CHAPTER 1

INTRODUCTION

Sree Narayana Guru College of Engineering Technology, one of the prestigious technical institutions in North Malabar, was established in 2003. The engineering college is fully equipped to meet the rising demands for greater facilities in the scenario of higher education. Since its inception, it has been true to do the mission and the prophetic vision of the great Saint Sree Narayana Guru. With its emphasis on quality education augmented by exposure and training in other individual skills, the institute focus is on creating individuals who are all round performers and true professionals.

Sree Narayana Guru was a great Saint Philosopher and Social Reformer of Kerala. His thoughts and work have universal significance. His message and quotes “Educate that you may be free, Organize that you may be strong, and Industrialize that your financial status may improve”, has relevance at all times and places. Guru was instrumental in uplifting the people of Kerala and in the in establishing Sree Bhakthi Samvardhani Yogam in 190. Sree Sundareshwara Temple, Talap, Kannur, consecrated by Sree Narayana Guru in 1916 is the pivot of all the activities of Yogam. The Yogam upholds the Guru vision to enrich the people educationally, socially, culturally and spiritually.

Sree Bhakthi Samvardhani Yogam is working towards fulfilling Guru vision, establishing educational institutions, women and hostels and has been offering financial aid and endowment to deserving students. The Yogam embarked on a noble project - Sree Narayana Guru College of Engineering and Technology an Engineering College in Malabar in 2003.

QUALITY POLICY

SNGCET is committed to providing technical education to students hailing from socially and economically underprivileged backgrounds. The institution prioritizes initiatives for fulfillment of needs of learners and other beneficiaries by:

- Enhancing their skills and academic performance
- Offering state-of-the-art infrastructure and pleasant learning environment
- Inculcating moral and ethical values
- Building partnerships with institutions and organizations for mutual progress
- Encouraging a robust dedication to social responsibility

MOTTO

Enlightenment Through Education

VISION

A knowledge society promoting human excellence and enlightenment through technical education.

MISSION

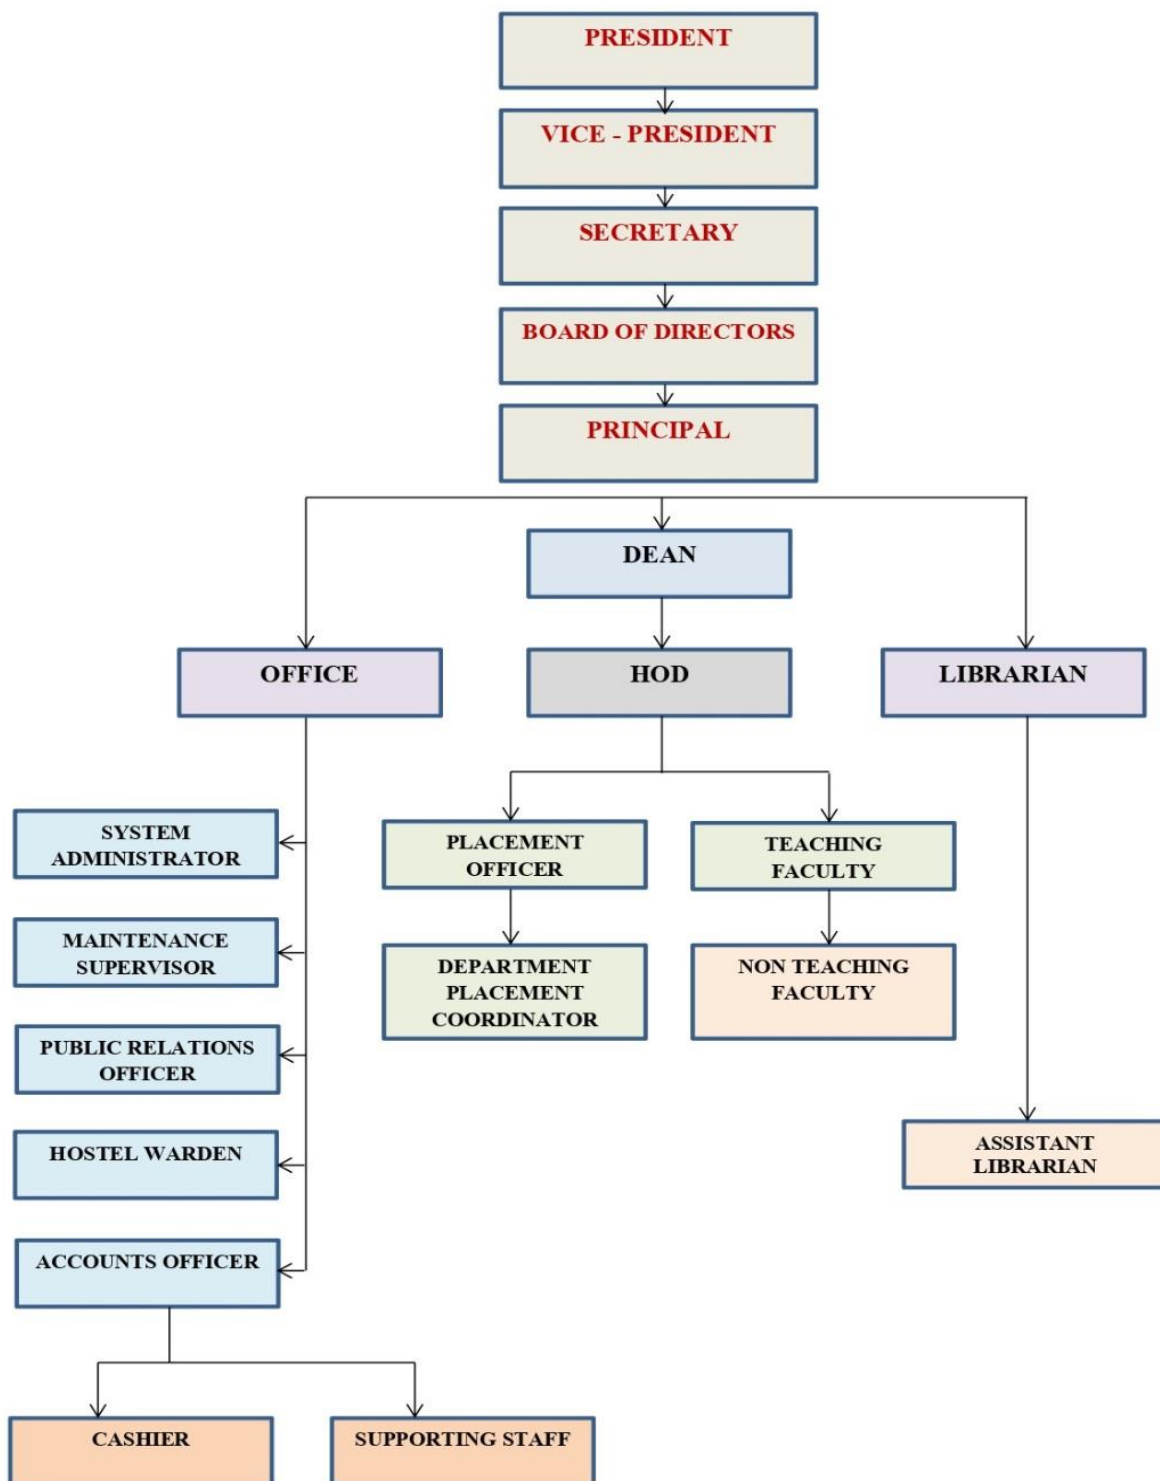

To provide technical education of highest quality and standard of excellence for socio-economic progress embedded in clearly articulated values and driven by commitments.

CHAPTER 2

JOB DESCRIPTION

Objective: To uphold everyone's freedom and respect for one another while serving as role models for the institution's student community.

2.1 REPORTING FOR DUTY ON TIME

- 1 Typically, college hours are from 9:00 a.m. to 4:00 p.m. Nonetheless, anyone with academic, administrative, testing, or similar responsibilities must adhere to the 8 a.m. to 4.15 p.m. or 10 a.m. to 6.15 p.m. schedules, or any other schedule that is specified by the Head of Department, Principal , or the Management.
- 2 Monday through Saturday is observed as a six-day workweek, with the exception of the second and fourth Saturdays. The time slots for classes are 9.00 am to 4.00 pm.
- 3 Employees must report to work (offices, classrooms, labs, staff rooms, etc.) at least five minutes early.
- 4 Anybody who arrives late or departs early for longer than sixty minutes twice in a month may be permitted by the HoD and the Principal , only in case of any urgency.
- 5 When on college premises, staff employees are required to wear their college ID.
- 6 The faculty is responsible for maintaining order in the classroom, labs, and college grounds. Serious cases of indiscipline must be reported to the Principal through HOD.
- 7 During instructional hours, staff members are not permitted to use cell phones. They might, however, utilize them in their cabins or rooms.
- 8 All employees must present themselves in proper attire. Items such as T-shirts and sleeveless tops are not allowed. Ladies, tight jeans, leggings and jeggings are strictly prohibited. For men, items such as bangles, earrings, and long hair ponytails are prohibited. For
- 9 Employees requiring on-campus parking must provide their names and vehicle registration number to the security supervisor as a precautionary step.
- 10 Only with approval from the HOD, Principal , or Management staff members can schedule meetings of any type.

STAFF HANDBOOK

2.2 THE DUTIES AND RESPONSIBILITIES OF A TEACHING FACULTY

2.2.1 General

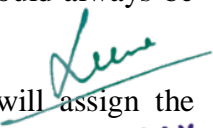

- a) A faculty member is expected to arrive at the college at least fifteen minutes before classes start, and they should depart no sooner than fifteen minutes after the last hour has ended.
- b) Every faculty member is obliged to abide by the institution's norms and regulations as they change from time to time.
- c) The Management will set the workload for every employee. Minimum 1 theory subject should be engaged by a Faculty.

Two tutorial/two lab/two drawing hours shall be counted as one teaching hour for the purposes of the aforementioned requirements. The teachers work plan should make sure that they use the 40 hours of work per week as productively as possible, taking into account the roles, responsibilities, and goals that the Department/Institute has allocated them.

- a) After receiving the required approval from the Principal or Management, faculty members are expected to keep up with current information by attending seminars, workshops, or conferences.
- b) Faculty members must to make an effort to publish research papers and textbooks in reputable Indian and International journals and Conferences.
- c) The faculty member should make an effort to intellectually prepare themselves to fulfill all the demands and challenges of the teaching technique so that their contributions might benefit the student body as a whole. Every faculty member is expected to contribute positively to the development of students' personalities and actively engage in extracurricular activities that they are interested in or that are occasionally assigned to them.
- d) It is best to steer clear of groupism in any form. Discipline procedures will be taken against faculty members who are found engaging in such behavior.

2.2.2 In Department

- a) Confidentiality regarding the faculty member's personal and professional activities should always be maintained while speaking with the Head of Department (HOD).
- b) After considering the faculty member's interests and area of expertise, the HOD will assign the teaching load.
- c) A faculty member's duties in academic, co-curricular, and extracurricular activities should be in

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
KADAPUR, KANNUR

STAFF HANDBOOK

addition to those allocated by the HOD, Principal , Chairman, or Administrator.

- d) Every faculty member is responsible for keeping track of each student's attendance, and as soon as classes or laboratory sessions conclude, they should register the absentee's roll number in the program each day.
- e) Anytime a faculty member plans to take a leave of absence, they must obtain approval beforehand and provide suitable substitute plans for lab, class, and supervision. In the event of an emergency, the faculty advisor and HOD must be notified and suitable backup plans should be recommended.
- f) Presentable appearance is expected of the faculty member. No student group or individual should be given special consideration by the faculty member.
- g) Offering students counseling if necessary.
- h) Should inform the Principal , HOD, and faculty advisor about the students' inappropriate behavior in the classroom.
- i) To complete the department's administrative tasks as assigned by the relevant HOD.

2.2.3 In Class Room Teaching

- a) The faculty member is responsible for creating the lesson plan and lecture after the subject has been assigned.
- b) The Principal and HOD should approve the course file and lesson plan before they are given to the faculty member.
- c) An official record, the course file is an assembly of the planning and carrying out of instructional activities for a given subject that are done over the course of a semester in an academic year. The course file includes an introduction, past year's university exam questions, handouts, PPT, test and exam question sheets, assignment plan, question paper and copy of assignment, peer evaluation report etc. for each test and exam. In order to submit their course file to the relevant HOD within three weeks after the last day of instruction for the relevant semester, teaching faculty members must get their course file verified by their HOD at least once a month.
- d) The HOD, as applicable, must periodically review and update the faculty member's diary.
- e) The faculty member ought to arrive at the classroom five minutes early and proceed straight inside when the bell sounds.
- f) The teacher must stay in the classroom for the entire duration and refrain from leaving early.
- g) Every lecture, practical, and tutorial requires the taking of attendance, ideally at the start of the class. "A" will be used to signify absence. The attendance software and the attendance register must be maintained.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
KANNUR

STAFF HANDBOOK

record the student's hours of attendance.

- h) PPT, models, and other resources should be used by the faculty member as teaching aids. A faculty member ought to support students who have concerns or doubts.
- i) The faculty member should ask students for feedback before acting or making any adjustments to their instruction.
- j) Slow learners should receive extra attention in specific classes from the faculty member who is caring for them.
- k) In order to alert the faculty advisor about persistent absenteeism, slow learners, disruptive behavior, etc., the faculty member should communicate with them.
- l) A faculty member should constantly strive for a 100% pass percentage in the courses they teach and adjust their workload accordingly.
- m) A faculty member should routinely visit the library, study the most recent issues of journals and magazines in their field of expertise, and stay up to date on any new developments.
- n) The faculty member ought to make themselves available to answer questions.
- o) The teacher should inspire students and encourage their individuality and innovation.

2.2.4 In Laboratory

- a) Before assigning the students to undertake the experiments, the faculty member attending the laboratory session must personally complete the experiments and be content with the results.
- b) Additional experiments should always be provided to the students in order to elucidate or enlighten them.
- c) Correcting the lab observations and records is imperative, either immediately or by the following class.
- d) To sign the manual/ rough record before the end of each practical class.
- e) During their practical hours, faculty members conducting practical or projects are in-charge of the corresponding labs.
- f) The guidelines and instructions provided by the supervisor of the lab must be adhered to by the faculty. Faculty may, however, recommend changes in these areas with the HOD's approval.
- g) In order to prevent breakage or loss of laboratory equipment faculty members are advised to take the following action.

Prior to beginning the practical or projects, students will be expected to inspect the lab equipment, and other areas, and notify the lab supervisor if there is breakage.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

STAFF HANDBOOK

- i. Provide the same PC to the same student or group of students as much as possible (in case of projects).
- ii. Students are not permitted to bring bags into the labs.
- iii. Reporting any lost or damaged items right away to the lab in charge is mandatory.

2.2.5 Student–Faculty Rapport

- a) The Faculty Member should have a good control of students.
- b) The faculty member should call out the names of students while taking attendance as soon as the class begins. Should a student arrive late, they might be allowed to attend class but their attendance will be recorded as absent.
- c) If a student consistently arrives late or repeats an assignment, the teacher should attempt to help them through individual counseling. If this does not work, the student should be sent to meet the faculty advisor or Head of Department.
- d) The faculty member should respond to students' disobedience with maturity and tact.
- e) The faculty member ought to be firm but not unkind. Never use harsh words that could offend students.

2.3 DUTIES AND RESPONSIBILITIES OF FACULTY ADVISOR

Objective:

To support students in their quest for knowledge, to keep a close watch on them, and to establish a good relationship with both parents and students.

- a) To guarantee that each student has the necessary assistance to reach their full learning potential
- b) Evaluating students and consulting with their parents are important ways to keep updated on their quality and progress.
- c) To inspire students to learn more than just the topics on the syllabus.
- d) Inform students with policies regarding general attendance, industrial visits, sports, and leave, among other things.
- e) To uphold college standards regarding student discipline in the classroom.
- f) To keep track of students' attendance and to ascertain whether there is any correlation in their attendance and performance and if so, to what degree
- g) Address students' queries.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

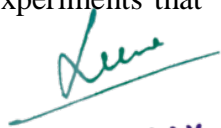

STAFF HANDBOOK

- h) Meeting the parents of students, especially defaulters.
- i) To produce the assessment plan for every semester well in advance
- j) To oversee the creation and distribution of reports to parents HoD, Principal and Management, as needed
- k) Implement the actions based on the minutes of class committee meetings.
- l) Arrange class PTA meetings.
- m) Ensure that the students arrive at the college on time, attend classes on a regular basis, and are dressed appropriately.
- n) Ensure that the placement goals, measured by the number of students placed, and the academic goals, measured by university achievements, are fulfilled.
- o) Guide the designated class in the Department academically.
- p) To take the lead in developing and upholding suitable standards and quality control in the provision of course materials, assignment and question paper setting, and its assessment.
- q) To monitor the semester progress regularly based on approved semester and assessment plan.
- r) In cooperation with the HOD, to arrange guest lecturers and industrial visits for students in order to enhance their educational experience
- s) To encourage the students to participate in inter college technical competitions.
- t) Gather data from the subject teachers on the academic performance of the slow learners and arrange remedial classes.
- u) Update data regarding students' achievements in academics, sports, extracurricular activities etc. in activity log book.
- v) Arrange class committee meetings as per SNGCET norms.
- w) Take up any other duty the HOD/Principal/Management may assign.

2.4 DUTIES AND RESPONSIBILITIES OF THE LABORATORY/WORKSHOP INCHARGE AND LAB ASSISTANT

2.4.1 Roles and Responsibilities of Lab Staff

- a) To assist students in analyzing, evaluating, and fostering their creativity through experiments that reinforce classroom learning.
- b) To upkeep the Stock Register, Maintenance Register, and Consumable Registers.
- c) To identify the consumable needs for the laboratory and ensure their procurement prior to the start of each term.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY

STAFF HANDBOOK

- d) To ensure that the laboratory infrastructure adequately supports practical activities, providing each batch ample opportunities to complete experiments satisfactorily.
- e) To organize the laboratory for oral and practical examinations.
- f) To hold those responsible for any breakage/ loss etc.and recover costs.
- g) To hold those accountable for any breakage, loss, etc., and recover costs.
- h) To ensure the cleanliness of the lab and power down all equipment after use.
- i) Requisition of consumables shall be submitted to the HOD, who in turn shall verify the same and forward to the Principal for necessary action.
- j) The Lab Assistants are required to assist the respective Lab-in-Charge for smooth functioning of the laboratories.
- k) Lab Assistants and in charge shall be available for maintenance work and care of resources/services of the institute.
- l) All the Lab Assistants, in coordination with the respective Lab In-Charge, are required to report matters, like maintenance/repairing, theft, damage etc. within the respective labs, to the HOD through faculty in charge of lab.
- m) Lab Assistants in coordination with Lab In-charge should display
 - i. List of Equipment/software with cost
 - ii. List of Experiments
 - iii. Lab Time Table
 - iv. Names of Lab In-charge/Lab Assistants etc. on the Lab Notice board.
 - v. Any other duty as may be assigned by the faculty in charge of lab/HOD/Principal/Management from time to time.

Prevention of Loss/ Breakage

The Lab In-charge shall take the following action:

Lab Assistants and in charge shall be available for maintenance work and care of resources/services of the institute.

l) All the Lab Assistants, in coordination with the respective Lab In-Charge, are required to report matters, like maintenance/repairing, theft, damage etc. within the respective labs, to the HOD through faculty in charge of lab.

m) Lab Assistants in coordination with Lab In-charge should display:

- i. List of Equipment/software with cost

CHAPTER 3

GENERAL GUIDELINES/POLICIES

3.1. RULES AND REGULATIONS OF INTERNAL EXAMINATIONS

The Sree Narayana Guru College of Engineering and Technology ,Internal Examination Cell is led by the Coordinator of Internal Examination Coordinator and assisted by Department Internal Examination Coordinators .

3.1.1 General Guidelines

- i. Conform to the standard format for question papers and print the standard instructions. It should be a precise question paper, the question paper should be :
 - ii. Be clear and unambiguous
 - iii. Be written in simple and easy to follow language
 - iv. Awarded appropriate marks
 - v. Cover all the modules prescribed for the Exam OBE Model.
- a) The Question Paper should be in the format issued by the IQAC Cell.

3.1.2 Appointment of Paper Setters and Examiners

- a) The question paper setting process shall typically be carried out by the faculty member responsible for teaching the course.
- b) In cases more than one faculty member teach the same course, the Department Exam Coordinators will be informed. They will collaborate to develop the question paper.
- c) The Module Coordinator and Head of the department scrutinize the question paper submitted by the faculty.
- d) According to the academic schedule, the faculty member teaching a course will be responsible for setting the question papers for each examination in that semester.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

STAFF HANDBOOK

- e) Examiners evaluating answer books will follow a marking scheme created by the paper setter. This scheme will outline the allocation of marks for each question point. And include guidelines for allocating marks.
- f) The faculty member responsible for a course will maintain the confidentiality of the question paper and bear responsibility for its security.
- h) Question paper prints will be taken by the Department exam cell member and stored in sealed packets. These packets will be kept in the test cell by the coordinator and utilized according to the exam timetable.

3.1.3 Conduct of Examination

- a) The examinations for U.G. and P.G. programs will be held in compliance with the SNGCET academic calendar, the examination schemes for the various programs, and the academic rules and regulations for U.G. and P.G. courses, respectively.
- b) The valued answer book for theory course shall be shown to the students.
- c) Absence in an examination will mean zero marks scored, internal examinations (IE) will be centrally conducted.
- d) The internal examination cell will prepare timetable for the internal examination which has to be approved by the Principal
- e) The examination cell will prepare the invigilation list.
- f) At the beginning of the exam, invigilators will distribute the question papers, ensure that students have correctly filled out the information on the front page of their answer books, confirm that students are seated in their assigned positions according to the seating arrangement. They will also collect the students' signatures on the attendance sheet and monitor the attendance of every student in the room.
- g) Invigilators will monitor general discipline in the examination block during the examination and report any cases of misconduct, misbehavior, or malpractice to the examination coordinator for further action.
- h) After the examination, invigilators will collect the students' answer booklets, sort them according to the students' exam seat numbers, and submit them individually for each course to the Department Exam Coordinators (DEC) in the examination cell.
- i) Internal examinations for laboratory courses and projects will be conducted according to the examination schedule prepared by the Department.

SANGEETHA V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

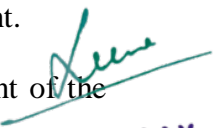

STAFF HANDBOOK

3.1.4. Guidelines/instructions to the invigilators

- a) Appointment of invigilation's for both theory and/or lab examinations shall be made six days before the commencement of Internal Exams.
- b) It is mandatory for the faculty members to accept the appointment as Invigilator.
- c) Internal Examination Coordinator shall receive the sealed packets of printed question papers for each course from the Department Coordinator one day prior to the commencement of the exam.
- d) At least 30 minutes prior to commencement of the Test, invigilators report to the Examination Cell and their signature is affixed .
- e) In case any faculty members cannot report (due to emergency), the reserve faculty members already identified for the day takes care of the requirements (on first cum first serve basis). Invigilators collect Question paper(s), Answer booklets, Additional sheets and Attendance sheet (and additional stationary requirements if any) and take to the respective examination halls. .
- f) Invigilator: One invigilator is assigned for a group of 30 students, subject to maximum of two invigilators per class room.
- g) The faculty of every department will be appointed centrally to serve as additional invigilators.
- h) The invigilators shall enter the examination hall at least 15 minutes before the start of examination.

He/ She shall,

- a) Instruct the students to keep their books, note books, and their written materials at the front of the hall/outside the hall.
- b) Check whether the students have occupied their seats as per the seating arrangement.
- c) Distribute answer books to students at least 10 minutes before the commencement of the examination and ask them to fill in incorrect details on the front page of the answer books.
- d) Distribute the question papers to the students at the beginning of the examination.

KEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

STAFF HANDBOOK

- e) Check the identity cards of the students and sign on their answer books, if all details are correct,
- f) Collect the signature of students on the attendance sheet and mark “AB” for absent students, maintain the attendance record of his/her examination hall.
- g) Issue additional sheets/graph paper to the students as and when required.
- h) Maintain general discipline in the classroom by frequently moving around the examination hall and preventing any malpractices or attempts at copying by students.
- i) Report cases of misbehavior, indiscipline, malpractices, and copying cases of students to the Examination Coordinator for further necessary action. Collect the answer books from the students at the end of examination and arrange them sequentially as per the examination seat numbers of students for each course separately,
- j) Handover the answer books to Exam cell.

3.1.5 Procedure for Reporting of Malpractice

- a) When an exam invigilator, faculty, or squad member discovers evidence of malpractice, they are required to seize all relevant documents and materials that may be used as proof of the malpractice, hold the candidate, and notify the exam coordinator. They should also collect a written statement from the candidate and a written report from the exam invigilator of that particular examination hall.
- b) The facts will be brought to the attention of the Principal, the exam invigilator, faculty or squad member may duly witness the matter to the Principal if the candidate refuses to accept the malpractice, destroys evidence, or flees with it.
- c) If the candidate opts not to provide a written statement, the invigilator will document and sign the circumstances, with a witness from either the examination squad or the relevant examination authority.

3.1.6 Guidelines/Instructions for Examiners

- a) It shall be mandatory for every faculty to evaluate the answer books of his/her course or answer books of other courses as instructed by the Principal /HOD, within stipulated time.
- b) All the evaluation of a course shall be done by the course handling faculty.
- c) Collect bundle of answer books from office in-charge (assessment); count all the

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

STAFF HANDBOOK

books in the bundle. If any difference in number of answer books is found, the examiner shall get it clarified immediately from office in-charge(assessment).

- d) Award marks for each answer based on scheme of evaluation
- e) Write the total marks in double digits (e.g. 01,02, 12 etc) in the space provided on the front page of the answer book.
- f) In accordance with the academic calendar, the concerned course faculty or coordinator will produce and display the results of the internal examination for the relevant course. After the evaluation, he or she will permit the students to view the assessed answer booklets.
- g) All assessed answer books shall be preserved till the internal marks finalized / university exam results published by the concerned faculty.
- h) The faculty advisor shall publish the internal mark of the semester in the last working day

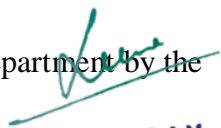

3.2 PROCEDURE FOR PROCURING LAB CONSUMABLES, VALUABLES AND STATIONERY:

3.3.1 Budget

The lab in charge of each lab should evaluate the need for lab consumables for the upcoming academic year shortly after the last working day of the previous semester, taking consumption from that semester into consideration. A comprehensive budget for the upcoming academic year has been created by the department head and submitted to Management through the Principal.

Non-Consumables

- a) The HOD as soon as realizing the need for the equipments (including furniture) for the next year/Semester has to initiate a proposal to the Management for the procurement of the same, through the Principal with a copy of approved Budget.
- b) After the approval, the Management will call for quotations.
- c) On receipt of quotations the HOD has to prepare a comparative statement.
- d) If required, vendors may be called for negotiations by the Management.
- e) The purchase order will then be issued to the selected vendor by the Management.
 - i. A copy of the purchase order will be sent to the Principal / HOD of the concerned department by the Management.
 - ii. After purchases are over and received by the Department, HOD has to certify that the items are received in good / working condition.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

STAFF HANDBOOK

f) The details should be entered into the consumables/non-consumable stock register as the case may be and HOD may recommend for passing the bill for payment within a week of the receipt of the consumable / non-consumables. Bill may be sent to the Chairman through the Principal.

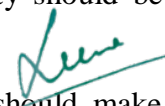

3.3.2 Stationery

- a) Soon after the last working day of an academic year, HoDs' should assess the requirements of stationery needed for the administration of their Department.
- b) After consolidation of the requirements and a submission is given to the Principal, after the approval, the Management will take action for the bulk purchase of the stationery needed for the entire Institution.
- c) After procurement, the stationery required for each Department will be distributed by the Storekeeper.
- d) The HOD must give the office a special submission for bulk stationery well in advance (at least 10 days before the anticipated date) for specific purposes, such as conducting workshops, conferences, seminars, etc.

MAINTENANCE OF STOCK

In case of laboratory, the following stock registers have to be maintained:

- i. Consumables stock register
 - ii. Non-consumables/valuables stock register
 - iii. Other register(s) based on the requirement of the Department concerned.
- a) In addition to maintaining the consumable and non-consumable stock register for each lab, the lab assistant is in charge of the correct upkeep of the materials in that lab. The laboratory staff member in charge, the faculty in charge of verification, and the concerned HOD should all sign each entry.
 - b) The staff in charge is nominated among the members of the Department. He/she will be in charge of the concerned laboratory of the department.
 - c) Every time a new employee replaces an existing staff member in charge of a lab, that person should take over the role after confirming the stock register entries. Any disparity should be brought to the Principal's attention through the HOD.
 - d) If a staff member who is in charge of a particular lab is on long leave, HOD should make alternate arrangements immediately to entrust the stock to another staff member. The entrusted staff member shall take possession of all the stocks immediately and the HOD should

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

STAFF HANDBOOK

report the fact to the Principal.

- e) Any item that breaks or is damaged while being used needs to be reported right away in the stock register in the notes column next to that item. The cause of the damage should be included in this and any breakage fines that need to be paid by the staff member or student who caused the damage. If there is a breaking of an expensive object, the Principal should be notified immediately, in order to recover the breakage fees. For low-cost items, the breakage fee shall be collected at the end of the relevant semester's practical lessons.
- f) Similarly, loss of any item shall also be recorded in the register and reported to the Principal for recovery of the cost from person responsible for the loss.
- g) After the recovery of the costs and on the specific orders from the Principal the item lost / damaged has to be removed from the stock register.
- h) If any old item is beyond repair and cannot be put into the use, the same can be condemned after obtaining approval from the Principal. This has to be entered in the stock register.
- i) No transfer of an equipment / material from one lab to another lab (even within the same Department) should take place without prior permission of the Principal. As and when such a transfer is made, a note should be made in the respective stock register of the laboratory against the item regarding the date of issue, date of receipt, and other relevant particulars.
- j) If any equipment is not functioning within the guarantee period, the company may be pulled up for rectification and it must be set right at the earliest.
- k) Periodic service and maintenance of equipment/machineries is a must.

3.3.3 STOCK VERIFICATIONS

- a) Surprise checks on stocks have to be carried out by the HOD in his/her Department at least once in a year. Principal or any member of the Management may also conduct surprise checks.
- b) Apart from surprise checks, annual verification has to be carried out by the staff members deputed by the Principal from other Departments before the end of the academic year.
- c) Discrepancy, if any, noticed during stock verification should be reported to the Principal immediately for further action.

Dr. LEENA A V
PRINCIPAL

3.4 ACADEMIC AUDITING

3.4.1 Objective of the Academic Audit

To ensure comprehensive course delivery, including syllabus coverage, adherence to course plan, quality of internal examination papers, effective internal evaluation, completion of laboratory experiments, practical assignments, mini-projects, and thorough evaluation of practical classes. Sure, here's the list with spaces between the words:

1. Adherence to the Academic calendar and milestones
2. Functioning of class/course committees
3. Schedule of class and Faculty Time Table
4. Attendance of students
5. Quantity & Quality of Assignments/Internal Exam Questions
6. Subject/practical coverage as per course plan
7. Evaluation of internal exams/assignments with sample
8. Evaluation of student's performance in practical classes
9. Performance of students in internal exams and Award of internal evaluation marks
10. Maintenance of Course diary and Course File
11. Performance of students in the previous semester
12. Faculty evaluation by students

STAFF HANDBOOK

CHAPTER 4

SERVICE RULES AND REGULATIONS

The following is the policy that will be focused for staff at SNGCET. The rules that will be followed are as follows:

4.1 Recruitment Process for Teaching Staff

1. Recruitment is conducted based on the institution's requirements.
2. Principal/HOD/Designated Authority determine vacancy numbers considering factors such as student strength and staff resignations.
3. Applications are screened by the respective Head of the Department.
4. Shortlisted candidates are informed through call letters or phone calls.
5. Walk-in interviews may be conducted for immediate postings.
6. Minimum qualifications are in accordance with Management Policy.
7. Teaching staff are paid according to AICTE/ management policy scale of pay.
8. Additional allowances for specific positions are provided as per management policy.
9. The Interview Committee includes members of the college management, the Principal/Designated Authority, Administrative Officer, and Heads of Departments.
10. Faculty interviews may require a written test or teaching demonstration, followed by a personal interview for shortlisted candidates.
11. Candidates for senior positions may be subjected to direct interviews.
12. The selection committee submits final recommendations for management approval and issuance of appointment orders.

This process appears comprehensive and aims to ensure that recruitment is conducted efficiently and fairly within the institution.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

STAFF HANDBOOK

4.2 APPROVAL OF QUALIFICATION

1. Certainly, here are the sentences with spaces between the words:
2. Every appointee shall be subject to the conditions that his/her desired qualification is approved by the affiliating University.
3. At the time of joining all appointees shall produce original certificates, as demanded by APJ Abdul Kalam Technological University with sufficient number of copies from S.S.L.C onwards. The original certificates should be submitted for any official purpose.
4. Any discrepancy in qualification noticed by the authorities the candidate/employee will be terminated with immediate effect..

4.3 Service Conditions for the Staff

1. All new appointments will be on contract/probation basis for a period of 2 years and will be appointed on a consolidated pay scale.
2. Confirmation/ Termination will be based on the performance evaluation at the end of the contract/probation period.
3. In rare cases, probation could be prolonged based on performance improvement prospects of staff member. If however, after this period, the performance of the staff member is still not found satisfactory, his/her employment will stand terminated.
4. A notice given to the employee shall outline reason for non-confirmation, and/or extension of probation period.
5. Despite the above conditions, the Management reserves the right to terminate an employee at any time with due discretion.
6. The service of any candidate appointed on contract / ad-hoc basis, can be terminated without any notice and without giving any reason.
7. The faculty information sheet duly signed is to be submitted along with joining report at the time of joining.

4.4 PROMOTION POLICIES

These points outline the promotion policies within the institution:

Dr. LEENA A V
PRINCIPAL
SREE MARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

STAFF HANDBOOK

1. Promotions are granted based on a merit-cum-seniority basis or as decided by the management.
2. A promotion committee is appointed by the management, chaired by the President, and comprising the Secretary, Vice President, Directors and Principal.
3. The committee evaluates promotions of teaching staff to higher positions based on guidelines provided and in accordance with AICTE norms. Candidates must not have any disciplinary actions against them for misconduct.
4. Candidates with a minimum of 10 years of teaching/research/industrial experience, including at least 5 years at the Assistant Professor level, are eligible to be appointed and designated as Associate Professors, subject to AICTE regulations and management approval.
5. Only teachers with a PhD are eligible for promotion, appointment, or designation as Professor. However, retired government teachers with at least 15 years of teaching experience at the undergraduate level may be appointed as Professors based on the discretion of the management.
6. Promoted individuals are placed in the appropriate pay scale determined by the management.
7. Consistent good performance is essential for internal promotions and increments.

These policies ensure that promotions within the institution are based on merit, qualifications, and performance, in accordance with regulatory standards and the discretion of the management.

4.5 RETIREMENT FROM SERVICE

Here are the outlined points regarding retirement policies within the institution:

1. Both teaching and non-teaching staff are required to retire upon reaching the age of superannuation, which is set at 60 years for teaching staff and 56 years for non-teaching staff.
2. If a faculty member reaches the age of superannuation during the academic year, their retirement date will be on the 31st of May of the following year.
3. The age of superannuation specified above does not apply to Professors holding Emeritus and Special Category appointments.

These policies outline the retirement procedures for staff members and exceptions for certain appointments.

4.6 TERMINATION OF SERVICES OF AN EMPLOYEE

1. The Principal/Designated Authority can suspend staff for misconduct charges.
2. An employee detained for over 48 hours or sentenced to imprisonment shall be suspended pending further action.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

STAFF HANDBOOK

3. If staff commits misconduct, management can give warnings, withhold increments, or dismiss after a committee inquiry.
4. The management reserves the power to terminate the services of any member of the college, for any of the following reasons:
 - a. Serious misconduct and willful negligence of duty;
 - b. Gross insubordination;
 - c. Physical or mental unfitness; and
 - d. Participation in any criminal offense involving morally corrupt behavior.

4.7 CODE OF CONDUCT

General

All staff are expected to

- Observe absolute punctuality and on time service in everything relating to the College.
- The staff shall keep the College premises absolutely clean and litter free. Great care should be taken to keep their work place neat and orderly.
- The staff shall dress properly befitting to the standard and culture of the College
- The staff shall not engage in discussions or conversations that are not related to the duties assigned to them.
- They shall be present on their seats /places / rooms and attend to the duties assigned to them. Crowding around office tables and gossiping is highly objectionable.
- The staff shall communicate in English on the campus to the extent possible.

4.7.1 Special Instructions to Teaching Staff

- Faculty has to come to the college at least 15 minutes before the commencement of classes
- Follow the rules and regulations of the Institution as prevalent from time to time.
- Update their knowledge by attending seminars/workshops/conference, after obtaining necessary permission from the Principal/Management.
- Take every attempt to publish text books, research papers in reputed International / Indian Journals / Conferences.
- Strive to prepare him/ herself academically to meet all the challenges and requirements.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

STAFF HANDBOOK

the methodology of teaching so that the input may be useful for the student community at large.

- Groupism of any kind should be absolutely avoided. Faculty members found indulging in such activities will be subject to disciplinary proceedings.

4.7.2 In Department

- Faculty/staff should communicate with the Head of Department (HOD) and maintain confidentiality regarding their professional and personal activities.
- The work load will be allotted by the HOD after taking into account the interests and area of specialization of the faculty member.
- Faculty must fulfill additional responsibilities assigned by HOD/Principal/Management in academic, co-curricular, or extracurricular activities.
- Every Faculty Member should maintain student's attendance records and the absentees roll number should be noted everyday in the software as soon as the classes/laboratory hours are over.
- Faculty/staff must seek advance sanction for leave, ensuring alternate arrangements for classes/labs. In emergencies, inform HOD with alternate arrangements.
- Faculty must avoid all forms of groupism. Those found engaging in such behavior will face disciplinary action.

4.8 PERFORMANCE APPRAISAL OF EMPLOYEES AND INCREMENTS:

- Staff Members are eligible to the increments prescribed at the end of 12 month in service in the Institution. The Increments will effect at the beginning of every academic year.
- Additional Increments shall be given to staff members based on their contributions and results achieved at the discretion of the Management.
- Annual Staff Performance Appraisal Systems consists of
 - A. Appraisal by Students
 - B. Appraisal by Head of Department
 - C. Appraisal by Peer group
 - D. Appraisal by Management

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

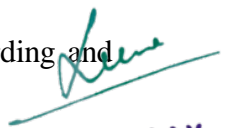

At the conclusion of each academic year, all staff members are expected to turn in their Self Evaluation Report in the format specified. Each employee will have a discussion with the Management, Principal, and administrator regarding the appraisal results. For internal promotions and raises, selection to higher positions, and other benefits, consistent strong performance will be necessary. The appraisal's findings will be kept in the individual file. Non-performance will be handled appropriately. The fulfillment of any two of the following requirements is required of all faculty members for every academic year in order to advance.

1. Paper publication-Journal/conference,
2. Patent–Apply/sanction,
3. Project–Apply/sanction
4. Testing/consultancy
5. Conduct/coordinate–
Conference/seminar/FDP/TEDx/Hackathon/Workshop/any similarevent.

4.8 GRIEVANCE PROCEDURE

1. The Principal is responsible for establishing a Grievance Committee to address employee grievances, aligning with the norms of AICTE and the University.
2. The Grievance Committee consists of a Chairperson and members determined by the Principal during Academic Council.
3. The Principal announces the composition of the Grievance Committee, including the names of its members, whenever it is formed or reconstituted.
4. The Chairperson of the Grievance Committee oversees its proceedings and convenes meetings at least once every semester or as required.
5. Any employee with a grievance should submit a written representation to the Grievance Committee.
6. The Grievance Committee, under the guidance of the Chairperson/Convener, promptly addresses and redresses grievances raised by employees.
7. The Convener or a member designated by the Chairperson is responsible for recording and maintaining minutes of the Grievance Committee meetings.

This process ensures a structured approach to addressing and resolving employee grievances within the institution, fostering a supportive and fair work environment.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

4.9 LEAVE

General

Certainly, here's the text with spaces between the words:

- 1) Leave is a privilege granted by the Management and not a right. If needed the leave may be refused or revoked by the authority. Leave will be calculated as per the calendar year and NOT academic year.
- 2) Leave Application: The leave application shall be submitted on etlab well in advance and sanction may be obtained before availing the leave. The faculty members shall make alternate arrangements/internal adjustments such that their classes and other official duties are not affected.
- 3) An alternative arrangement for all duties has to be informed to the concerned HOD.
- 4) The lab staff shall make alternate arrangements/internal adjustments so that lab classes are not affected. Advance permission should be sought from the concerned HOD. Casual Leave, Out Station Duty and Duty Leave application should be submitted in etlab. All other leaves should be forwarded to the Management for approval through the Principal.
- 5) Leave of any kind will not be sanctioned on those particular days when the services of the staff are mandatory in the institution.
- 6) Continued absence of more than five days, or repeated irregularity without intimation of any kind may render an employee liable to disciplinary action.
- 7) The Office staff/ HODs/AO shall take approval of the Principal at least one day prior to the starting of leave.
- 8) The Principal shall take approval from the Management atleast one day prior for availing leave.

Types of Leave

The staff members can avail the following leave:

Casual Leave(CL)

Leave without Pay (LWP)

Extra Ordinary Leave (EOL)

Duty Leave (DL)

Compensation Duty Leave (CDL)

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

Study Leave (SL)

Vacation Leave (VL)

Maternity Leave (ML)

Medical Leave (MED)

4.9.1 CASUAL LEAVE (CL)

All regular staff is entitled to 15 days Casual Leave in a calendar year, apart from College vacations.

- 1) Half day CL will not be granted on half working days.
- 2) CL can be pre-fixed/suffixed with all types of holidays/leaves.
- 3) The contract staff shall avail CL in the respective month itself.
- 4) The CL of regular staff will not be carried forward to next calendar year and will lapse at the end of the calendar year.

4.9.2 LEAVE WITHOUT PAY (LWP)

- 1) If an employee avails leave in excess of casual leave he/she may be granted leave without pay at the discretion of the Management.
- 2) Such leave shall not exceed 45 (forty five) days in a calendar year subject to a maximum of twenty days at a time.
- 3) "Leave without pay" shall also be approved in advance by the authority as any other leave.
- 4) Prior approval has to be taken from the Management for any leave without pay that is availed for more than five consecutive days.

4.9.3 EXTRA ORDINARY LEAVE (EOL)

This leave is granted under the following circumstances which includes the following:-

- 1) Prolonged sickness of self or a family member
- 2) Higher education

Although there cannot be a fixed guideline for the duration of such a leave, this may be granted as per the decision of the Management as per the case.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

4.9.4 DUTY LEAVE (DL)

- 1) Duty leave may be granted for the following purposes:
- 2) To perform any technical presentations such as lecture, talk, speaker in a FDP etc
- 3) To attend technical workshops/symposium of National/International level.
- 4) To read/present a research paper in a Conference/Symposium of National/International level.
- 5) To attend selection committee or other such like committee meetings provided they are convened by a statutory body/university recognized by the Government.
- 6) To inspect academic institutions attached to a statutory body or a University recognized by the Government.

The duty leave will be restricted to a maximum of 15 days during a calendar year subject to the following conditions:-

- a) There exists a written request from the competent authority.
- b) The paper has been accepted for presentation and a communication to this effect received in writing/mail.

4.9.5 OUT-STATION DUTY(OD):

- 1) OD will be granted when staff members are required to go out on official duties as approved by the Principal/Designated Authority for examination work in recognized universities.
- 2) Number of days on OD is limited to 14 days for a year at the rate of 7 days per semester and if availed in excess, the excess days shall be deducted from other eligible leave at the credit of the staff unless approved by the designated authority. This limit is applicable to conduct of university practical examination, observer duty, Viva voce, Synopsis submission & DC meeting. However, this limit is not applicable to centralized valuation camp.
- 3) Head of the Department has the power to distribute the outstation duty among the faculty members so as not to exceed the allowable limit per semester.
- 4) Staff members are permitted to go on 'On Duty' for academic works of the colleges such as Board of Studies, Academic Council, Staff selection Committee, Accreditation committee, Resource person for other colleges and other committee/Council formed related to the works of AICTE/ other prescribed bodies etc., after obtaining prior written permission from the H.O.D. and the Principal. Staff members availing O.D. are entitled to draw the salary in full for the entire period of O.D. The

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
KANNUR

teacher applying for O.D. is permitted to avail the remuneration given by the University or any other academic bodies.

5) In all the cases, prior written permission has to be obtained from the Principal through HOD, via e-mail.

6) The Principal/Designated Authority shall have the right to cancel the leaves sanctioned earlier, for any emergency work in the college.

4.9.6 COMPENSATION DUTY LEAVE (CDL)

All the staffs are expected to work on holidays in case of events of institutional importance/necessity without any special compensation. However under special circumstance compensation duty leave will be sanctioned to a teaching or non-teaching staff in lieu of having attended the office on a holiday whenever he / she is directed to do so by the authorities i.e. Management and Principal of the college. Such approval of CDL rests solely at the discretion of the Principal/Designated Authority. Approved CDL a) Can also be combined with C.L. b) This leave must be availed within three months from the day of the duty carried out. c) C.D.L. can be availed as full day only

4.9.10 STUDY LEAVE (SL)

1) The Management of SNGCET appreciates and encourages faculty development by acquiring higher qualifications such as PhD / Post PhD. Study leave of up to 4 years will be granted to faculty who wish to pursue full-time PhD.

2) Faculty while rejoining SNGCET after the successful completion of PhD will be eligible for increments as per the decision of Management.

3) To pursue PhD under part-time/part-time external schemes, faculty will be permitted under the following conditions.

a) Faculty shall give an undertaking to the effect that they will be continuing with SNGCET after completion of their PhD for a minimum period one year.

b) Faculty should have completed a minimum period of 1 year of service at SNGCET before applying for PhD under part-time.

c) The number of faculty availing the above facility shall not exceed 25% of the total faculty strength of any department at given point of time.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

- d) Permission to avail this facility will be given by the Management based on the recommendation of the HOD/Principal and considering the overall performance and seniority of the faculty.
- e) Faculty will be permitted to make use of the library and lab facilities for the purpose without affecting the normal functioning of the college.
- f) It is imperative that the faculty doing PhD under part-time scheme to pursue their research work without affecting their duties and responsibilities at SNGCET.

4.9.11 MATERNITY LEAVE (ML)

- 1) Maternity leave of 6 months may be granted to a permanent female employee with half pay up to a maximum of two children.
- 2) The leave pay of two months will be granted after rejoining.
- 3) All the holidays occurring during the leave shall be counted for the purpose of computation of 180 days.

4.9.12 VACATION LEAVE (VL)

The total number of VL days for members of permanent staff (vacation staff) is limited to 30 (Thirty) days, for a continuous service of 12 months in the institution. If any staff member is prevented from availing VL in the interest of the college by the orders of the Principal/Designated Authority, compensation duty leave shall be considered. Such consideration rests solely at the discretion of the Principal/Designated Authority. Such compensation can be availed within the academic year.

- 1) A staff member becomes eligible for full VL only after rendering a continuous service of one full academic year as on 31st May. i.e. From 1st June of a calendar year to 31st May of the following academic year. If he/she join on service on later date, they can avail proportionate VL.
- 2) All regular office staff who are not entitled vacations are entitled to 22 days Casual Leave in a Calendar Year. Leave can be availed in blocks of not more than 3 days, except in emergencies.
- 3) In case a staff member, after availing VL does not complete the full term of 6 months or one semester, the leave availed will be treated as Leave on Loss Of Pay (LOP) at the rate of 3 days per month and proportionate salary will be deducted from any payment due to him/her or will be recovered from the said staff member.
- 4) However, in special/deserving cases, VL can be sanctioned for permanent staffs proportionate number of completed months of continuous service, solely at the discretion of the Designated

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
KANNUR, KANNUR

Authority. In such cases, staff members are required to serve the institution for a further period of six months or one semester.

5) Any unused part of VL cannot be carried over to the next academic year.

6) While calculating the number of days of vacation leave, all intervening declared holidays and Sundays will be included.

7) The vacation period amongst the faculty members shall generally be staggered to ensure that the Institutes functioning are not hampered.

4.9.13 VACATION LEAVE FOR NON-TEACHING STAFF

1) The number of days of VL for Non-vacation Staff is restricted to 30 days per year which shall be availed within the vacation period declared for teaching staff.

2) Those who have working during the vacation declared for teaching staff in the interest of the college by the orders of the Principal/Designated Authority, the compensation at the rate of 1:1, i.e, one day's pay for every one day of eligible vacation leave shall be considered and credited to their account at the end of academic year (May)/compensation duty leave shall be considered.

3) Such consideration rests solely at the discretion of the Principal/Designated Authority.

4) Other rules and conditions of availing VL are similar to that for Teaching Staff.

4.9.14 MEDICAL LEAVE (MED)

1) The entitlement of Medical leave is 15 days for every calendar year. Medical leave can be availed only on Medical ground. The application for medical leave is to be submitted within seven days of commencement of leave.

2) The authority has the right to refer the application to a Doctor/Hospital of the choice in case of doubt on the genuineness of the application. Medical leave application shall always be accompanied by a medical certificate

3) Sundays & Holidays can be prefixed/suffixed to medical leave, however intervening holidays are counted as medical leave.

4) Medical leave is sanctioned with half salary benefits and can be commuted for full salary basis.

5) Medical leave will be granted only on completion of all other types of leave in the Calendar year.

6) Medical leave will be approved/ granted by the Management based on the recommendation of HOD and Principal

CHAPTER 5

CAMPUS CODE OF CONDUCT FOR FACULTY AND STAFF

The essential responsibilities of staff and the code of conduct to be adhered to wherever applicable:

- Uphold the honour and decorum of the teaching profession, serving as role models for students and peers alike.
- Demonstrate impartiality, integrity, and ethical behavior in every aspect of classroom management and instruction.
- Ensure that teaching methods remain fresh, relevant, and comprehensive, adapting to the evolving needs of students and society.
- Treat every student with kindness, equality, and respect, promoting a supportive and inclusive learning environment.
- Interact with students in a friendly and approachable manner, building trust and rapport that enhances the educational experience.
- Abide by the rules and regulations of the institution, maintaining order and professionalism within the academic community.
- Foster healthy relationships with students, recognizing the importance of trust and communication in the teaching-learning dynamic.
- Cooperate with fellow teachers, parents, and administrators, recognizing that collaboration strengthens the educational ecosystem.
- Be responsible and engage positively with parents and other stakeholders, recognizing their crucial role in students' academic success.
- Serve as counselors and facilitators, promoting harmony and emotional well-being among students, contributing to their holistic development.
- Refrain from engaging in social networking sites during working hours, prioritizing focus and dedication to the educational mission.
- Staff must understand and adhere to rules outlined in the Student Handbook for consistency and fairness.

ABOUT THE COLLEGE

SreeNarayana Guru College of Engineering & Technology, one of the prestigious technical institutions in North Malabar, was established in 2003. The engineering college is fully equipped to meet the rising demands for greater facilities in the scenario of higher education. Since its inception, it has been true to do the mission and the prophetic vision of the great Saint SreeNarayana Guru. With its emphasis on quality education augmented by exposure and training in other individual skills, the institute's focus is on creating individuals who are all round performers and true professionals.

Sree Narayana Guru College of Engineering & Technology is a Self-Financing Institution promoted by Sree Bhakthi Samvardhini Yogam(SBSY) and managed by its committee consists of industrialists, professionals, administrators, social workers who are noted for their leadership qualities, ability to mobilize resources, experience in setting up new ventures and taking-up challenging assignment. The college is approved by AICTE and affiliated to APJ Abdul Kalam Technological University (KTU). Digital library, Incubation Cell, IEDC and student chapters of professional bodies such as NPTEL, ISTE, CSI offer an extensive range of resources, opportunities and services to the outcome based teaching learning process. Effective implementation of quality control processes ensure Engineering graduates with the expected level of knowledge, skill and attitude.

Dedicated and untiring efforts of the management under the leadership of Sri.K P Balakrishnan, President SBSY , Sri. K P Pavithran, Secretary SBSY, Shri. T.K Rajendran Vice President SBSY along with the Board of Directors are instrumental in developing the infrastructure and other facilities within a short span of time.

VISION

A knowledge society promoting human excellence and enlightenment through effective education

MISSION

To provide technical education of the highest quality and standard of excellence for socio-economic progress embedded in clearly articulated values and supported by commitments

QUALITY POLICY

SNGCET is committed to providing technical education to students hailing from socially and economically underprivileged backgrounds. The institution prioritizes initiatives for fulfillment of needs of learners and other beneficiaries by:

- Enhancing their skills and academic performance
- Offering state-of-the-art infrastructure and pleasant learning environment
- Inculcating moral and ethical values
- Building partnerships with institutions and organizations for mutual progress
- Encouraging a robust dedication to social responsibility

MOTTO

Enlightenment through Education.

Program Outcomes(POs)

- Engineering knowledge: Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems.
- Problem analysis: Identify, formulate, research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences.
- Design/development of solutions: Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations.
- Conduct investigations of complex problems: Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.
- Modern tool usage: Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modelling to complex engineering activities with an understanding of the limitations.
- The engineer and society: Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues, and the consequent responsibilities relevant to the professional engineering practice.
- Environment and sustainability: Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.
- Ethics: Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.
- Individual and team work: Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.
- Communication: Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.
- Project management and finance: Demonstrate knowledge and understanding of the management and management principles and apply these to one's own work, as a member and leader to manage projects and in multidisciplinary environments.

D. K. S. N. A. Y.
PRINCIPAL
ISREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

- Life-long learning: Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.

DEPARTMENT OF CIVIL ENGINEERING

VISION OF THE DEPARTMENT

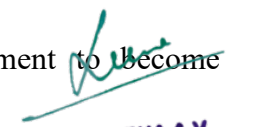

To pursue excellence in Civil Engineering and technology towards sustainable development and to bring out professionals with futuristic vision

MISSION OF THE DEPARTMENT

- To mould students into outstanding Civil Engineers by inculcating technological competency through conducive environment for education and committed faculty.
- To contribute to nation building and development of society through innovation and design of sustainable infrastructure.
- To enhance employability, imbibe professional ethics, encourage entrepreneurship and equip for higher education.

Program Educational Objectives (PEOs)

- To prepare students to excel and succeed in Civil Engineering profession through quality education.
- To provide students with a robust foundation in mathematics, basic sciences and engineering required to solve real life problems as well as also to pursue higher studies and research.
- To enable students to comprehend, design, analyze and create sustainable infrastructure through state of the art tools and technologies.
- To inculcate professionalism, ethics, communication skills, teamwork, multi-disciplinary approach and ability to relate civil engineering with socio economic dynamics for overall development of students.
- To empower the students through intellectually inspiring academic environment to become successful engineers, scientists, technocrats, administrators or entrepreneurs.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

Program Specific Outcome (PSOs)

- Demonstrate in-depth knowledge in the analysis, design, experimental research and construction aspects of civil engineering structures.
- Apply the concept of sustainability in various fields of civil engineering like construction technology, transportation engineering, soil conservation, water resource engineering and waste management.
- COMPUTER AIDED DESIGN (CAD) LABORATORY
- GEOTECHNICAL ENGINEERING LABORATORY
- TRANSPORTATION ENGINEERING LABORATORY
- MATERIAL TESTING LABORATORY & CONCRETE TESTING LABORATORY
- SURVEYING LABORATORY
- ENVIRONMENTAL ENGINEERING LABORATORY

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

VISION OF THE DEPARTMENT

To be a centre of excellence in Computer Science and Engineering to produce competent professionals and entrepreneurs capable of exploring and assimilating latest technological advancements for the betterment of the society.

MISSION OF THE DEPARTMENT

- To facilitate transformative education in computer science and engineering.
- To build competent professionals and entrepreneurs by introducing new technologies.
- To accomplish higher education, induce ethical values and spirit of social commitment.

Program Educational Objectives (PEOs)

PEO-1	To prepare students to excel in Computer Science and Engineering programme through quality education enabling them to succeed in computing industry profession.
PEO-2	To provide students with core competencies by strengthening their mathematical, scientific and basic engineering fundamentals.
PEO-3	To design & develop novel products and innovative solutions for real life problems in Computer Science & Engineering field and related domains by broad based knowledge.
PEO-4	To inculcate professionalism among students by providing technical, entrepreneurial skills and soft skills with ethical standards.
PEO-5	To encourage students for higher studies by adapting to new technologies through interactive quality teaching and organizing symposiums, conferences, seminars, workshops and technical discussions.

Program Specific Outcome (PSOs)

PSO-1	Computer Science Specific Skills: The ability to identify, analyse and design solutions for complex engineering problems in multidisciplinary areas by understanding the core principles and concepts of computer science.
PSO-2	Programming and Software Development Skills: The ability to acquire programming efficiency by designing algorithms and applying standard practices in software project development to deliver quality software products.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

VISION OF THE DEPARTMENT

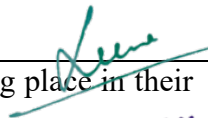

To be a centre of excellence in Electronics and Communication Engineering and to create engineers who can address global challenges

MISSION OF THE DEPARTMENT

- To provide students with high quality technical education and to develop their professional and entrepreneurial skills in Electronics and Communication Engineering.
- To enable students for developing different skills in Electronics and Communication Engineering, leading to benchmarking and innovations.
- To inculcate in students a high degree of social consciousness and sense of human ethical values.

Program Educational Objectives (PEOs)

PEO -1	To enable students to acquire knowledge in the fundamentals and advanced concepts of Electronics and Communication Engineering to analyse, design and create novel products and solutions for the real life problems.
PEO-2	To give exposure to students to new technologies and attain professional competence through lifelong learning such as advanced degrees, professional registration, publications and other professional activities.
PEO-3	To develop a professional outlook in the students with effective communication and responsible interaction.
PEO-4	To work in a team as a member or leader and adapt to the changes taking place in their field through sustained learning.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PAYYANUR, KANNUR

Program Specific Outcome (PSOs)

PSO1	Demonstrate skills in designing, implementing and testing analog and digital electronic circuits, including microprocessor systems, for signal processing, communication, networking, VLSI and embedded systems applications.
PSO2	Apply knowledge and skills to conduct experiments and develop applications using Electronic Design Automation (EDA) tools.

LABORATORIES & FACILITIES

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

VISION OF THE DEPARTMENT

To be a centre of excellence to bring out professionally competent and socially responsible electrical engineers

MISION OF THE DEPARTMENT

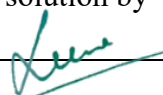

To produce graduates with expertise in the field of electrical engineering and to contribute in the making of professional leaders, entrepreneurs and innovators

Program Educational Objectives (PEOs)

PEO-1	To empower students to excel in the areas related to electrical and electronics engineering that requires analytical and professional skills
PEO-2	To enable students to integrate the needs of society by solving technical problems using engineering principles, tools and practices in an ethical and responsible manner
PEO-3	To inculcate leadership qualities, techno managerial ability and skills in students.
PEO-4	To enable the students to adapt to the emerging technologies through continuous learning.
PEO-5	To enable the students to take up higher studies or professional employment or start-up ventures after qualifying the course.

Program Specific Outcome (PSOs)

PSO-1	An ability to analyse and design electrical machinery, electrical/electronic circuits, electrical/solid state drive systems, lighting systems and deliver technological solution by assimilating advances in allied disciplines
PSO-2	Able to provide socially acceptable technical solutions to complex electrical engineering problems with the application of modern and appropriate techniques for sustainable development

DEPARTMENT OF MECHANICAL ENGINEERING

VISION OF THE DEPARTMENT

To be a centre of excellence to develop proficient engineers, who are innovative, entrepreneurial and successful to support the ever changing industrial demands and social needs

MISSION OF THE DEPARTMENT

- To empower the students for rapidly changing technological diversity in the field of mechanical engineering through effective teaching learning process.
- To impart quality engineering education for the development of society through excellence in teaching and innovation.
- To inculcate attitude, skill and knowledge in students to reach their highest potential for life-long learning

Program Educational Objectives (PEOs)

PEO-1	To empower students to excel in industry, technical profession or postgraduate programme through quality education.
PEO-2	To create robust foundation in mathematics, science and engineering fundamentals required to solve technical problems.
PEO-3	To develop ethical, environmental and societal responsibilities in students and make them contribute towards the benefit of professional organization and society
PEO-4	To enable students to acquire knowledge of relevant technologies and multidisciplinary fields
PEO-5	To boost the spirit of inquiry through projects, internships leading to development of creativity, self-confidence and team spirit.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

Program Specific Outcome (PSOs)

PSO-1	Develop and implement new ideas on product design and development with the help of CAD/CAM tools while ensuring best manufacturing practices
PSO-2	Able to integrate and apply knowledge in the solution of interdisciplinary engineering problems.

LABORATORIES & FACILITIES

1. CIVIL AND MECHANICAL WORKSHOP
2. COMPUTER AIDED MACHINE DRAWING

PROFESSIONAL BODIES

CSI (Computer Society of India)

Computer Society of India is the only member in IFIP (International Federation for Information Processing) from India

The Computer Society of India Students' chapter is established to empower the students with latest skills, tools and technologies through excellence in education and entrepreneurship with industry experts and academicians.

Through this chapter the students are able to develop team work and leadership qualities. Also, it provides a platform to connect with distinguished speakers on different technology areas

Currently having 488 student branches and with more than 90,000 Student Volunteers across the nation

Objectives

- To be a part of the distinguished fraternity of famous IT industry leaders, brilliant scientists and dedicated academicians through Networking
- Professional Development at Individual level
- Training and Certification in futuristic areas
- International Competitions and association with International bodies like IFIP and SEARCC
- The activities conducted for the Students associated with the Society include lectures, seminars, conferences, training programmes, programming contests and practical visits to installations.
- Student can earn up to 40 KTU activity points by participating in various activities.
- Improve academic brilliance by conducting special coaching to identified students
- Conducting soft skill training for CSI members to make them industry ready.
- Offer Financial assistance for deserving students.

Student Branches (Advantages of Institutional Membership Plus)

- Eligibility for nomination for the Best Student Branch award
- Opportunity to participate in the international, national, regional and chapter events of CSI such as conferences, seminars, symposia, workshops, technical talks, free lectures on latest technological advancements in IT at discounted rates between 10%-50%.
- Opportunity to offer workshops/ trainings in collaboration with CSI.
- Invitation for all Regional/State/National student conventions/conferences and competitions

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

- Concessional rates for CSI Conferences and Tutorials for student members.
- Opportunity for students to interact with Industry professionals from industry and chalk out a career path.
- Eligibility to publish articles in CSI communications and journals for student members.
- Eligibility to be nominated for the best student paper in CSI communications.
- Eligibility for CSI funded minor projects (for College Students)
- CSI Certification and Training programs at discounted rates for students
- Permission to conduct events under CSI Banner

CAMPUS CODE OF CONDUCT

1. Students are expected to maintain the highest standards of discipline and dignified manner of behavior inside as well as outside the College campus. They shall abide by the rules and regulations of the College and should act in a way that highlights the discipline and esteem of the College.
2. The first hour will begin with a prayer song which will be played through P.A System. The students shall stand in attention till the prayer ends. Those who are outside the classroom are also expected to stand and maintain silence during the prayer not following the above will be considered as an offence.
3. All the students are expected to be seated in the class room/lab 5 minutes before the commencement of the class/lab.
4. Latecomers will be marked as absent in the class
5. No student shall enter or leave the class room when the session is on without the permission of the teacher present.
6. Students who have lab sessions in the FN or AN, have to report to the lab in time and they are not expected to stay in the classroom.
7. Students can leave the campus during class hours, only after getting permission from the Principal/ HOD, or the faculty advisor and after making entry in the Gate Register maintained by the Security.
8. All students shall leave the classes immediately after the last hour. Students are not to stay back in the class room/lab beyond normal working hours unless there is special permission/special class
9. Canteen and stationery store to be visited only during interval and non-working hours. Unauthorized absence from the class will attract disciplinary action.

Dr. LEENA A V
 PRINCIPAL
 SREE NARAYANA GURU COLLEGE OF
 ENGINEERING & TECHNOLOGY
 PATTANUR, KANNUR

10. All leave applications (Regular & Medical) shall be submitted in time, for sanction by the concerned HOD and the Senior Faculty Advisor. Medical leave applications should be submitted with supporting medical certificates.
11. Students shall enter the college premises only in the proper uniform. During laboratory sessions students it is mandatory to wear safety shoes. Students travelling by college bus shall be in uniform during the entire duration of travel.
12. All the students are expected to attend all programmes organized in the college premises in uniform unless and otherwise specified.
13. All the students shall wear their identity cards within college premises. Identity card is a public document and any teaching staff and non-teaching staff shall have the right to examine it. Denial of which can invite disciplinary action.
14. As per Government rules, students (both day-scholars & hostlers) are not permitted to use vehicles inside the College Campus. Day-scholars shall park their vehicles in the designated places near the entrances.
15. Students are expected to maintain silence in the academic buildings. Any deviant behavior such as howling, whistling, loitering etc. will be treated as an instance of indiscipline.
16. For independent study, students are expected to use the class rooms, library or the demarcated areas of the academic building and shall not resort to sitting in staircases or circulation areas where they could interfere with the free movement.
17. Students are encouraged to make use of the library, common computing facilities and to involve in activities organized by professional body or any programme authorized by the college beyond class hours. However under normal circumstances day scholars shall leave campus before 4.30 p.m and hostellers shall retreat to their respective hostels or residences by 6.00PM.
18. All the students are advised to follow the SNGCET Mobile Phone Policy and violations if any shall be brought to the notice of the authorities.
19. Keep the campus neat and clean. Do not drop waste anywhere else in the campus except in the waste bin placed at various locations .
20. The class rooms shall be kept neat and tidy, personal belongings shall not be stored in the class rooms.
21. Consumption of intoxicants / psychotropic substances in any form or smoking or using chewing-gum, pan

D. K. S. N. A. Y.
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

masala etc. are strictly prohibited. Involving in such activities will invite strict discipline.

22. It is strongly advised to refrain from activities such as scribbling, writing and drawing on walls, door or furniture which could deface the college and destroy the academic ambiance.
23. Carefully handle the furniture, equipment, fixtures and appliances of the college and lab. Careless handling/misuse of the above could result in personal injuries or damage to property. Follow safety precautions near moving machines and electrical installations. In the event of damage of property, the responsible students will have to bear the cost of replacement/repair.
24. Students are not permitted to arrange any unauthorized celebrations and decorations of any magnitude in the campus.
25. Students are not permitted to distribute or display (both physically and electronically) material such as notices, banners etc. in the campus without the permission of the competent authority.
26. Students who intend to represent the college in intercollegiate events shall take prior permission from the concerned head of the department and the selection will be based on parameters such as academic performance, attendance, character, existing academic pressure and competence of the student in the proposed event participation
27. During internal examinations of 1.5 hrs duration, students are not allowed to leave the hall within one hour from the beginning of the exam, and students have to occupy the seat 15 minutes before the commencement of the examination.
28. Appearing in all the Continuous internal Evaluation Tests is mandatory for all the students.
29. Political activity in any form is not permitted in the College campus. Unauthorized meetings, propaganda work, processions or fund collections are forbidden within the College and hostels.
30. Students shall comply with all the instructions of accompanying staff during industrial visits and educational tours. Any deviant behaviour during the college organized programs will attract disciplinary action.
31. Harassing juniors, demeaning fellow students or any form of ragging is prohibited and liable to be treated as a criminal offence by the law enforcing agencies as per the directives of Hon'ble Supreme Court of India

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

32. Misbehavior towards girl students/ ladies staff, threatening or violence against staff members or fellow students will be considered as very serious case of misconduct.
33. Tuition fees, bus fees, mess bills etc. should be paid in advance or in time to avoid late fee.
34. Any violation of the above rules will invite penalty in the form of warning, bringing of parents or any course of corrective measure as found suitable by the concerned staff member or higher authority of the College.
 - a) Expulsion from the College is enough for expulsion from the hostel.
 - b) In case of any instance of non compliance of existing rules or any observed matter/behavior that violates the code of conduct of SNGCET, all the staff members are empowered to initiate disciplinary procedure by submitting a written complaint which in turn may lead to the constitution of an enquiry committee and further proceedings.

MOBILE PHONE POLICY

This policy establishes clear guidelines for mobile phone usage on campus, applicable to all visitors. Acknowledging the importance of communication and its impact, the guidelines aim to balance accessibility with minimizing disruptions, fostering a conducive learning environment while respecting privacy and focus.

1. **Restrictions during Class Time:** During class hours and examination periods, students are prohibited from using mobile phones on campus. Mobile phones must be kept on silent mode or turned off while in class.
2. **Exam Regulations:** Mobile phones are typically not allowed during exams to prevent cheating or unauthorized communication. Colleges may require students to place their phones in designated areas or turn them off completely before entering the examination room.
3. **Consequences for Violations:** Staff members have the authority to confiscate mobile phones from students who violate these rules. In case of violating mobile phone policies, which may range from warnings to disciplinary action, depending on the severity and frequency of the offense.
4. **Educational Use:** the use of mobile phones for educational purposes, such as accessing course materials, educational apps, or communication with instructors is permitted. In such cases, policies may focus on responsible and appropriate use rather than strict restrictions.

Dr. LEENA
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

5. **Respect for Others:** In case of using mobile phone always consider importance of respecting others' privacy and concentration. This includes refraining from using phones in ways that disturb or inconvenience fellow students or faculty members. Staff members are prohibited from using mobile phones during class hours and invigilation duties.

INDUSTRIAL VISIT GUIDELINES:

The students may go on industrial visit only when the dates are allotted for the same in the academic calendar.

1. Details of industries/technical/research organization proposed to be visited shall be indicated in the tour program.
2. Travel plan is also prepared by the coordinators and submitted to the Principal through HODs, the program proposal should include the distance, date of travel, detailed schedule, mode of travel with the contact details of responsible person, boarding and lodging details, list of students participating etc.
3. For each group of 20 students, one faculty from the same department preferably group faculty advisor should accompany the students. If girl students are participating the tour, one lady faculty member from same department preferably Faculty Advisor should accompany the team.
4. Industrial visit programs should be approved by Principal. The details of the accompanying faculty members should be mentioned in the approval request. The programs and schedule should be duly signed and recommended by both Faculty Advisor and HOD will only be considered for approval by Principal.
5. Written consent of the parent is essential for all students who participate in tour.
6. List of students with their contact details along with the faculty members identified is also included
7. An agreement should be signed with the traveling agency/IV operator.
Students have to meet the expense for the visits planned (for the Travel/ Lodging and Boarding and other Incidental Expenses). If the visit is planned to nearby places and is on holidays, based on the request from the students, Principal may also decide to give permission to use the any use the college bus for the visits after payment of a nominal fee (or not) based on the distance travelled. On ensuring availability of bus, request is submitted by the Student coordinators (through the HODs) to Transport i/c (with the approval of Principal).
8. The students are to maintain discipline during the industrial visit any behavior which violates the

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

instructions of the accompanying staff and affects the safety of fellow students shall be treated as a major instance of indiscipline.

The proposals which do not satisfy the above-mentioned guidelines will be rejected.

RAGGING

Ragging in any form is prohibited and any incidence of indulging in ragging will be reported to the police. Ragging is a non-bailable offence.

Ragging may also attract punishment under the existing laws of land. Ragging constitutes one or more of any of the following acts:

- i. Any conduct by any students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness to a fresher or any other student.
- ii. Indulging in indisciplined activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student.
- iii. Asking any student to any act which such student will not do in the ordinary course do and which has the effect of causing of generating a sense of shame, or torment of embarrassment thereof in any fresher or any other student.
- iv. Any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or fresher.
- v. Exploiting the service of a fresher or any other student for completing any task assigned to and individual or group of students
- vi. Any act of financial extortion or forceful expenditure put on a fresher or any other student by students.
- vii. Any act of physical abuse including all variants of it – sexual abuse, homo sexual assaults, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health of a person.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

- viii. Any act or abuse by spoken words, email, post, insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to fresher or any other student.
- ix. Any act that affect the mental health and self-confidence of a fresher or any other student with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student.

A fresher means a student who has been admitted to an institution and who is undergoing his/her first year of study in such institution

Actions will be taken against student for indulging and abetting ragging depending upon the nature and gravity of the offence as established. The possible punishments for those found guilty of ragging at the institution level are any one or any combination of the following:

- i. Cancellation of admission
- ii. Suspension from attending the classes
- iii. Withholding/withdrawing a scholarship and other benefits.
- iv. Debarring from appearing any test/examination or the revaluation process
- v. Withholding results
- vi. Debarring from representing the institution in any regional, national or international meet, tournament or any such competitions.
- vii. Suspension/expulsion from the hostel
- viii. Rustication from the institution for a period ranging from 1 to 4 semesters
- ix. Expulsion from the institution and consequent debarring from admission to any other institution.
- x. Collective punishment: when the persons committing or abetting the crime of ragging are not identified, the institution shall resort to collective punishment as a deterrent to ensure community pressure on the potential raggers.

COLLEGE COMMITTEES:

Internal Quality Assurance Cell

The Internal Quality Assurance Cell (IQAC) is established in the college to monitor the academic performance and to work towards excellence. The aim of the IQAC is to assure and maintain the academic activities of the college. It achieves quality through incessant improvement with coordination of all stake holders. The IQAC also reviews the academic performance and presents the details to the University Audit team.

Primary Aim

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Functions

- IQAC takes a lead role in undertaking academic audit in every semester and gives feedback with the purpose of devising quality enrichment programmes.
- It facilitates the creation of an environment conducive for quality education.
- It documents the various programmes/activities leading to quality improvement.

Profile

The IQAC Cell has the following members

1	Dr. Leena. A.V	, Principal	Chairperson
2	Ms. Mary Sonia George,	HOD CE	Coordinator
3	Sri. CC Mohanan	Director, SBSY	Member/Management Representative
4	Dr. Susan Abraham,	Dean UG&PG	Member
5	Ms. Leena Narayanan,	HOD ECE	Member
6	Mr. Abhirosh K ,	AP S & H	Member
7	Ms. Saritha Sasindran,	AP CE	Member
8	Mr. Jacob Thomas,	HOD ME	Member

Dr. LEENA A V

9	Ms.Veena K K,	AP CSE	Member
10	Mr.Jayadeep,	Asst. Engineer, Kerala PWD	Member/industry
11	Prof. T. Divakaran		Member/Professional body
12	Sri Suresh Babu K V		Member/Local body
13	Ms.Aswathi P l,	S6 CSE	Student Member
14	Mr. Sunder V,	HOD CSE	Member/Alumni
15	Ms.PrabhaChandran ,	AP EEE	Convenor

Grievance and Redressal Cell

The Grievance Cell aims to develop a responsive and accountable attitude among all the stakeholders in order to maintain harmony within the institute. The Grievance Cell has been constituted for the redressal of the problems identified by the staff and students of the college with the following objectives:

- Maintain the honour of the College by ensuring a peaceful atmosphere in the College by promoting cordial Student-Students and Student-Staff relationship.
- Encourage the Students to express their grievances / issues openly without any fear of victimization.
- Suggestion / Complaint Box is placed in the reception foyer where Students / Staff, may drop their grievances or suggestions for improving the Academics / Administration in the College.
- The grievance may also be mailed to the grievances@sngcet.ac.in

Women's Cell

The Women's Cell at SNGCET aims at empowering the Women of SNGCET by providing them opportunities to attain their true potential. The Women's Cell is committed to create awareness among the Women about gender sensitive issues and their legal rights. The Women's Cell takes necessary action on the grievances put forth by the Women. We are committed to provide a fully confidential and supportive environment to all the female members of our campus community. The Girls/women shall also post their grievances at womengrievances@sngcet.ac.in or contact the 24x7 helpline –8943616582

Dr. LEENA A V
 PRINCIPAL
 SREE NARAYANA GURU COLLEGE OF
 ENGINEERING & TECHNOLOGY
 PAYYANUR, KANNUR

The objectives of the Cell are :

- To ensure the facilities and needs of the women faculty, staff and students are met
- To address problems arising out of any gender-related discrimination
- To train women in different domains and to help them attain their own stand in a competing world

SC/ ST CELL

The Scheduled Caste (SC) and Scheduled Tribes (ST) Cell at SNGCET endeavors to provide unbiased opportunities to the special interests of students in the reserved category. It lends a helping hand to students in areas where they experience difficulties.

The college takes special interest in facilitating financial support to students from backward communities. They are also encouraged to enroll for career orientation programs, which would equip them build their career.

The objectives of the Committee are:

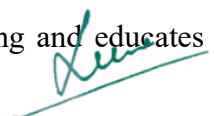

- To counsel and guide students of reserved category and help them adapt to the academic environment.
- To create awareness about the State Govt. and UGC's orders on various aspects of education, employment of SC/ST & OBC Students.
- To circulate State Govt. and UGC's decisions about different scholarship programs.

ANTI RAGGING CELL

The Anti-ragging committee's mandate is to maintain SNGCET as a ragging free campus. Anti-Ragging Committee is involved in implementing strategies and action plan for curbing the menace of ragging in the college. The Anti-Ragging Squad is formed by the committee to monitor the students.

The objectives of the Committee are:

- The committee creates awareness among the fresher's about its existence and emboldens them to report any ragging incident
- The committee also sensitizes the senior students about the ill effects of ragging and educates them at large about the menace of ragging and related punishment provisions.
- The Anti Ragging Squad works under the Supervision of Anti Ragging Committee and engages in monitoring campus and other places of student gathering, for any incidences of ragging.

DRUG ABUSE PREVENTIVE CELL

The menace of drug abuse has profound social, economic and health implications for communities worldwide. Addressing this issue requires a multidimensional approach. One effective strategy is the formation of a Drug Abuse Prevention Cell, a body dedicated to combatting drug abuse and its associated challenges.

Drug Abuse Prevention Cell are to organize awareness programmes in the college and hostels with the help of government authorized agencies or organizations and also maintain necessary warning sign boards against the use of drugs. The cell plays an important role by educating the students about the ill-effects of drugs and alcohol and encouraging peer policing among students against the use of drugs. Organising awareness campaigns, workshops and seminars can foster a sense of responsibility among students to prevent substance abuse. By focussing on prevention, the cell contributes to a healthier society with lower rates of substance abuse, resulting in improved overall well-being and social harmony.

A Drug Abuse Prevention Cell serves as a central hub for designing, implementing, and monitoring strategies aimed at preventing drug abuse and related issues. Its importance lies in its ability to pool resources, expertise and community engagement to tackle the multifaceted challenges of drug misuse.

LIBRARY

The Central Library is well equipped with modern facilities and resources in the form of books, e-books, journals, e-journals, etc. The Library is automated by Book Magic Software with barcode facility. Central Library has an excellent collection of 22275 volumes of books with 6609 titles. 6 International and 54 National Journals are subscribed. E-journals are subscribed through DELNET. Books are classified according to Dewey Decimal,

Classification scheme.

Library follows an open access system with an OPAC search facility. The library provides campus-wide IP-enabled access to NPTEL courses and other Electronic Resources. Reprographic, scanning and printing facilities are also made available in the library. Our Digital Library System is featured with 4350 e-books. SNGCET is an Institutional Member of DELNET (IM-9376). The institution has the membership of National Digital Library of India Club (Registration ID: INKLNC485J7ADWV).

APJ ABDUL KALAM TECHNOLOGICAL UNIVERSITY

APJ Abdul Kalam Technological University (initially Kerala Technological University), a State Government University has come into existence on May 21, 2014 with an aim to give leadership to the technology related policy formulation and Engineering Planning for the State. It also emphasizes to improve the academic standards of the Graduate, Post Graduate and Research Programmes in Engineering Science, Technology and Management and regulate the academic standards of all colleges affiliated to the University. The main thrust areas of the University are Research, Development and Innovation

THE A. P. J. ABDUL KALAM TECHNOLOGICAL UNIVERSITY ACADEMIC REGULATIONS FOR B. TECH, 2019

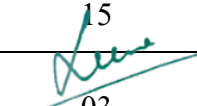

This may be called the A. P. J. Abdul Kalam Technological University Academic Regulations for B. Tech, 2019. These are subject to the provisions of the APJ Abdul Kalam Technological University Act, 2015, the statutes and ordinances if any issued in the subject from time to time. It is the express understanding that these regulations are subject to the approval of the concerned statutory bodies of the University. These regulations shall be applicable for students admitted from 2019 onward.

1.Preamble	
R1.1	The University has the right to modify the regulations from time to time.
R1.2	In all matters related to the regulations, the decision of the University and its interpretation given by the BOG shall be final and binding.
2.Admission	
R2.1	Admission policy , eligibility for admission and admission procedure shall be decided by the University or the competent statutory authority for admissions from time to time.
R2.2	If at any time after admission, it is found that a candidate has not full filled any of the requirements stipulated by the University or the statutory body concerned, the Vice Chancellormayrevoke theadmissionofthecandidateandreportthemattertotheBOG.
R2.3	No student shall be permitted, under any circumstances, to change the branch/stream to which he/she is admitted by the competent authority for admission.
R2.4	A student admitted to a particular institute shall continue studying in that institute till the completion of the course, unless she/she is permitted an inter college transfer as per R2.4

3. Structure of B. Tech. Program.

R3.1	The duration of the B.Tech.Program shall be 4 years (8 semesters)			
R3.2	The maximum duration shall be six academic years spanning 12 semesters.			
R3.3	Every academic year shall have two semesters “1 st July to 31 st December (Odd semester)” and “1 st January to 30 th June (Even semester)”. Each semester shall have minimum of 72 working days. The vacation of the faculty and staff shall be as per the Government orders from time to time.			
R3.4	Every branch of the B Tech Program shall have a curriculum and syllabi for the courses approved by the Academic Council. Syllabus for any course shall be normally modified /updated once in four years. However, innovative elective courses can be included as and when required, on the recommendations of the respective Board of Studies and subject to the approval of the Academic Council. All revisions shall be based only on the commendations of the Board of Studies concerned			
R3.5	The academic programs of the University follow the credit system. The general pattern is as below:			
	1 Hr. Lecture (L) per week	1 credit		
	1 Hr. Tutorial (T) per week	1 credit		
	1 to 2 Hours Practical (P) per week	1 credit		
	3 to 4 Hours Practical (P) per week	2 credits		
	The work load of a faculty member shall be the actual number of hours engaged by the faculty member.			
R3.6	The curriculum of any branch of the B Tech. Program shall have a total of 160 academic credits and 2 additional pass/fail credits.			
R3.7	Every course of B Tech. Program shall be placed in one of the nine categories as listed in table below.			
	S. No.	Category	Code	Breakup of Credits
	1	Humanities and Social Sciences including Management courses	HSMC	8
	2	Basic Science courses	BSC	26
	3	Engineering Science courses including workshop, drawing, basics of electrical/mechanical/computer etc.	ESC	22
	4	Professional core courses	PCC	76
	5	Professional Elective courses relevant to chosen specialization/branch	PEC	15
	6	Open subjects– Electives from other technical and /or emerging subjects as specified in the curriculum concerned.	OEC	03
	7	Project work, seminar and internship in industry or elsewhere	PROJ

 PAYYANUR, KANNUR

R3.8	No semester shall have more than six lecture- based courses and two laboratory and/or drawing/seminar/project courses in the curriculum. Credit per semester shall not be less than 15 or greater than 25 and cumulative credits shall not be less than 162.
R3.9	The medium of instruction shall be English. All examinations, project/seminar reports and presentations shall be in English.
4.Academic Monitoring and Student Support.	
R4.1	Advisory System: There shall be one Senior Faculty Advisor (SFA) for a class and a faculty advisor (FA) each for 25 to 35 students in the class. The Principal shall assign a regular faculty member with minimum five years of experience as the Senior Faculty Advisor(SFA)in discussion with the Head of Department concerned.
R4.2	The documents regarding all academic and non-academic matters of students under an advisory group shall be kept under the custody of Faculty Advisor/Senior Faculty Advisor.
R4.3	All requests/applications from a student or parent to higher offices are to be forwarded/recommended by his/her Faculty Advisor/Senior Faculty Advisor. Students and parents shall first approach their Faculty Advisor/ Senior Faculty Advisor for all kinds of advices, clarifications and permissions on academic matters. It is the official responsibility of the institution to provide the required guidance, clarifications andadvice to the students and parents strictly based on the prevailing academic regulations.
R4.4	<p>The SFA shall arrange separate or combined meetings with advisors; course faculty, Parents and students as and when required and discuss the academic progress of students under their advisory group. The Senior Faculty Advisor/ Faculty Advisor shall also offer guidance and help to solve the issues on academic and non-academic matters including personal issues of the students in their advisory group. Advisory meetings shall preferably be convened:</p> <ol style="list-style-type: none"> 1. Immediately after the commencement of the semester. 2. Immediately after announcing the marks of first internal evaluation test. <p>The internal marks, activity points earned during the semester and eligibility of attendance shall be uploaded in the University portal only after displaying the same in the department notice board at least for two working days. This is for the information and feedback of the students. Any concerns raised by the students regarding attendance and internal marks and activity points shall be looked into in the combined meetings of advisors, course faculty and the students concerned. The Principal/ HoD shall ensure the proper redressal of the concerns raised by the students regarding internal assessment and attendance. The FA/SFA shall be the custodian of the minutes and action taken reports of the advisory meetings.</p>

Dr. LEENA A V
 PRINCIPAL
 SREE NARAYANA GURU COLLEGE OF
 ENGINEERING & TECHNOLOGY
 PAYYANUR, KANNUR

R4.5	The SFA shall get the minutes and action taken reports of advisory meetings approved by the Head of Department and the Principal. It shall be the duty of the HoD and the Principal to produce it before the University as and when required.
R4.6	The FA/SFA shall keep a hardcopy of the consolidated statement of attendance, activity points and internal marks of the students in their advisory group. It shall be kept with the HoD without fail for all sorts of inspections.
R4.7	Regular communication with the parents of students in respect of progress in academic matters and other general issues shall be the responsibility of the Senior Faculty Advisor/Faculty Advisor.
R4.8	The Principal shall inform/forward all regulations, guidelines, communications, announcements etc issued by the University regarding student academic and other matters to the HoDs/Senior Faculty Advisors for information and timely action.
R4.9	It shall be the official responsibility of the Principal to arrange necessary orientation programmes to the HoDs, SFAs and SAs regarding student counseling, the prevailing University norms, regulations, guidelines and procedures on all academic and other University related matters.

5.Academic Auditing of affiliated institutions.

R5.1	<p>There shall be academic auditing in each affiliated college at stipulated intervals. The academic auditing shall be conducted jointly by an Internal Quality Assurance Cell(IQAC)withinthecollegeandexternalacademicauditor(s)appointedbytheUniversity. The Internal Quality Assurance Cell (IQAC) in each college shall overseeandmonitoralltheacademicactivities including allinternalevaluationsandexaminations.This cellshallprepareacademicauditstatementsinthe formatsprescribed by the University for each semester at regular intervals. These reports shall be presented to the external academic auditor(s), who shall use it as reference for independent auditing. The external auditor(s) shall submit the final audit report to the University in the prescribed format.</p> <p>Academic auditing shall cover:-</p> <ol style="list-style-type: none"> 1. Course delivery and adherence to the course plan, syllabus coverage, quality ofquestionpapersusedforinternalexaminations,internalevaluation,maintenanceof laboratory experimental setups and equipment's, practical assignments, mini projects and conduct of practical classes and their evaluation. 2. Co-curricular and Extra-curricular activities available for students, the monitoring mechanism of activity points to be earned by the students. 3. Academicfunctioningofthecollegeencompassingstudents,facultyandcollege administration covering punctuality, attendance, discipline, academic, environment,learning ecosystem, academic accountability, academic achievements and bench marking. 4. The audit shall also cover the quality criteria prescribed by NBA/NAAC.

R6.18	There is no provision for improving the grade. However, the student is permitted to check the answer books of the End Semester Examination after the results are declared, on payment of the prescribed fee. Any discrepancy in evaluation could be brought to the notice of the Controller of Examination, who shall initiate appropriate action as per The University Examination Manual.				
R.6.19	The students can apply for revaluation of the answer books of the end semester examination after the results are declared. The final mark awarded will be the better of the two marks. If the difference in marks obtained in revaluation and the original valuation is more than 15% of the maximum marks, it shall be sent for third valuation. The final mark shall then be the average of the closer of the two marks obtained in the three valuations to the advantage of the student or the mark obtained in the original valuation whichever is higher. The Controller of Examination shall examine such cases and conduct proper enquiry to see whether any of the examiners is responsible for negligent valuation of answer script and initiate suitable action as per the University Examination Manual.				
R6.20	Grade cards shall be made available in the student login for the registered courses,in Every semester. On earning the required credits for the degree, the University will issue the final consolidated grade sheet for the B. Tech program including CGPA.				
R6.21	Calculation of SGPA/CGPA				
	<p>Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA)are calculated as follows.</p> <p>$SGPA = \frac{\sum(C_i \times GP_i)}{\sum C_i}$, where 'C_i' is the credit assigned for a course and 'GP_i' is the grade point for that course. Summation is done for all courses specified in the curriculum of that semester. The failed and incomplete courses shall also be considered in the calculation.</p> <p>$CGPA = \frac{\sum(C_i \times GP_i)}{\sum C_i}$, where 'C_i' is the credit assigned for a course and 'GP_i' is the grade point for that course. Summation is done for all courses specified in the</p>

 ENGINEERING & TECHNOLOGY
 PATTANUR, KANNUR

	curriculum up to that semester for which the 'CGPA' is needed. Here the failed courses shall also be accounted. CGPA for the B. Tech programme is arrived at by considering all course credits that are needed for the degree and their respective grade points. For students admitted under lateral entry scheme, credits for the first and second semester courses shall not be accounted for the calculation of CGPA. Equivalent percentage mark shall be $=10 \times \text{CGPA} - 2.5$
R6.22	Any act of violation of University directions, indiscipline, misbehavior, or unfair practice in examinations from the part of students, faculty members, staff, institution, management or any other source shall be viewed very seriously. It is the legal responsibility of the principal and the college management to see that the examinations are conducted strictly as per the directions of the University and as specified in the examination Manual. Malpractices in examinations observed or reported by an official employed by the University, faculty member, invigilator or anybody shall be immediately reported to the Principal. The principal shall in turn conduct a preliminary enquiry giving the student concerned a chance to explain his/her case. The Principal shall then forward the case with his/her preliminary enquiry report and remarks to the Controller of Examinations along with all related documents and evidences within two working days. The Controller of examination shall decide the course of action on the issue as per the prescribed norms in the University Examination Manual.
R6.23	A student shall earn 2 credits by actively involving in co – curricular and extra – curricular activities as per the guidelines issued by the University from time to time. On getting minimum 100 activity points the student passes the course and earns the two credits which shall not be counted for the calculation of CGPA but mandatory for the award of the Degree. For the students admitted under lateral entry scheme the 2 credits shall be considered to be earned on getting 75 activity points. The students are required to keep a file containing documentary proofs of activities done by him/her attested by the Senior Faculty Advisor/Faculty Advisor.
7. Break of Study	
R7.1	<p>A student is permitted to avail break of study:</p> <ul style="list-style-type: none"> i) In case of accident or serious illness need in prolonged hospitalization and rest. ii) In case the student has a bright idea and would like to initiate a start up venture or develop a product. iii) In case of any personal reasons that need a break in study. iv) For intern ship leading to employment. <p>For break of study due to illness, student shall submit all necessary medical reports together with the recommendation of the doctor treating him giving definite reasons for break of study and its duration. Before joining back, the student should submit the fitness certificate from the doctor who treated him.</p> <p>Students who want to initiate a start-up venture or a product development, have to</p>

Dr. LEENA A V
 PRINCIPAL
 SREE NARAYANA GURU COLLEGE OF
 ENGINEERING & TECHNOLOGY
 PATTANUR, KANNUR

	<p>submit a project report, clearly indicating the purpose, action plan, technical details, funding details and future plans to the college Principal. The Principal shall evaluate the proposal by constituting an expert team consisting of a technocrat and a bank executive and take an appropriate decision based on the team's recommendation. The break of study for the start up shall be permitted only after the 4th semester for a maximum duration of two semesters. This is however permitted only on successfully completing the courses listed out in the first two semesters.</p> <p>Students who require a break in study due to personal reasons shall convince the Principal on the genuine need for it by giving authentic evidence for the same.</p> <p>Students who require break in study for internship leading to employment shall produce the offer letter obtained from the employer concerned. The principal shall verify the authenticity of the offer and submit his recommendation to the University sufficiently in advance for approval. Only campus placed students with an annual compensation more than 6 lakhs are eligible to avail this facility.</p> <p>In the semester system followed by the University, break of study for an academic year is the preferred option than break of study for a semester.</p> <p>The student can avail the break of study only with the prior approval of the University. The Principal shall upload the request of the student with all relevant documents to the University portal for the approval with his/her recommendations.</p> <p>Students shall have to rejoin on the first working day of the same semester on which he/she had started availing the break of study.</p>
8.Attendance	
R8.1	<p>Students are expected to attain 100% attendance for all courses. However, under unavoidable circumstances they are permitted to avail leave. Total leave of absence shall not exceed 25% of the academic contact hours for a course and 75% attendance is mandatory for registering to the end semester examination.</p> <p>On medical ground the college Principal can relax them in minimum attendance requirement to 60%, to write the end semester examination. This is permitted for one or more courses registered in the semester. Principal shall keep all records which led to his decision on attendance, for verification by the Academic Auditors/University officials. This provision is applicable only to any two semesters during the entire program period.</p> <p>In case of prolonged illness, break of study is permitted as per R7.1.</p>
R8.2	<p>The Principals are authorized to grant attendance relaxation (duty leave) to the students in officially sponsored national level competitions/championships/ tournaments when called upon to do so, up to a maximum of 10%. Such students should produce the participation certificate countersigned by the University Sports Coordinator/the Director of Physical Education in the case of sports activities and the Senior Faculty Advisor in the case of other extracurricular activities: within ten days of the event. The participation certificate thus produced shall be forwarded to the Principal with the due recommendation of the respective Head of the Department. Under any circumstances, the principal shall not consider the certificate if the overall attendance of the candidate is less than 60%. Late applications received shall not be considered on any account. The students shall get official prior permission from the University for representing the University.</p>

Dr. LEENA A V

9. Inter College Transfer

R9.1	Inter college transfer shall be applicable only for regular B. Tech students.
R9.2	The transfer shall be permitted just before the commencement of third semester.
R9.3	The transfer shall be with effect from the first working day of the third semester.
R9.4	The transfer shall be only within the sanctioned strength of the receiving college.
R9.5	The following Category of students shall not be eligible for intercollege transfer <ol style="list-style-type: none"> 1. Govt. of India Nominee. 2. Management Quota in Aided colleges. 3. Management Quota in private Self Financing Colleges 4. Students admitted under NRI/PIO quota. 5. Lateral Entry students. 6. Students admitted under TFW Scheme. 7. Students admitted in any super numeracy seats. 8. Any other category which are ineligible as per the conditions for admission prescribed by Govt. of Kerala/ Govt. of India.
R9.6	The transfer shall be permitted: <ol style="list-style-type: none"> 1. Between Govt Govt. Aided Colleges. 2. Between Self-Financing Colleges.(Including Govt. Controlled SFC).
R9.7	Notification inviting application for intercollege transfer shall be issued by the University just before the commencement to the third semester.
R9.8	The candidate should fulfill the academic eligibility requirement for promotion to the Third semester.
R9.9	If the number of applicants is more than the vacant seats available, the transfer may be Based on the Kerala Engineering Entrance Rank.
R9.10	The students shall opt only one college for inter college transfer.
R9.11	The selected candidates shall remit a fee of Rs3000/- (No fee for SC/ST students) with in the stipulated date to the University. However, this rule is not applicable to the Students transferred to other institutes under "Shift College" University order.
R9.12	The College transfer once approved by the receiving college will be final and binding On the applicant. No student will be permitted, under any circumstances, to refuse the change of college once offered.

10. Migration from other Universities

R10.1	Migration to the University from other Universities shall be permitted only if the parent University and the APJ Abdul Kalam Technological University enters into a bipartite agreement/ MoU for this purpose. However, this condition is not applicable to the students in any of the Engineering colleges/institutions, which, before the commencement of KTU Act remained affiliated to Universities except Deemed to be Universities in the State of Kerala.
R10.2	The student shall be permitted to migrate only If he/she fulfills the University eligibility Criteria for admission to the course applied for migration.
R10.3	The migration shall be permitted only up to the fifth semester of the B. Tech program And half the duration of the program in the case of other programs.
R10.4	The admission shall be offered on migration basis through lateral transfer of credits. Lateral credit transfer shall be as recommended by the concerned Board of Studies.
R10.5	The students shall be allowed to migrate to the University subject to satisfying the rules and regulations of the University as regards to, maximum number of backlogs, grade points, minimum credit requirement for promotion to higher semesters, etc.
R10.6	The student shall be offered admission in any of the affiliated colleges/institutions of the University subject to availability of seats. The student shall produce no objection Certificate from the concerned college/institute in this regard.
R10.7	The students offered admission shall have to take transitory courses/additional courses of the previous semesters to satisfy the program requirement as recommended by the Concerned board of studies.
R10.8	The students offered admission shall pay the migration fees and the University fees as prescribed by the University. The application processing fee (University fee) shall be Rs 5000/- (Rupees five thousand only) and the migration fees shall be Rs 20000/- (Rupees twenty thousand only). The migration fee is charged for the meeting expenses of the concerned Board of studies to decide on the student suitability for migration and to recommend the transitory courses/ additional courses to be done by the student to fulfill the academic requirement of the University. The processing fee shall be paid along with the application, and the migration fee shall be paid to the University at the time of offering admission. The fee once paid shall not be refunded under any circumstances. The students in any of the Engineering colleges / institutions, which, before the commencement of KTU Act remained affiliated to Universities except Deemed to be Universities in the State of Kerala, are exempted from paying the Processing fee and the migration fee.
R10.9	The migrated students shall follow the rules and regulations of the University.
R10.10	The students offered admission shall produce a migration certificate from the parent University at the time of admission.
R10.11	The student offered admission shall produce a character certificate from the parent institute/University at the time of admission.
R10.12	Regulations, Scheme and Syllabus of the respective specialization attested by the Registrar of the parent University or equivalent authority shall be submitted to the University along with the application seeking migration to the University.
R10.13	At tested copies of all certificates and mark lists from 10 th onwards shall be submitted Along with the application form (Original certificate and mark lists shall be

	Produced as and when required by the University).
R10.14	Assessment of the student suitability for migration in terms of programs, backlogs, Grade points, credit requirements, etc. shall be done by the concerned Board of Studies.
R10.15	Assessment of the transitory courses/additional courses to be done by the student as per the academic requirement of the University shall be as recommended by the concerned Board of Studies.

11.Minorin Engineering.

R11.1	All B. Tech students shall be eligible to register for Minorin Engineering.
R11.2	The Minorin Engineering registration shall be along with the registration of the 3 rd semester
R11.3	If a student fails in any course of the minor, he/she shall not be eligible to continue the B. Tech Minor. However, the additional credits and grades thus far earned by the Student shall be included in the grade card but shall not be considered in calculating the CGPA.
R11.4	The student shall earn additional 20 credits to be eligible for the award of B. Tech Degree with Minor.
R11.5	Out of the 20 Credits, 12 credits shall be earned by undergoing a minimum of three courses, during the specified period. The total number of contact hours for these three courses shall be 126Hrs(42Hrs/course).The duration of a course shall be minimum 14 weeks. The remaining 8 credits could be acquired through two MOOCs recommended by the Board of studies and approved by the Academic Council.
R11.6	Curriculum and the syllabus of the three courses shall be approved by the Board of Studies and the Academic Council.
R11.7	The assessment of the courses other than MOOCs and earning of credits shall be as per R6.1 to R6.23. The assessment and certification of the MOOCs shall be as per the prescribed norms of the MOOCs. The candidates shall produce the certification issued By the MOOCs conducting agency in proof of credit attainment.
R11.8	Undergraduate Degree with minor shall be issued by the University to the students who fulfill all the academic eligibility requirements for the B. Tech program and Minorin Engineering.

12.B.Tech(Honours)

R12.1	All B. Tech students are eligible to register B. Tech (Honours). However, their Mandatory CGP At the end of eighth semester shall be 8.5 or higher to be eligible for the award of B. Tech (Honours).
R12.2	The B. Tech (Honours) registration shall be along with the registration of the 4 th semester.
R12.3	If a student fails in any course including the course chosen for B. Tech (Honours), he/she shall not be eligible to continue the B. Tech (Honours). However, the additional credits thus far earned by the student shall be included in the grade card but shall not be considered in calculating the CGPA.
R12.4	The student shall earn additional 20 credits to be eligible for the award of B. Tech (Honours) Degree.

Dr. LEENA A V
 PRINCIPAL
 SREE NARAYANA GURU COLLEGE OF
 ENGINEERING & TECHNOLOGY
 PATTANUR, KANNUR

R12.5	Out of the 20 Credits, 12 credits shall be earned by under going minimum three specified B. Tech (Honours) Elective courses of the respective stream. Credits for the B. Tech (Honours) Elective courses are deemed to be earned only on getting at least a grade 'C' or better in the composite evaluation. A student shall not be permitted to select the normal elective courses of the respective B. Tech programs for attaining the credit requirements of B. Tech (Honours). The remaining 8 credits could be acquired through two MOOCs of the respective streams recommended by the Board of studies and approved by the Academic Council.
R12.6	The assessment and certification of the MOOCs shall be as per the prescribed norms of the MOOCs. The candidate shall produce the certification issued by the MOOCs Conducting agency in proof of credit attainment.
R12.7	The institutions offering B. Tech Honours programs shall not charge any additional fee From the students.
R12.8	B. Tech (Honours) Degree shall be issued by the University to the students who fulfill all the academic eligibility requirements for the B. Tech and B. Tech(Honours) programs.

13. Grace Marks for Sports/Arts Competitions.

R13.1	Only bona-fide, regular candidates are eligible for the award of Grace Marks.
R13.2	The criterion for the award of Grace Marks is representing the University in officially sponsored national level competitions / championships / tournaments when called up on to do so. The student shall get official prior permission from the University for Representing the University.
R13.3	The maximum grace marks that can be awarded to a candidate in a particular semester for all activities put together shall be 5% of the aggregate maximum End Semester Examination marks of all theory courses for which the University conducts End Semester Examinations.
R13.4	The maximum grace marks that can be awarded to a student for a theory course in a Particular semester for all activities put together shall not exceed 10% of the maximum aggregate marks of End Semester Examination of the course.
R13.5	The Grace Marks shall not be awarded to a student for Practical/Lab/VivaVoce/ Internal assessment/Seminar etc. even though she/he fails for the same.
R13.6	Eligible Grace Marks shall be distributed equally on all theory papers/courses of an examination. However, re – distribution of Grace Marks shall be allowed only in the case of those courses of an examination for which the candidate has passed. Re-distribution is possible from passed courses to failed courses only. Re-distribution of Grace Marks is not permissible from failed courses to other courses for a pass.
R13.7	The Grace Marks shall be awarded for all theory papers/courses/subject sin a semester.
R13.8	Re-distributionshallbedoneonlyforenablingacandidatetoobtaintheminimum Marks required for a pass.
R13.09	Grace Marks shall not be re–distributed from one semester to another semester.
R13.10	If the candidate does not secure the minimum marks required for a pass even after effecting re-distribution, eligible moderation fixed by the respective board if any, shall Be awarded to that candidate in addition to the Grace Marks for a pass.
R13.11	Eligible Grace Marks shall be awarded for the regular examination of the performing Semester only. Grace Marks shall not be awarded for supplementary examinations.

Dr. LEENA A V
PRINCIPAL
SREE NARAYANA GURU COLLEGE OF
ENGINEERING & TECHNOLOGY
PATTANUR, KANNUR

R13.12	The performing semester shall be considered from 1 st July to 31 st December (Odd semester) and 1 st January to 30 th June (Even Semester).
R13.13	Grace Marks shall be awarded on the basis of performance in the respective semester.
R13.14	The request for Grace Marks shall be submitted to the Controller of Examinations through the principal along with all relevant documents, with in the time limit prescribed by the University. The request for Grace Marks received after the time limit Shall not be entertained on any account.
R13.15	Only a single highest achievement during the period of a semester shall be considered Forwarding the grace marks.

14. Grace Marks for Persons With Disability (PWD)

R14.1	A person with disability means a person suffering from not less than 40% of any disability as certified by the District Medical Board. To be eligible for the grace marks, the certificate of disability specifying the percentage of disability shall be produced Before the Principal at the time of admission.
R14.2	The Grace Marks that can be awarded for PWD candidates shall be 25% of the marks Scored by the candidate in each course at the time of finalization of the results.
R14.3	Transfer of marks from one paper to another shall not be permitted. Fractions of marks if any, while computing the Grace Marks shall be rounded off to the next higher integer.
R14.4	PWD candidates who are eligible for Grace Marks shall be awarded Grace Marks for Regular and supplementary chances until they pass the whole examination.
R14.5	Grace Marks shall be awarded only for the marks of the End Semester Examinations Conducted by the University.
R14.6	The request for Grace Marks shall be submitted to the Controller of Examination through the principal along with all relevant documents, within the time limit prescribed by the University. The request for Grace Marks received after the time limit shall not be entertained on any account.

15. Transitory provision.

15.1	Not with standing anything contained in these regulations, the Vice-Chancellor shall, for a period of two years from the date of coming into force of these regulations, has the power to provide by order that these Regulations shall be applied to any B.Tech program with such modifications as may be necessary.

Student Activity Points

Apart from technical knowledge and skills, to be successful as professionals, students should have excellent soft skills, leadership qualities and team spirit. They should have entrepreneurial capabilities and societal commitment.

In order to nurture these qualities, KTU has introduced activity points to be earned by the students during their academic stay at the University covering extra-curricular and co-curricular activities. All students have to earn a minimum of 100 activity points from various activity segments listed to qualify for the B. Tech degree. Two credits are given for this on a pass/ fail basis and is mandatory for getting the B. Tech Degree. As no grade is given for these two credits, they are not included in the CGPA calculation. For lateral entry students joining from the third semester, the activity point requirement is 75. Points earned by the student will be indicated in the consolidated academic statement.

Colleges shall consolidate the activity points earned by students on a semester basis and enter the consolidated points on an academic year basis in the KTU portal. In case of NSS and NCC, points can be entered after the completion of two-year Programme. The portal for this will only be open for a specific time period. All documental proof for awarding the activity points should be obtained and kept with the college authorities to be verified by the Academic Auditor.

THE MAIN ACTIVITY SEGMENTS ARE AS GIVEN BELOW:-

1. National Initiatives
2. Sports & Games
3. Cultural Activities
4. Professional Self Initiatives
5. Entrepreneurship and Innovation
6. Leadership & Management

The following table gives the list of activities under each of these segments, the level of achievement expected, activity points, evidence needed to assign the points and the minimum duration needed for certain activities.

Additional activities falling under these segments can be considered, if requested by the college with full details. However this has to be approved by the Academic Committee of the KTU

INDUCTION PROGRAM

There will be three weeks induction program for first semester students. It is a unique three-week immersion Foundation Programme designed especially for the fresher's which includes a wide range of activities right from workshops, lectures and seminars to sports tournaments, social work and much more. The programme is designed to mould students into well groomed individuals, aware and sensitized to local and global conditions and foster their creativity, inculcate values and ethics, and help students to discover their passion. Foundation Programme also serves as a platform for the fresher's to interact with their batch mates and seniors and start working as a team with them. The program is structured around the following five themes:

The programme is designed keeping in mind the following objectives:

- **Values and Ethics:** Focus on fostering a strong sense of ethical judgment and moral fortitude.
- **Creativity:** Provide channels to exhibit and develop individual creativity by expressing themselves through art, craft, music, singing, media, dramatics, and other creative activities.
- **Leadership, Communication and Teamwork:** Develop a culture of teamwork and group communication.
- **Social Awareness:** Nurture deeper understanding of the local and global world and our place in it as concerned citizens of the world.
- **Physical Activities & Sports:** Engage students in sports and physical activity to ensure healthy physical and mental growth.

TRANSPORTATION FACILITY

The Sree Narayana Guru College of Engineering & Technology provides bus facilities to students and staff. Our robust transportation facilities are designed to provide a seamless and convenient journey, ensuring that everyone can focus on what matters most – their education.

Our dedicated fleet of buses operates on well-planned routes, covering key residential areas and connecting them directly to the campus. With timely schedules and reliable services. College has buses. Plying in Kannur, Thaliparamba, Pazhayangadi, Kanhangad, Payyanur routes.

There is a bus committee constituted by the principal to decide the matters related to the timings. The Principal formed a bus committee to take decisions regarding times, route, fees, and so on. The bus incharge handles day-to-day administrative issues related to the bus.

COLLEGE BUS TIMING

KANNUR

KANNUR TALUK OFFICE – 7.20 AM

THALIPARAMBA- 7.50 AM

PAZHAYANGADI -7.50 AM

PERUMBA -8.15 AM

KOTHAYIMUKK – 8.20 AM

KANHANGAD

KANHANGAD – 7.40 AM

NILESHWARAM – 7.55 AM

CHERUVATHUR – 8.10 AM

KALIKKADAVU-8.15 AM

NADAKKAVU-8.17 AM

THANKAYAM MUKKU- 8.20 AM

BKM –PAYYANUR -8.30 AM

All College Buses leave the campus at 4.10 P M

AMENITIES:

Meeting hall and seminar halls:

Our institution's SreeBodhanandha Hall and Mahakavi KumaranesanHall are meticulously designed for academics, professional and innovation needs. The halls have a flexible layout and furniture arrangements to suit for diverse meeting formats, facilitating brainstorming sessions, board meetings and collaborative discussions, equipped with essential presentation tools, internet connectivity offers a professional yet comfortable ambiance conducive to productive discussions. The state-of-the-art college MahakaviKumaranesan Hall is a hub for academic, cultural, and professional discourse, which is centrally located within our institution, providing ease of access for both internal and external attendees, with configurable seating arrangements to accommodate varying audience sizes, providing flexibility for academics, professional and cultural events, equipped with audio-visual systems, high quality sound equipment's and large projection. In addition, the individual departments have their own dedicated seminar halls, tailored to suit the requirements of each department equipped with necessary technological and subject-specific resources enabling focused and enriching academic discussions and interactive learning experiences. These halls are conducive to departmental seminars, projects, workshops and focused academic gatherings.

HOSTEL:

The college offers separate hostel facilities for both male and female students, ensuring a safe and conducive living environment. The ladies hostel is named as Jhansi Rani block and gents hostel as Swami Vivekananda Block respectively. These hostels are equipped with modern amenities, spacious rooms, and communal areas for study and recreation. The segregation of hostels is in line with the college's commitment to providing a comfortable and secure living space that respects the privacy and well-being of all students. This arrangement also contributes to fostering a positive and focused academic atmosphere within the campus.

ARTSFEST:

The college day (SATVI), arts fest and other cultural activities are organised in the college campus from time to time as per academic schedule. Various On-stage and Off-stage competitions are conducted in different categories in connection with these events yearly. Students compete in these competitions and the winners are awarded with certificates in various categories of the competition on the last day of these events. Apart from the competitions the students also display their talent through performing arts, visual arts and fine arts.

SPORTS:

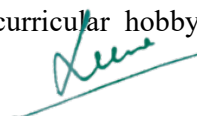

In the four-year bachelor degree program, students learn how important it is to live a healthy lifestyle. Learn the newest skills that will help you succeed in the fast-paced world of sports along with opening a broad career opportunities. We have a sports complex with several indoor activities such as Badminton, Chess, Carrom, Table Tennis, space for practicing Yoga and an outdoor multipurpose playground with 200m athletes track, facilities for playing and practicing Football, Cricket, Volley Ball, Kabaddi, Handball, Kho-Kho, etc.

NATIONAL SERVICE SCHEME

The National Service Scheme (NSS) is a Central Sector Scheme of Government of India, Ministry of Youth Affairs & Sports. The primary objective of developing the personality and character of the student youth through voluntary community service. 'Education through Service' is the purpose of the NSS. The motto of National Service Scheme is **NOT ME BUT YOU**. It is a noble experiment in academic extension. It inculcates the spirit of voluntary work among students and teachers through sustained community interaction. It brings our academic institutions closer to the society. It is a link between the campus and community, the college and village, knowledge and action. The overall aim of NSS is the Personality Development of students through community service. It gives an extension dimension to Higher Education system and orients the student youth to community service. National service scheme started its SNGCET unit (Unit No.610) from 2017 onwards under APJ KTU NSS CELL. NSS unit of SNGCET had conducted several community reach programs like blood donation camps, Kanayikanam Cleaning etc. The volunteers of the unit also have completed several voluntary Blood Donations as per the emergency requirement. NSS unit conducted 7 days residential camp to serve the localities of Thalavil in 2023. The NSS SNGCET is motivated to continue its service to society.

HOBBY CLUB

In recognition to the importance of hobby activities and its role in the bringing out the talents hidden in students, the college Students' Hobby Club has been formed with a view to promote the cultural, sporting, social and scientific activities of the college. The Students' Hobby Club in the College collaborates through various committees and Faculties in supervising the extra-curricular hobby activities.
