### GEOTAGGED PHOTOS OF BOY'S AND GIRL'S HOSTEL

#### Boys' Hostel:

The boys' hostel is a bustling hub of activity, situated on the south-east side of the campus. It stands tall with its modern architecture named Swami Vivekananda Block, featuring sturdy brick walls and large windows that allow plenty of natural light to filter in. The hostel comprises several floors, each housing rooms equipped with bunk beds, study desks, and wardrobes for personal belongings.

Facilities in the boys' hostel include a well-equipped gymnasium for fitness enthusiasts, a ground to play cricket and football.

### Girls' Hostel:

Nestled amidst lush greenery on the eastern side of the campus named Jhansi Rani Block. Its architecture blends seamlessly with the natural surroundings, featuring soft pastel hues and intricate floral motifs that evoke a sense of tranquillity.

Similar to the boys' hostel, the girls' hostel comprises multiple floors with rooms designed to promote a sense of community and sisterhood among residents. Each room is thoughtfully furnished with comfortable beds, study desks, and ample storage space for personal belongings.

Facilities in the girls' hostel cater to the diverse needs of its residents, quiet study rooms, and a prayer room for spiritual reflection. Additionally, there are designated areas for group activities, workshops, and cultural events, fostering a supportive and inclusive environment for personal growth.
