrial automation, PLC ,SCADA, and HMI, conducted by IPCS, Mangalore, was discussed. Key insights and takeaways from the workshop, including presentations, demonstrations, and hands-on sessions, were briefly reviewed.
5. The workshop's relevance to the goals of the Industry Institute Interaction Cell, particularly in bridging the gap between academia and industry, was acknowledged.
6. It was agreed upon to explore further collaboration opportunities with IPCS, Mangalore, and other industry partners to organize similar workshops and training programs in the future.
7. It was consensually decided to schedule regular meetings to assess progress and tackle any issues or concerns.

Actions Items:

1. Mr. Abhilash Krishnan T K to draft a memorandum of understanding template for industry collaboration.
2. Ms. Veena K K to initiate the planning of workshops and conferences with industry representatives.
3. Ms. Amrutha K and Ms. Kripa P V to coordinate with faculty members to enhance the curriculum to meet industry standards.
4. Student members to actively promote internship opportunities among their peers.
5. Further collaboration with IPCS, Mangalore, and other industry partners to organize similar workshops and training programs to be explored.

ACTION TAKEN REPORT

1. **Memorandums of Understanding (MoUs) Drafting:** Mr. Abhilash Krishnan T K started drafting MoUs for collaboration with industries. These MoUs aim to formalize partnerships and agreements between the institution and industry stakeholders for knowledge sharing and collaboration.
2. **Workshops and Conferences Planning:** Ms. Anusree T K began planning workshops and conferences involving industry participation. These events are designed to facilitate knowledge exchange, networking, and skill development among students and industry professionals.
3. **Curriculum Enhancement:** Ms. Shamya Sukumaran M and Ms. Varsha M worked together with faculty members to enhance the curriculum to meet industry demands. This involves updating course content, incorporating industry-relevant skills, and aligning educational objectives with current industry trends.
4. **Internship Promotion:** Student members took proactive steps to promote internship opportunities among their peers. They aimed to raise awareness about internships, facilitate connections with potential employers, and encourage students to gain practical experience in their respective fields
