TO WHOMSOEVER IT MAY CONCERN

This is to certify that **AMAYA.T** Fourth Year B tech Degree (Civil Engineering) student of Sree Narayana Guru College of Engineering & Technology, Payyanur has attended Industrial Training Programme as part of the university curriculum at our Ready Mix Concrete Plant located at Ambalamugal, Cochin, Kerala from 27th to 28th October 2023. During the training she has undergone various process involved in RMC manufacturing which included Raw material testing, slump test, cube casting, compressive strength testing etc. Our Operation Head **Sangeeth Satheesh** explained her the complete process of computerised batching system and various measures and controls applied during the batching. Senior Technical Officer **Manisankar** trained her on raw material testing, cube casting, compressive strength testing, curing method, Design Mix for various grades etc. She also visited various project sites where the concreting was going on and understood the advantage of RMC over Site mix. She has actively participated in the training programme. We wish her all success.
