- c) Course progress plan is to be completed before the 30<sup>th</sup> of September including all elements decided in earlier meetings(Action 7, Dr. Leena will apprise the newly recruited faculty on course plan).
- 5. Minor course: The list of students will be forwarded by Dr.Leena to System Administrator through proper channel to initiate course plan for conducting the same. The time table could be set to carry out the classes on Thursdays and Fridays. Prof. Ravindran, HOD/ECE will furnish feedback of the 26 students of ECE on the subject matter. Ms. Mary Sonia George will review the time table for the purpose of IQAC (Action 8, Prof. Ravindran, Dr. Leena, Ms. Mary Sonia George and System Administrator)
- Invigilation: The invigilation duty allocation list for the next week shall be issued by HODs every Friday in CMS(Action 9, all HODs)
- Virtual Lab: HODs are to direct the lab staff to conduct virtual lab in each department with proper guidance. (Refer previous meetings) (Action 10, HODs and System Administrator for conducting the same)
- 8. Admission and Website: Discussion on the prospects of admission and up-dation of periodic data if any required on the website was done and decided to direct all members of the faculty to actively involve in both activities. All members of the faculty and office staff are requested to periodically visit college website and propose suggestions/input if any to further improve the same. (Action 11, all HODs faculty members and System Administrator)
- Covid'19: The War Room activities are to be supervised seriously as the students forming groups in the campus prior and after the examination may lead to unfortunate incidents leading to violation of protocol issued for Covid'19 pandemic(Action 12, HOD Mech, Mr. Aswin, War Room Coordinator).
- 10. PTA: -The re-formation of the PTA is to be held on a meeting scheduled on 5<sup>th</sup> October 2020 (Action 13, Dr. Leena, Mr. Sarath to arrange the programme)
- 11. Fee collection: The list of pending students will be provided to the HODs for directing students to make payment at the earliest since the last date was 25<sup>th</sup> September. (Action 14, HODs, Mr Vyjith for follow up,& Class Tutors)
- 12. P.T.- Since online classes are pending and students are not permitted to report at campus physical training activities are not taking place. The action taken as discussed in previous meetings to conduct online programmes for physical and mental well-being of the students shall be reported. (Action 15, Prof.Unnikrishnan)

The meeting started at 10 a.m. A review of few agenda points of the previous meetings were discussed like Milestones. The milestone will be modified according to the latest academic calendar of KTU. The following are the decisions taken: -

 Admission of new BTech Students: Principal informed that the schedule of admission of CEE allotment of students has come. The schedule starts from 17<sup>th</sup> onwards and it was decided to coordinate the admission of students, by faculty and office staff. Each department faculty also will be verifying the students documents

(Action: HODs/AO)

2. Induction programme:- As per the circular from AICTE and KTU an induction programme for new students has to be organized like earlier years. This year the programme is to be conducted online. Principal suggested the council members to plan the Induction programme from 27<sup>th</sup> October. Dr Leena AV Dean UG studies will coordinate the programme in consultation with AO/HODs. Principal also informed that the draft programme to be submitted to Management by 22<sup>nd</sup> October.

- Online classes survey: Online classes survey is to be submitted to University up to September 11<sup>th</sup>. All HODs are to submit the online survey of online classes in the given format and Prof Sujith D will consolidate and send to KTU. (Action Prof Sujith D)
- 4. Mentoring of students: Mentoring of students is an essential process to make the students to regularly attend the online classes. Many parents also complained to the management that the students are not regularly attending the classes seriously. Principal requested all faculty and class tutors to focus more on mentoring. The core committee is to be formed as detailed in the previous meeting and to be informed. (Action Dr. Leena AV)
- 5. Staff meeting: A staff meeting is to be organized with all staff members. Council members are of the view that all staff members sitting in the same hall is not advisable due to the present situation. It was suggested to meet department wise along with all council members. Principal suggested we will take a decision in the presence of AO.
- 6. Student's feedback: Principal informed that we have to take a students' feedback to know the effectiveness of the online classes and also to know the academic performance of the faculty. Prof Sujith informed that a format is being worked out to get the feedback through students' login in CMS. (Action Prof Sujith)
- 7. Faculty requirement when new students come to college: Principal informed the concerned HODs to request the additional requirements.

The meeting started at 12 pm. The Principal greeted the participants and stated that:-

- 1. Conducting of 2nd series test was discussed. Principal sought the views of class status from HODs. All HODs informed that most of the courses 4 modules will be completed before the 2nd series. Few courses in the 3 plus modules. Principal told council members that question paper should be uploaded by 23rd November and the questions to be asked only from the completed portions. Principal requested Dr Leena AV to prepare the time table for 2nd series test. (Action: Dr Leena AV/HODs/Faculty)
- 2. All HODs briefed the class status. Few courses are lagging since these courses are started late. The semester examinations as per the time table published by the University will start after Christmas vacation and as per the academic calendar the classes ends by the 10th December. Principal asked all HODs to review the class status and verify in Moodle and ensure the modules are completed in time. (Action: HODs)

- 3. All supplementary comprehensive examinations to be completed before 24th November and report to be sent to University. This may be informed to concerned tutors/faculty and actions to be taken to schedule the comprehensive examination and invite the external examiner.
- 4. Principal informed the number of admission this year also not meeting the requirement of 50% for NBA prequalification. Dr Leena AV informed state government higher education department is also coming out with state level accreditation and the process and files submission will be almost same. Hence whatever work we have done for NBA will be suitable for state accreditation process also.
- 5. Henceforth monthly reports only will be submitted by HODs and the class status will be updated in CMS by the faculty and it can be verified online. The class status updating shall be verified by the concerned HOD and any lagging must be informed to the faculty and to make up the classes.
- 6. Dr Leena AV Dean UG studies informed about the uploading of class videos and other course programmes in Moodle for first year students in branch wise. She told since the classes are taken in two batches the branch wise uploading of videos will be a duplication of work and uploading provision in Moodle may be changed to batch/class wise instead of branch wise. Prof Sujith HOD/CSE informed that this will be verified and if feasible will be implemented.

(Action: Prof Sujith, HOD/CSE)

7. The Principal informed that the valuation duty is coming for all the faculty members. Camp officer informed me that the paper can be collected and the valuation can be done from home. The collection and returning of answer scripts should be done utmost caution and and it should not be misplaced.

Prof Lipin, AP, ME.

The meeting started at 11am. The main points discussed are as follows.

College re-opening:- As the College would be re opening on December 28<sup>th</sup>
for S7 students the (a) time table should be renewed for contact classes,
online classes & Lab classes.

The time table should focus specifically on failed subjects in the previous years for the purpose of contact classes (b) Solved questions & answers are to be given for each lessons for enriching subject knowledge. (c) Quizzes should be followed atleast module-wise for enabling the students for competitive exams. It may be noted that Questions/Answers/Quiz methods are also a reviewing process of the students' confidence to appear for University / public exams (d) Revision classes should also be included in the time table.

The time table shall be submitted by the HODs before Monday. (Action: All HOD & Faculty)

- 2. Student interaction:- The Principal stated that the Management has directed for an interaction with the student leaders. The activities of certain students has ended in poor admission for the current year. The internal discipline has been negatively affected and various damages are done to the college property. Maintenance work was obstructed, walls are scribbled with paintings, posters are hung in the campus and other students are discouraged from studying. Prof. Raveendran HOD stated that the student leaders should be held responsible for loss sustained. Many students have even left the institution, to join neighboring colleges due to the lack of discipline. The students union should be directed towards developmental and academic activities alone. As this institution is giving sustenance to many the college should move on as a seat of learning for the future. Prof. Somasekharan stated that visible politics should be avoided within the campus. Dr. Leena, Dean UG studies also agreed that students should concentrate more on studies rather than untoward activities. Dr. Susan Abraham (HOD), Prof. Sujith Devadasan (HOD), Prof. Ram Prasidh (HOD) & Prof Lipin (Staff Advisor) agreed that peaceful & congenial atmosphere is the need of the hour for the students while in the campus. Hence a meeting with the student leaders is proposed at 2 O' clock today.
- 3. Student groups:- The UG Dean suggested that meritorious students are to be grouped for delivering and sharing knowledge to weaker students to improve upon the latter's capability to appear for exams. Hence it is decided that all departments are to form students groups for this purpose. (Action:- All HODs)

4. Discontinuing the course:- the Management has expressed great concern over a large number of students dropping out in the middle of the course. The data shows that

2015-2019: 57 nos. dropped out of 185 students / per year.

2016-2020 : 21 nos. " " 141 " / per year.

The UG Dean stated that specific training of students are needed at certain levels for this to improve. The Principal stated that student-teacher relationship should be enhanced and a few subjects should be selected by each department and given additional / extra / coaching for results to improve. Each HOD will decide on the methodology and report on action within a week through the UG Dean (All HODs & UG Dean)

Shri Sumith, HR&PO

Principal requested all HODs to briefly present the status of online classes and the class tests and briefed the main agenda points to be discussed like college reopening, next academic year admission, placement activities done, students fee collection and NBA accreditation process.

## Class status:

Prof K Raveendran informed for ECE S8 students only 20% portion is pending in 6<sup>th</sup> module and expected to complete the portions by next week. For S2 S4 and S6 all are in the beginning of the final module and expected to complete by the month end. Class tests are planned for S8 next week and for S2, S4 and S6 tests also will be completed before 30<sup>th</sup> June. Prof Raveendran also briefed about the status of electrical department. In EEE most of the portions for S2, S4 and S6 semesters will be completing by third week of June and for S8 before 15<sup>th</sup> June classes as well as tests will be completed.

Prof Chandrajith presented the status of classes and online tests for the mechanical engineering department. It was informed that for S8 the course portions as well as the class tests will be completed before 15<sup>th</sup> June and S2, S4 and S6 the course portions as well as the online class tests are expected to complete by 30<sup>th</sup> June. The details of online class status are given in the weekly feedback.

Dr Susan Abraham briefly discussed the class and tests status of civil engineering department. For S8 the classes and all tests will be completed before 15th June and all other semesters the classes and tests will be completed by 30<sup>th</sup> June. MTech S2 classes are also expected to complete before 30<sup>th</sup> June. Dr Susan Abraham requested for the opening of civil engineering labs for enabling students to do projects.

Dr. LEENA A V

ENGRIERING & KANNUR

Prof Amitha IC briefed the status of online class requirements to complete the syllabus. For S2 to complete the syllabus 10 more online classes are required. In the case of S4, 8 online classes and for S6, 6 more online classes are required. The S8 classes and tests will be completed before 15<sup>th</sup> June. All other classes and tests are expected to complete before 30<sup>th</sup> June.

### College reopening:

This matter of reopening the college for faculty was discussed. All HODs and council members are of the view that the online classes are smoothly being conducted by the faculty from houses. All council members expressed their anxiety in travelling during this restricted period. Principal informed one bus will be starting from Kannur in regular time and as per the directive of the University the timing will be 8.30 to 1.00 p.m. University in their guidelines also insisted faculty from other districts, faculty from containment zones and hot spots may be allowed to work from house and need not be called to the college. Principal requested the faculty coming to the college to strictly follow the safety precautions. Council members also requested management to provide the protection devices in the bus.

### Fee collection:

Faculty members contacted all students who has not paid the fee for the last year and asked to pay the fee before 15<sup>th</sup> June. Few students have paid the fee and most of the S8 students will pay the fee during this month. Other semesters AAO Mr Vyjith contacted the parents from office and the list is being given to tutors for follow up.

## **NBA Certification:**

Dr Leena AV Dean UG studies informed that for NBA application for prequalification for 3 departments, CSE, CE, ME are ready and the documents will be submitted to Principal to forward to management. Other two departments ECE and EEE since the admissions are very low applying for prequalification is to be further reviewed.

## **Admission activities:**

As discussed in the earlier council meeting all departments has taken keen interest in preparing the brochures and posters to be posted in social media for publicity. Prof Sujith sys admin has guided all other departments in generating the posters. By Monday all brochures will be ready and subsequently the posters also will be made. Principal suggested publicising the posters in social media at the earliest.

### Placement activities:

Mr Sumith, placement officer informed that during this lockdown period two recruitment campaigns were initiated and informed the students. One is for TCS and other Webinar for entrepreneurship. The Principal welcomed the participants to the meeting at 12 noon and appreciated the members of the faculty in uploading the internal marks and project evaluation in anticipation of S8 exams. The Principal sought the details of students appearing for the exam with respect to their residence, conveyance, the details quarantined family members if any, containment / hot zone status etc. The seats for the examination in the hall are to arranged based on this data. The similar data of 9 supplementary students are to be collected. The Principal stressed the importance of obtaining 100% result for all departments as this would reflect on the Admission for the next Academic Year. The Principal also emphasised that revision classes should be initiated as soon as possible utilizing the Moodle and through quiz programmes on subjects as it is the only method of assessing the students and to know how much students really studied.

Prof K Raveendran informed the online classes and online test for S2, S4 and S6 students of ECE and EEE are planned and the time table is prepared. It is expected to complete all academic activities of this semester before 30<sup>th</sup> June. Prof Chandrajith also informed that the online classes and the tests of ME department will be completed before 30<sup>th</sup> June. Prof. Chandrajith said that on S2 and S4 the third Test will be scheduled before 30<sup>th</sup> of June 2020.

Dr. Susan Abraham informed that they have conducted S8 students meeting through zoom and informed them about the examination time schedule. The total duration of the examination is 2 hours 15 minutes. Dr Leena AV Dean UG studies informed that this information has been passed on to all S8 students through tutors. Prof Amitha informed that revision classes for S8 students are planned through zoom. Prof. Amitha said that 3<sup>rd</sup> tests are already over, while with 4<sup>th</sup> and 5<sup>th</sup> on certain subjects it is going on.

MTech Project evaluation the names of the examiners are to be mapped. To make internal assessment we have to map the faculty and for this the KTU portal has to be revoked. Prof. Mary Sonia George said that this has informed to the Kannur MTech cluster convenor and a reply in this regard is expected.

On S2,Dr.Somasekharan reported that 2<sup>nd</sup>tests are completed. Other tests are planned in next and expected to complete before 30<sup>th</sup> June. Dr. Susan said that the 3<sup>rd</sup>Test is finished and the 4<sup>th</sup> is planned on which a video will be posted.

**Action 1**: All the participants agreed that to prepare the S8 students for the July  $1^{\rm st}$  starting exams, mentorship activities are to be conducted at this stage which will be done in each department. The HODs will supervise the activity of mentorship and assign the duty.

**Action 2**: The students who are coming from containment/hot zones are to avail separate self-arranged conveyance. HODs are to intimate the matter to the students.

Action 3: The 'War Room' is under preparation (ref. Notification dated 13-06-2020 of CE) and a meeting with Punchayat, health, safety and other department is planned on 24.6-2020. Prof Sujith examination coordinator is making arrangements for students seating based on the data and to ensure all safety measures for the conduct of the exams.

Action 4: As the drive to collect fee arrears are on the move, the HODs reported that students are remitting fees. They sought the list of names of who paid fees to continue the action on this line. Mr.Vyjith, office staff to provide the list of remitters.

Dr. Manjula Bhanu Vikraman, Administrative Officer spoke about:

- a) The need to communicate the facts discussed and the decisions taken in the Academic Council Meeting to other faculty members by HODs so as to execute such decisions to enable the smooth functioning of the College.
- b) The AO said that proper Revision Tests need to be conducted on S2, S4 and S6 students as the S8 exam preparations are on the finishing line. Prof. Sujith elaborated up on the methodology in the Moodle through which students can be prepared for the online examination by making them solving the university question papers. Prof Sujith also informed the importance of conducting quiz for all courses to know the students depth of knowledge acquired through the on line classes.

**Action 5:** HODs. All the HODs agreed that the students are to be made ready on both online and offline mode of examination to face the impending University Exams and they find it easier now in handling the Moodle as it is subject dependent.

c) The AO requested the HODs to select 5 students for the Placement Cell along with the tutorship of a faculty for enabling special skill assistance and communication skill before getting them appear for interviews at different levels.

Action 6:HODs, Prof. Sujith&Mr.Sumith(PO).

d) AO is of the view that as NBA accreditation is the dire necessity of the hour, the Placement activity is of predominance. Along with this the related factors need to be addressed by the coordinators assigned for the purpose.

Action 7:Dr. Leena and Prof. Sujith as discussed in the NBA meeting.

e) AO suggested that an 'Alumni Profile' could be initiated by each department as a contributing factor of satisfying a criterion for accreditation.

Action 8s: HODs, Dr.Leena and Team of NBA.

f) The AO requested all participants to take utmost safety measures against Corona Virus, while on duty.

The Principal reminded about the circular directing for alternate days of attendance though exemption is granted for genuine cases including medical conditions based on the government order. HODs are requested to inform faculty to attend the college or produce acceptable documents as stated in the GO for exemption.

Principal informed all council members to attend the 24<sup>th</sup> meeting called in the college for establishing a War Room inside the campus for conducting the S8 examination. The Principal also emphasised on health safety guidelines in daily transactions. The meeting ended at 1.15 pm.

The meeting was called to finalize and review the preparedness for the S8 semester examination. Principal sought the cooperation of all faculties for conducting the examination during this difficult situation. In addition to 115 our students about 80 students are coming from other colleges for writing the examination. Principal also informed that all arrangements as per Covid-19 protocol have been finalized and the state government officials have been informed. We also sought the help of police for conducting the examination.

The examination is being conducted forenoon and afternoon sessions. CS, CE and EE students are attending the examination in the forenoon and ME and EC students are attending in the afternoon sessions.

Considering the faculty shortage from 1<sup>st</sup> July Principal suggested co operating all faculty members to conduct the examination smoothly. It was also decided to ask office staff to cooperate with the examination work since we have to deal with more than 200 students with safety protocols.

Prof Sujith and Prof Aswin informed that all students will be allowed only through the department block entrance for health check/screening. Students need not come to the Admn block and accordingly the fencing to be made and direction marked from the gate.

Action: Prof D Sujith and Prof Aswin

The seating layout of all students to be made and published in SNGCET Website and to be displayed at different locations inside campus so that crowding of students can be avoided. The students should be guided while they are entering the campus and ask them to stand in the line as marked keeping the social distance. Health officials will be screening the students at 3 places inside the department block in order to avoid the delay.

Action: HODs and P Aswin.

Council members were seeking the information about the transport arrangement for the students. Yesterday many students and parents called HODs and faculty about the transport

arrangement for the examination. Members are of the view that keeping the students inside the campus after the forenoon examination may create indiscipline among students since quiet long they were not meeting together. The university guidelines also against keeping them inside the campus after the exam will tempt them to celebrate and that should not be allowed.

Principal informed that today morning also Secretary was enquiring about the number of students from our college attending the examination. Principal suggested we will discuss the matter in the presence of AO and to put up the matter with management through AO.

Action: AO

Dr Leena AV briefed about the NBA core committee meeting held on 26<sup>th</sup> June. It was informed that the verification of all the course files have been completed in all departments. The course file documents are to be kept in box files so that the documents pertaining to a particular course for three academic years shall be kept in a single box file. It was suggested that each department details are to be updated in the college website and all details are to be given in the site. Actions are identified to committee members to complete the activities in a time bound manner.

Action: Dr AV Leena

Principal in his conclusion reminded the council members our main interest is to conduct the examination smoothly for that all faculty members to cooperate with Prof Sujith exam coordinator.

- 1. <u>Constitution of Class Committees:</u> Principal informed that all committees have been released except Class Committees, which will be released shortly after getting details from departments. All Committees should be effective on immediate basis and provide reports to principal regularly after carrying out their prescribed actions.
- 2. <u>Timely, Submission of Reports to KTU.</u> Principal informed that all reports like Monthly report etc should be submitted to KTU in time. All departments and faculties should provide their respective reports to principal and sys admin well in time for timely submission to KTU.
- 3. <u>Attendance Uploading by Faculty</u>: All HODs should ensure that all faculties in their respective departments are uploading attendance in time. Delay in the same is not acceptable.
- 4. <u>Feedback to Parents regarding Attendance</u>. All Tutors should provide weekly feedback to parents regarding attendance of their wards through WhatsApp. Also a consolidated attendance statement for the month including severe deficiency should be intimated to office by 3<sup>rd</sup> of every month so that intimation can be sent to parents.
- 5. <u>Year-out Students Sitting in Class.</u> Position on the sittings of Year-out students in the classes was discussed. It was decided by the committee that the students who have applied for revaluation can be permitted provisionally to sit in the class till results are out, after getting the written undertaking from their parents. All other cases will be dealt strictly as per KTU rules.
- 6. Onam Celebration: Onam will be celebrated in the campus on 20 Aug 2018. Principal said that the co-operation of all staff will be required to ensure that things run smoothly without any issue. All HODs should convey this to their respective staff so that all students are actively monitored and controlled by respective staff during the events.

- 7. Working Day on 18 August. Principal informed that 18 august will be observed as a working day. Since there are very less number of working days in this year, all 1<sup>st</sup> and 3<sup>rd</sup> Saturdays are required to be taken. All faculties and staff needs to avoid taking leave on these days, to ensure that commensurate output is provided to the extra expenditure incurred by the management to organize these classes.
- 8. <u>Conduct of Workshops</u>: Principal said that Workshops should be conducted by all departments in time and the report should be submitted immediately for informing management and KTU.
- 9. <u>Registration of New Students</u>. Principal informed that a schedule for registration of students has been prepared and the same need to be followed for smooth process of registration. The process should complete before 14 Aug 2018 positively.
- 10. <u>Duty Slip Submission for Attendance.</u> Any student who has been requested for attendance against any bonafied duty done by them at that time, should be given attendance only after submission of duty slip signed staff advisor, tutor and countersigned by HOD.
- 11. <u>Anti Ragging Measures.</u> Principal directed that ALL FACULTIES should educate the students in their respective classes initially on a daily basis regarding the ill effect of ragging and the implication of being caught for ragging, as it is a non bailable criminal offense. First 2 minutes of classes can be utilized for this by every faculty.
- 12. <u>HODs Visit to Classes</u>. Principal asked all HODs to walk into the classes of their departments often to informally interact with students and find out if they have any problem in academics and schedule, so as to implement effective remedial measures to improve results.
- 13. Purchase of Lab Equipment. Principal asked all HODs to expedite purchase of Lab equipment so that sufficient number of experiments is carried out in time.
- 14. <u>Need for a Computer in Civil Workshop</u>: HOD CE requested for a computer in Civil Lab. Principal asked the system admin to arrange a PC for them as soon as possible.
- 15. <u>Canteen Committee</u>. AO said that a Canteen committee is required to be constituted to monitor the quality of food in the Canteen. Principal said that the same will be constituted with Prof Unnikrishnan as Chairman and one staff from each department who is a canteen user, as a member. Few students also to be included in the committee.
- 16. <u>Mentorship System.</u> AO informed the committee that a mentorship system is being followed in neighboring colleges, which has helped to positively enhance their results. Principal said that the same can be implemented here also and asked HODs to work out a mentor system for our College.
- 17. Attendance for Course Repeater students. Principal said that Course Repeating students' attendance should be marked as per KTU rules, showing separate U slot in the respective blue books of the faculty. This can be further discussed in the internal audit committee and finalized.

Dr. LEENA A PRINCIPAL SREE MARAYANA GURU COLLEGE OF ENGINEERING & TECHNOLOGY PAYYANUR, KANNUR

18. Regularization of Leave Applications by Faculty and Staff: AO informed that the office is facing administrative problems due to the non regularization of absence by the faculties and staff. #### **PREFACE**

Gender Equality is a global issue, and discussions on women's emancipation and her rights are at the forefront of many worldwide formal and informal campaigns. As the awareness of gender issues increases, women spontaneously take action against women's oppression and exploitation. Gender awareness allows women to move beyond other conventional gender stereotypes and rigid gender role definitions.

The gender audit was conducted to identify ways to make college campus safer for women. The audit process involved choosing the sites to be audited, selecting the participants, orientation to the participants, preparing the checklist and the walk —about, writing down the findings and sharing the results with the principal of the college for implementation of the recommendations

# INTRODUCTION OBJECTIVE FACILITIES FOR STUDENTS WOMEN CELL

#### Introduction

Our College Sree Narayana Guru College of Engineering & Technology, one of the prestigious technical institutions in North Malabar was set up in 2003. The mission behind it is to provide technical education of highest quality and standard of excellence for socio-economic progress embedded in clearly articulated values and driven by commitments.

The Gender Audit is an attempt to study whether the college has appropriate gender balance. The institution strives to incorporate government rules, policies and actions formulated for up-gradation of women in society. The Gender Audit tries to access the impact of its current and proposed policies on gender equality.

The college consistently emphasizes both the qualitative performance of students and their holistic personality development. Observing gender equality, the girls are provided with various oppurtunities and special attentions.

The NSS has separate unit of girls. The unit always motivates girls towards their social responsibilities. Special study room, two-wheeler parking are provided for the girl students. Additionally, students are provided with self-defense training sessions. The Self defence demonstrations, Yoga and Meditation Camps are also organized. The lectures are delivers by eminent personalities to develop their personalities.

By organizing Financial Education Workshop, the girls are made aware of savings and investments. Workshops are held on "Women and Human Rights" and "Women and Laws" to make the girls aware of their rights and responsibilities.

Girls are made aware of laws and by-laws by organizing lectures of eminent judges, lawyers etc. Anti-ragging Committee and Internal Complaints Committee are constituted in the college. These committees arrange lectures by lawyers, social workers to create awareness among the girl students about their rights and duties.

In the field of Cultural Activities and Sports, girls have achieved impressive success. Their participation in Intra and Intercollege competitions gives name and fame both to the college and to themselves.

#### **Objectives**

The Gender Audit has the following objectives:

- To identify the areas where gender balance exists and the factors behind the gender balance.
- To establish good gender balance in decision-making processes in all domains of the college life.
- To suggest measures for bridging the gender gap.
- To foster gender equality in all aspects of college community.
- To assess the college's efforts and effectiveness in preventing sexual harassment

# STUDENT STRENGTH 2018-2023

The table shows year-wise gender classification of male and female strength of students and the total number of admissions to the college. It appears that since the years 2018-2023, the percentage of gender classification concerning the male and female students is more in male. The bar graph and tabular form vividly give the idea that girls students strength has increased considerably from 2018 to 2023 and more proportional increment to boy students. The Graph shows important data on year-wise gender classification.

The table and graph show vividly the strength of girls from various social categories in the academic year 2018-2023, it appears that the enrolment of each category increased with the OBC and General category ahead. The admission is maximum in OBC category. The number of females in the minority category fluctuates over the years, with a peak in 2022. The number of females in the OBC category shows variability, with a peak in 2019 and a notable decrease in 2021. The number of females in the general category also varies, with a noticeable increase in 2022 and 2019. The minority-category with every year is increasing and the maximum strength was represented in 2022. SC category showed a maximum the year-wise evaluation.

The table and graph show vividly the strength of boys from various social categories in the academic year 2018-2023, it appears that the admissions of all categories increased with the years. The admission is maximum in the OBC category with a noticeable peak in 2021 and 2018. The number of males in the minority category fluctuates over the years, reaching its peak in 2022. The number of males in the OBC category also fluctuates, with a slight decrease over the years. The number of males in the general category shows some variability but sees a notable increase in 2023.

This data and entry are about the percentage of gender strength in Undergraduate classes from 2018 to 2023. The boys admission outnumbers the girls but the number is increasing with every session. The girl's strength in 2018-2023 was 37.8% in 2018 which increased to 45.2% in 2020.

The boy's graph indicates that their admission was peaked in 2021-to-71.2%-declined-to-61.5%-in-2023.

The table and graph show vividly the enrolment of Girls from various social categories in the academic year 2018-2023, it appears that the strength of each category increased with years. The admission is peaked in OBC category in 2018 and decreased later onwards.

The table and graph show vividly the enrolment of boys from various social categories in the academic year 2018-2023, it appears that the admission of each category increased with years. The admission is more for OBC category in each year, which peaked in 2018. The OBC category seems to have the most consistent data in the year 2018-2019,2019-2020 and 2023-2024.

This data and entry are about the gender strength in Postgraduate classes from 2018 to 2023. Unlike UG the PG graph depicts a different scenario. Here Girls enrolment outnumbers the boys enrolment. The boys admission declined with a subsequent session from 2018 to 2022 but girls' admission increased from 63.7% to 100%. In the time period 2018-2022, the percentage of females is higher than males. In the time period 2022-2023, there are no males, indicating possibly an all-female population. Conversely, in the time period 2023-2024, there are no females, indicating all-male population.

This data and graph show the gender strength in NSS from 2018 to 2023. Boys and girls strength increased from 2018-2023. Boys admission was maximum in the year 2022. The graph indicates that the participation of boys is much more than girls.

Note: NSS admissions are stopped due to corona in 2020 and 2021

This data and graph show boys participation in sports from 2018 to 2023. Participation was maximum at intra-collegiate in the session 2021-2022 and intercollege in the 2021-2022 session.

Note: During 2020-2021 inter-college sports competitions were stopped due to Corona issues.

This data and graph are about girls participation in sports from 2018 to 2023. Participation was maximum at inter-collegiate in the session 2022- 2023 and intramural level in the 2022-2023 session.

The graph of boys and girls is clearly conveying the message that boys are more interested in sports and their contribution is more than girls' students

Note: During 2020-2021 inter-college sports competitions were stopped due to Corona issues.

The table and graph show the gender ratio classification of regular Teaching Staff of during the academic year 2018-2023. The total number of male teachers is 48 % which is less than the number of female teachers i.e. 52%. There are only female staff in the Department of Electronics and Communication.

The table and graph show the year-wise classification of Non- teaching staff of the academic year 2018-2023.

# SALIENT FINDINGS SUGGESTIONS CONCLUSION

#### **Salient Findings**

- Student strength particularly girl's strength is increasing steadily inboth UG and PG programmes
- Students of backward classes have a bigger share in admission.
- Girl enrolment is more than that of boys in PG classes.
- The success rate of female students is higher than that of boys.
- In sports the participation of boys is more than that of girls.
- Seats are reserved for girls in student union elections.
- Gender strength in the regular teaching staff of females is higher than males but just the opposite in non-teaching staff where males outnumber females.

#### **Suggestions**

- Organize women empowerment programmes on a regular basis.
- Create awareness programs on Legal rights
- The college intends to introduce self-employment training in different subjects.

#### Conclusion

It is found that the College has lots of strengths and some weaknesses. The weaknesses can be overcome with gradual changes in the value set-up. Doubtless, the enrolment of girls from all sections of society is increasing and there are no gender issues complaints, which will contribute more towards making the college a gender-sensitive institution. Many programs are conducted from time to time specifically for girls students to enhance their confidence building. With the strong willpower and commitment to gender justice, the College would certainly make a mark even in the areas that need some improvements.

# **DETAILS OF UDBHAVA**

# ABOUT

Sree Narayana Guru College of Engineering & Technology, one of the prestigious technical institutions in North Malabar, was established in 2003. The Engineering college is fully equipped to meet the rising demands for greater facilities in the scenario of higher education. Since its inception, it has been true to do the mission and the prophetic vision of the great Saint Sree Narayana Guru. With its emphasis on quality education augmented by exposure and training in other individual skills, the institute's focus is on creating individuals who are true professionals.

# **UDBHBAVA**

Udbhava is an event that celebrates and showcases the latest advancements in technology. It features a wide range of activities, like technical expos, workshops, project presentations and various technical competitions.

Attending the tech fest can be a great way to learn about the latest trends in technology and to connect with like-minded individuals.

### SREE NARAYANA GURU COLLEGE OF ENGINEERING TECHNOLOGY DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING REPORT OF NATIONAL LEVEL TECH FEST

(Techkranti 2K28)

### 22/11/2022 & 23/11/2021 Report

2

Two day National Level Tech Fest was conducted by the department of computer science and engineering on 22th &23th November 2021. The Tech Fest was titled with "TECHKRANTI 5.0". That day greeted us with pleasant and memorable moments. The event started with the formal inaugural function at 9:45 A.M in the college seminar hall. Chief guest Mr.Brijeesh Balakrishnan- President ITC Infotech, Guest of Honour Mr.Jithu-Radio Jockey,RED FM Dr.Leena A.V, Principal, Mr. Ashok Hegde L Administrative Officer, Dr. Susan Abraham, DEAN UG/PG Studies, Mrs. Veena K K Assistant Professor, Dept. of CSE, Mrs.Thulasibai A Assistant Professor, Dept. of CSE, Ms. Pallavi Swaroop Kumar Student Coordinator were present on the dias.

The invocation began and was enlightened with a special prayer. A welcome address was delivered by Mr. Sunder V, HoD CSE. Principal's address by Dr. Leena A V. Mrs. Veena K K Assistant professor briefed about the event -Techkranti. Mrs.Thulasibai A Assistant professor introduced the Chief Guest. The inaugural address was delivered by our Chief Guest, guest Mr. Brijeesh Balakrishnan- President ITC Infotech Professor, Dr. Susan Abraham, DEAN UG/PG Studies and Mr. Ashok Hegde L Administrative Officer. Memento is distributed to the chief guest and guest of honour by the principal as token of love. The Inaugural function came to an end with a vote of thanks which was delivered by Ms. Pallavi Swaroop Kumar, Student Coordinator. After the inaugural session —an small interactive session "Talk With RJ JITHU" done by the guest honour Mr. Jithu, Radio Jockey, RED FM.

On the first day 22/11/2022, with an enthusiastic dance performance by CSE students of SNGCET the technical event was kick started with first round of the biggest event **Quizzard** (Technical Quiz) was conducted and provided an interactive platform where students are not participating to take home a prize or get famous overnight, but to gain knowledge, seek opportunities to excel beyond academics and secure their future. Three rounds were present in the quiz on that day.

A very interesting event **Bug Smash** (Code Debugging) was conducted which bowled off the minds of students with plenty of codes. It is one such event where young brains get to showcase their skills and compete with others to find the best. The third event was **Scavenger** 

**Hunt** which is prepared for a heart-pounding, mind-bending, and eye-opening experience like no other – The Grand Scavenger Hunt Extravaganza! Gear uped for an epic journey filled with excitement, challenges, and delightful surprises around every corner. First day events were ended by 5:30 p.m.

An online **Webinar** on "Basics of Search Engine Optimization" by Mr. Subin Yusuf CEO Digimark, Digital Academy in Google Meet on 22/11/2022 @ 7:30 PM.

On Second day final round of Quizzard and Bug Mash was conducted. After that there was a Workshop on "Router Configuration with CISCO" presented by Mr. Bineesh M, Network Trainer in Emid tech, Banglore. Ideathon (paper presentation) was conducted along with Innovix (Project Presentation) which brought sparkling minds of students and interactions. One external judge & one internal judge reviewed the presentation Students presented papers about the latest technology inventions. Innovating minds and speaking potentiality was brought out by students and benefited other individuals to gain knowledge.

A closing ceremony was conducted which is addressed by the Chief Guest Dr. Naveena A K, HoD CSE, CET Thrikaripur. A welcome address delivered by Mr. Rishal Iqbal, Student Coordinator followed by briefing the TECHKRANTI 5.0 by Pallavi Swaroop Kumar, Student Coordinator HoD CSE. Principal's address by Dr. Leena A V. Ms. Vijina Vijayan Assistant professor introduced the chief guest. The innovations, creativity and ability of students in Techkranti 5.0 were driven out by the release of souvenir by the Chief Guest and Principal. The winners of the events were announced and prizes were distributed to all the winners by our Principal Dr. Leena A V and Chief Guest Dr. Naveena A.K. The winners of the various events were given the certificate of merit and cash prize. Mrs. Varsha M Assistant professor delivered the vote of thanks .We drew the curtains on this memorable event, by standing together one last time to honor our nation and its enduring spirit.

## ABOUT

Sree Narayana Guru College of Engineering & Technology, one of the prestigious technical institutions in North Malabar, was established in 2003. The Engineering college is fully equipped to meet the rising demands for greater facilities in the scenario of higher education. Since its inception, it has been true to do the mission and the prophetic vision of the great Saint Sree Narayana Guru. With its emphasis on quality education augmented by exposure and training in other individual skills, the institute's focus is on creating individuals who are true professionals.

### **UDBHBAVA**

Udbhava is an event that celebrates and showcases the latest advancements in technology. It features a wide range of activities, like technical expos, workshops, project presentations and various technical competitions.

Attending the tech fest can be a great way to learn about the latest trends in technology and to connect with like-minded individuals.

### DEPARTMENT OF ELECTRONIS AND COMMUNICATION ENGINEERING

The department of Electronics and Communication Engineering, Sree Narayana Guru College of Engineering 2. Technology Payyanur organized "TECHNOVA" a National Level Techfest under the banner of UDBHAVA on 27th April to 29th April. The main purpose of conducting this Techfest was inculcate in the minds of new generation Electronics and communication engineering students about the incubation of the Technology and innovations of engineering ideas on Electronics and communication engineering. This was the beginning of Annual National Level Techfest in SNGCET.

The main objective of the Techfest was to provide the knowledge and information in recent trends in Electronics as well as it organizes competition for students to encourage them to explore the field of Science and Technology.

The inauguration of UDHBHAVA held on 27th April on seminar hallwith a Lamp lighting ceremony by the Chief Guest Ms.MeghasreeD.R, IAS (District Development Commissioner Kannur).Dr. Leena A V (Principal SNGCET) delivered the welcome speech. The presidential address was done by K.P Balakrishnan (President, Sree Bhakathi Samvardhini Yogam Kannur).Dr. SudhinChandran (A P ME) gives a brief introduction about UDHBHAVA. Introduction of the Chief Guest was done by Ms. Mary Sonia George (HOD CE). The felicitation address was done by T.K Rajendran (Vice President Sree Bhakthi Samvardhini Yogam). Dr.Susan Abraham (Dean UG/PG Studies) thanked the gathering through the vote of thanks ceremony.The ceremony marked the beginning of three-day Techfest and set the tone for the various activities.

The first day (27th April 2023) of the Techfest organized by the Department of Electronics and Communication Engineering featured an exhibition of technical projects and innovations. The exhibition showcased the creativity and skills of the participating students and provided an opportunity for them to demonstrate their ideas and solutions. The exhibition featured various technical projects, 3D Printer, 2D Plotter, Line following Robot, Self-Balancing Robot, Tesla Coil, Obstacle Avoiding Robot, LED Cube), Dark Room(LED Cubes, Plasma Globe, Infinity Mirror, LED Cracker) and the Game Zone.

On the last day (29th April 2023) Various Technical events such as circuitrix, Entangled, Clueminati, and Jam was held, also BSNL EXPO was conducted in association with department of ECE. At the end of the program the winners were presented with cash prize for their wonderfulachievements. Our department faculty Ms. ThrishnaS and Ms. Vani R distributed cash prize to the winners. Students suggested that the department event of this kind would be very useful

for them to learn and develop the knowledge both in subject as well as trends in the field of Electronics in a more effective manner.

### **DYUTHI'23 - REPORT**

"DYUTHI" was organised as a part of National level TECHFEST "UDBHAVA" 23 by the department of Electrical and Electronics Engineering, from 27 April 2023 to 29 April 2023. The events are started on 28th April with project EXPO "TECHZITE", given an opportunity for the students to showcased their innovative ideas, technical skills and creativity which includes home automation system, electric train, line tracking robot, hydroelectric power plant model, etc. On the same day conducted a KSEB EXPO which includes different type of cables, insulators, measuring instruments etc., The high light of DYUTHI is the "shockaeronz" a high voltage shock room, experienced high voltage electric shock. On 29th April "LOGIQ", technical quiz was conducted with 4 level rounds, students from various college participated the competition and winner has given cash prize.

Different exciting fun game was conducted car maze ,blind circuit, jigzo puzzles

### REPORT ON TECHFEST PROGRAMMES BY DEPARTMENT OF MECHANICAL ENGINEERING

### -YANTRA-

In association with national level Tech fest 'UDBHAVA-2023' held on 27<sup>th</sup>, 28<sup>th</sup> and 29<sup>th</sup> April 2023, Departmental Technical programmes are conducted under the banner of 'YANTRA' for Mechanical Engineering Department.

Various interesting technical programmes, workshops and games are conducted as per the schedule given below.

DATE	EVENTNAME	SESSION
27.04.2023	Project Presentation	FN, 11:30AM
27.04.2023	Slow cycling	AN, 03:00 PM
28.04.2023	Pit stop Master	Full day
28.04.2023	Bike stunt	AN, 04:00 PM
29.04.2023	Engine Overhauling	AN 9.30 AM

### IC ENGINE SURGERY- ENGINE OVERHAULING WORKSHOP

One of the most interesting workshops was IC Engine Surgery – Engine overhauling workshop headed by Team Tech Sun Pvt. Ltd. 40 students registered and participated in a full day hands on training workshop held on 29<sup>th</sup> April 2023.

In the "IC engine surgery workshop", students get first-hand experience by dis-mantling and assembling a real 4 stroke IC Engine. The hands-on training will make the students explore the knowledge about the design, components, and materials inside the IC engine.

It's a one full day session consists of expert theory class on automobile parts and engine working cycle by Mr. Sharath from Tech sun. Theory Session consists of Principle of IC engine, Basic Components of Engine, Basic Nomenclature, Classification of Engines Operation inside the engine, Basics of Power transmission Spark Plug and fuel injector, Introduction to Alternative fuels, History of automobile, engines, classification. Working cycle, strokes (2 stroke and 4 stroke), Engine Classification - fuel, stroke, CC, arrangement of pistons etc., Components of IC engine, functions, materials, Diesel engines v/s petrol engines, Real time working - animations.

It is followed by hands own session on 4 stroke Bajaj pulsar DTSI engine dismantling and assembling as a team of maximum 8 members. Each participant involved in hands on session with so much interest and enthusiasm. The workshop concluded at 4.30 PM

### PROJECT PRESENTATION

It is an event common for all departments and students from various streams participated and presented their project work .

### SLOW CYCLING

One of the games organized by Dept of Mechanical Engg. was slow cycling. It was one of the interesting game session of the Tech fest and total 40 participants performed in slow cycling. It was conducted on 27<sup>th</sup> April 2023, AN session at 3.00 PM. Registration fee was Rs 30/-Winner was awarded a cash prize of Rs 300/-

REPORT ON ANNUAL COLLEGE DAY - SATVI'22

The Annual College Day, SATVI-2022 was celebrated in the college on 21st and 22nd of May 2022. The event was inaugurated on 21st May at 10:00am by the chief guest of the day; Smt. K V Lalitha, Payyanur Muncipal Chairperson. Prof. Raveendran K, Vice Principal, delivered the welcome address. College Student's Union Chairman, Mr, Safwan I. M introduced the chief guest to the gathering. Vice President SBSY, Shri T. K. Rajendran, delivered the Management address. Principal SNGCET, Dr. Leena A. V., delivered the Presidential address. General Secretary College Student's Union, Ms. Aswitha Gangadharan, introduced the guest of honour, Shri Ajith Pulleri, film director. Dr. Susan Abraham, Dean UG and PG studies, Mr. Sunder V, Chairman Student coordination Committee and HoD CSE, Mr. Abhilash Krishnan, Staff Advisor, Administration officer Mr. Ashok Hegde, Mr Rajeesh P, HoD ME, Mr. Jalaludheen, PTA President, delivered the felicitation address. Ms. Prabha Chandran, AP EEE, Arts Advisor delivered the vote of thanks. All the staff and students of the college also were present in the programme.

Satvi'22 was a two day event organized in association with the college student's union. On the first and second day of the college day several cultural events and on stage competitions were organized such as classical music, duet song, dance choreo, music band, folk song, spot dance etc. All the students participated with enthusiasm and made all the events successful. Also off stage events such as poem writing, story writing, mehendi design etc. And Satvi sports were carried out a week before Satvi two day celebrations. Many students won several prizes. The prize distribution ceremony was also conducted and the various awards such as best team trophy, best student individual trophy and certificates were also presented to the students by the Principal, Management representatives, Student Coordination Committee Chairman, Staff Advisor and Arts Advisor.

Satvi'22 also showcased the main event, a live concert by the renowned singer, Mr. Sooraj Santhosh and team, on the evening of 21<sup>st</sup> March. The event was organised on the college ground which concluded at 10:30 pm.

#### **REPORT ON ANNUAL COLLEGE DAY - SATVI 19**

The Annual College Day, SATVI-2019, was celebrated in the college on April 3rd and 4th, 2019. The event commenced on April 3rd at 10:00 am with the inauguration by the chief guest of the day, T. I. Madhusoodanan, Payyanur Municipal Chairperson. Prof. Raveendran K, HOD (ECE & EEE), delivered the welcome address. College Student Union Chairman, Mr. Siddharth M, introduced the chief guest to the gathering. Vice President SBSY, Shri T. K. Rajendran, delivered the Management address. Principal SNGCET, Dr. V. K. Janardhanan, delivered the Presidential address. Lt. Col. V. Praveen (Administrative officer), Dr. Leena A. V (UG & PG Dean), Mr. Aswin P (Staff Advisor), and Prof. O. Unnikrishnan, HoD Phy. Edu, delivered the felicitation address. Vice Chairman - College union, Ms. Aryasree Vijayaraj D, delivered the vote of thanks. All the staff and students of the college were also present at the programme.

Satvi 19, a two-day extravaganza held in collaboration with the College Student Union, featured a plethora of cultural events and on-stage competitions spanning classical music, duet performances, dance choreography, music bands, folk songs, spot dances, and more. The enthusiastic participation of students made each event a resounding success.

Prior to the main event, off-stage activities including poem and story writing contests, mehndi design competitions, and Satvi sports were held a week in advance, with many students clinching various prizes. The prize distribution ceremony, graced by the Principal, representatives from the management, Student Coordination Committee Chairman, Staff Advisor, and Arts Advisor, honored the winners with awards such as the best team trophy, best individual student trophy, and certificates

Satvi'19 also showcased the main event, a live concert by the renowned singer, Ms. Saina Catherine of Sunburn Campus and her team, on the evening of April 4th. The event was organized on the college ground and concluded at 9.30 PM

REPORT ON Arts Fest - LAYAM'23

Arts have always played a pivotal role in the evolution of the society and mankind. Sree Narayana Guru College of Engineering and Technology has always upheld the importance of extra-curricular activities for student. In view of this, SNGCET in association with the college student's union organized a two day Arts Fest - LAYAM'23 on 9th and 10th of November 2023.

The arts fest was inaugurated on 9th November at 11:00am by the Vice President SBSY, Shri T. K. Rajendran. Staff Advisor, Dr. Sudhin Chandran delivered the welcome address. Our Principal, Dr. Leena A. V., delivered the Principal's address. The College Student's Union Chairman, Mr Muhammed Aseel introduced LAYAM to everyone. Dean UG and PG studies, Dr. Susan Abraham delivered the felicitation address. The Arts Advisor, Ms. Prabha Chandran, delivered the vote of thanks. All the staff and students of the college also were present in the programme, 9th and 10th of November witnessed the creative abilities from a diverse range of onstage genres including classical music, classical dances, group song, light music and other various performing arts which also showcased ambitions, hard work and teamwork of our students. About 16 literary art and visual art events were conducted off stage on 6th and 7th November 2023. Students from four houses -Pearl, Sapphire, Coral and Emerald competed for about 38 events for the overall champion's trophy. The house Coral won the Champion's trophy and House Emerald won the first runner up trophy.

LAYAM'23 concluded with the valedictory function with the Principal, Dr. Leena A. V. announcing the house names for overall champions and the first runner up and presenting the respective houses with the trophy and the certificates to the winners of various events of LAYAM'23.

### **Campus Counselling Centre at SNGCET**

Mental health includes our emotional, psychological, and social well-being. It affects how we think, feel, and act. It also helps determine how we handle stress, relate to others, and make healthy choices. Mental health is important at every stage of life, from childhood and adolescence through adulthood. Mental health is more than the absence of mental disorders. It exists on a complex continuum, which is experienced differently from one person to the next, with varying degrees of difficulty, distress and potentially very different social and clinical outcomes. Mental health conditions include mental disorders and psychosocial disabilities as well as other mental states associated with significant distress, impairment in functioning, or risk of self-harm.

Attending college can be a stressful time for many students. In addition to coping with academic pressure, some students have to deal with the stressful tasks of separation and individuation from their family of origin while some may have to attend to numerous work and family responsibilities. In this context, many college students experience the first onset of mental health and substance use problems or an exacerbation of their symptoms.

In order to promote mental health of students, the management of Sree Narayana Guru College of Engineering & Technology has established a Student Counselling Center in campus

from June 2023. A spacious room was allotted for the functioning of the campus counselling centre. The counselling center will be active on every Friday from 9 am to 4 pm. In case of emergency this timing can be varied. The counselling center aims to provide mental health services for students. The activities and programs organized by the counselling centre includes

- · Assessing the needs of the campus
- Addressing the psychological issues of students
- Providing psycho education
- Conducting psychological assessments

With the intention of introducing the importance of mental health on students, the psychologist had a session with every student department wise. There are five departments in the campus. The five teaching departments in the campus include- Department of Civil Engineering, Department of Mechanical Engineering, Department of Electrical and Electronics Engineering, Department of Electronics and Communication Engineering and Department of Computer Science and Engineering. There are more than 200 students in the campus. Also each student is personally had an interactive talk with the psychologist during which the students were able to freely express their concerns and difficulty. This process is still on progress. This process seem to be helpful for the students in their decision making, goal setting, stress management, emotion regulation etc.

Most students of the campus belong to the adolescence age group. Adolescence is a unique and formative time. Protecting adolescents from adversity, promoting socio-emotional learning and psychological well-being, and ensuring access to mental health care are critical for their health and well-being during adolescence and adulthood.

Individual counselling sessions are provided to students for their issues related to academics, social, emotional, psychological, behavioural and physical struggles. The aim of the session is to help the child overcome the problem and deal effectively with the environment. If required, the students are referred to external agencies for further psychological assessment and support.

A total of 30+ sessions were conducted. The major symptoms addressed during the process includes emotional problems, negative thoughts, suicidal thoughts, academic stress, anxiety, relationship issues, anger, unhealthy habits and depressive symptoms. Cognitive behaviour therapy was mostly applied. Techniques like relaxation training, breathing exercises etc. were taught for people with anxiety issues.
